SUBJECT: STIPA Luigi son of late Domenico and Simonetti Felicia,
born at Appignano del Tronto on the 30th.11.1900 and
living at Offida, Engineer.-
Passport for Switzerland and France.-

A/m Engineer Stipa Luigi always kept a good moral civil
and political conduct.

He is very well thought of; presently Mayor of Offida,
and member of the demo-christian Party.

He is not charged with having hold any important position
in the former fascist Party, he did not get any money out of said
Party, nor joined the Fascist Republican Army.

He did not collaborate with Germans; on the contrary, after
the 8th September, he was the commander of an active Partisan band
which operated in the Offida district.

Owing to urgent professional reasons, he has to go to
Switzerland and France in order to resume work on airplane con-
struction, which had been interrupted by the war.

Said expatriation has absolutely no other grounds such as,
F.I., the purpose of transferring goods abroad.

As this Office has no objections of any kind against said
request, we beg to ask your Commi sion to communicate its opinion
in regard.

Mr. Ottavio DELGRATO, living at CAVALLI DI COLLECCHIO (Parma District), begs to forward a petition to the Chief of Allied Commission, Admiral STONE, in order to obtain a passport for the U.S.A.

He points out to be a 30 years old owner of a big farm, which he personally directs. His farm is provided with threshing-machines, other modern land tools and with a little workshop.

In order to learn the systems of the American farms, he would like above everything else to go to America and work there for one or two years in a big farm. In the meantime, his younger brother (who has been fighting as Partisan with the American soldiers) would take care of his own farm.

He adds, that he himself has taken part to the Partisan movement, and presently is not member of any Party. He only is inscribed in the "Cristoforo Colombo" Association of the "Friends of America".

He warmly hopes that his request shall be kindly examined, and thanks in advance.

Lea prego di volermi perdonare, se mi per-
metto di scrivere, ma la grande scontenta, di
un'idea mi costringe a farlo. Sono un giova-
ne trentenne, il quale desidero, sopra ogni cosa
al mondo di recarmi negli U. S. A. per appren-
dere i grandi lavori agricoli, nel sistema
meccanico americano. Qui al mio domi-
cilio sono proprietario (la dirigo e lavoro come
i miei operai) di una azienda agricola, con
fabbricati, per quattorsi cereali, e sementi, Motore,
trattori, mietitrici, ecc. con piccola officina riparazione.
Avendo un fratello più giovane, il quale è stato
in montagna (partigiano) con la missione america-
na, e adesso si trova a casa, vorrei cedere tutto a
lui, per potermi, come ripeto, recare negli Stati
Uniti, con qualche grande azienda, a trovarmi
di macchine agricole, per un anno, per due,
come deciderà la Commissione Alleanza, finché
potrà apprendere la grande e insuperabile
lavorazione meccanica agricola americana.

Dear Sirs,

My
 as British subject by birth, I have come to, do my
 medical studies in 1938 and during peace-time I used to pass my holidays
 at Rome, in Valletta.

When the war broke out in July I was imprisoned and
 later interned and so had to interrupt my medical studies. On the 8th of
 September 1943 I evaded from the concentration camp of Montebianco
 (Parma) and three months later reached Switzerland where I remained till
 the end of the war in Europe when I returned to Parma to resume my
 studies. Before the war I studied in Rome.

Being in possession of an emergency certificate, issued
 in May 1945 at Geneva) I have now applied for a regular passport which
 I hope to obtain shortly. As I wish to go to pass a short holiday at home

As I wish to go to pass a short holiday at home after an absence of six years and as I cannot afford to interrupt my studies again, before leaving Italy, I wish to obtain the necessary permit to re-enter Italian military zone.

For these reasons I shall be much obliged if you will kindly let me know where to apply and how to proceed in order to obtain such a permit with the least possible delay.

Yours faithfully,
