1. On 28 April 1944, 80 books of passes, N°s 16001 - 20000, were received at this Headquarters without any covering letter. 616

2. Your letter ACC/14018/6/PS dated 27 April 1944 received here on 30 April 1944, advised the dispatch of 160 books of passes, N°s 30001 to 38000, which have not yet been received. 17A

3. A further letter from you dated 1 May 44 of similar file number stated that the passes referred to in paragraph 1, were intended for 5 Army (C.A.S.). 26A

4. Enquiry was made, by phone, at 5 Army (C.A.S.) to ascertain if these 160 books had arrived there in error and their reply was that they had only 20 books of passes of what type it is not known.

5. As the instructions for the new passes had been received from R.C. and M.G. Section A.C.C., the passes referred to in paragraph 1 were issued in part to the Corps of this Army A.M.G. and cannot now be withdrawn without causing a great deal of confusion.

6. On receipt of the 160 books of passes referred to in paragraph 2, it is proposed to issue 80 of the books to 5 Army (C.A.S.) in sequence of numbers and in the meantime it will be appreciated if enquiries can be instituted as to the whereabouts of the missing 160 books.

SUBJECT : Civilian Pass Forms.

TO : The Printing Officer, ACC Main.

24A

A report has been received from 5th Army that from a consignment of 30 books of passes, (Nos.16001-20000) dispatched to them on 22 April, one book (Nos.19351-19400) was missing.

These books were dispatched from this office as they were received from the printers, in two packages, the numbers in each package not being checked here. It would appear, therefore, that the printers omitted to include the missing book when making up the packages.

61.2

Could enquiries please be made of the printers to ascertain the true position.
