24th February, 1946.

To: G.I. British, Headquarters, Allied Commission, Rome, CMF.
(Copy to Public Safety Sub-Commission).

Subject: Claim for Payment of Staff Pay,
Mediterranean & Servant Allowances.

From the 2nd December, 1945, to the 5th January, 1946,
I was on L.I.A.P. leave in U.K. I disembarked in Milan after
LIAP on the 6th January, 1946.

Up to the present date I have not yet been paid Staff
Pay and the Mediterranean and Servant Allowances, which payments
should have recommenced as and from the 6th January last, when
I disembarked in CMF, and continued until I left the CMF (Milan)
again the 18th February.

In short, these emoluments ceased to be paid whilst
I was on LIAP leave from the 2nd December until the 5th January,
but should have resumed and been paid during the period 6th January
to 18th February, the period of my service in CMF after my
return from LIAP.

I have written to the APO, Manchester, asking why the
payment of these emoluments has not yet been resumed, and
attach hereto for your information an extract copy of their reply.

If not already done, may the action outlined by them
be taken, please, and may I be informed by you of the situation,
quoting me the Part II Order in question.

Thanking you.

PS. I understand that servant allowance is now payable on claim
for the period of LIAP leave. If this is so, may I please
be informed of the procedure to claim same?

SUBJECT : Escort Duty.

TO : VP Civil Affairs Section.

1. Your attention is invited to the frequency with which Escort duty falls upon Public Safety Sub-Commission.
2. During the present month this S/C has been called upon to provide an Officer for 24 hours Escort duty on 31st January, 8th, 18th, and 27th February 1946.
3. It will be appreciated that losing the services of an Officer for a whole day at such frequent intervals seriously interferes with the work of the S/C, more especially in view of the small number of Officers attached to the S/C. At the present time three officers only (including Major Harvey awaiting Class B release) are eligible to perform the duty. Furthermore, having regard to the large number of British Officers attached to this Hq., it is obvious that for some reason a fair proportion are not being called upon to undertake the duty.
4. It is suggested that it would be in the general interest for this duty to be spread evenly throughout the Officers attached to the Hq.

Dear Sir

Your letter addressed to Col. White has been passed to this office for action.

I am to inform you that the case to which you refer was passed to the J.A.C. and the following ruling was given.

"In my opinion there is no evidence to justify a charge being made against this officer. Since Mr. H.G. Edwards has left for England, his signed statement must be regarded as inadmissible."

In view of above no F.G.C.M. was assembled and the matter was closed on 21.8.44.

I would add that in any case it is now a military practice to pass on information to civilians.

of this nature.
