SUBJECT : Captain Stanke MILIC

TO : Displaced Persons and Repatriation S/C
(Attn: Major Simcock)

1. Further to letter, even number, dated 17 January, 1945, copy to you, in which it was reported that instructions had been issued to the R.F.S.O's, Southern and Lazio Umbria Regions, that steps were to be taken to ensure that subject, a member of the Yugo Slav Army, did not travel from the mainland to Sardinia without the approval of this Headquarters.

2. It is now reported that Milic arrived at Cagliari (Sardinia) accompanied by another Yugoslav officer - Galich Alois - towards the end of December; he stated that they came from Brindisi and belonged to the Royal Yugoslav Mission of that city, a claim substantiated by their papers, and that object of his journey was that of tracing his brother, Aladko Milic, a soldier in the 40th Regiment of artillery at Sassari.

3. The two officers were invited, on arrival, to present themselves to the Command of the 'Calabria' Division, but ignoring this request they made direct inquiries with the soldiers of the 40th Regiment. They did not fail, on all possible occasions, to carry out anti-Italian propaganda amongst the Italians of Slav origin.

4. The Italian Military Command of Sardinia informed of the Yugoslav officer's activities Col. Simons, of the M.M.I. 4762 and the latter had them return to Cagliari in order to control their papers and remark on their failure to present themselves to the Mission.

5. Probably perceiving that he was kept under close observation and having unsuccessfully tried to cross into Corsica, Captain Milic left Sardinia.

6. Will you please request MAY to report upon the activities of MILD, and in particular to say how he managed to reach Sardegna.

ROUGH TRANSLATION

My dear Schott,

the Ministry for Foreign Affairs have known from a very reliable source that Captain STANKO MILIC, of the Yugoslav army, has arrived or is about to arrive from Bari at Rome where he intends to obtain a permit to reach Sardinia.

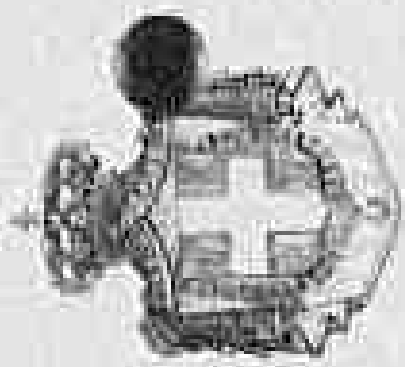

A great number of soldiers originating in Venezia Giulia serve in the ranks of our army and navy in Sardinia, and it is presumed that Captain Milic, who has a thorough knowledge of the Trieste dialect, plans to carry out amongst them an action of anti-Italian propaganda; such plan of Captain Milic appears to be connected with the well-known Yugoslav activities aiming at recruiting in the Yugoslav army Italian military men and civilians of Giulian origin, activities which have been repeatedly brought to the attention of the A.C., as inadmissible?

I deem it necessary therefore to inform you on the above suggesting that the opportunity be examined of preventing the voyage of Captain Milic to Sardinia.

Caro Schott,

Il Ministero degli Affari Esteri ha appreso da fonte molto attendibile che il Capitano Stanko Milic, dell'esercito jugoslavo, è arrivato o sta per arrivare da Parigi a Roma dove si propone di ottenere un lasciapassare per la Sardegna.

Nel reparto del nostro Esercito e della nostra Marina dislocati in Sardegna servono in gran numero soldati originari della Venezia Giulia presso i quali si ritiene che il Milic, ottimo conoscitore del dialetto triestino, si proponga di svolgere opera di propaganda anti-italiana: tale progetto del Milic sarebbe da mettersi in relazione con la nota attività jugoslava per il reclutamento nell'esercito jugoslavo di militari e civili italiani originari della Venezia Giulia, sull'insusciabilità della quale è stata ripetutamente attirata l'attenzione dell'A. C.

Ritengo perciò di doverla informare di quanto precede per pregarla di esaminare l'opportunità che il viaggio del Milic in Sardegna venga impedito.

Al Signor Maggiore Capo Ufficio della Sottocommissione Alleata di Controllo per la P.S. - per messi - via Veneto - Palazzo delle Corporazioni

R o m a

Mi permetto trasmetterLe direttamente l'acclusa domanda firmata dalla Signorina LUGLI Achillina e diretta a codesta Sottocommissione, con la quale chiede l'autorizzazione a recarsi a Firenze presso la Signora Barbieri Nora, madre del suo fidanzato, Tenente degli alpini Barbieri Vittorio, fucilato dai tedeschi il 7 agosto 1944, nei pressi di Firenze, dove fu catturato mentre comandava un eroico reparto di partigiani.

Trattasi di un caso veramente pietoso. La madre dell'eroico ufficiale trovasi in gravissime condizioni morali, ed i familiari chiedono, insistentemente, la presenza della Signorina, dalla stessa tanto invocata, onde vedere se sia possibile darle un conforto.

La Signorina, appartiene a distintissima famiglia, e figlia di un mio carissimo amico, per cui mi rendo garante della completa onorabilità ed italianità della stessa.

Fiducioso di benevolo accoglimento, porgo a Lei, signor Maggiore i più vivi ringraziamenti con i più cordiali saluti.

TRANSLATION.

I am forwarding direct to you the enclosed request signed by Miss Lugli Achillina and addressed to your Sub-Commission, in which she asks to be authorised to visit Florence to see Mrs Nora Barbieri, the mother of her fiancé Alpine Lieut Vittorio Barbieri, who was shot by the Germans on 7th August, 1944 near Florence, where he was captured while he commanded a heroic group of partisans.

This is a really pitiful case. The mother of the heroic officer is in a very grave state morally, and the family insistently ask for the girl's presence, so much desired by the mother herself, to see if it is possible to comfort her.

The girl belongs to a distinguished family, she is the daughter of a dear friend of mine, and I guarantee her complete honour and patriotism.

I trust this case may be favourably considered and I send you, Major, my best thanks and cordial regards.

Via Reggio Emilia 67, Rome.
2nd December, 1944.

The undersigned Lugli Achillina, daughter of Domenico and Mucchi Nora, born in Modena on 3rd February, 1914, domiciled in Rome, Via Reggio Emilia 67, asks for a permit to go to Florence to her cousin Mrs Nora Barbieri, living in Via Finotico Bertelli 15, mother of her fiancé Alpine Lieut. Vittorio Barbieri, who was captured while he commanded a group of partisans, the 2nd Group of the Brigata Roselli. He was shot by the Germans on 7th Aug. 1944 at "La Maretaia" of Pagnolle near Compiobbi (Florence).

The reason for the visit is to console with her presence her relative, who is in a condition of grave moral and physical depression and insistently expresses the desire to have her young relative with her at least for a short time. The applicant points out that to go to Florence she would use the car in which the CC.RR Brigadier Taddei, Comm. Leonetto will travel, who is actually in Rome with the CC.RR. General Command, and who very kindly offered to take her on his next trip to that city. The applicant has the necessary identity card.

Urbino 28th October 1944

Dear Sir,

First of all, as Bishop of Urbino, I thank you for having spared Urbino, the country of Raphael and Bramante, a town now completely devoted to studies and arts, from the damages of the war.

Our gratitude is very deep; with me all its citizens are deeply grateful to you.

Allow me, now, to ask a great favour of you, though I have not the honour of knowing you personally.

Since last September Comm. Claudio Cavalcabo' Misuracchi Fratta from Rome, a very dear friend of mine, has been my guest together with his family.

I have just received from the Vatican two pressing letters in which they ask me to plead with the Allied Command in order to obtain permission for his return to Rome where I am informed his presence is urgently required.

Mr. Cavalcabo' Fratta is the proprietor of an agricultural business near the capital. therefore food for his family is available. Rather his presence will contribute to the development of agricultural production, apart from his other activities considered "urgent and necessary" in the Vatican.

Therefore I beg to be so kind as to make arrangements for him to travel with his family and baggage on an empty military vehicle bound to Rome at as early date as possible. As you see, it is quite an exceptional case.

While thanking you in anticipation also on behalf of my Vatican correspondent I reply upon your Kindness and I beg you to accept my kind regards.

P.S. I send a copy of this letter to General Alexander, in case you should be absent.
