Ex. OFF

Am informed by Information Div. that Route 7  
 is the PELLETAI - TERRACINA - CAPUA - NAPLES  
 Road and is the one restricted to military use.  
 Civilian traffic - Officers believe much of full travel  
 should use Route 6 i.e. VIALMONTONE - FROSINONE -  
 CASINO - CAPUA - NAPLES Road.

This being so it would seem that there should  
 have been an attention to Encl. 19 on the  
 file, which states that Route 6 is to be kept  
 clear for military traffic - civilian traffic  
~~also~~ diverted along Route 7.

HEADQUARTERS REGION IV  
Allied Control Commission  
APC 394

TO: : Provincial Commissioners - Littoria Province  
- Frosinone Province

SUBJECT: Movements of Civilians

FILE NO: R4/384.4(P)

1. The question of control of Civilian Movement in your province is conditioned by three factors.
  - (a) The prime military need for unimpeded army traffic on Routes 6 and 7.
  - (b) The desirability of allowing a resettlement of population on their own soil as soon as practicable.
  - (c) The necessity for using local civilian transport, or carts etc. for the movement of supplies.
2. In particular it is anticipated that for some weeks 8 Army will be vitally concerned with the maintenance of free traffic along Route 5 from the railheads in the Aquina - Rocca Secca Area.
3. It has been decided not to apply General Order No. 24 to your Provinces and general circulation within your Provinces, and over the mountain roads between Littoria and Frosinone will be unchecked.
4. You will, however, exercise a rigid check on movement along Routes 6 and 7.
5. In the case of Route 7, which is a broad Highway, the principle should be to allow civilian traffic but to keep it under constant watch. Civilian traffic should be diverted from Route 7 the moment it shows any sign of holding up free military movements.

6. In the case of Route 6, civilian vehicular traffic should be absolutely banned at present. It may be necessary to allow limited local movements of farm carts etc. but wherever possible these should be made to use local detours.
7. Provincial Commissioner, Frosinone, will work in close touch with the British Area Commander concerned and will ensure that his Provincial Public Safety Officers give the maximum assistance-by the use of Carabinieri or otherwise - to the British Military Police. Notices in Italian warning civilian vehicles not to use Route 6 should be prepared at once in consultation with the British Military Authorities. If there is any difficulty in arranging local printing, the notices can be provided from this office.
8. A brief report on the working of this scheme up to 30 June will be sent to this HQ.
