The Minister of War says that the GIGFF have to perform duties as part of the Italian Army.

As far as we are aware the GIGFF do not come within the Italian Army ceiling

- a) do not receive Army ration
- b) do not receive clothing & equipment from the Italian Army.

In fact, they are controlled by the Minister of Finance.

To : Public Safety Sub-Commission
Headquarters Allied Commission

1. I have to draw attention to the lack of uniforms and boots for the Guardia di Finanza attached to the Genoa Legion.

2. When A.M.G. was established in this Region many of the members of the GG.FF. had ceased to perform duty, many had been disarmed and some had joined the Partisan Forces. These men have now returned and in order that they can be put back into service the following articles are necessary :

100 Jackets
100 Trousers
500 Pairs Boots

3. It would be appreciated if the matter could be taken up with the GG.FF. General Command in Rome with a view to an early issue of such articles to this Legion.

Il giorno 10 c.m. si è presentato a questo Comando un sergente inglese - appartenente alla F.S.S. di Porto S. Giorgio per prendere accordi con lo scrivente circa l'intensificazione del servizio di difesa costiera da parte dei reparti dipendenti di questa Compagnia, per motivi di carattere riservatissimo.

Lo stesso giorno lo scrivente si è recato sia a Porto Civitanova che a Porto Recanati per dare le opportune disposizioni. Senonchè ha potuto notare che tutti i militari hanno le calzature in condizioni pietose, tanto da non essere quasi in grado di espletare il gravoso servizio, esclusivamente notturno da farsi sulla spiaggia, ad essi richiesto. Alcuni indossano scarpe basse e borghesi delle più svariate tinte e di scarso rendimento.

Con nota n°2598 del 17/3 corr. hanno diretto al Consiglio Provinciale dell'Economia di Macerata e per conoscenza all'Ufficio Approvvigionamento Governo Alleato (A.M.G.) questo Comando in considerazione del servizio che debbono esplicare i militari dipendenti richiedeva l'assegnazione di un congruo quantitativo di cuoi e pellami per n°70 militari presenti.

Poichè fino ad oggi nulla è stato assegnato, ed in considerazione dell'effettivo bisogno, se ne rinnova a codesto Ufficio la richiesta e si trascrivono qui di seguito i nominativi dei militari effettivamente bisognosi con preghiera di provvedere in merito onde evitare che ne derivi pregiudizio al servizio.

FINANCE GUARDS' General Command.

Rome, 1st May, 1945.

No. 329. 570.

SUBJECT: Clothing for Finance Guards.

TO: L.C. S.S. 5/4.; Rome.

In order effectively to prepare the 1000 men of the Royal Finance Guard to be sent to the North, this Ministry would have to distribute to them the small quantity of clothing which is still at the disposal of the Corps warehouse.

It is absolutely necessary, however, that this clothing should be replaced because in the coming month of June the enlistment of order Finance Guards must be provided for on account of the great deficiency of personnel, the present strength being absolutely inadequate to cope with the multiple services required of the Corps.

Therefore, with reference to to-day's telephonic communication, the Public Safety Commission is asked to intervene with the Allied Command to the effect that the Royal Finance Guards be supplied with 1,000 uniforms - even if they should have to be repaired uniforms.

OGGETTO: Vestiario per la R. Guardia di Finanza.

Questo Comando Generale, per mettere in efficienza il corredo dei 1200 militari della R. Guardia di Finanza da inviare al nord, dovrà distribuire agli stessi il poco vestiario di cui ancora dispone il Magazzino del Corpo.

Occorre però che tale vestiario sia reintegrato soprattutto perchè il venturo mese di giugno si dovrà provvedere all'arruolamento di allievi finanziari a causa della forte deficienza di personale, essendo quello attualmente alle armi assolutamente inadeguato alle esigenze dei molteplici servizi cui il Corpo deve provvedere.

Con riferimento pertanto alla comunicazione telefonica odierna, si prega codesta Sottocommissione di compiacersi intervenire affinchè, a cura del Comando Alleato, siano fornite alla R. Guardia di Finanza mille divise, anche se si tratti di divise riparate.

I have the honour to send, personally, to you a list particularly important for the re-organisation of G.G.F.F. Corps, which I am commending.

You know that the units of the Force are entrusted with important tasks-and in the near future they will become still more important-in the fiscal field, and above all, at the present time, in the supply control section. It is evident that these aims highly important in the political and social life cannot be attained, if soldiers have not a sufficient clothing equipment, of which article the stores are completely lacking.

Therefore I am obliged to call your attention to this delicate question, and I would appreciate it, if you would inform me in regard to the measures, which would be taken on the matter.

Thanking you.

MINISTRY OF FINANCERome 12th April 1945
n:16364Subject; MF/CC. Clothing equipment.
To.....: A/G. Public Safety subCommission.

The CC.FF. Corps, is entrusted with important tasks of repression and prevention of fiscal and food-supply crimes. These tasks, which in the near future will become still more important, cannot continue if soldiers have not a sufficient clothing equipment. These articles are completely lacking in the stores.

This shortage of equipment is the consequence of the nazi-fascist domination, during which period those articles have been brought away.

The clothing-articles, which are urgently needed for the new enrolments, are 5000 complete uniforms.

In the return A are listed the clothing articles for the CC.FF., and the needs of the materials to be given in the case in which the furniture of the manufactures will not be possible, is reported in the return B.

In both the cases, dispositions should be issued in order to release the manufactures and the raw materials—specially wool and leather—existent in the country, allotting these materials to the CC.FF. Administration.

It is reported, in order to obtain immediate allotments, that for the second half year 1945, considering the liberation of Northern Italy, the quantity of material necessary will not be inferior to 15.000 uniforms.

 Prot. N° 16964 _____ Allegati due _____
 Risposta al f. del. _____
 Div. _____ Sez. _____ N° _____
 OGGETTO: Equipaggiamento dei reparti _____
 della R. Guardia di Finanza _____ R O M A

~~~~~

Il Corpo della R. Guardia di Finanza, che è già stato chiamato ad assolvere, pur con i quadri numericamente ridotti, delicati compiti di prevenzione e di repressione dei reati fiscali eannonari, non potrebbe continuare a svolgere la sua proficua azione, che dovrà prossimamente ancor più svilupparsi in ampiezza e profondità, se non si provvederà con immediatezza a colmare la quasi assoluta mancanza di adeguate dotazioni nel settore del vestiario. Questa situazione deficitaria risale al tempo della dominazione nazi-fascista cui va attribuita la colpa delle accertate depredazioni.

Il fabbisogno previsto per il corrente esercizio finanziario (sino al 30 giugno 1945), che dovrebbe essere coperto con eccezionale rapidità per evitare deprecabili rallentamenti nell'azione del Corpo, ammonta 5.000 divise complete che conseguirebbero lo scopo di fronteggiare le esigenze dei nuovi imminenti arruolamenti e delle più urgenti rinnovazioni. La serie del vestiario dei finanzieri risulta dal prospetto A, mentre il fabbisogno delle materie prime da concedere, qualora

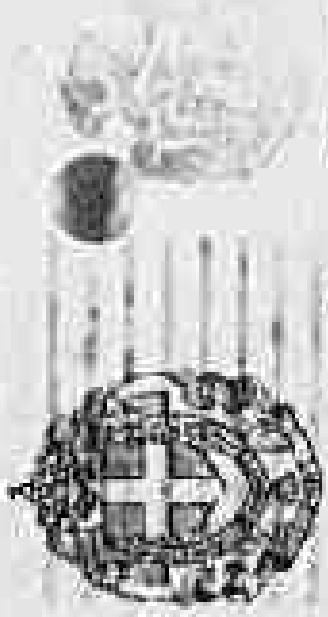

non sia possibile la fornitura dei manufatti, è descritto nel prospetto B.

In entrambi i casi disposizioni dovrebbero essere sollecitamente impartite per sbloccare le partite di manufatti o di materie prime - soprattutto lane e pellami - esistenti in Paese, assegnandole alla Amministrazione della R. Guardia di Finanza.

Si segnala inoltre sempre ai fini di ottenere tempestive assegnazioni, che per il secondo semestre del 1945, tenendo conto della liberazione dell'Alta Italia, il fabbisogno non sarà inferiore a 15.000 divise.

IL COMANDANTE GENERALE

Roma,

12 APR 1945

Egregio Colonnello,

mi permetto di inviare personalmente a Lei una nota il cui contenuto ha particolare importanza per la riorganizzazione della R. Guardia di Finanza, che ho l'onore di comandare. Ella sa che i reparti del Corpo sono chiamati ad assolvere compiti - e lo saranno ancor più nel prossimo avvenire - di vasta portata nel campo fiscale e soprattutto ora nel settore annonario ed è evidente che questi scopi di alto significato nella sfera politica e sociale non potranno essere raggiunti se i militari non avranno una dotazione sufficiente di indumenti, di cui i magazzini sono totalmente sprovvisti.-

Sono per ciò indotto a pregarla di voler cortesemente portare il suo esame sulla delicata questione e Le sarei molto grato se dei provvedimenti ch'Ella crederà di poter promuovere, volesse darmi comunicazione.

La ringrazio e Le porgo distinti saluti.

Subject : Request for clothing.

To : A.C. Public Safety Sub-Commission - Rome.

1. Based on the Sub-Commission's letter n. 14601/8/PS dated 18/10/1944, cloth for the manufacture of clothing articles, as well as already made articles have been requested from the Ministry of Industry, Commerce & Labour.

2. The a/m Ministry has assigned only linen-cloth, reporting that it has no woollen cloth available. And even the linen-cloth has not yet been delivered.

3. Therefore the problem in regard to the supply of 5000 metres of gray-green flannel for shirts, of 10.000 metres of gray-green cloth for privates, 3000 metres of blue cloth for ECOs of the sea branch and 2000 metres of blue serge for Finance Guards of the sea branch, 10.000 pairs of woollen socks, 5.000 pairs of woollen trousers and 2000 pairs of woollen stockings remains unsolved. Not even the requested 30.000 pairs of cotton socks have been assigned.

4. It is suggested to have the supplies of woollen cloth renewed from the Army, being the types used similar.

This supply should be granted only once, thus giving to the Ministry of Industry, Commerce & Labour the opportunity of organising also the supplies of cloth and articles.

5. It is reported that the Sub-Commission's letter n. 14601/8 dated 18/10/1944 has been answered with letter n. 20399/C dated 17 (for Major Wilson) asking for woollen articles and boots, of which not any quantity has been received up-to-the present time.

We acknowledge receipt of the letter of the above Sub Commission dated 20/1/1944

1) the complaints about the want of clothing are justified because this Command has no possibility of satisfying the coming requests.

2) following the instructions given by this Sub Commission we have

since long requested the stores needed to the Ministry of Industry

and Commerce" for dressing the Guardia of Pinar del Rio without any positive result. The said Ministry, now, find it impossible to satisfy our requests

of clothes, linen, knitted goods. Only for shoes there is a promise to satisfy our requests of 2000 pairs sent on the 15th December 1944, according

to the instructions given by the above Sub Commission. (1) (30/1/44 now allotted. See enclosure. In)

3) Even the request of clothing that this Sub Commission invited us to send you paper 14601/3 of the 16th-11-1944 has had not favourable

issue (copy enclosed) 650

4) Therefore, the situation, will grow worse and worse if no measure are taken at once.

5) We think that the only way to help us would be to have clothes furnished by the Army to the P. Guardia of Pinar del Rio that will pay for them, until the Ministry of Commerce will be able to do it without outside help which is not now in a position to do. 25/5/44

Before, when the Guardia of Pinar del Rio could not buy directly what necessary, they applied to the Army or Navy and from them could get everything paying for it. For certain purchases the Army interested themselves also for the Guardia of Pinar del Rio when they bought in a large scale and the Guardia of Pinar del Rio needed only small quantities.

This was done to obtain an economy on purchase prices. Lastly, we must consider that the clothes of the P. Guardia of Pinar del Rio are quite like those of the Army, and the providers are the same. If the

Sub Commission of the Army frees the above place of furnishing in

exclusive favour of the Army, the R. Guardia di Finanza will never be able to purchase anything.

c) Terenti is joining the copy of the paper No. 21247/6 of the 23/II/1944 relative to the necessary clothes as mentioned by this Sub Commission to the Ministry of Industry Commerce and Work and the paper 2757 of 9/9/1944 for the request of the raw material needed for the making of 10000 pairs of shoes.

Spett.le - Rev. Commissione - Vestuario ed Equipaggiamento R. Guardia  
Finanza

Si fa riferimento alla lettera di codesta Sub. Commission. No 14012/4  
del 29-I-1945

Le lagune circa la mancanza del vestuario sono giustificate perché  
nessuna possibilità ha questo Comando di soddisfare la richiesta che gli  
provengono.

2) Più de tempo, seguendo le istruzioni inviate da codesta Sub. Commission  
sono stati richiesti al ministero dell'Industria Commercio e Lavoro  
quantitativi occorrenti per la vestizione dell'guardia di finanza;  
ma senza alcun risultato positivo. Detto ministero non ha per ora la pos-  
sibilità di soddisfare le nostre richieste di panni tela e maglierie.  
Solemente per la scarpa v'è una "promessa" di soddisfare una nostra  
richiesta di 2000 paia avanzata il VI dicembre 1944 secondo speciali  
istruzioni inviate da codesta Sub Commission. (c)

3) Anche la richiesta di vestuario che codesta Sub Commission/i invito  
a presentare con foglio 14601/2 del 16-II-1944 non ha avuto alcun esi-  
to favorevole (enceludiamo copie)

4) La situazione perciò, andrà sempre peggiorando se non si provvede  
rapidamente.

5) Si ritiene che l'unico modo per uscire la attuali difficoltà sia  
il ricorso dell'Esercito

3581

del 29-I-1945  
 16) La legge circa la vendita di vestitieri sono state  
 nessuna possibilità ha questo governo di soddisfare le richieste che gli  
 vengono.

2) Già da tempo, quando la intrinseca da codesta Sub. Commission  
 sono stati richiesti al ministro dell'Industria Commercio e Lavoro  
 quantità di vestitieri per la vendita delle guardie di finanza;

ma senza alcun risultato positivo. Detto Ministero non ha per ora la pos-  
 sibilità di soddisfare le nostre richieste di modificare una nostra  
 sollecitazione per le scarpe vi è una promessa, di modificare una nostra

sollecitazione di 2000 paia avanzata il 21 dicembre 1944 secondo le usuali  
 richieste di 2000 paia avanzate il 21 dicembre 1944 secondo le usuali  
 intrinseca avanzate da codesta Sub Commission. (1)

3) Anche la richiesta di vestitieri che codesta Sub Commission ha inviato  
 a presentare con foglio 14501/3 del 1-11-1944 non ha avuto alcun suc-  
 to favorevole (conclusione nostra)

4) La situazione perciò, andrà sempre peggiorando se non si provvede  
 rapidamente.

5) Si ritiene che l'unico modo per superare le attuali difficoltà sia  
 quello di fare rifornire e pagamento, il vestitiero dell'Esercito e Mini-  
 stero del Commercio non sarà in grado di provvedere da sé, ciò che non

3581

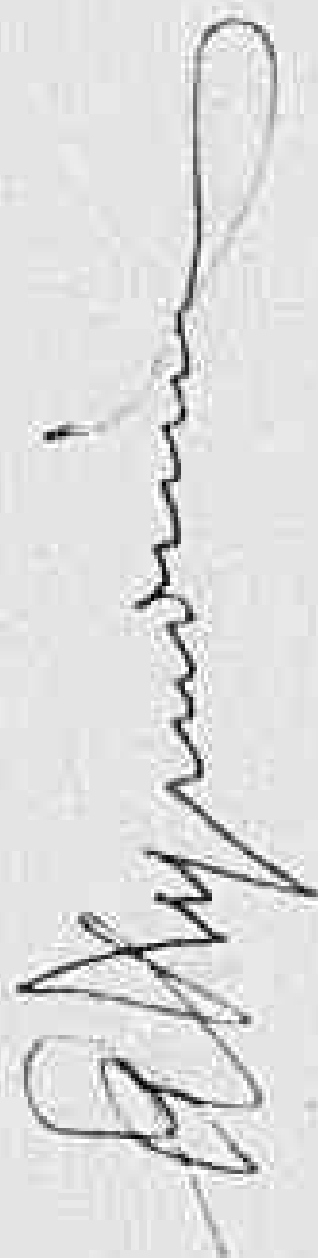

sembra possa fare ora.  
 In passato quando la R. Guardia di Finanza non riusciva ad acquistare  
 direttamente ciò che le bisognava si rivolgeva all'Esercito o alla  
 Marina Militare e in casi, previo pagamento, otteneva quanto era neces-  
 sario. Per alcuni acquisti poi era l'Esercito che si interessava anche  
 per la R. G. di Finanza, quando cioè si trattava di articoli che alla  
 R. G. di Finanza occorrevano in piccole quantità e l'Esercito ne equi-  
 stava in larga scala. Ciò si faceva per realizzare una economia nei  
 prezzi d'acquisto.

Si deve infine considerare che il ventinario della R. Guardia di Finanza  
 è quasi uguale a quello dell'Esercito e le fondi di rifornimento sono

in attesa. Se la Sub Commission dell'Esercito bloccasse dette fonti a favore esclusivo dell'Esercito, la R. Guardia di Finanza non tratterà mai nulla da acquistare.

c) Si allega in copia il foglio No 21247/8 del 23-III-1944 relativo al fabbisogno vestiario segnalato da questo Comando al Ministero del Commercio Industrie e Lavoro ed il foglio No 7757 del 9/2 1944 relativo alla richiesta delle materie prima occorrenti per la costruzione di 10 mila paia di scarpe.

Il Generale Comandante Generale  
(A. Agmonino)

OGGETTO: Serv. di Comm. - Vestiario. - Fabbisogno calzature per la R. Guardia di Finanza.

Per far fronte alle necessità del Corpo questo Comando deve provvedere alla confezione di 10.000 paia di calzature per le quali si richiedono le materie prime qui in calce elencate. I calcoli sono stati fatti tenendo per base i conti di costruzione approvati dal Ministero della Guerra per il tipo di stivaletto mod. 1939 per armi a piedi.

La forza presente di tutta l'Italia liberata, fino a Roma, è di circa 13.000 uomini, dei quali molti sono pressochè sprovvisti di calzature o perchè calzano scarpe di ripiego e vestono in borghese o hanno calzature non più suscettibili di riparazioni.

Pertanto si fa presente che per i più urgenti bisogni occorrono 5.000 paia di scarpe, mentre le altre 5.000 servirebbero a costituire il necessario fondo di scorta per rinnovazioni e per provvedere alla necessità dell'immediato futuro in previsione della vestizione dei finanzieri spandati che affluiranno nelle zone recentemente liberate nonchè di quelli che peverranno dal nuovo reclutamento di cui è in corso l'approvazione del relativo bando.

Ref. your 305832/2/CA dated 9 December 1944.  
313-V-7

1. Below is para 3 b. of AFHQ letter AG 400/105 D-0 dated 22 Dec. 1944.

"b. Only those classes of troops who are in fact effective will be supplied. An individual who is "in fact effective" is defined as one who is a bona fide member of the Italian armed forces, either officer, non commissioned officer, or other rank, duly enrolled or enlisted who is subject to the laws of war and the Geneva Convention, borne on the rolls of the Ministry concerned, and actually performing the duty to which assigned as shown by the official strength returns of the Ministry concerned. Security Police, Fire Brigades, and Finance Guards are not included, as they are not military organizations in the above sense of the term. Their functions are essentially civilian in character and the control is maintained through the Allied Control Commission".

2. This paragraph states clearly that the Finance Guards are not included under the term "bona fide members of the Italian Armed Forces".

3. Under these circumstances the two directives HQ. A.C. R.C. X. M.C. Section letter 360/11/CA dated 10 August 1944 and MMIA letter AG/8 of 4 October 1944 do not apply to the Finance Guards.

Subject: K. Guardia di Finanza shoes and clothing supplies

re: evidence.

to: Public Safety Sub. Commission.

27.12.64.

In the month of May 1944 the Army Sub-Commission (M.V.I.A.) with letter N. 1937 had requested the K. Guardia di Finanza two thousand pair of shoes; such commissions successively annulled.

On the 12th of Oct. the P.S. Sub-Commission with letter I4012 dated 12th Oct. 1944 drew our attention to the fact that the shoes would be supplied by the trade Sub-commission at the Italian Ministry "Industria-Commercio-Lavoro". Therefore we should repeat our request of the 2000 pair of shoes to the said Ministry. This we did on 26th Oct. 1944 with sheet 17352/0; but no far without any result.

In the meantime a firm from Florence (Calzaturificio Marsocco) offered to make 1000 pair of regulation shoes for us.

The Allied officer working with the "Comitato Provvisorio" suggested we should have an approval of the P.S. Sub-commission written on our application. So it was done and the letter dated 15/11/1944 with the approval signed by Col. Chapman was presented by our local command to Lieut. Harold. But also this letter was sent back on the 14/12/1944 this time suggesting that the request of authorization should be addressed directly by this sub-commission to the Local Commander, Colonel A.K.C. Marston City.

Now there is another offer by the Valentini firm from Arcoli-Prato for about 1000 pair of the shoes. But also these shoes, even if they are what is stated on sheet I4012 dated 23/12/1944 written by this sub-commission, cannot be given over to the "Ministero di Finanza" because made with leather.

The Ministry of "Industria-Commercio-Lavoro" with letter N. 462 dated 25/12/1944 and addressed to this Sub-commission, asks that the freezing of these shoes be annulled in favour of the K. Guardia di Finanza.

We beg for an answer in the alternative to the above mentioned Ministry for the unfreezing of the shoes of the Valentini firm (Accommodation) and send to the "Comitato Provvisorio" "comunicato" in Florence the request of authorization for the making of the other 1000 pair of shoes by the Calzaturificio Marsocco.

of the 2000 pair of shoes to the said Ministry. This was done on 26th Oct. 1941 with sheet 17752/0; but so far without any result.

In the meantime a firm from Florence (Industria-Commercio Marzocco) offered to make 1000 pair of regulation shoes for us.

The Allied Officer working with the "Comitato Italiano" suggested we should have an approval of the I.S. Sub-commission written in our application. So it was done and the letter dated 15/11/41 with the approval signed by Col. Chapman was presented by our local command to Gen. Huxford. But also this letter was sent back on the 14/12/41 the time suggesting that the request of authorisation should be addressed directly by the sub-commission to the local command, Officer A.M.S. Florence City.

Now there is another offer by the valentini firm from Accolipiano for about 1000 pair of the shoes. But also these shoes, covering to what is stated on sheet 18012 dated 23/12/1941 written by this Sub-commission, cannot be given over to the "Guardia di Finanza" because made with leather.

The Ministry of "Industria-Commercio-Lavoro" with letter A. 460 dated 26/12/1941 and addressed to this Sub-commission, asks that the wearing of these shoes be annulled in favour of the "Guardia di Finanza".

We have for an answer in the affirmative to the above mentioned Minister for the increasing of the shoes of the valentini firm (Accolipiano) and send to the "Comitato Italiano" in Florence the request of authorization for the making of the other 1000 pair of shoes by the Valentinificio Marzocco.

It is superfluous to remind you that the question of these 2000 pair of shoes dates from May last, while the "Guardia" find their work more and more difficult for want of footwear.

La Sottocommissione dell'Esercito (M N I A) nel maggio 1944 con sua lettera 15111 concedeva alla R. Guardia di Finanza 2.000 paia di scarpe: concessione che successivamente venne annullata.

Il 12 ottobre codesta Sottocommissione di P.S. con lettera 14012/4 del 12/10/1944 ci faceva notare che il rifornimento di scarpe sarebbe stato effettuato dalla Sottocommissione del Commercio al Ministero Italiano Industria, Commercio e Lavoro. A questo Ministero perciò avremmo dovuto ripetere la richiesta delle 2.000 paia di scarpe. Ciò è stato fatto il 26 ottobre 1944 con foglio 17352/C, senza alcun risultato fino ad ora.

Traffanto una ditta di Firenze (Calzaturificio Marzocco) si offriva di costruire per noi 1.000 paia di scarpe regolamentari.

L'Ufficiale Alleato addetto al Consiglio Provinciale suggerì di fare apporre sulla nostra domanda l'approvazione scritta della Sottocommissione di P.S. - Così fu fatto e la lettera in data 15.11.1944 con l'approvazione firmata dal Colonnello CHAPMAN venne presentata dal nostro Comando locale al Tenente HUMPHOLD. Ma anche questa lettera è stata il 14/12/c. a. restituita con il suggerimento, questa volta, di far indirizzare la richiesta di autorizzazione direttamente da codesta Sottocommissione al Local Resourser Officer A.M.G. Florens City.

Intanto si è presentata un'altra occasione e cioè l'offerta fatta dalla ditta Valentini di Ascoli Piceno per circa 1.000 paia di scarpe;

Intanto si è presentata un'altra occasione e cioè l'offerta fatta dalla ditta Valentini di Ascoli Piceno per circa 1.000 paia di scarpe; ma anche queste scarpe, secondo quanto è detto nel foglio di codesta Sottocommissione 14012/4 del 23/12/1944, non possono essere cedute alla guardia di finanza, perchè costruite in cuoio.

Il Ministero dell'Industria, Commercio e Lavoro, però, in data 26/12/1944 con lettera 462 diretta a codesta Commissione chiede lo sblocco delle dette scarpe a favore della R. Guardia di Finanza.

Si prega voler dare risposta affermativa al detto Ministero per lo sblocco delle scarpe della ditta Valentini (Ascoli Piceno) e inviare al Consiglio Provinciale Economia di Firenze la richiesta di autorizzazione per la costruzione delle altre 1.000 paia da parte del Calzaturificio Marzocco.

E' superfluo ricordare che è dal maggio scorso che si tratta la questione di queste 2.000 paia di scarpe, mentre i finanzieri incontrano sempre maggiori difficoltà a far servizio per mancanza di calzature.

Since May 1944 the Army Subcommittee MIA allotted to G.S.P., 2000 pairs of shoes; this allotment has been successively annulled.

Since then, no shoe supply of any kind has been made, so that the situation is getting worse and worse. The P.S. Subcommittee has now informed the G.S.P. that, no new manufactured leather shoes can be supplied as they are all assigned for the Army.

We beg you to order that this G.S.P. may be supplied, for its most urgent needs, with 2000 pairs of used shoes, already repaired and to receive a aliquot part, in order to face the normal consumption.

We point out that this aliquot part will be submitted to an increase as soon as new provinces will be liberated.

The position of the R. Finance Guards as regards their obligations and the duties they have to perform as part of the Army units is, under certain aspects, like that of the CC.RR.

It follows that the relative efficiency and sufficiency of the mobile and immobile military material for the R. Finance Guards must interest this Ministry.

Therefore, I ask you to kindly let me know whether the directives contained in the letters:

360/11/CA dated 10 Aug 1944 of HQ A.C. R.C. X M.G. Section;

AQ/8 dated 4 October, 1944 of MMIA

are to be extended also to the R. Finance Guards.

1. Reference your AC/14012/4/PS of 18 December 1944.
2. The boots referred to are blocked by the Ministry of Industry, Commerce and Labour for one of two reasons. If made of leather they are frozen under the directive of the Allied Forces Local Resources Section which strictly controls under a system of priority all production and use of this item (leather). Priority one for leather is the Italian Armed Forces; number two is belting; and number three is essential civilian agencies. The Royal Finance Guards would be included in priority three.
3. However, the monthly requirements for the Italian Armed Forces are rarely if ever met so that little hope can be offered that G.G.F.F. could have these boots released to them.
4. If these boots are not made of leather, direct application to the Ministry of Industry, Commerce and Labour should be made by the General Commanding the Royal Finance Guards.

OGGETTO: Serv. di Comm. - Calzature.

Il Ministero dell'Industria - Lavoro e Commercio ha bloccato una piccola partita di calzature presso il calzaturificio del Sig. VALENTINI Vincenzo in Montegranaro (Prov. di Ascoli Piceno) al fine di porre in grado questo Comando Generale di far fronte ai bisogni più immediati ed urgenti. E' però necessario che l'Ufficiale del Comando Alleato da cui dipende Ascoli Piceno dia la sua approvazione.

In questo senso prego V.S. di voler interessare la Commissione per l'ottenimento del detto permesso.

Le calzature sono costituite da 250 paia già pronte e 748 da completare.

La ringrazio vivamente per l'aiuto che vorrà darmi -

1. Reference your AC/14012/4/PS dated 28 October 1944.

2. It is impossible for this Sub-Commission to grant the permission requested for the manufacture of shoes by the two firms in Florence for the following reason. The shoes of necessity will be made from leather which is strictly controlled by the Allied Forces Local Resources Section of A.F.H.Q. AFLRS is the only agency which can grant permission to use this leather for the shoes desired.

3. Therefore, the only possible procedure is for the Public Safety Sub-Commission to submit a demand for the leather to be used, on ACC Form MAT 10 to this Sub-Commission which will <sup>will</sup> forward it to A.F.L.R.S. However, it must be clearly understood that the probability of obtaining this leather is limited as the strict priority schedule demands that the needs of the Italian armed forces must be met first even to the extent of complete availability.

The "Le Triglia" cloth works at Treto has offered to furnish 5,000 metres of grey-green cloth. This cloth needs to undergo one further machine process for about 15 days.

It is requested that the Valdarno Electric Society be instructed to furnish the alternator and the 15 belts and also to concede the use of electric energy for the necessary 15 days.

The two firms - Calcestrificio "Marzocco" of via Masaccio 19, Florence and Calcestrificio "Marcino Vannini" of Rufina (Florence) would be willing to furnish 1,000 pairs of shoes each with materials in their possession.

It is requested that permission may be granted for their manufacture.

SUBJECT: Request for Class "B" Clothing.

202/13.

TO : Q.M., Fifth Army.

1. This H.Q. employs 32 Finance Guards who guard our civilian Food Supply Depots.
2. It is absolutely impossible to get these men clothing from Italian sources because the clothing does not exist.
3. Would it be possible to get from either Salvage or Class "B" stocks, 32 pairs shoes, 32 shirts, 32 Fatigue suits and 64 pairs of socks?
4. If this is possible, we would have the word "Italy" stenciled on the back of each shirt and fatigue suit and the Finance Guard "tabs" sewn on the collar so that there would be no danger of them appearing as American soldiers.

Pro-memory for Lieut. Colonel Wilcox  
of the Sub. Commission of P.S.  
Allied Control Commission.

On the 30/5/c.a. the Sub. Commission for the Army by letter of the  
~~30/5/c.a.~~ G.O. 15/II assigned the R. G. Finance 2000 pairs of shoes  
on condition that as many worn-out pairs <sup>of</sup> be returned in their

stead.

The R. G. Finance could not return the worn shoes because the men  
to whom new shoes were to be given, either had none on, being  
disbanded since the 8<sup>th</sup> of September or having come back with  
make shifts on their feet (sandals etc.) and there in such conditions  
as to make them almost useless.

The Sub. Commission has annulled the grant and the R. G. Finance  
has not received one pair out of the 2000 promised ones.

This General Command by letter W. 8338 of the 8<sup>th</sup> August address-  
sed to this P.S. Sub. Commission, has asked for the grant to be  
renewed about to be avail up to the present date.

dead.

The R. G. Finance could not return the worn shoes because the men to whom new shoes were to be given, either had none on, being disbanded since the 8<sup>th</sup> of September or having come back with make shifts on their feet (sandals etc.) and there in such condition as to make them almost useless.

The Sub. Commission has annulled the grant and the R. G. Finance has not received one pair out of the 2000 promised ones.

This General Command by letter No 838 of the 8<sup>th</sup> August addressed to this P. S. Sub. Commission, has asked for the grant to be renewed. But to no avail up to the present date.

This situation that lingers on since May last, is made now more serious by the number of disbanded men pouring in from the newly liberated territories, who are mostly without <sup>any</sup> wearable shoes.

Captain Cotton from Thich makes present to this Sub. Commission that the 40% of the Finance Guards in that zone are inactive for want of foot-wear.

For our own part, we must confirm the words of Capt. Cotton also in regard with Rome and other provinces from which requests of shoes are always coming to us - These requests remain unsatisfied.

We propose that the R. Finance Guards, should be allowed to have at once the 2000 pairs of shoes against payment, in order to face the more urgent needs. The shoes that can still be rendered serviceable, will be repaired by care of this General Command.

This Sub-Commission should interest the Competent Office of the Allied Control Commission at the Board of Industry, Trade and <sup>Work</sup> Commerce so that it may give its approval to the request of leather and accessories made by the R. Finance Guards for the making of foot-wear necessary to the normal replenishing of all the Corps.

The commandante Guardia di Finanza for the Chieti, Pescara, Teramo, Ascoli-Piceno, Aquila provincial Group informs me that under his command are 550 officers and men. Out of that total, 150 men are considered unfit for active duty owing to the lack of uniforms, foot wear and equipment.

Communication with his superiors at Rome on the subject has had no satisfactory result. The only solution offered was a few pairs of old boots with the advice that the men be employed within their barracks.

From all angles, A.M.G. and Italian, this is a most unsatisfactory state of affairs and certainly shows a lack of interest. It also means that apart of men sick, on leave; or otherwise indisposed, approximately 20% of the total strength are ineffective. At the present time it is essential that every available member of the Guardia di Finanza of the provinces within the Group should be effective and on duty.

May this matter be taken up, please, with the Guardia di Finanza authorities at Rome.

MINISTRY OF FINANCE  
GENERAL GUARDIA DI FINANZA COMAND  
Servizio Commissariato

N. 8333/C

23 August 44

SUBJECT: Serv. di Comm. - Clothing - Concession of 2000 pairs of shoes.

TO : A.C.C., P.S. Sub-Commission. Rome.

I. The Ministry of War, with letter n. 16713/V dated 5th August 44, sent to the Direction of the Commissariato Militare of Puglia and Lucania, has annulled the assignation of 2000 pairs of shoes granted to the R. Finance Guards by the MNIA Sub-Commission - letter AQ/15/II dated 20th May 44.

The annulment has been effected following an order of the same Sub-Commission; I think that this is because I stated that the Army could not give a corresponding number of used shoes.

The 2000 pairs of shoes were asked for:

- a) the soldiers who either have no shoes at all, or had them in such a state as to render the recovery very eleatory.
- b) for the clothing of the new recruits.

Re the recruits, the need has been deferred for some time, awaiting the issue of the band of enrollment; but in substitution to the recruits, there are the disbanded soldiers, who have come in, in pitiful clothing conditions, with worn shoes, and which it is necessary to send back to their units, both to clear the barracks of Rome and to assure the functioning of the service in the liberated territories.

We kindly ask this commission to take an interest in order that the Army Sub-Commission (MNIA) maintains the concession, without the obligation to give in exchange an equal number of used shoes, as this is absolutely impossible for me.

1°) - Il Ministero della Guerra, con suo dispaccio 15713/V del 5 agosto c.a., inviato alla Direzione di Commissariato Militare delle Puglie e Lucania ha annullato l'assegnazione di 2.000 paia di scarpe concesse alla R. Guardia di Finanza dalla Sottocommissione (MMIA) con lettera AQ/15/11 del 30 maggio c.a.

L'annullamento è stato effettuato in seguito a ordine della Sottocommissione stessa; ritengo che sia dovuto all'aver io dichiarato di non poter far versare all'Esercito un numero corrispondente di scarpe usate.

b) per la vestizione delle nuove reclute.

Per quanto riguarda le reclute, il bisogno è stato prestabilito di qualche tempo in attesa che si possa emanare il bando d'arruolamento; ma in sostituzione delle reclute, vi sono i militari sbandati, che sono affluiti in condizioni di vestiario pietose, con scarpe di rimpiego, e che occorre rinviare ai loro reparti sia per sgombrare le caserme di Roma, sia per assicurare il funzionamento del servizio nei territori liberati.

... / ...

Prego perciò caldamente codesta Commissione di volersi interessare affinché la Sottocommissione per l'Esercito (M.I.A.) mantenga la concessione e senza obbligo di dare in cambio un uguale numero di scarpe fuori uso poiché ciò non mi è assolutamente possibile.

1. It will be remembered that as from the 1st August, 1944, the Royal Guardia di Finanza ceased to draw rations from the Italian Army and obtained them from civilian sources in the same way as Agenti di PS.

2. The Legion Commander has recently appealed to me to assist him in ~~securing~~ boots and clothing for his Force as many of his Officers and men are in quite a deplorable condition as regards footwear and uniforms. He also mentioned that he was unable to secure same, or necessary petrol for his vehicles, from the Italian Army Command.

3. Some doubt was expressed as to whether the Royal Finance Guards ~~are~~ still part of the Italian Army. I informed him that I had heard nothing to the contrary and that the only change was from a ration point of view. Have you any knowledge of this talked-of change from Military to Civil Police status? It is of course, a very material matter to all concerned.

4. In any event, could something be done to hasten the provision of uniforms and especially boots for this organisation, please.

As regards boots the CCRR state that when they received 5000 pairs of boots 5000 worn pairs were withdrawn and returned to the Italian Army.

#### GGFF

The GGFF have a few small workshops which are only capable of dealing with minor repairs to their own uniforms and will not be able to cope with the repair of worn Italian Army uniforms.

The GGFF ask to be issued with Italian Army uniforms already repaired. A list of materials for carrying out minor repairs to GGFF uniforms is being compiled and will be forwarded to you as soon as possible.

As regards boots, the GGFF state that when the 2000 pairs are received they will be issued to new recruits and it will not be possible to withdraw worn boots for repairs.

4. It is therefore requested that the Italian Army uniforms, the boots and the repair materials requested by the CCRR in paragraph 3 above be supplied.

5. The full requirements of both CCRR and GGFF in order of priority are set out in previous correspondence from this Sub-Commission (vide ACC/14601/8/PS of 19th May 1944).

SUBJECT : Request for Clothing, Arms and Ammunition,  
Equipment, Transportation, and Tires made  
by GG.FF (Finance Guards)TO : Allied Commission  
Sub-Commission P.S.R O M AURGENT

In accordance with a telephone conversation between Public Safety Sub-Commission Allied Commission and this Office, we are forwarding the attached lists in triplicate showing our requirements for clothing, Arms and ammunition, equipment, transportation, and tires.

We wish to call to your attention the fact that both the uniforms and socks requirements should be made from new stock. We stress this because just recently, this command was forced to return the uniforms and socks allocated for the 1200 guards who were alerted for duty north, due to the fact that they were not new.

We thank you for anything which may be done for the GG.FF.

Si fa presente che le divise debbono essere nuove ed altrettanto dicasi per le calzature. Si chiarisce ciò perchè questo Comando Generale recentemente si è visto costretto a restituire al Comando Alleato le divise e le calzature che erano state fornite per i 1200 finanzieri approntati per l'ingio nell'Italia Settentrionale.

Subject: Contribution and Administration of equipment articles.

I am informing you as follows:

According to the Administrative Regulations of GDF Corps, the dressing articles are, usually, purchased and collected in a central storehouse existing at the General Hq in Rome.

The various legions, from Lima to Lima, ask the General Hq for articles needed according to their strength.

For delivery of articles to a military man, they are given in a personal register (2/2) indicating the price for each article.

The payment by the military man is made by retaining a part of salary.

The financial administration contributes to said payment with a monthly fixed amount.

The supply of outfits is gratuitous for the authorized military under detached at the R Army and is under the control of the War Administration.

I am enclosing a list of stocks at hand approx 23506

Prot. N. **8603**

Risposta a nota N. A. 22. / 14012 / P. S.

del **6.3.1944.**

Al LA COMMISSIONE ALLEATA DI  
CONTROLLO-SOTTOCOMMISSIONE  
DI P. S. A

*Salerno*

OGGETTO: Distribuzione e Amministrazione di equipaggiamento.

\*\*\*\*\*

In relazione alla nota sopra segnata rendo noto a codesta Commissione quanto segue:  
agli effetti del Regolamento di Amministrazione per il Corpo della R. Guardia di Finanza, gli oggetti di vestiario e di corredo vengono, normalmente, acquistati dal libero commercio e concentrati in un apposito magazzino centrale esistente presso il Comando Generale in Roma.

Le varie Legioni, periodicamente, chiedono al Comando Generale gli oggetti loro occorrenti, tenendo presente le esigenze e la forza dei reparti dipendenti.

All'atto della consegna al militare il corredo viene descritto su di un libretto personale (c/c.) con l'indicazione del prezzo di addebito per ciascun oggetto.

Il pagamento da parte del militare viene effettuato mediante ritenuta mensile sugli assegni.

L'Amministrazione Finanziaria vi contribuisce mediante liquidazione mensile di quota prestabilita.

Per i mobilitati alle dipendenze del R.E. la distribuzione del vestiario è gratuita e fa carico all'Amministrazione della Guerra.

Allego alla presente gli elenchi di stocks alla mano esistenti presso i magazzini Legionali di Napoli-Bari Palermo-Messina e Cagliari, situati in territorio liberato.

IL GENERALE COMANDANTE  
-Oreste Moricca-

ACC/14601/3/MS

19 May 1944.

SUBJECT: Clothing and Equipment for GCH and GCHT.

To : Army Sub-Commission, ACC,  
Main HQ, MILA.

1. Reference is made to your letter AQ/15/1 dated 11 May 1944.

2. It is understood that the only clothing immediately available to the Italian Army is Allied battle-dress. While it is desirable that GCH and GCHT should wear traditional dress, their needs are so urgent that whatever is available must be accepted. This is the view of the Chief Commissioner. In this connection reference is made to your letter AQ/15/1 dated 16 April, 1944, and the reply from this Sub-Commission recommending an immediate issue of Allied battle dress.

3. As regards the issue of boots, 5000 pairs have been received by GCH, none by GCHT. The immediate requirements as previously reported are 10,000 pairs for GCH and 4000 pairs for GCHT.

4. With reference to paragraph 4 of your letter, the strength of GCH and GCHT are supplied by their Commanding Officers, namely:-

|      |       |
|------|-------|
| GCH  | 39901 |
| GCHT | 8364  |

The large discrepancy (13,000) between your figures for GCH and those given in our letter may largely be accounted for by the fact that the Commanding General, GCH, included in his total 10,000 GCH who are serving with the Italian Army ("Mobilization").

5. The statements of the total numbers of uniforms and boots required in order of priority are given in letters dated 26th April and 2nd May 1944, namely

|                                      |        |        |
|--------------------------------------|--------|--------|
|                                      | GCH    | GCHT   |
| Immediate (battle dress and boots)   | 10,000 | 4,000  |
| As soon as possible                  | "      | 4,364  |
| Long term policy (traditional dress) | 60,000 | 15,000 |

3. As regards the issue of boots, 5000 pairs have been received by COAR, none by GCOFF. The immediate requirements as previously reported are 10,000 pairs for COAR and 4000 pairs for GCOFF.

4. With reference to paragraph 4 of your letter, the strength of COAR and GCOFF was supplied by their Commanding Officers, namely:-

|       |       |
|-------|-------|
| COAR  | 39901 |
| GCOFF | 8364  |

The large discrepancy (23,000) between your figures for COAR and those given in our letter may largely be accounted for by the fact that the Commanding General, COAR, included in his total 10,000 COAR who are serving with the Italian Army ("Mobilized").

5. The statement of the total numbers of uniforms and boots required in order of priority was given in letters dated 28th April and 2nd May 1944, namely

|                                      | COAR   | GCOFF  |
|--------------------------------------|--------|--------|
| Immediate (battle dress and boots)   | 10,000 | 4,000  |
| As soon as possible                  | 29,901 | 4,364  |
| Long term policy (traditional dress) | 60,000 | 15,000 |
|                                      |        | 3500   |

6. Major A.F. Wilcox of this Sub-Commission will be visiting IECOA early next week when it is hoped that any difficulties may be cleared up on the spot.

Accounting for Supplies issued to Italian Armed Forces

CG.FF

*- See 2a*

They are considered part of the military forces of the State.

In the event of any stores being issued to the CG.FF, all equipment etc. authorised by the Military Mission to the Italian Army are made in bulk and broken down by the Italian Army Supply agencies for reissue to the various units. This would be in the case of G.F. to Gen. Morica, the Commanding General, who would re-distribute it to the Legion Commanders, who would maintain their existing accounting procedure;

Every 3 months Legion Commander renders a return to the C.G. showing amounts received, issued and remaining in stock.

SUBJECT: Request for Clothing for members of R. Guardia di Finanza.  
TO : Public Safety S/C, ALLIED CONTROL COMMISSION.

As requested by phone, we submit the following lists:

1. List of clothing and equipment needed for members of the land branch of the R. Guardia di Finanza at present dislocated in the provinces restored to the Italian Administration and in the province of Foggia.
2. List same as above for members of the sea branch.

Inasmuch as the lists of clothing and equipment for the two groups are different one from the other, we thought it advisable to make two separate lists.

In the first list are included personnel who are now absent from their posts on pass, sickness, in hospitals, etc, and 500 other personnel for which enrollment in the Guardia di Finanza is in progress, for which replacements for the vacant places left by those who have been discharged because of advanced age.

In these lists are not included the 500 men forming the Special Battalion, now in Naples, at the disposal of the Allied Command

The COLONEL IN COMMAND,

Giovanni Acampora. (Sig)

OGGETTO: Richiesta vestiario per i militari della  
R. Guardia di Finanza.

- Come da richiesta telefonica, si trasmettono:
- 1°)-elenco degli oggetti di vestiario e di equipaggiamento occorrenti ai militari del ramo terra della R. Guardia di Finanza attualmente dislocati nelle provincie restituite all'Amministrazione italiana e provincia di Foggia;
  - 2°)-elenco come sopra, per i militari del ramo mare.

Poichè gli oggetti di vestiario e di equipaggiamento da distribuire ai militari del ramo mare sono diversi da quelli da distribuire ai militari del ramo terra, si è ritenuto opportuno compilare due elenchi separati.

Nell'elenco n. 1 sono stati compresi i militari che attualmente trovansi assenti dai reparti per licenze, malattie, ricoveri agli ospedali ecc. e altri 500 militari per i quali è in corso l'arruolamento nella R. Guardia di Finanza, allo scopo di colmare i vuoti verificatisi in seguito ai congedamenti di parte delle classi anziane.

Non sono stati compresi invece 500 militari costituenti il Battaglione Speciale, già a Napoli, a disposizione del Comando Alleato.
