1. I would like to have Sgt Spata described in para I, ~~and~~ or some other man equally as proficient in Italian, assigned to me as interpreter-

To: Commissioner of Public Safety
 From: - Rear Echelon P.S. - A.C.C.
 Subject: - Wilmer Lellan Lieut Comdr. U.S.N.R.
 Date: - Nov 15, 1943

I have just finished the interview of above subject and feel that I should acquaint you briefly with some of his background. Subject has a rather extensive experience in Prison Administration. He was Director of Penal Institutions for the State of Michigan '37 to '39 and then was Special Assistant to the U. S. Attorney General in charge of Prison matters for 2 years. He then was made chief Examiner for the Bureau of Prisons Dept. of Justice, which post he held until he entered the service August 1942.

Although it would seem that the subject is worthy of consideration for Prison A.C.C., ¹⁵²³ in view of the only vacancy being the Superintendency, with rank of Colonel; Comdr. Lellan was assigned to P.S. Reg. IX, with the thought that a better review of his background could

2
be obtained in the meantime. I understand
subject is known by Capt. Burke and Capt.
Alper.

I trust that the disposition and
assignment of subject is acceptable.

Reg. B/F
Public Safety - A.C. - San Echele
Wed. Nov. 10, 1943
33A

Dear Colonel Kirk:

I have just finished with the interviewing board, before which some 23 British officers appeared. These 23 ranged in rank from Lieut. to Lieut. Colonel and were all originally catalogued as Public Safety officers. This is a most impressive group; ^{and} with the exception of one or two, all have had a vast amount of excellent police service.

Before sending you a typed summary relative to these officers and their assignments, I wish to hurry these informal notes to you.

Captain Wm. Romie was selected for Public Safety A.C. and I hope you are as impressed with this officer as I am. I am enclosing a typed history of ~~his~~ ^{his} police experience, which is most noteworthy. Captain Romie presents a snappy military appearance and is possessed of a fine personality and I am sure he will be a real credit to our organization.

H

As you know, there are two appendices
"E" to PD #12. Both dated Oct. 22, 1943.
One provides for 27 Pub. Saf. officers
in the TO and the other "revised" TO
allows for only 21.

For the purposes of the Assignment Board
I have used the 21-TO preferring to
be conservative in the allocation of personnel
to PS-AC. Especially, ^{so} since some
British officers in charge of Regional
Public Safety have been active in
intending for regional assignment of
some of these men. Handicapped by
lack of personal knowledge of the
background of these officers, I have
chosen to be reserved in AC selection.

I had hoped to forward information
relative to these officers upon their arrival
whereby you could discuss with Coln. Young
and Coln. Lums, the possibility of ¹⁵⁰⁵ ~~staff~~
assignment to PS-AC. Such communication
could be consummated during the first week
of indoctrination at the school.

##

The Board and particularly Coln. Rathbone was most unsympathetic toward this idea and insisted on forthwith assignments. It was clearly indicated that the AC representatives here should take all the responsibility, even to the allocation of full colonels. There seems to be an express desire to fill all AC vacancies and I trust you will appreciate the urgency of action in regard thereof. On the next page is a list of the billets as provided by the revised T.C. as I understood it.

While preparing such list a teletype from AFHQ has been received transferring Major E. W. Barrett (A) from PS Reg IX to PS-AC. Maj. Barrett is included in the typed list sent you under date Nov. 4. Adhering to the revised T.C. it is shown that we are one over ¹⁵⁰ in junior officers and have still the three full colonel vacancies.

Lieut. Coln. Lionel Rupert Daines was interviewed among the British group. He apparently was earmarked for the British Colony as Supt of Prisons. This officer is well known to Coln. Young and I have prevailed upon Coln. Fahren to telegraph you relative to the assignment of Lieut. Coln. Daines to P.S. - A.C.

Please forgive the scrawl and the inordinate length I seem to have gone in bringing to you this hasty message.

Colonel C. G. Loess, B.A. C.M.F. has chronic bronchitis and emphysema and has recently had an acute exacerbation of his bronchitis. There is also some cardiac enlargement present which with the bronchitis has caused dyspnea on exertion. After spending several days in bed because of his bronchitis, he was allowed up to walk around. He was seized with an acute attack of dyspnea and had to be put back to bed. As long as he does not exert himself this does not occur. Since he has been in this climate, he has had no relief from either his bronchitis or the attacks of dyspnea.

It is recommended that he be sent back to England where he can be more suitably treated for these conditions.

The reviewing board during my participation consisted of

Col. J.A. Dunlop (B) President
Col. F.L. Simmons (A)
Col. R.H. Farren (E)
Maj. Harold Anderson (A)

Enclosed is a copy of release to M.G.S. A.F.H.Q. from J.T.O.S.

- 2 -

Capt. G.E. Sullivan, Quartermaster Corps was assistant to the Mayor of Chicago. He had studied for the priesthood and had visited extensively in Rome. He was tentatively assigned as C.A.O. Region IX but it was felt that his unusual qualifications and knowledge should merit his consideration for Interior A.C.

2nd Lt. H.P. Cookson appeared impressive and apt. His Military Police training was obtained at Fort Oglethorpe and Fort Custer. He was assigned to A.M.C. planning.

Capt. Walter R. Johnson formerly Supt. of Safety for the State of Oklahoma was assigned to the 15th Army Group.

Capt. R.M. Hill possesses a background of prison parole and welfare works. He was assigned to Public Safety Region VIII.

Major E.W. Garrett (Ordinance) was with the New Jersey State Beverage Control. He was assigned to Public Safety Region IX.

1st Lt. K.I. Kolster has been with the Military Police for 3 years, much of which he was a member of the teaching staff at Fort Custer. He is a most assiduous student of foreign police systems and has compiled a treatise on the subject which is used at Fort Custer. In my opinion it would be well to consider this officer for Public Safety A.C. in the future. He has been assigned to Public Safety Region VIII.

2nd Lt. J.J. Guarini (Artillery) has been with the Federal Prison system in civilian life. As the requirements for this service are rather high, it might be well to consider him for future assignment to Public Safety A.C. He also was a college athletic coach and is of superb physical condition.

I know this resume is sketchy, but it has been impossible to refer to the personnel data sheet due to the processing of the information thereon to A.P.H.Q. Therefore this information is from the jottings made during the very brief period of interview. Most of the papers of these men were gone over with Col. Kirk prior to his departure.

It occurred to me that Capt. Alper was the only logical additional assignment to Public Safety A.C. to be made from this Group. Our T.O. on the American side only permits 6 assignments and these are in the upper brackets.- 2 Colonels, 1 Lt. Colonel, 2 Majors and 1 Captain.

Capt. Decker might be considered for the Special Police Sub-Division in the American Majority now vacant. I would suggest that he be interviewed in the future if possible by the Commissioner, Dep. Com. and Supt. of Special Police.

I have learned that personal mail delivered here will reach you quicker if I pick it up and send all of it to you under one cover. Otherwise there is considerable delay in A.P.H.Q. in the re-addressing process. Careful inquiry has been made and Army postal regulations will permit such relay of the personal mail of both British and American personnel attached to Public Safety A.C.

MEMORANDUM :

November 7, 1943

SUBJECT : Request for return to England for re-assignment
on grounds of ill-health.

TO : Colonel P.S. Kirk, Chief Public Safety Sub-Commissioner

1. I respectfully report that with reference to the above I am subject to acute chest and lung trouble and in view of the breakdown at present I am unable to do justice to the onerous duties entrusted to me as Supt. Special Police. As you are aware, both in N. Africa and here I have been subjected to health breakdowns and these following a period in hospital at London immediately prior to leaving England have left me in a very low state.
2. I was an instructor on the Directing Staff at Wimbledon prior to coming to N. Africa, and I am confident that work of a similar nature could be found for me.
3. I therefore respectfully suggest that I be returned to England, for I feel it is impossible for me to do justice to either you as Chief of the Dept, or to myself, and it is with considerable trepidation that I view the approach of winter under the conditions pertaining.

Office Deputy Commissioner Public Safety: W:-
Commissioner of Public Safety, 6 Nov 1943.

1. I have known Col Looms for several years and have been aware that he has suffered from a chronic chest condition which required him to take the greatest care of his health.
2. Before I left England in August last I visited him in hospital where I was informed that because of his lung trouble he would be unsuitable for foreign service. I was surprised therefore to find that subsequently Col. Looms arrived in this theatre. I have no doubt that his keenness to come was allowed to outweigh medical advisability.

3. He has at all times been exceedingly enthusiastic upon the duties of his assignment, but from day to day since his arrival I have noted a progressive deterioration in his physical condition and mental energy. I have no hesitation in advising that in his existing state of health he will be quite unable to discharge his Public Safety responsibilities.

4. Before he left England he was employed on the Directing Staff at the Civil Affairs Staff Centre and I am certain that if he is returned, that either this or an equally important post will be available for him.

5. I recommend therefore that he be returned to the Civil Affairs Directorate, War Office, London for re-assignment for grounds of ill health. I am fully prepared to accept all responsibility for this recommendation.

SUBJECT : Superintendent Civil Police,
Public Safety Sub-Commission

TO : Brigadier General Frank McSherry, D.C.C.A.C.

1. At the time request was made for the assignment of Lt. Col. John A. Warner as Superintendent of Civil Police, there was not then available, nor, from existing information, was there en route to this theatre, an American officer considered suitable for the position, other than Lt. Col. Wilson, already committed to Region III. Shortly after this request was tabled, for the reason stated in Gen. Holmes' memorandum, Col. Martin H. Meaney, Inf. U.S.A., Deputy Police Commissioner for the City of New York, arrived at Algiers. Request was thereupon made to the assignment board that Col. Meaney be detailed as Superintendent, Civil Police, Allied Control Commission. This request was granted with the understanding that circumstances might later arise which would warrant a change of assignment.

2. It is now requested that the assignment of Col. Meaney to this Sub-Commission be made permanent.

3. It is likewise desired that in view of circumstances now developing, that request be made to the Civil Affairs Division, War Department, for the despatch of Lt. Col. Warner to this theatre with a view to his assignment to the Public Safety Sub-Commission, Allied Control Commission.

4. If desired, comment on the foregoing could be the subject of personal conference.

MEMORANDUM TO: Brigadier General Frank MacHarry

1. We are informed that the European Theatre is interested in obtaining Lt. Colonel G. E. Wilson now in Region III attached to the 5th Army. He is desired, in the light of his general public safety background and his recent field experience, for planning work in the public safety field. Lt. Colonel Wilson was recommended by the Civil Affairs Division to this theatre for the position of Commissioner of Public Safety, National Headquarters. His name has more recently been suggested for the position of Superintendent of Civil Police, Allied Control Commission.

2. Colonel Kirk recently recommended that Lt. Colonel John A. Warner, former Chief of the New York State Police, now at Charlottesville, be requested for the position of Superintendent of Civil Police. The request was tabled because of Lt. Colonel Wilson's availability.

3. If you concur and will indicate the date upon which Lt. Colonel Wilson can be released, we shall notify the Civil Affairs Division, War Department that, in view of the need of the European theatre for experienced key men, Lt. Colonel Wilson can be released at such date, and shall ask for a suitable replacement, suggesting Lt. Colonel Warner as a possibility. This is agreeable to Colonel Kirk.

Transfer of Public Safety Personnel.

ARG/1072/PS

Chief of Staff.

30 October, 3.

Reference AG-300.4 of 19 October, 1943, by which Capt. K.E. WALLACE was transferred to duties in Trapani.

Capt. WALLACE was employed as the Assistant Fire Brigade Officer at ARG.Hq. and was intended for similar duties with Region I. He was one of only two officers so employed and his transfer implies that Region I will be left with no Fire Officer at all.

Although the travel order indicated he was to be engaged on training duties, he is, I am informed, employed upon duties as a Messing and P.M. Officer.

The order referred to was published without any reference to the Commissioner of Public Safety, who would certainly not have agreed to release him. The Fire Brigade Services on this Island are far from satisfactory and to leave them without supervision will in my opinion assure their complete ineffectiveness.

The transfer of Public Safety officers in this way, without consulting the Head of the Department, can result only in disorganization and inefficiency.

I request therefore that Capt. WALLACE be returned to continue his duties with this Sub-Commission.

Colonel,
Deputy Chief for
Chief Public Safety Officer.
