With reference to your 196/23/CA dated 23 May 44, I am in agreement on the establishment of Public Safety Officers on 8th Army strength, and I have expressed the same opinion to Group-Captain Benson through the SCAPC, (Major Pullen).

Major Pullen has explained that the SCAC prefers to have general duty officers rather than specialist officers, i.e. CAO's rather than CAPO's. In view of the extracts from the Executive Commissioner's notes, however, I am writing to Group Captain Benson at once to enquire what additional requirements for Public Safety Officers he now has.

Public Safety Sub-Commission,

A.P.O. 394.

Reference your ACC/14004/1/3/P.S. dated 6 May, 44, the following observations are made.

Your 1. All postings of officers, regardless of duties to be performed, are authorised solely by H.Q., A.C.C. G-1 Branches (British or American). These postings are then published in the Daily Bulletin for info and action by the various A.M.G. Armies, Sub-Commissions and Divisions effected. That is the only authorised channel of personnel movement control, and no further action is therefore required by this H.Qs.

Your 2. This H.Qs, in common with A.M.G. 5 Army and Regional H.Qs submits on the last day of each month as at 23.59 hours to G-1 British, H.Q., A.C.C. a detailed Personnel Return (A.C.C. Form R.3) which clearly shows all British and American officers held on strength, and their specific duties. It will be appreciated that further returns to be submitted on a subject which is now adequately reported on, tends to duplication, and a clerical strain which is not possible for this H.Qs. to support in the field. There is one S.C.A.P.O. with Asst S.C.A.P.O. held on strength this H.Qs. who implement Public Safety policy as instructed by S.C.A.O. A.M.G. Eighth Army. C.A.P.Os in the Spearhead Group are invariably used as C.A.Os.

SUBJECT: Strength and Disposition of Officers in Regions.

TO : RPSO Region 1, 2, 3, 4, 5, 7. (through Regional Commissioner).
CPS 5 Army Field. (through SCAO)
SCAPO 8 Army.
CPS "CIS".

At a recent check by this Sub-Commission of Public Safety officer personnel in Regions, with Establishment Branch, it was found that certain officers, who are definitely known to be performing public safety duties, and who are shown by RPSO's on the strength of Public Safety, are shown by Establishment Branch as being on other duties, such as provincial officer, GAO, etc.

Establishment Branch state that their records are maintained by monthly returns submitted from Regional Commissioners.

The attached list of assignments as shown by Establishment Branch records is forwarded. Will you please carefully check this list and when it is within your knowledge that a Public Safety officer is performing duties other than as shown on this list, or if the list shows any discrepancy whatever, will you please take steps to have the matter rectified by bringing it to the notice of the Regional Commissioner for inclusion in the next monthly return to Establishment Branch. Your particular attention is drawn to the officers marked.

The return to this office of the spare copy suitably amended, as soon as possible, will be appreciated.

This does not take the place of the monthly return of officers called for in this office letter AGC/14004/1/3/PS dated 2 May 1944.
