## AMERICAN CONSULATE

Rome, Italy, November 3, 1944

Colonel John W. Chapman  
Director of Public Safety Sub-Commission,  
Headquarters Allied Commission,  
APO 394.

Dear Colonel Chapman:

I have received your letter of October 30, 1944, with respect to the desire of the Italian-born wife of an American soldier to obtain a military travel authorization to enable her to leave Italy and travel to the United States. You inquire whether this office is prepared at this time to consider applications for passports and immigration visas for entry into the United States.

At present no American consular offices in Italy are issuing visas of any kind and it is not known how soon they will do so.

It is suggested that she inquire again regarding this matter, at the American consulate nearest her place of residence within about two months.

Since she is an Italian citizen she will have to obtain her passport from the appropriate Italian authorities.

Very truly yours,

J. F. Huddleston  
American Consul

SUBJECT : M.T.A. - KALPAS Adela Victoria.

TO : A.F.H.Q., G-2 (CI) Section.

Su 171 A &amp; 172 A

1. We are transmitting herewith an application for Military Travel Authorisation (in duplicate) completed by a Mrs. KALPAS Adela Victoria a Polish Subject, who wishes to travel to England to join her husband Squadron Leader Roland Anthony KALPAS of the Polish Air Force.

2. Regional Commissioner, Southern Region, reports :-

(i) Mrs. KALPAS is at present residing at Via Tasso No. 91 Naples, with her mother, Signora RIZZO Aldina, an Italian Subject. The father of Mrs. KALPAS was a Polish Subject (now deceased) and her mother an Italian; the latter has remarried to an Italian husband.

(ii) Mrs. KALPAS called at this H.Q. today with her husband Squadron Leader Roland Anthony KALPAS, H.Q. Polish Air Force, 1 Princess Row, London, SW1. The latter has been on a short visit from the U.K. where he is returning on 11 October, 1944.

(iii) Squadron Leader KALPAS and his wife were married in Paris on 14 August, 1939, when the former was a member of the Polish Military Mission. A few days before the Germans entered Poland, he was recalled to Warsaw where he went taking with him his wife. After a fortnight of war, his squadron was ordered to fly to Rumania. He obeyed this order and subsequently made his way from the latter country to France. His wife was obliged to remain in Warsaw but after a few weeks, owing to the fact that her mother was Italian she succeeded in obtaining a visa to enter Italy.

(iv) She came to Naples and then she went to France in an endeavour to join her husband. He, however, had gone to England but returned on leave early in 1940. He then attempted to get his wife out of the country and take her to England. Mrs. KALPAS got a visa from the British Passport Control Officer Paris, dated 17 May, 1940, authorising a single journey to the U.K. but

owing to confusion, among the French Authorities it was impossible to get an exit visa from them. The British Passport Control then cancelled their visa. An officer of H.Q. has examined Mrs. KALPAS's passport and verified this fact.

(v) Late in May, 1940, Squadron Leader KALPAS was obliged to return to England for duty and his wife then went to the South of France, (Nice) where she stayed while her child was born. A son, Raymond, was born at Nice on 13 September 1940 she left France and returned to her mother's residence in Naples where she has since lived.

(vi) Living conditions in Naples are very difficult for Mrs. KALPAS and she desires to join her husband in U.K. The British Consul, Naples, states that sea transport can be arranged if the Military Travel Authorisation is granted.

(vii) Mrs. KALPAS is in possession of a Polish Passport No. 274305 issued by Polish Consul General, Paris, on 27 August, 1939."

## MEMORANDUM FOR THE POLITICAL SECTION A.C.

Following memorandum of September 13th n°6/488/222 this Ministry reiterates that it would be grateful if the Allied Authorities could see their way to grant Miss Linda CAMERATA the necessary authorization to proceed to Portugal in order to take up her duties at the Italian Legation in Lisbon.

Miss Linda Camerata's perfect knowledge both of English and Portuguese makes her invaluable for the Legation which is in urgent need of an interpreter and of a typist that can carry out the work in the above mentioned languages.

The M.T.A. forms both for Miss Linda Camerata and her mother, who should accompany her to Portugal, were enclosed with the above mentioned memorandum. *EdB*

Date 10 October 1944

SUBJECT: M.T.A. KALPAS Adela Victoria.

TO : HQ., ACC., Public Safety Sub-Commission.

1. This HQ. has received an application for a military travel authorisation from Mrs. Adela Victoria KALPAS, Polish subject, in respect of a journey from Italy to the U.K.

2. Mrs KALPAS is at present residing at Via Tasso N° 91, Naples, with her mother, Signora RIZZO Aldina, an Italian subject. The father of Mrs KALPAS was a Polish subject (now deceased) and her mother an Italian; the latter has been re-married to an Italian husband.

3. Mrs. KALPAS called at this HQ. today with her husband Squadron Leader Roland Antony KALPAS, HQ. Polish Air Force, 1 Princes Row, London, SW1. The latter has been on a short visit from the U.K. to where he is returning on 11 October, 1944.

4. Squadron Leader KALPAS and his wife were married in Paris on 14 August 1939 when the former was a member of the Polish Military Mission. A few days before Germany entered Poland, he was recalled to Warsaw where he went taking with him his wife. After a fortnight of war, his Squadron was ordered to fly to Rumania. He obeyed this order and subsequently made his way from the latter country to France. His wife was obliged to remain in Warsaw but after a few weeks, owing to the fact that her mother was Italian, she succeeded in obtaining a visa to enter Italy.

5. She came to Naples and then went on to France in an endeavour to join her husband. He, however, had gone to England, but returned on leave early in 1940. He then attempted to get his wife out of the country and take her to England. Mrs. KALPAS got a visa from the British Passport Control Officer, Paris, dated 17 May 1940, authorising a single journey to the U.K. but owing to confusion, among the French authorities it was impossible to get an exit visa from them.

.....CS.../2

- 2 -

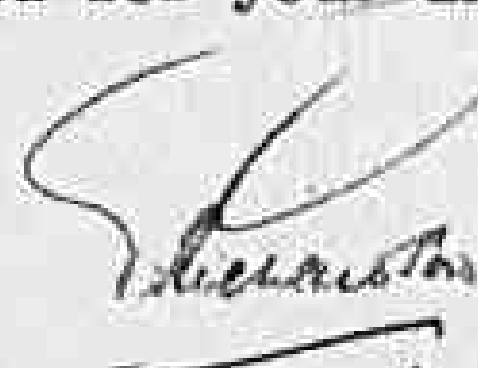

The British F Sport Control then cancelled air visa. An officer of this HQ. has examined Mrs. KALPAS's passport and verified this fact.

(6) 6. Late in May, 1940, Squadron Leader KALPAS was obliged to return to England for duty and his wife then went to the South of France, (Nice), where she stayed whilst her child was born. A son, Raymond, was born at Nice on 13 November 1940. On 29 December 1940 she left France and returned to her mother's residence in Naples where she has since lived.

(vii) 7. Living conditions in Naples are very difficult for Mrs KALPAS and she desires to join her husband in U.K. The British Consul, Naples, states that sea transport can be arranged if the military travel authorisation is granted.

(viii) 8. Mrs KALPAS is in possession of a Polish passport N° 274305 issued by Polish Consul General, Paris, on 27 August 1939.

9. The above information is submitted for your information and favourable consideration.

THE ALLIED GENERAL COMMISSION  
R O M E

I the undersigned, Eugenio MICELI of late Andrea, now residing in Alessano (Lecce) with my family, beg to ask your good selves to allow me to return with my family to Tripoli, our native City, which we were compelled to abandon since January 25<sup>th</sup> 1942 owing to Government order of displacement and from that time having lived in Subiaco (Rome) up to September 1944.

After such a long period of forced absence from Tripoli I yearn, of course, to return home not only to take care of my interest there, so long neglected, but also to procure rest and comfort to my family worn out by three years sufferings and privation, often afflicted by sad episodes, the last of which, but the most terrific, being the bombardment of Subiaco, that left us roofless and deprived us of all our personal inducements which were deposited in St. Andrew Cathedral and annexed Seminary, plundered part by Nazi-Fascists and part by the populace, as it may be attested by Don Iginio, Archpriest of Subiaco.

I exercised a commercial activity through my well known firm "FRATELLI MICELI" both in Tripoli and Bengasi. I am Proprietor of several buildings in Tripoli some of which were occupied by British Authorities soon after their entrance in the City. I am principal shareholder

MICELI EUGENIO  
ALESSANO  
(Lecce)

1408/8/1 *Letteri Septem 16*  
Aless (Lecce) October, 6th 1944

THE ALLIED GENERAL COMMISSION

ROME

I the undersigned, Eugenio MICELI of late Andrea, now residing in Alessano (Lecce) with my family, beg to ask your goodselves to allow me to return with my family to Tripoli, our native City, which we were compelled to abandon since January 25<sup>th</sup> 1942 owing to Government order of displacement and from that time having lived in Subiaco (Rome) up to September 1944.

After such a long period of forced absence from Tripoli I yearn, of course, to return home not only to take care of my interest there, so long neglected, but also to procure rest and comfort to my family worn out by three years sufferings and privation, often afflicted by sad episodes, the last of which, but the most terrific, being the bombardment of Subiaco, that left us roofless and deprived us of all our personal induements which were deposited in St. Andrew Cathedral and annexed Seminary, plundered part by Nazi-Fascists and part by the populace, as it may be attested by Don Iginio, Archipriest of Subiaco.

I exercised a commercial activity through my well known firm "FRATELLI MICELI" both in Tripoli and Bengasi. I am Proprietor of several buildings in Tripoli some of which were occupied by British Authorities soon after their entrance in the City. I am principal shareholder and Counsellor of the "Società Molini Libici" the most important milling establishment in Tripoli, and General Councillor of the Banco di Napoli for the Province of Tripoli. I am also ancient Belgian Consul,

ment order of displacement and from that time having lived in Subia-  
co (Rome) up to September 1944.

After such a long period of forced absence from Tripoli I yearn,  
of course, to return home not only to take care of my interest there,  
so long neglected, but also to procure rest and comfort to my family  
worn out by three years sufferings and privation, often afflicted by  
sad episodes, the last of which, but the most terrific, being the con-  
bardament of Subhaco, that left us roofless and deprived us of all  
our personal inducements which were deposited in St. Andrew Cathedral  
and annexed Seminary, plundered part by Nazi-Fascists and part by  
the populace, as it <sup>is</sup> may attested by Don Iginio, Archipriest of Subia  
co.

I exercised a commercial activity through my well known firm "FRATELLI MICELLI" both in Tripoli and Bengasi. I am Proprietor of several  
buildings in Tripoli some of which were occupied by British Authorities  
soon after their entrance in the City. I am principal share-holder  
and Counsellor of the "Società Colini Libici" the most important mili-  
ng establishment in Tripoli, and General Councillor of the Banco di  
Napoli for the Province of Tripoli. I am also ancient Belgian Consul,  
decorated both by Belgian and Tunisian government.

SUBJECT : CERACI Olga.

TO : Security Branch. *all 14018*

1. Reference attached correspondence relating to Ceraci Olga who applies for an assignment with the Allies in Holland.
2. Miss Ceraci spoke to Public Safety Sub-Commission some days ago with regards to the possibility of obtaining a Military Travel Authorisation.
3. She was told that a Military Travel Authorisation would be issued only if she is in possession of proper documents establishing her identity and nationality and if necessary a visa into Holland. Moreover, the journey would have to be of direct benefit to the war effort.
4. It is understood that Miss Ceraci has been married and that she is not now of Dutch Nationality. She stated that she had already applied to the Dutch Consul for the requisite documents, and that she is aware of the help which she is in a position to render to the Allied cause.
5. Miss Ceraci spoke of lost documents and a marriage of convenience, and altogether, this sub-commission feels that her "story" should be carefully checked.

1. With reference to application for Military Travel Authorisation by the above-named, originally submitted with your PS/17.5 dated 29 June 1944.

2. After considerable investigation, this Section is now prepared to issue an M.T.A. to Wright, if still required, provided that advance notification is given of the ship on which he will travel to the United Kingdom.

3. The reason for this provision is that WRIGHT's story is not entirely satisfactory, and that he may have to be interrogated again on arrival in the United Kingdom. This must not be disclosed to him.

4. The Military Travel Authorisation will constitute permission to leave Italy only. WRIGHT will require a British passport in order to enter the U.K.

My Dear Major,

May I trouble you once more about the Gilon case.  
After I wrote to you on August 4th, he was immediately heard by the allied police, but since I have had no news and I suppose A.F.H.w. is dealing with his practice. The boy is still here, doing little good and costing the Belgian state a lot of money. Would it be possible to activate his departure?

With very many thanks,

Yours sincerely,

Subject: Giuseppina Miori - Application for M. F. A.

To : Public Safety Sub-Commission  
(Att: Major Wilson)

See 111A

Dear Major Wilson,

1. With reference to our telephone conversation this morning, the following are the facts:

a. Giuseppina Miori, Passport No. 969127, the applicant for M.F.A. is the nurse of Duchess Giuliana Badoglio, Villa Badoglio, Via Bruxelles, Rome (Telephone: 850038). She was brought to Italy from Tangier by air with the Duchess at the instigation of General Mason MacFarlane in order to give some moral assistance to Marshal Badoglio at the time of the capture of his son by the Germans.

b. There are urgent family reasons why this woman now wishes to return to Tangier.

c. The Minister of Foreign Affairs has been dealing with her papers and told her that these are now all in order, that she can have passage in an Italian boat leaving Naples towards the end of this month (date necessarily unspecified), and all that is now lacking is the necessary ACC authority to leave the country.

2. While the object of her journey cannot be defined as "direct benefit to the war efforts", the Acting Chief Commissioner feels that we are in honor bound to give all assistance to her return, seeing that we are partially responsible for bringing her over.

3. We would therefore be grateful if you would expedite the matter to the best of your ability. Should you wish to obtain photographs or further details, the Duchess' phone number is given in para 1 above.
