1) Reference your letter ACC/14018/9/PS, dated 23rd June 1944.
2) RACI are not in need of the services of Giovanni PROSTARO.

3) I have re-established the RACI Provincial Offices in Rome, and I have been in contact with the Central Seat. It appears that the governing bodies departed with the Germans, and that the employers elected a directive committee to carry on the work of the Seat. Actually, I instructed this directive committee not to issue instructions of any kind to the Provincial Offices until advised to do otherwise by the Allied Control Commission.

4) My duties in Rome Region have precluded my dealing with RACI matters on other than Provincial level.

5) I feel that someone is needed here to liaise with the central seat and the RACI Provincial Offices in A.M.G. territory.

6) The Director RACI Naples is authorised to supervise all RACI Offices in Regions III and V. I imagine he will be pleased to undertake the liaison work which I suggest, and I recommend that steps be taken to enable him to proceed to Rome

Subject: Request of Authorization
 To: ALC. P.S. Sub-Commission.

The organizing units situated in Bari and Naples, for the needs of liberated Territories, are now too far from the zone of operations.

Owing to the speediness with which the advance proceeds, - keeping in mind the urgency to realize the functioning of the Holding Centre (Centro raccolta) in Rome - to which are flowing officers, non/c., & soldiers - and to organize on the place the new units of Livorno, Ancona, Firenze Legion which are being formed, it is necessary that my HQ Chief Col. DALLA CHIESA Romano, goes at once for a few days to Rome.

The above mentioned Colonel will be accompanied by the CCRR. Capt. ARISTA Antonio, and by the driver Maresciallo PERSENDA Antonio -

Will you please authorize as soon as possible the going to Rome of the above mentioned officers - 237

S A L E R N O

I nuclei organizzativi istituiti a Bari e Napoli per le necessità dei territori liberati, sono ormai troppo lontani dalle zone d'impiego.

Data la rapidità con cui procede l'avanzata e tenuta presente l'urgenza di rendersi conto del funzionamento del centro raccolta di Roma - al quale stanno affluendo numerosi ufficiali, sottufficiali e militari di truppa - e di organizzare sul posto i nuovi nuclei delle costituite legioni di Livorno, Ancona e Firenze, si rende necessario che si rechi subito a Roma per pochi giorni il mio Capo di S. M. Colonnello Dalla Chiesa Romano.

Il predetto Colonnello sarà accompagnato dal Capitano dei CC.RR. Arista Antonino e dall'autista Maresciallo Persenda Antonio.

Prego compiacersi rilasciare con cortese urgenza l'autorizzazione occorrente ai predetti militari per recarsi a Roma.

SUBJECT : Request for authorization

TO : ALLIED CONTROL COMMISSION
PUBLIC SECURITY SUB-COMMISSION

In regards to the approval of the permit to Rome of Lt. Col. Meoli Camillo, Comander of Naples Legion, of which I've asked news, stated that this officer must go to the Capital urgently. As Head of the Administration Office, he must take a large sum of money to the organized Rome Legion which has at its dependancy over 2000 Carabiners of the Naples Legion.

These men were not paid as predisposed by this Comand because they had to leave so quickly that there was no time to withdraw the funds needed to distribute to the various Company Comanders for the soldier's pays.

In addition, a number of scattered Carabiners who were hidding from the Germans, have now joined the organized Rome Group. As there position is made clear, these also must be paid.

For these reasons the Comand thinks it indispensable and urgent that Lt. Col. Meoli make this trip, which will last only a few days.

I beg you to grant this authorization.

S A L E R N O

In merito al nulla osta richiesto per l'invio a Roma del Ten. Colonnello MEOLI Camillo, il comandante della legione di Napoli, al quale ho chiesto notizie, ha precisato che il predetto ufficiale deve recarsi d'urgenza alla Capitale per consegnare, nella sua qualità di capo dell'ufficio amministrazione, rilevante somma di denaro occorrente al Nucleo Organizzativo della legione di Roma che ha alle dipendenze oltre 2000 Carabinieri, amministrati dalla legione di Napoli.

A detti militari non furono corrisposti gli assegni prima della partenza, com'era stato predisposto da questo Comando, perché tale partenza avvenne così rapidamente che mancò il tempo necessario per prelevare i fondi e distribuirli ai vari comandanti di reparto per la corresponsione delle paghe ai singoli militari.

Si aggiunge che al Nucleo organizzativo si sono presentati numerosi carabinieri sbandati, sottrattisi alla cattura dei tedeschi e rimasti nascosti in attesa dell'arrivo delle truppe Alleate. Anche a questi ultimi, appena regolarizzata la loro posizione, dovranno essere corrisposti assegni o anticipi sulle paghe.

Per quanto sopra, questo Comando ritiene indispensabile ed urgente il viaggio del t. colonnello MEOLI, la cui durata sarà limitata a pochi giorni e prega di voler concedere la relativa autorizzazione.-

O
7A refers

1. Lieut. Col. Meoli (second in command of the Naples Legion) called at this HQs on 10th June 1944 with the attached letter asking authority for him to visit Rome.
2. Meoli was quite frank in saying that he was taking advantage of this opportunity to visit his family in Rome. He admitted that it was not essential for the second in command of the Naples Legion to perform this duty.
3. I spoke to him about his previous attempt to visit Rome without reference to CC.RR HQs or this Sub-Commission.
4. He said that he had been given orders by Col. Quercia to accompany Col. Ferinnetti to Rome for the purposes of administering the Rome contingent of CC.RR (He thought this had the approval of Rome Public Safety). He said that the Rome CC.RR were dependent on the Naples Legion and therefore there was no necessity for Col. Quercia to refer to Gen. Picche on the matter. Meoli was fetched back from Littoria by Gen. Santanaria and disciplinary action will be taken against him by Gen. Picche.
5. Meoli eventually agreed with me that arrangements for administering the Rome contingent of CC.RR ought to have been out and tried months ago and it should not have been a last minute decision to send him forward without the knowledge of CC.RR HQs. or Public Safety Sub-Commission or Region 7.
6. I told Lt.Col. Meoli that the application for him to visit Rome would be considered and CC.RR HQs notified in due course.
