1. With reference to telephone conversation on 23 Jan. 45, Major Bennett - Major W.C. Ballance, transmitted herewith for your consideration are two MFA application forms completed by above named and a covering letter received from the Chief of the UNRRA, Italian Mission.

2. Roth is in possession of a Special Visa No 11 issued by the French Consul at Rome on 22 January, 1945. He is also in possession of travel Orders issued by this Headquarters, dated 18 January, 1945. It is understood that the Travel Orders were issued at the request of UNRRA.

3. The covering letter referred to in paragraph 1 was submitted in response to a request to show the justification for the travel. When it was pointed out to UNRRA that the nature of the "urgent official business" was not indicated, they asked that a reference be made to Governor Cochran, Mediterranean Representative of UNRRA at AFHL, as the writer of the letter is not available today, and they did not wish the application to be further delayed.

SUBJECT : Application by Swiss Consular Agent -
to proceed to Lausanne.

140148

TO : Headquarters, Allied Commission.
(for att. of Public Safety Sub-Commission - Thru: R.C.)

1. The applicant, Mr. Louis BICKEL, Swiss Consular Agent, Livorno, is seeking permission to visit his father at Lausanne who is seriously ill.

2. As a Consular Official, Mr. BICKEL would appear to be an exception to the rule of Civilians requiring Military Travel Authorizations, the proposed journey is however based on compassionate grounds and not one in the direct benefit of the Allied War effort.

3. Submitted for information and directions please.

Reference our memorandum P/505-AM of January 16th.

2. The Political Section is informed that T. Adelaide Amadio is the daughter of the important socialist leader and writer Giovanni Amadio who was murdered by the fascists in the early days of the fascist revolution. She has been well-known to the members of the present Italian Government who have interested themselves in order to arrange for her return to Trieste in order that she may resume her medical work there. 3. It is felt that the grant of permission to Dr. Amadio to return to Trieste as a medical case would be much appreciated by the Italian Government and would be a tribute to the memory of her father.

SUBJECT : Matkovic Eugenio of late Nicolo' and late Nico line Kamaric, born in Merczine on 27.1.1884 and his wife Boskovic Liubica of late Matteo, born in Bol on 15.5.1898 - Yugoslavian Nationals.

The R. Questura of Rome has communicated the following:

"" We are attaching the application presented by Mr. Matkovic Eugenio, a Yugoslavian National in order to obtain for himself and for his wife the exit and entry visa for the Kingdom, to be valid for six months.

The above has a shipping Firm and ought to go to New York together with his wife in order to settle various businesses. Some of his ships are down there and are being used for transport on the account of the Allies.

He has already taken the necessary steps with the local U.S.A. Consulate and has exhibited to us a letter by which he has been informed that as soon as he gets the entry and exit visa for the Kingdom from the Italian Authorities, he will be granted the authorisation to go to America.

Furthermore, he has pointed out that the Allied Military Authorities will put at his disposal the necessary transport to go to the States and come back to Italy. We have found out from our file that in September 1941 Mr. Matkovic was arrested at Spalato for having helped the war effort of the Allies and committed to the Special Court.

He was released from the prison of S. Gemignano in December 1943.

He has lived in Rome from June 1944 and his conduct has been regular.

His wife has no bad records.

The above named foreigners are in possession of regular passports.

We inform you that we have no objection to make and await your decision.

Will you please let us know your opinion as to the above.
