INTER OFFICE MEMORANDUM Tel : 478800

AC/14018/12/PS D.P.S. 30 January, 1945

SUBJECT : Irregular issue of Civilian Passes
TO : Director, Public Safety.

1. Marchese Giuseppe Martucci called at this Headquarters this morning, and produced the attached Movement of Civilian Pass N° 103140 issued by Fifth Army on 24 December, 1944. He indicated that he applied for the pass in Naples to a Signor Achille De Lorenzo who is said to be a Secretary to the S.C.A.O. AMG, Fifth Army. He received the pass through the post.
2. It will be noticed that the pass is issued to Luisa Martucci, and that the back of the pass is endorsed to cover travel by six named members of her family, including Marche Giuseppe Martucci, and two unnamed motor vehicle drivers.
3. The pass was not issued in accordance with the provisions of Executive Memorandum N°77 and letter AC/14080/5/PS, dated 30 November, 1944, as indicated below:-

- (a) the names of the two drivers are not stated
- (b) full addresses and identity card numbers not shown
- (c) travel to enter the Army Zone is authorised, but authority to cross the Army Control Line is deleted
- (d) the purpose of the travel as shown is to "visit family" which cannot be said to be of benefit to the war effort
- (e) pass not signed by the persons to whom issued
- (f) separate passes not issued in respect of each person.

- 2 -

4. Marchese Martucci stated that the object of his journey to Lucca was to get married. He has now decided to get married in Rome, and wished to send a car and a driver for his fiancee and her mother. He asked that the attached pass be endorsed to cover the travel to Lucca of one of the unnamed drivers.

5. In view of the great danger to security which might arise as a result of the issue of this pass, I took possession of it and informed Marchese Martucci that if he submitted particulars relating to the driver to this Headquarters further consideration would be given to his application.

16 December 1944

SUBJECT: Report of Investigation.

TO : Chief Commissioner, Allied Commission, Thru:
Chief, Public-Safety, Sub-Section.

I. MATTER INVESTIGATED

This report relates to an investigation conducted by Major R.D. HILDEBRAND, CMP, Investigating Officer, into the facts and circumstances surrounding purported irregularities in the issuance of AMG, Movement of Civilians' passes, by the Lazio-Umbria Region, AC, APO 394, to cross the Army Control Line.

II. AUTHORITY

Ltr.O., Hq. AC, 12 December 1944.

III. FACTS

Lt. Colonel, G. DELLA ROCCA, RAF, Italian Liaison Section, RAAC, received requests from civilian friends to secure passes for them to cross the Army Control Line into the Fifth Army Area sometime prior to 23 November 1944.

The Italian Liaison Section, RAAC, is concerned solely with Italian Military Personnel.

The Italian Liaison Section, RAAC, did not have a copy of Executive Memorandum, Hq., ACC, R.C. & M.G. Section, APO 394, No. 77, dated 31 August 1944 (Ex. A-16). Neither the Liaison Officer (Ex. A-7) nor his Secretary (Ex. A-6) was familiar with its contents.

CONFIDENTIAL

On 23 November 1944, the Italian Liaison Officer wrote a letter to ALG, Public-Safety, Florence, requesting that ALG, Public-Safety, Rome, be authorized to issue permits to twenty-four civilians. (Ex. A-3)

On 24 November 1944, the Italian Liaison Officer reported to the Commanding General, Fifth Army, to receive decorations and citations. While at hq. Fifth Army, he personally presented the letter (Ex. A-3) to the SCAC, who approved the request.

About 2 December 1944, Signor Danilo Monteverchi, Secretary, Italian Liaison Mission, RAA, presented the approved request (Ex. A-3) to which was attached thirteen permits (Exs., A to N incl), under cover letter (Ex. A-2), to Lt. Colonel, L.E. VIRELL (Br), Public-Safety Officer, Lazio-Umbria Region, AC, who declined to sign the permits. The reason was that they had not been processed in compliance with Executive Memorandum I.C. 77 (Ex. A-16) and that the reasons for travel were not those which would directly benefit the Allied cause.

IV. DISCUSSION

The investigation does not reveal any evidence that any of the applicants were of questionable character or that the purpose of their journeys was to engage in black market or other illegal activities. There is no evidence that the Italian Liaison Officer or his staff received or expected to receive any money or anything of value from the applicants. The Italian Liaison Officer and his Secretary impressed the Investigating Officer by their veracity and straight forwardness. C0J

V. CONCLUSION

That the Italian Liaison Officer applied for the travel permits in good faith--not being familiar with current AC directives.

That no permits have been executed by the Lazio-Umbria Region, AC, to cross the Army Control Line at variance with existing AC directives.

VI. RECOMMENDATIONS

That the SCAC, Fifth Army, be requested to scrutinize applications and reject those not properly processed or which fail to comply with existing regulations.

Ques: Have you ever received any permits for your signature, sent to you from the Military liaison Office, P.A.M.C.

Ans. No - never.

Ques. Have you ever had any communications from Brig Gen. Hume's Office direct with regard to the issue of permits.

Ans. No,

Ques. Can you assign any reason, why for the first time, a ~~list~~ batch of 13 permits contained the names of 24 persons should have been sent to this office for signature.

Ans: The only reason I can attribute this to is that perhaps this method has been tried in an endeavour to obtain permission to travel into the Army area - as the normal channels would not have considered applications other than those in the interest of the war effort.
I have never been approached at any time by Col Stella's Office to sign permits approved by him, or Brig Gen Hume.

13 December 1944

Personally appeared before me, Major R.D. HILDEBRAND, CMP, Investigating Officer, Count Rossi Di Montelera, Metello, Via Caroncini, No. 51, Rome, Italy, Acting Manager-Director of Martini and Rossi, SA, who after being duly sworn, deposes and says:

MPL

During the latter part of October 1944, I do not recall the date, I applied for a travel permit to travel from Rome to Lucca and Pontassieve, Italy, via Florence.

I initially applied to Colonel, N.W. MONFORT, Ha. AC, who directed that I make application to Colonel, NORIAN E. FISKE, Chief of Staff, AC. Since I did not know Colonel FISKE, I did not call on him.

At the suggestion of some of my friends I contacted Lt. Colonel, G. DELLA ROCCA, RAF, Italian Liaison Officer, RAAC, Rome. I caught Lt. Colonel, G. DELLA ROCCA on his way out of the office and informally applied for the travel permit. Lt. Colonel DELLA ROCCA directed me to give the number of my car and other data to his secretary, which I did.

My reasons for desiring to make this journey were:

1. To visit our factory (Chianti-Melini) which has been damaged by bombings at Pontassieve. At this plant we have stocks of wines and some 40 to 45 employees.
2. I also desired, while on the way, to visit my villa and the nine nearby farms in the vicinity of Lucca. I produce wine, oil, and grains on these agricultural properties.

I did not offer by intimation or otherwise, Lt. Colonel G. DELLA ROCCA or any other person or persons any money or anything else of value for securing a travel permit for me.

Todate I have not received a permit or any information relative to it.

At the time I applied for my travel permit, I also applied for permission for my brother-in-law, Count Guido Mazza, who resides at Via Barnaba Oriani, 113 Rome, to accompany me. He would furnish transportation. I gave Lt. Colonel DELLA ROCCA's secretary the number of the car (68 388).

Count Mazza, an engineer with Finsider, a combination of steel works, has appropriate Allied Military Government and Italian travel permits.

Personally appeared before me, Major R. D. MILDEBRAND, C.I.F., Investigating Officer, one LO TEVESCHI DANILE who after having been duly sworn deposes and says:

M.D. "I reside at VIA RABINIC, #1, Rome, Italy. My occupation is that of Secretary to the Italian Liaison Mission, R.A.A.C., APC 794; my chief is Lt. Colonel Giovanni DELLA ROCCA, Italian Liaison Officer. I have been employed in this capacity since 3 June 1944. *N.D. and M.D.*

I do not recall the exact date, but about December 2nd or 3rd I personally delivered to Lt. Colonel L. W. VINING (L), Public Safety Officer, Rome-Lazio Region, a letter dated 23 November 1944, File N.RA/447, subject: Traveling permits to A.G, public safety, Florence, signed by Lt. Colonel Della Rocca, which was approved (no date) by Brigadier General Edgar Hume, HQ 5th Army. I also presented to Lt. Col. Vining a single application of signer PIazzalini, dated 24 November 1944, for travel to Florence, which bore General Hume's undated approval; also Allied Government passes number 295520 to 295530, and numbers 295539 and 295575. The above referred to passes, together with two pass books of duplicates, were submitted to Lt. Colonel Vining. Lt. Colonel Vining said, in substance, "That the procedure was not regular and that the interested parties, being that they were civilians, would have to go to him."

My Chief, Lt. Colonel Della Rocca, reported to HQ. 5th Army in compliance with a directive. While he was at HQ. 5th Army he secured the approval of Brigadier General Hume to the application previously referred to (N.RA/447). I personally have no knowledge of any of these applicants except of Ragioniere GIOVANNI COLLINA.

Major Mildebrand has shown me Executive Memorandum #77, dated 31 August 1944, HQ. ACC, and Sergeant NUSCA has translated pertinent extracts therefrom. I had never, previously, seen this directive and was not familiar with its contents. I have no personal knowledge or information of any application for civilians, to enter the Army Control Line, having been processed by the Italian Liaison Section, R.A.A.C., except the thirteens previously referred to, which General Hume approved and which Lt. Col. Vining declined to sign.

I have read the above statements and have initialed the page top and bottom; it is the truth, the whole truth and nothing but the truth." *JFJ*

Personally appeared before me, Major R.D. HILDEBRAND, CMP, Investigating Officer, Lt. Colonel, G. DELLA ROCCA, RAF, Italian Liaison Officer, RAAC, who after being duly sworn, deposes and says:

Prior to 14 December 1944, I had never read the directive, Headquarters, Allied Control Commission, R.C. & M. G. Section, APO 394, Ref/316/292/CA, Subject: Control of Civilian Movement, dated 31 August 1944, nor was I ever familiar with its contents.

Question by Major HILDEBRAND

Q. Lt. Colonel DELLA ROCCA, I show you unsigned Allied Military Government, Movement of Civilians' permits (exhibits, A to N incl) together with a letter from the Italian Liaison Section, Subject: Traveling Permits, File N. RA/447, dated 23 November 1944, and a similar letter, File N.RA/495, dated 30 November 1944. Will you please relate the facts and circumstances upon which these applications were processed and the above referred to correspondence written?

A. Since I understood that the approval of the SCAO, 5th Army was essential for obtaining permission for civilians to go to Florence and since I was traveling there on duty, I asked General HUME if he would give his preliminary authorization which he did. Subsequently, I sent the list of names and the authority through proper channels to the Allied Commission, Public-Safety Office so that this office would make appropriate screening and the necessary routine work.

Q. Did you personally know all the applicants in exhibits, A to N inclusive?

A. Most of them with the exception of two who were highly recommended to me.

Q. To which two applicants do you refer?

CONFIDENTIAL

A. I did not know Rag. Giovanni Collina, who was personally recommended by my executive, and Felice Romano, who was recommended by an officer of the Rome Military Command.

Q. Did any of the applicants pay or offer to pay or give anything of value to you for your securing these permits?

A. I object to this question. The answer is very definitely "NO".

Q. Have any other applications for civilians to enter the Army Control Line been processed by the Italian Liaison Section, RAAC, other than those referred to above (exhibits, A to N incl)?

A. To the best of my recollection there has been an issue of three permits authorized by 5th Army, but they went through normal channels of the Allied Commission, Public-Safety Office.

Q. Do you recall who the three applicants were?

A. I do not.

Q. Would your office have any records which would identify them?

A. I don't know. I will see.

Q. Do you have anything to add?

A. I wish to add that when I sent the list of applicants to Lt. Colonel, L.E. VINING, he told me in a telephone conversation that he was afraid these applicants didn't have sufficient reasons for going to Florence in accordance with present regulations. I replied that if his screening would prove they had not sufficient reasons, he would obviously have to turn them down, and that I was not concerned at all with the issue.

Statement from M. P. VECCHI, Secretary to Col. della Rocca

I know Giovanni Collina very well, I have known him for about 10 or 12 years. Giovanni Collina rang me up on the phone at my office and asked if he could see me, and I said yes, and Giovanni came to my office. He asked me if he could get a permit to go to Florence and I therefore asked Col. della Rocca whether Giovanni Collina's name could be added to the list of applicants for permits. Col. della Rocca approved, and so Giovanni Collina's name was put on the list.

Question : Does not the office of the liaison officer only deal with military personnel?

Answer : Yes, only military personnel.

Question : Then why have a large number of civilians got permits to travel to restricted areas?

Answer : The list brought is the only one in which civilians have been included, and I do not know why an exception was made, Col. della Rocca can only answer this.

Question : Why did you ask Col. della Rocca to put the name of Giovanni Collina on the list?

Answer : As the list was a civilian one I asked if my friend could be put on the list.

Question : Are you aware that civilians should go to the Questura for permits?

Answer : Yes.

Question : I would like to make clear that I am in no way responsible for the list being prepared and civilian names being put on it, as it was prepared by the orders of Col. della Rocca and signed by him.

The only people I know who are on the list are:

a) Farulli Umberto, who is a chauffeur to the Royal Household.

b) Grassini Rovigo) Royal

c) Agrimi Alessandro) Household

I do not know how their names came to be on the list, the only person I got put on the list was Giovanni Collina.

Question : Did Col. della Rocca ask you why your friend wanted to go to Florence?

Answer : Yes, Col. della Rocca asked me all about him, and I gave full particulars.

Question : Why do you wish to go to Florence?
Answer : My mother and sister and two children are there and have only recently been liberated.
Question : Who did you go to in order to obtain a permit to travel to Florence?
Answer : I met a person I had not seen for ten years named Montevercchi who works in the liaison office between R.A.A.C. and A.C. and I asked him how I could obtain a permit to go to Florence and he told me that it was difficult to get a permit, but he would see what he could do. I gave all particulars about myself and sent them by one of my employees named Di Marcantonio and he took the application to Montevercchi at R.A.A.C. and I have heard nothing since.
Question : Did you previous to this try to get a permit to Florence?
Answer : Yes, I am well known at the Vatican and a cardinal friend of mine gave me a recommendation which I took to the Questura and gave it to a British Major who has an office on the first floor and the Major told me that I would have difficulty in getting the necessary petrol to go to Florence and returned the application to me.
Question : Was it ever suggested to you by anyone that payment would have to be made in order to get a permit?

SUBJECT : Control of Civilian Movement.

TO : Regional Commissioners, IV, V, VI, VII, IX, X, XI, XII.
S.C.A.O.'s 5th and 8th Army.

1. A complete set of instructions (Executive Memorandum No. 77) dealing with restrictions on civilian movement is forwarded for the guidance of all concerned.

2. As the instructions are lengthy and involved, the following brief sketch may be of assistance in determining the broad outlines of the control, but officers issuing passes must refer to the detailed instructions which alone are authoritative.

3. Zones and Boundaries.

Three zones and two boundary lines affect civilian travel in Italy:
1

- (i) The Army Zone (north of the Rear Army Control Line)
- (ii) Rear Army Control Line.
- (iii) The Restricted Zone (between Rear Army Control Line and Restricted Line)
- (iv) The Restricted Line.
- (v) The Free Zone (south of the Restricted Line)

(See diagram Appendix "A")

The boundary lines are liable to change.

4. A civilian cannot cross either of the boundary lines without a pass. As to movement within the zones, see para 5.

5. Restrictions within the Zones.

(a) Army Zone.

No civilian may travel more than 10 km. or enter or leave the zone without a pass issued by A.M.G. Fifth or Eighth Army. When, however, a province within the Army Zone has been handed over to Regional Control, the competent authority to issue a pass is the Provincial Commissioner of the Province concerned, and not S.C.A.O. 5th or 8th Army. Requests for passes to enter the Army Zone will not be considered unless the journey is in the direct interest of the war effort.

(b) Restricted Zone.

No civilian may travel from one province to another without a pass issued at the point of departure.

It will be noted that the Restricted Zone is partly under the control of A.M.G. and partly under the control of the Italian Government. The same restriction apply in both portions of the zone.

(o) Free Zone. Movement is unrestricted except between the islands of Elba, Sardinia, Sicily and the mainland. Passes will be issued at the point of departure. A pass is also required to move from the Free Zone to either the Restricted or Army Zone.

6. Passes.

(a) Passes will be issued sparingly and with due regard for travel facilities available. They will under no circumstances be issued to parties of refugees, except with the prior approval of Refugee Branch, HQ. AGC.

(b) The only pass recognised by the police is "no standard yellow 'Movement of Civilians' Pass."

16. Check Posts.

(a) In Allied Military Government Territory.

In the Army Zone and in territory administered by Allied Military Government every effort will be made to enforce the above restrictions by means of a widespread system of "snap" check posts which will be established for a few hours daily at irregular times and at varying points. The responsibility of arranging such checks will rest with the Military Authorities in Security.

The object of those check posts will be:

- (2) to take action against those who have committed serious and flagrant breaches of the regulations.
- (3) to question or detain for investigation persons whose conduct or "story" is suspicious.

(b) Italian Government Territory.

In territory administered by the Italian Government a similar system of "snap" check posts will be established. In this instance, however, the objects will be limited to:

- (1) briefly questioning those passing the point with a view to discovering suspicious individuals who should be subject to further interrogation or investigation, and
- (2) instilling a sense of insecurity in the minds of agents or other undesirable individuals so that they may hesitate to move about, or even abandon their mission.

-7-

(o) Organisation and Composition.

This system of check posts will be organised by Army, Corps, District and Base Section Headquarters and not by AMG/LOC, both in Military Government and Italian Government territories.

These check posts will normally be manned by appropriate combinations, according to circumstances of FSP/CIC, SIM (CS), CC.RR and Guardia di Finanza.

Every effort will be made by Allied Control Commission Officers to ensure the fullest co-operation of the Italian Police in connection with these duties.

Statement of Captain ALBERT E. BAKER, P.M.S.O., Littoria Province.

Quest: Have you ever received any permits for your signature sent to you from the Military Liaison Office, RAAC?

Ans: No, never.

Quest: Have you ever had any communications from Brig. Gen. Hume's office direct with regard to the issue of permits?

Ans: No.

Quest: Can you assign any reason why for the first time, a batch of 13 permits containing the names of 24 persons should have been sent to this office for signature?

Ans: The only reason I can attribute this to is that perhaps this method has been tried in an endeavor to obtain permission to travel into the Army Area- as the normal channels would not have considered applications other than those in the interest of the war effort. I have never been approached at any time by Col. Della Rocca's office to sign permits approved by him or Brig. General HUME.

During the latter part of October 1944, I do not recall the date, I applied for a travel permit to travel from Rome to Lucca and Pontassieve, Italy, via Florence.

I initially applied to Colonel, N.W. MONFORT, HQ. AC, who directed that I make application to Colonel, NORMAN E. FISKE, Chief of Staff, AC. Since I did not know Colonel FISKE, I did not call on him.

At the suggestion of some of my friends I contacted Lt. Colonel, G. DELLA ROCCA, RAF, Italian Liaison Officer, RAAC, Rome. I caught Lt. Colonel, G. DELLA ROCCA on his way out of the office and informally applied for the travel permit. Lt. Colonel DELLA ROCCA directed me to give the number of my car and other data to his secretary, which I did.

My reasons for desiring to make this journey were:

1. To visit our factory (Chianti-Melini) which has been damaged by bombings at Pontassieve. At this plant we have stocks of wines and some 40 to 45 employees.
2. I also desired, while on the way, to visit my villa and the nine nearby farms in the vicinity of Lucca. I produce wine, oil, and grains on these agricultural properties.

I did not offer by intimation or otherwise, Lt. Colonel G. DELLA ROCCA or any other person or persons any money or anything else of value for securing a travel permit for me.

"I reside at VIA RABIRIO, #1, Rome, Italy. My occupation is that of secretary to the Italian Liaison Mission, A.A.A.C., AG 794; my chief is Lt. Colonel Giovanni DELLA ROCCA, Italian liaison officer. I have been employed in this capacity since 3 June 1944.

M.D. Me
I do not recall the exact date, but about December 2nd or 3rd I personally delivered to Lt. Colonel L. L. Vining (H), Public Safety Officer, American region, a letter dated 23 November 1944, File N.RA/447, subject: Traveling permits to AGO, Public Safety, Florence, signed by Lt. Colonel Della Rocca, which was approved (no date) by Brigadier General Edgar Urskine Hume, AG 5th Army. I also presented to Lt. Col. Vining a single application of Signor PIAZZOLI, dated 24 November 1944, for travel to Florence, which boro General Hume's undated approval; also allied Government passes Number 295356 to 295356, and numbers 295359 and 295375. The above referred to passes, together with two pass books of duplicates, were submitted to Lt. Colonel Vining. Lt. Colonel Vining said, in substance, "That the procedure was not regular and that the interested parties, being that they were civilians, would have to go to him."

My Chief, Lt. Colonel Della Rocca, reported to HQ. 5th Army in compliance with a directive. While he was at HQ. 5th Army he secured the approval of Brigadier General Hume to the application previously referred to (N.RA/447). I personally have no knowledge of any of these applicants except of Signor PIAZZOLI COLLIBA.

Major Hildebrand has shown me Executive Memorandum #77, dated 31 August 1944, HQ. AGC, and Sergeant HUSCA has translated pertinent extracts therefrom. I had never, previously, seen this directive and was not familiar with its contents. I have no personal knowledge or information of any application for civilians, to enter the Army Control Line, having been processed by the Italian Liaison Section, A.A.A.C., except the thirteen previously referred to, which General Hume approved and which Lt. Col. Vining declined to sign.

I have read the above statements and have initialed the page top and bottom; it is the truth, the whole truth and nothing but the truth."

Prior to 14 December 1944, I had never read the directive, Headquarters, Allied Control Commission, R.C. & M. G. Section, APO 394, Ref/3L6/292/Ca, Subject: Control of Civilian Movement, dated 31 August 1944, nor was I ever familiar with its contents.

Question by Major HEDDERHAND

Q. Lt. Colonel DELLA ROCCA, I show you unsigned Allied Military Government, Movement of Civilians' permits (exhibits, A to N incl) together with a letter from the Italian Liaison Section, Subject: Traveling Permits, File N. RA/447, dated 23 November 1944, and a similar letter, File N.RA/495, dated 30 November 1944. Will you please relate the facts and circumstances upon which these applications were processed and the above referred to correspondence written?

A. Since I understood that the approval of the SCIO, 5th Army was essential for obtaining permission for civilians to go to Florence and since I was traveling there on duty, I asked General HUME if he would give his preliminary authorization which he did. Subsequently, I sent the list of names and the authority through proper channels to the Allied Commission, Public-Safety Office so that this office would make appropriate screening and the necessary routine work.

Q. Did you personally know all the applicants in exhibits, A to N inclusive?

A. Most of them with the exception of two who were highly recommended to me.

Q. To which two applicants do you refer? 507

~~CONFIDENTIAL~~

CONFIDENTIAL

A. I did not know Rag. Giovanni Collina, who was personally recommended by my executive, and Felice Romano, who was recommended by an officer of the Rome Military Command.

Q. Did any of the applicants pay or offer to pay or give anything of value to you for your securing these permits?

A. I object to this question. The answer is very definitely "NO".

Q. Have any other applications for civilians to enter the Army Control Line been processed by the Italian Liaison Section, RAAC, other than those referred to above (exhibits A to N incl)?

A. To the best of my recollection there has been an issue of three permits authorized by 5th Army, but they went through normal channels of the Allied Commission, Public-Safety Office.

Q. Do you recall who the three applicants were?

A. I do not.

Q. Would your office have any records which would identify them?

A. I don't know. I will see.

Q. Do you have anything to add?

A. I wish to add that when I sent the list of applicants to Lt. Colonel, L.S. VISING, he told me in a telephone conversation that he was afraid these applicants didn't have sufficient reasons for going to Florence in accordance with present regulations. I replied that if his screening would prove they had not sufficient reasons, he would obviously have to turn them down, and that I was not concerned at all with the issue.
