Summary

Subject: Application for passport.

To.....: Allied Commission Public Safety subCommission.

Rome 11-4-1945

On the first days of March, two American soldiers, sent by the Commission came at home and asked my particulars, on account of an application for passport, which I made to the Vatican City, in order to go to Argentina Republic, where from 40 years lives my family--father, sister, brother,--and where I have been for 13 years.

In regard of the a/m request, I would like to be sure that steps are being taken.

Thanking you.
