1. A case has recently come to notice of the issue of a Civilian Movement Pass by the Questore of Rome to a civilian to proceed to places in AMG territory South of the Rear Army Control Line for the purpose of political activity.

2. This Headquarters was of the opinion that individuals entering AMG territory for this purpose might be acting to the detriment of the Allies.

17 March, 1945.

My dear Mr. Prime Minister :

I thank you for your letter No. 7482 dated 5th March, 1945, with enclosure respecting the trip by Avv. Giovanni Conti to various localities in the Marche Region.

It has been ascertained ^{see 3A} that a pass was issued to Avv. Conti on 2 March 1945 by Permits Office of the R. Questura, Via S. Stefano del Caeco, Rome, authorising travel to Fano, Sassoferrato, Macerata, Iosi and Fabriano only.

It is not considered advisable to issue movement Passes to civilians to enter territory under the control of Allied Military Government for purely political activities and in this instance a communication has been addressed to the Regional Commissioner, Allied Military Government, Marche Region, informing him of the issue of the Pass to Avv. Conti and requesting that the matter be watched and the pass cancelled in the event of Conti's activities proving to be inimical to the interest of the Allies.

^{5A} A communication has also been addressed to the Minister of the Interior requesting that Questori be instructed that passes must not be issued to individuals to enter Allied Military Government territory for the purpose of political activities.

Yours very truly,

1s/ Ellery W. Stone

HOUSE OF PARLIAMENT

Rome, 2 March 1949

To the On. Bonomi,
Minister of the Interior

Rome

I am leaving tomorrow for the Marche (Pesaroferato, Jesi, Ancona, Fermo, Montepulciano, Macerata, Fabriano, ecc.) for my Party.

I want to make it clear that I intend to be neither molested, nor observed nor watched by carabinieri, questori or prefects, for I mean to exercise my right to make republican propaganda, and to avoid any 'distinctions'. I wish to add that the said functionaries must leave quite alone the republicans of the Regions which I am going to visit. This, because their political activity is correct and exemplary.
