Subject: Irregular travel permits

- 1) The attached permits, two of which appear to have been issued from your office and two by Milan Fire Brigade, have been found in the possession of the persons named thereon, in this area.
- 2) The permits issued under the name of Major F. Branninger are not issued in accordance with directives concerning entry into Venezia Giulia, whilst it will be appreciated that no Fire Brigade official has authority to issued permits to enter this area.
- 3) It is pointed out that prior approval of this H.Q. and security screening of all persons entering Venezia Giulia, as directed is essential, especially having regard to the peculiar conditions prevailing here, and the apparent influx of many classes of undesirables who are taking advantage of these conditions.
- 4) The present case is aggravated by the fact that the man Giorgio Conighi was Commissare Trieste Fire Brigade until removed by A.M.G. on account of his Fascist background, and that his presence in Trieste at this moment is very undesirable.
- 5) The car V.F. 1886, has been impounded at Trieste Fire Station, and the persons concerned ordered out of Venezia Giulia.

N. : 037252-Gab.-E;3.=

Object: FUSCO and not MUSCO - presumed 'agente' of P.S.

To: Lt. Col. R. MILLHOUSE - R. QUESTURA - ROMA-

We are returning the enclosed letter and false permit to travel, to inform that BOCEDI Siro son of Leopoldo, born at Viano (R. Emilia) 23/3/10, commercial traveller, residing at Genova, Vico Cuccagna, 16c/o Cavalletti, domiciled here in Via Porta Maggiore, 23, questioned about the source of said permit, has declared to have got it on May 25/44 in the 'Cafe Picarozzi' at Piazza Esedra from an individual called Fusco - not Musco - employed at the Allied Command - does not remember if as Official or interpreter - met by accident within its premises. He specified exactly that on the morning before, while talking with some friends in the said 'Cafe' he expressed the idea of his necessity to travel to Milan and for that he required a relative permit. The said Fusco then stepped in and said, that permits like that were easy to get the more so as he was acquainted with an Allied Major.

He was thereupon begged to get one and an appointment was made for the morning after in the same place, where, infact, punctually he handed the document retained to be authentic. Having Fusco inspired much confidence, was then asked to supply a driver and an automobile for which he gave the necessary information, fixing another appointment for the 26th.

meantime, for the previous favour received on 25th afternoon, Fusco was invited to dinner but did not turn up. Suspecting something abnormal he confided then with His Grace the Archbishop of St. John's Basilica who offered himself to accompany him to the Allied Commission in Via Vittorio Veneto where he was informed that the permit was false.

Bocedi excluded that the would-be Fusco qualified himself to be an 'Agente di P.S.' and that has been a simple supposition without knowing the reason why. Fusco told him to have his residence in Via Goito, 25 but there the man was not known at all. Anyway this Command didn't fail to present to Bocedi all the 'agenti di P.S.' pertaining to this Office, but no one was recognized to be the man that furnished the false document. However, no Agente Fusco Nunzio appears to be in Force in this Division and of all the personnel with the name Fusco, there is no one with the description furnished by Bocedi as the age of the would-be Fusco was about 26, height mtr. 1,70, slim built, fair-haired, gentlemanly appearance, dressed in a light-coloured suit, without hat and that talks very correctly the Italian language without any regional accent.

Ha precisato che la mattina del giorno precedente, conversando in detto esercizio con alcuni suoi conoscenti, esternò la necessità di doversi recare a Milano per ragioni di famiglia e, pertanto, aveva bisogno del relativo permesso. viaggiatore di commercio, residente a Genova, Vico Cuccagna n. 2, Cavalletti, qui abitante in Via Porta Maggiore, 23, so. A. int. 6, interrogato in merito alla provenienza del cennato permesso di viaggio, ha dichiarato di averlo avuto, il 25 maggio scorso, nel caffè Piccarozzi, in Piazza dell'Esedra, da un individuo qualificatosi per Fusco - e non Musco - Nazario, impiegato presso il Comando Alleato - non ricorda se abbia detto come funzionario o interprete - in contatto casualmente in quel locale. Ha precisato che la mattina del giorno precedente, conversando in detto esercizio con alcuni suoi conoscenti, esternò le necessità di doverci recare a Milano per ragioni di famiglia e, pertanto, aveva bisogno del relativo permesso. Nella discussione intervenne il sedicente Fusco, il quale gli disse che permessi del genere potevano averli con facilità, tanto più ch'egli conosceva un maggiore alleato.

Lo pregò allora di procurargli il permesso dandogli appuntamento per l'indomani mattina nello stesso caffè Piccarozzi dove, all'ora fissata, gli consegnò il documento che ritenne fosse autentico.

Avendogli il Fusco ispirato fiducia, gli chiese anche il permesso per l'autista e la macchina che doveva portarlo a Milano, e, a tal fine, gli fornì i dati necessari, fissando un nuovo appuntamento per il giorno 26 successivo.

Intanto, per il primo favore ricevuto, la sera del 25 invitò a cena il Fusco. Costui, però, non si fece più vedere all'appuntamento.

Deluso e insospettito informava dell'accaduto il suo conoscente Arcivescovo Eccellenza Giannatasio Nicola, dell'arcibasilica di S. Giovanni, il quale si offrì di accompagnarlo alla Commissione Alleata in Via Vittorio Veneto dove apprese che il cennato permesso era falso.

Il Focedi ha escluso che il sedicente Fusco gli abbia detto di essere Agente di F.S. ma ciò è stata una semplice supposizione, senza saperne spiegare la ragione.

Il Fusco gli disse di aver recapito in Via Goito 25, ma ivi è risultato sconosciuto.

In ogni modo, questo Comando non ha mancato di presentare al Bocedi gli Agenti di P.S. addetti all'Ufficio permessi di codesto Ufficio, senza che in essi, però, venisse riconosciuto l'individuo che gli fornì il noto documento falso.

Peraltro, nessun agente Fusco Nunzio è in forza a questa Divisione e tra i vari dipendenti a nome Fusco non ce ne è alcuno che abbia i connotati forniti dal Bocedi sul conto del sedicente Fusco che era di circa 26 anni, alto m.1,70, snello, biondo, distinto, vestito con abito chiaro, senza cappello e che parlava correttamente la lingua italiana, senza accento regionale. =

TRADUZIONE:

Riferendo le carte allegate riguardando LORUSSO Nicola e LORUSSO Vincenzo, si prega di sapere che cosa è successo a questi uomini ad Arezzo. e ritornate tutte le carte a questo ufficio.

COPIA E TRADUZIONE

Al Quartier generale della Commissione Alleata,
Divisione di Pubblica Sicurezza - Roma.

Le sottoscritte BARONE MARIA e DESIDERATO ANGELA, rispettive mogli dei due fratelli LORUSSO NICOLA e LORUSSO VINCENZO, chiedono di fare il seguente esposto:

I due fratelli Lorusso, mentre stavano parlando nel loro ufficio della necessità di andare a Firenze per affari, furono assicurati da un certo Menga Sabino che egli aveva la possibilità di procurare loro il permesso necessario. Infatti egli dichiarò che doveva andare a Firenze per comprare del materiale elettrico in conto del Deposito Americano per l'Adriatico con sede a Bari, essendo egli alle dipendenze di tale Comando.

Effettivamente pochi giorni dopo egli portò i permessi del Comando Americano e a bordo delle macchine dei fratelli Lorusso (che erano muniti del regolare permesso di circolazione) partirono per Firenze insieme ad un altro individuo, un certo Vincenzo Di Candia.

La partenza ebbe luogo il 2 Marzo ultimo scorso. Raggiunta Firenze i due Lorusso si accorsero subito di non avere affari da svolgere e una sera, per puro passatempo, andarono a Strada, in Provincia di Arezzo, dove entrarono in una pubblica sala da ballo. Mentre stavano ballando furono avvicinati da un ufficiale alleato, che chiese loro di produrre i documenti di viaggio. Essi li mostrarono, ma l'ufficiale li trattenne e disse loro di andare il giorno dopo al Comando di Polizia di Arezzo dove li avrebbero ritirati i documenti.

Il giorno dopo, Menga Sabino, si offerse di andare in persona a ritirare i permessi. Ma siccome dopo un certo tempo egli non era ancora tornato indietro, gli altri tre andarono alla Polizia alla ricerca del Menga. Ma furono fermati da un ufficiale di Polizia.

Questo accadde il 4 Marzo u.s. Da quel giorno i due fratelli Lorusso insieme agli altri due compagni furono trattenuti dalla Polizia, senza mai sapere la ragione del loro arresto.

E' facile comprendere lo scorato stato d'animo delle due sottoscritte, private come sono dei loro mariti; esse supplicano caldamente l'H.Q. di Roma in modo che, di qualunque genere possano essere le responsabilità dei loro mariti, queste vengano investigate e chiarite, sicure come sono che i due Lorusso non possono essere incolpati di niente, essendo sempre stati due tipi quieti e rispettosi della legge.

Se i permessi non fossero validi e regolamentari, la colpa è da attribuirsi al Menga, che sorprese la buona fede dei nostri rispettivi mariti, i quali non sospettarono mai di non avere avuto i permessi regolamentari.

- 2 -

Le sottoscritte fanno appello allo spirito di giustizia dell'H.Q. di Roma fiduciose che i due Lorusso possano essere rilasciati al più presto possibile, evitando così ulteriori gravi danni ai loro affari.

Bari, 30 Aprile 1945.

The undersigned BARONE MARIA and DESIDERATO ANGELA, wives respectively to the two Brothers LORUSSO NICOLA e LORUSSO VINCENZO, beg to state as follows:

The two brothers Lorusso, wanting to go to Florence on business while speaking about that in their office, they were assured by a certain Nenge Sakhino that he was in a position to get for them the necessary permit.

He, in fact, affirmed that he had to go there to buy some electric material for the H.Q. Adriatic Depot American of Bari, being he employed with such Command.

In fact, a few days later he brought the passes of the American Command, and by the motor-cars of the two brothers Lorusso (which had duly got a permit of circulation) they started for Florence, also together with another fellow, a certain Di Candia Vincenzo.

Such journey was took place on the 2nd of March 1945.

Delivered to Land on 15/3/45.

The undersigned BARONNA MARIA and DESIDERATO ANIELA, wives respectively to the two Brothers LORUSSO NICOLA e LORUSSO VINCENZO, beg to state as follows:

Such departure took place on the 2nd of March ult. Having reached Florence, the two Lorusso saw at once there was no business to be done, and, one evening, just for a past-time, they went to Strada, in the neighbourhood of Arezzo, where they entered a public dancing hall. While the dance was going on they were approached by an allied officer, who asked them to

produce their travelling documents. They showed them, but having been withdrawn by the officer, they were asked to go the following day to the Command of the Police of Arezzo and get them back.

The following day, Menga Satino offered himself to go and get the permits back. But, for a while he was not seen returning. Then, being seriously preoccupied, the other three went to the Police Station to inquire about Menga; but they were there stopped by a Police officer.

That happened on the 4th of March ult. - From that day, the two brothers Lorusso, together with the other two, were kept prisoners of the Police, without ever knowing the reason of their detainment.

It is easy to understand the dejected spiritual conditions of the two undersigned, deprived as they are of their husbands; they entreat warmly the Rome H. Q. so that, whatever the responsibilities of their husbands may be, they be investigated and cleared up, sure as they are that the two Lorusso cannot be charged with anything, calm and law-abiding as they usually are.

Should the permits not be regular and valid, the blame is to be laid only on the Menga, who surprised

they couldn't have got the right legal passes.

The undersigned confidently apply to the spirit of Justice of the Rome H. Q., so that the two Lorusso may be released as soon as possible, thus avoiding further heavy damages to their business.

Subject : Irregular issue of civilian movement permits.

To : A.C. P.S. S/C.

In returning the enclosed permits issued on the 24th March by the Littoria Questura to Porfiri Umberto and Flamini Emidio, it is communicated that the a/m Office has pointed out, that the permits under discussion have been issued, inasmuch as the Allied Command of the Province, with letter dated 26th February, which is hereto enclosed, signed by Capt. A.E. Baker, has communicated among others as follows:

"The number of permits to civilians to travel to Ancona and Leghorn must be reduced to the possible minimum."

In view of this instruction, the a/m Questura thought that, in partial derogation of the previous regulations regarding the control line, it is allowed to authorise, even though in exceptional cases, the movement of civilians to Leghorn and Ancona.

Besides which, excepting the a/m permits, no others have been issued by the Littoria Questura to travel to Leghorn and Ancona.

Porfiri and his driver have been authorised following the request made by the Provincial Office for Commerce & Industry, which with letter n.572/0/1 dated 25th January 1945 stated that the Littoria Province was completely without cloths, merceries and clothing articles, reason for which they have authorised the merchant Porfiri to make purchases also on the Leghorn market.

In any case the a/m Questura has been told strictly to observe the regulations concerning issuing of permits to civilians.

From information received by the Allied Commission,it appears that many civilians are going in the restrict zone as well as in the Army zone with means of transport organised by various travelling agencies,particularly from Rome,without the necessary authorisation.

It is supposed that travelling agencies,for profit reasons,give inexact instructions to the travellers,and suggest them that it is sufficient to have their name written on the travel ticket of the vehicle.

In order to avoid that such irregularity will continue it is requested to provide that the titulars of the travelling agencies which manage services in the restrict and in Army zones,cannot carry travellers,from or to the a/m zones,without the permit which is issued according to the instructions given in regard to the civilians movement.

Da informazioni pervenute alla Commissione Alleata risulta che molti civili si recano nella zona ristretta o in quella dell'Esercito con mezzi di trasporto organizzati da varie agenzie di viaggio, particolarmente di Roma, senza essere muniti del prescritto permesso autorizzante il viaggio. Si ha motivo di ritenere che le agenzie di viaggio, a scopo di lucro, informano inesattamente i viaggiatori che i permessi per il movimento dei civili non sono necessari, purché i loro nomi risultino sul foglio di viaggio che accompagna il veicolo.

Al fine di far cessare tale irregolarità, si prega provvedere perché i titolari delle agenzie di viaggio che gestiscono linee dirette nella zona ristretta od in quella dell'Esercito siano diffidati a non effettuare il trasporto di passeggeri, da o per le zone suddette, senza il permesso prescritto dalle norme sul movimento dei civili.

Si prega, inoltre, disporre adeguati servizi di vigilanza per impedire l'osservanza di tali norme.

With ref. ^{Verbal} to the a/m letter, herewith returned you will find the permit made out to Agresti Pierina daughter of the late Alfonso, pointing out that the Caltanissetta Prefecture, which has been requested for information in regard to the irregularities occurred, has reported that the permit under discussion had been issued by the Questura to Peritore Salvatore of Giuseppe, from Riesi, husband of Agresti, together with the permits made out to Peritore and to their 3 children, who had to go to Rome in order to reach the parents of the said Peritore, living in via delle Ruote, 86.

The omission of the place of destination on the document relative to Agresti is due to an oversight on the part of the clerk and the permits were all consigned to the head of the family, who was told to get his wife to sign the ~~one for her~~. The absence of her signature is therefore due to the carelessness of the interested parties.

However, attention has been called to all the *6010* rules relative to the issue of the permits in question, for their rigorous observance.

OGGETTO Controllo di movimento.

In relazione al foglio sopradistinto, si restituisce il permesso intestato ad Agresti Pierina fu Alfonso, significando che la Regia Prefettura di Caltanissetta, richiesta di chiarimenti circa le irregolarità rilevate, ha riferito che il permesso in parola fu rilasciato da quella R. Questura a Peritore Salvatore di Giuseppe, da Rieti, marito della Agresti, insieme ai permessi intestati al Peritore e ai tre figli minori dei predetti, i quali si recavano in Roma per raggiungere i genitori del detto Peritore, abitante in questa Via delle Ruote n.86.

L'omissione della località di destinazione nel documento relativo alla Agresti è dovuta a svista del compilatore e i permessi vennero tutti consegnati al capo-famiglia, cui fu raccomandato di fare firmare dalla moglie quello a lei intestato. La mancanza della firma della Agresti è quindi da attribuire a trascuratezza degli interessati. Sono state comunque richiamate, per la rigorosa osservanza, tutte le norme relative al rilascio dei permessi in parola.

SUBJECT: CONTROL OF MOVEMENT: 11 APRIL 1945

TO: S.C.A.P.O. AMG EIGHTH ARMY.
(THRU AMGLO 5 CORPS)

1. ATTACHED HERewith IS AN IRREGULAR FORM OF MOVEMENT PASS, ISSUED BY THE ADJUTANT MAJOR OF THE VATICAN GUARDS.
2. THE ISSUING OFFICER, GAVE THE BEARER AUTHORITY UNDER THIS PERMIT, TO COME TO FORLI, WHERE SHE WAS SUPPOSED TO COLLECT A QUANTITY OF MONEY AND DELIVER SAME TO THE VATICAN.
3. THE BEARER, MRS. SGARRO CAME AS FAR AS SAVIGNANO IN A CIVILIAN TRUCK, WHICH APPARENTLY WAS AUTHORIZED UNDER PROPER AMG PERMIT, TO GO TO THAT CITY. FROM THAT POINT, MRS SGARRO CAME ON TO FORLI IN A WD VEHICLE. ARRIVING IN FORLI, SHE PRESENTED THE AUTHORIZATION TO THE P.P.S.O. FORLI PROVINCE, WHO IN TURN HAS DELIVERED THE MATTER TO THE UNDERSIGNED OFFICER FOR INVESTIGATION.
4. MRS. SGARRO, WAS TURNED OVER TO THE 47 F.S.S. FOR INTERROGATION, AND INVESTIGATION. SHE WAS DETAINED FOR ABOUT 24 HOURS BY FSS, WHO AFTER THOROUGH INQUIRY REPORTED THAT SHE WAS OF NO SECURITY INTEREST, AND RECOMMENDED THAT SHE BE GIVEN A PASS TO RETURN TO ROME. (SEE ATTACHED REPORT).
5. NO ACTION HAS BEEN TAKEN AGAINST MRS SGARRO, SINCE SHE BELIEVED THAT SHE WAS TRAVELLING UNDER AUTHORITY OF A PROPER PERMIT; WHICH IS BORNE OUT BY THE FACT THAT SHE REPORTED TO THE P.P.S.O. FORLI, AS DIRECTED TO IN THE SAID TRAVEL AUTHORIZATION.
6. THE MATTER IS REFERED MERELY FOR CORRECTIVE ACTION ON THE ISSUANCE OF IRREGULAR PERMITS BY VATICAN AUTHORITIES, FOR ACCORDING TO MRS SGARRO, THIS IS NOT THE ONLY CASE WHERE THIS TYPE OF PERMIT HAS BEEN ISSUED. SHE STATED THAT TO HER KNOWLEDGE MANY PERMITS OF THIS TYPE ARE BEING ISSUED BY THE SAME INDIVIDUAL.

Subject: SCARRO Carmen,
Id.Cd.No.II 7II 699 (ROME)

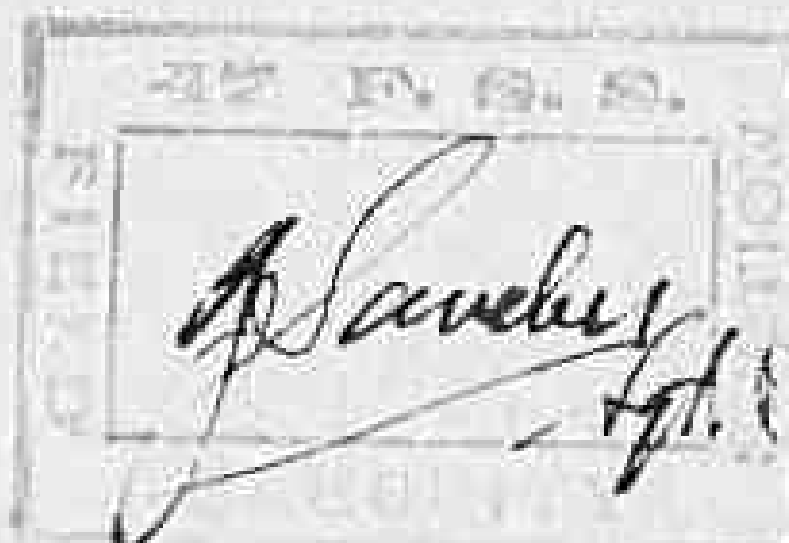

The a/r has been interrogated at this office and found to be of NO security interest.

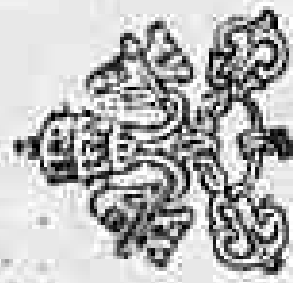

Subject entered Army area with the object of buying a quantity of honey required by the VATICAN, visiting her mother and sister at SAVIGNANO DI RIGO, Prov. FORLI.

She was in possession of att. document issued by the VATICAN authorities which she believed to be a valid travel permit. There is evidence that she was acting in good faith in the fact that she came to the P.P.S.O. FORLI, to whom said document is directed for the purpose of obtaining a permit for a truck to haul the honey to ROME.

It is suggested that she be given a permit to return to ROME via SAVIGNANO where she has left her luggage, and that action be taken against the VATICAN authorities through AMG channels.

AMG PERUGIA

It is found that a large number of civilians caught travelling out of their provinces without AMG passes have done so on the advice of so called "travel agencies". These agencies, particularly those in Rome, give persons to understand that the AMG permit is not necessary for journeys north, rather than lose customers who might not be granted passes by a normal application. As a result, many people travel in the confident belief that it is sufficient to have their names written on the Foglio di Viaggio of the vehicle in which accommodation has been found for them the agency.

Many other offenders are in possession of "movement orders" issued by their local Sindaci, which they naturally accept as official documents. Further, in some cases the Commune officials themselves appear to be ignorant of the regulation.

Can something be done, please, to restrict the activities of these agencies, and inform the Sindaci of the limitation of their powers.

1. Transmitted herewith are Movement of Civilian Passes Nos. 306620 and 306621 issued by the R. Questura, Livorno for travel to Livorno, Siena, Arezzo and Lucca.

1. Transmitted herewith is a letter addressed by the CAO, Riccione to the Questura of Rome, in which the Questore is requested to issue a movement pass to a Anita Catapano to travel into the Army Zone.
2. Since the purpose of the travel is said to be in connection with employment with A.M.G., it seems strange that Catapano should be accompanied by a nine year old child.
3. As these instructions contained in the letter are extremely irregular and contrary to the provisions of Executive Memorandum No. 77, it is requested that the circumstances leading up to the issue of the letter be investigated and that the result be reported to this Headquarters.

Casavola was bailed to report to your Office on 29th March 1945, but I have now ascertained that he has been arrested in this area for larceny.

I would however appreciate it if the enquiry re his allegation that he paid 3500 lire for the permit could be continued and a report of the result submitted here when completed.

The bearer is a Vice Brigadier of Carabinieri here who is quite a reliable chap and may be able to assist you in the enquiry.

On 24th March 1945, Casavola Antonio, came to this Office and produced the permit issued by the Questura of Rome, and enquired if the permit was valid to cover his journey to Florence.

When asked why he doubted the validity of the permit, Casavola stated that he had paid a certain Ciani Mario of Rome, the sum of 3500 lire for the permit and desired to make certain it was in order before attempting to cross the rear Army Control line.

Casavola was then cautioned and made the attached voluntary statement.

After further questioning, Casavola stated that he did not know the address of CIANI, but that if enquiry was made of his (Casavola's) wife, living at same address, she could take anyone to a man named Ferdinando, who in turn would lead to CIANI.

During the course of interrogation I formed the opinion that CIANI is a close friend of the Captain whose signature appears on the pass and who is apparently a Questura agent.

SUBJECT : Civilian Movement - Use of Improper Documents.

TO : Regional Commissioner Lazio-Umbria Region, AC.

1. The attached photostatic copy of a letter, issued by Captain Caron, Transportation Division, Rome Region, was recently discovered in use in the Province of Pesaro, when five men were arrested for travelling without proper authority. It appears that these men had made several trips into The Army Zone to buy goods which were brought to Rome for sale with a handsome profit, using Captain Caron's letter as a pass. When the pass became badly worn photostatic copies were obtained.
2. Enquiry was conducted by Major Green, Liaison Officer, and Father Carlo Stella of the Buon Pastore Parish interviewed. He stated that the original letter had been destroyed but produced a second photostatic copy and certified that there were no others in existence. The tyres mentioned are now completely worn out.
3. The Father also produced the attached certificate signed by Lieut. NUNN which supported the authenticity of the photostatic copy of the letter.
4. Captain Caron has now left this theatre but it seems desirable that Lieut Nunn's attention be drawn to the danger of issuing certificates bearing official designation and stamp which undoubtedly would be used for improper purposes.

DATE March 13th, 1945.

SUBJECT: Endorsement of Movement of Civilian Pass.

TO: Headquarters, Allied Commission.
(Attn, - Public Safety Sub-Commission).

Reference attached travel permit.

The circumstances in which an endorsement purporting to be an extension of the validity of the pass was made are as follows.

On 16 February, 1945, ROSSI Mario, conductor of Florence Orchestra visited this Office and requested a time extension of his pass to return to Florence. Such applications are normally dealt with in the first place by Commissario AMENDOLEA P.S. who is attached to this office, but at the time was at Naples performing duty at the request of the R.P.S.O. Southern Region. In my absence from my office on duty, L/Cpl. HARDY, Clerk in this Division, therefore, dealt with the application.

ROSSI desired to return to the mainland at once and intended to reach Florence not later than the 20 March. L/Cpl. HARDY, then, asked P.W.B. Sicily by phone for confirmation of ROSSI's statement and P.W.B. supplied it by means of a letter a copy of which is attached.

It will be observed from the letter that ROSSI's visit to Sicily was officially undertaken at the request of P.W.B.

Corporal HARDY, then, made the endorsement on the pass, without noticing it did not include permission to travel between the mainland and Sicily.

In the circumstances L/Cpl HARDY endorsed the pass on his own initiative and I have taken steps to prevent a recurrence.

9th March 1945

TO : Lt. Col. L.G.A. Cust, Executive Officer, PWB/AFHQ
FROM : Captain E.L. Stuart, Press Officer, PWB Unit No. 8.
SUBJECT: REPORT ON ISSUE OF TRAVEL PASS FOR FLORENCE

On my entry into PWB Unit 8 as assistant Press Officer on July 17th 1944 I found, already established, the principle that passes for travel on Press business could be issued to Italians connected with the Press, for a round trip of not more than four days. Such passes were issued by me over the period of my tenure of the Press Office, mainly for Rome but one or two elsewhere.

I have learned since, but did not know then, that such passes should only be issued by the Allied Commission.

While I was acting as Executive Secretary of the A.P.B. (Allied Publications Board) I received a request from a Sister of the convent of the Daughters of St. Paul (Convento delle Figlie di St. Paolo) of Via Foria, Naples, for the issue of two tons of newsprint for religious books. The paper not being available, I had to refuse the request.

Some time later I was requested by this Sister in company with a Dr. Jannini, who acted as administrator of the convent and who also owns a printing press, to issue a pass for a vehicle to go to Florence where there were some of these religious books, and bring them back to Naples for local distribution. They added that they were likely also to bring back 1/2 crucifixes and other religious objects.

In accordance with the principle described in the first paragraph I issued a pass for four days to cover the journey, using, on account of the crucifixes, the expression "For Press and Religious" instead of the more usual formula "For Press and Political Reasons". 5920

Some/

-2-

9th March 1945.

Some/

two weeks later the administrator Jannini came to my office and said that the truck had been stopped near Leghorn and all the occupants had spent some ten days in a detention camp because the Authorities there did not believe that the pass was genuine. He asked me to confirm that I had signed the pass. I therefore wrote a confirmatory letter which I gave to Jannini to be taken up north where investigations were pending. I added my telephone number so that the Authorities there could get in touch with me if they needed further confirmation.

I heard nothing more until two days ago when Captain Webster informed that a letter had been received from Allied Commission protesting against the issue of this pass and stating that the truck had a cargo of wine. I had no idea that this was the case and Jannini had said nothing about any such a cargo. He had told me in fact that the truck at the time was empty.

I would like to add that I acted completely in good faith. The facts can be corroborated with my office staff as well as by Miss Muffato of the Publications Section who was present when Jannini came to request the permit. I think also that the convent would give corroboration as I cannot bring myself to believe that the Sisters were aware of any wine transaction.

I will naturally not issue any further passes for any reason whatsoever but will refer all applicants to the Allied Commission. I might add that in my future dealings with the Italians I will show an active suspicion and cynicism however charitable their motives may appear to be and however goodly their antecedents.

I regret that inconvenience has been caused to the Executive Branch by my misplaced faith.

With reference to letter AC/14018/5 dated 22 Jan. 45, and following letter n. 442/1221 dated 31st January 1945, in returning the irregular permit issued to the 2nd head electrician Terlizze Bruno, we communicate what the Brindisi Questore has reported in this regard:

"The permit, withdrawn in Florence from the 2nd head electrician Terlizze Bruno of the Brindisi store C.R.E.M., was issued on the 27th December, 1944, during the absence of the official in charge of release of permits, by the P.S. Joint Commissario Santamaria Giovanni, actually suspended from service, because submitted to expiation judgement. Santamaria in charge of other services ignores the regulations which govern the issue of permits evidently for the incomplete knowledge of the rules themselves, especially as in that occasion the permits forwarded by the Military Authorities were different. These permits were at first issued by this Office on the prescribed yellow form.

But given the deficiency of these forms, and the necessity to issue on an average about 10 permits a day to the military only (the local garrison administers about 20.000 men), agreements were reached with the Bari A.C., that for the military, who go on leave to localities of the restricted zone, it would have been sufficient to apply on the leave-bill the "authorisation" on the part of the Questura, in place of the issue of the yellow permit.

Such modality is followed even by the neighbouring Questura. The garrison Commands and the Maritime Military Command in order to facilitate the control and to render more evident the authorisation have had printed the form, withdrawn from Terlizze, which duly drawn up by the same Commands is transmitted to this Questura together with the leave-bill of the military.

The issue of permits to military who go on leave to localities of the restricted zone has been suspended awaiting instructions from the Ministry, whether the method adopted has to be still followed or whether also to the a/m military the yellow coloured permit must be issued, a procedure which practically has appeared unrealizable due to the scarce availability of yellow forms in comparison to the number of permits to be issued to the Military."

The Commission is requested to inform whether the prohibition must be maintained, communicated by this Ministry to the Brindisi Questura, for the issue of permits different to those of regular type (Yellow form), or whether the procedure is allowed, adopted by the Questura in agreement with the Bari A.C., to apply for the military an authorisation on the leave-ticket, given the scarcity of the prescribed forms.

In any case, the Questura has been asked that the official responsible for the irregular issue be recalled to the exact observation of the regulations which govern the movement of civilians.

Reply to letter n. AC/14018/5 dated 1st instant.

Subject : Worker Appetito Ettore. Issue of irregular permit.

To : A.C. Public Safety Sub-Commission - Rome.

With letter, which is below transcribed, information has been requested from the Rome Prefect in regard to the irregular permit, in possession of which the worker Appetito Ettore has been found at Leghorn. Therefore further communications will be furnished in this regard:

"The A.C. Public Safety Sub-Commission has communicated on the 1st March, 1945, as follows:
"Herewith enclosed we transmit a permit issued by the prefectorial Commissario of the Segni Commune, Rome Province, in order to authorise Appetito Ettore, son of the late Valentino, to travel from Segni to Leghorn.

The issue of unauthorised permits to localities situated in operation zones constitutes serious menace to security, and it is requested that measures be adopted to impede that similar permits be issued in future."

From an examination of the document withdrawn from the worker, it appeared that the permit in question did not authorise the travel to Leghorn, but was issued as certificate stating the necessity of the travel and allowing the issue of the regular permit.

Therefore, the document is herewith enclosed and it is requested urgently to make investigations in this regard, bearing in mind, that it is advisable, if, as is thought, the document in question is a certificate and not a travel permit, that the chiefs of the communal administrations in issuing them, provide to inform the applicants in regard to the obligation to request and to provide themselves with the travel permit, to be issued in the case under discussion - for a locality, i.e. north of the control line - with the authorisation of the Allied Authorities.

With the return of the enclosure, it would be appreciated to receive information in this regard."
