Re 156A and enclosures. Spoke AFHQ. G-2 Section (Major Bennett) today.

The writer of 156B did not realise that the Ministry of Interior only deals with particular cases referred to them by the Foreign Office, and that questions relating to policy had already been taken up with the Foreign Office by the Political Section. (113A).

156C was written as a result of a letter received by Political Section from G5 AFHQ. This letter would seem to cut right across the requirement that visas should not

Memorandum

NSC/2501
27 May 1945.

From: Navy Sub-Commission, HQ. Allied Commission.
To : Displaced Persons Sub-Commission, Allied Commission.

Subject: Italian Refugees in Sardinia.

1. The Navy Sub-Commission has received a request from the Italian Ministry of Marine for Italian Naval vessels to be made available for the transportation of 1,000 civilian refugees to the Italian Mainland from Sardinia.

2. In view of Allied Commission priority despatch number 0027, dated 10 May 1945, which indicates that the Displaced Persons Sub-Commission does not desire that civilian refugees be brought to Italy from Sardinia, it is proposed to notify the Ministry of Marine that the proposed lift cannot be approved.

3. Prior to informing the Ministry of Marine in the terms of paragraph two above, the concurrence of the Displaced Persons Sub-Commission is requested. In addition, it would be appreciated if the Navy Sub-Commission could be apprised of the reason for the ban, in order that an appropriate reply may be given to the Ministry of Marine.

1. Transmitted herewith are copies of correspondence marked (1a - 1i and 2 a-b) which deal with the entry into Sicily from Malta of the above named without the prior approval of AFHQ.

2. The case of VELLA was first brought to our notice by receipt of a signal on 22/3/45 (1i). The same day, a Mr. Jones who was in Rome on a mission for the Governor of Malta, attended this office and made enquiries on the same case. In consequence a signal (1h) was sent to the Governor of Malta. Further signals (1e, 1f, 1g) passed with a final intimation that Vella had departed for Sicily with approval of Allied Commission, Sicily.

3. This was taken up by correspondence (1d) with A.C. Liaison Officer, Catania who replied (1c) and later with A.C. Liaison Officer, Palermo (1a and 1b).

4. There is no doubt that permission was granted by A.C. Palermo for Vella to proceed to Sicily without reference to AFHQ through this HQ. Unfortunately all the officers of the Sicily Region have been withdrawn and it is impossible to obtain an explanation from those concerned.

5. Nothing is known of SCICLUNA other than that contained in signals (2 a-b) which have been received from Liaison officer, Catania.

6. Forwarded for your information.

1. This is a reply to your AC/14022/1/PS of 29 April. The transaction referred to belongs to the period before my arrival, but a search of such files as remain here throws some light on the matter.

2. The files contain the original telegram from Malta asking if radium was available and requesting permission to enter Sicily. The request seems to have gone to Major Highall, the Regional Public Safety Officer; for on 14 March he wrote a note to Lt.Col. Macdonald, Regional P.M.G., asking his observations on the request. Under date 26 March, Colonel Macdonald replied: " P.S.O. Sicilia Region; No objections. Radium is available."

3. Unfortunately nothing else appears in the files; but the similarity of these words of the R.P.M.G. to those used by you in the last two lines of para. 5. of your letter AC/14022/1/PS of 17 April to the A.C. at Catania would tend to indicate that the Public Safety Officer may have drafted an approval along the lines of Col. Macdonald's note and sent it off. Perhaps inquiry of Major Highall himself might provide the information you need.

TO THE R.H. ALLIED COMMISSION

PUBLIC SAFETY DEPARTEMENT

ROME

I, UNDERSIGNED, DR.GUIDO NAVARRINI, OFFICIAL OF THE MINISTRY FOR FOREIGN AFFAIRS, HAVE THE HONOUR TO MAKE KNOWN THE FOLLOWING FACTS TO THE R.H.ALLIED COMMISSION:

ON FEBRUARY LAST I ASKED THE ALLIED AUTHORITIES TO EXAMINE THE POSSIBILITY OF GRANTING THE PERMIT TO RETURN TO ITALY TO MY FIANCÉE, MISS ELISABETH ROSENBERG, BORN IN BUDAPEST THE 11TH OF JULY 1913, WHO LIVED IN ITALY UNTIL JANUARY 1940 AND WHO WAS FORCED BY THE FASCIST GOVERN= MENT TO LEAVE THIS COUNTRY BECAUSE OF HER JEWISH ORIGIN.

MISS ROSENBERG, WHO IS SINCE THEN LIVING AS A REFUGÉE IN SANTIAGO DE CHILE, HAS ALREADY OBTAINED FROM THE BRI= TISH AND AMERICAN AUTHORITIES ALL THE NECESSARY PERMISSIONS FOR TRAVELLING FROM SOUTH AMERICA TO ITALY BUT SHE STILL NEEDS THE ALLIED PERMISSION FOR ENTERING THIS COUNTRY.

I, UNDERSIGNED, DR. GUIDO MATARELLI, CONSIDER IT MY
DUTY TO REQUEST PERMISSION FOR PERSONAL APPEARANCE, HAVE THE HONOUR TO
INFORM THE FOLLOWING FACTS TO THE R.E.MINISTER OF INTERIOR:

ON FEBRUARY LAST I ASKED THE ALLIED AUTHORITIES TO
EVACUATE THE POSSIBILITY OF CREATING A THE FERRIT TO RETURN
TO ITALY SO MY FAMILY, WIFE ELISABETH ROSENBERG, BORN IN
FLORENCE THE 7TH OF JULY 1913, TWO LITTLE CHILDREN AND
SANITARY 1940 AND WHO WAS FORCED BY THE FASCIST GOVERN=

MISS ROSENBERG, WHO IS SINCE SHORT TIME
IN SWITZERLAND DUE ILLNESS, HAS ALREADY OBTAINED AS A REFUGEE
TWSH AND AMERICAN AUTHORITIES ALL PER=
MITS NECESSARY FOR HER RETURN. SOME
DAYS AGO SHE RECEIVED THE SAFE CONDUCT
FOR ENGLAND AND THE PERMISSION TO ENTER
GT BRITAIN. THIS ALLIED AUTHORITIES
GRANTED SUCH PERMISSION IN VIEW OF
THAT SHE HAS CHILDREN IN ITALY AND THAT
FOR PREVIOUS REASONS AND NOT CONNECTED

GRANT NO REASONS HAVE BEEN GIVEN

Declassified E.O. 12356 Section 3.3/NND No. 785016

BASING MY REQUEST ON THE FOLLOWING CONSIDERATIONS:

1) MISS ROSENBERG, WHO COULD ONLY CARRY WITH HER A LIMITED QUANTITY OF MONEY, FINDS HERSELF NOW IN A VERY DIFFICULT POSITION, AS HER BAD HEALTH, BESIDE HER QUALITY OF FOREIGNER AND REFUGEE, MAKES IT DIFFICULT TO HER TO FIND AN OCCUPATION ON PLACE.

2) THE NEXT AVAILABLE SHIP FROM BUENOS AIRES TO SPAIN IS SAILING ON JUNE; SHE COULD THEN USE SUCH SHIP, THAT IS DUE IN SPAIN AT THE END OF JULY OR FIRST DAYS OF AUGUST. IT IS HOPED THAT AT THAT TIME COMMUNICATIONS BETWEEN SPAIN AND ITALY WILL BE EASIER AND THAT PERHAPS AIR OR RAIL FACILITIES WILL BE AVAILABLE BETWEEN THE TWO COUNTRIES.

3) AS SHIPS FROM SOUTH AMERICA TO SPAIN ARE NOW ONLY AVAILABLE ONCE EVERY THREE MONTHS, SHOULD MISS ROSENBERG MISS THE JUNE SHIP THAT WOULD MEAN TO HER ANOTHER THREE MONTHS DELAY IN THE ACTUAL DIFFICULT SITUATION.

ASKING THE R.M.ALLIED COMMISSION FOR A KIND REPLY ON THE LATTER, AT HER EARLIEST CONVENIENCE, I HAVE THE HONOUR

Subject: Miss TRESCOVA. Return from Spain.

1. Signorina Antonia TRESCOVA, a Czechoslovakian citizen, who left Italy as cook in the employ of Signor La Terza, formerly Counsellor of the Italian Legation in Lisbon, is now in Madrid waiting to be authorized by the competent Allied Authorities to return to Italy and join her employer, who was recalled to Rome a few months ago.

I undersigned JUAN BERTONE, Argentine citizen, residing in Asmara, Corso del Re Nº 40, takes the honor to expose the following:-

I am in possession of Argentine passport Nº3, regularly ~~renewed~~ in the month of November 1943, and valid to all of 1945, and also in possession of discharge issued by the Military Authorities of my country as having belonged and ultimated regular call service on the Navy of War.

I was in Italy in the immediate years that preced= ed the begining of the actual war, and I transferred to Africa for reasons of work, in Autotransports.

From the initiation of the war I have attempted in vane with the Italian Authorities to reach Argen= tine. Therefore adopting myself to work here attend= ing a possibility of reputriation.

As soon as Eritrea was occupied by the British troops I dedicated myself as supplier work that I have accomplished to the satisfaction of the vari= Departments.

I have living in Central Italy two sisters, from

F.T.O.

1590

whom I have had no news for years, and when this region was liberated, I solicitated the Emmigrati= on Offi=e for permission to reach Italy or Argen= tine.

Having had long contacts with, then, the Offi=er in Charge, Captain Podestà, who assured me that in the quality of neutral, I was in the full rights to leave Eritrea for any country not in war with t= the United Nations.

Captain Podestà had exactly assured me that as soon as I decided to leave to pass at his Offi=e for the necessary visas and approvals.

While pending the systemization of my affairs in Asmara I submitted to the required preventive medi al treatments, and contacted the Controller of Banks for authorization to transfer my money.

When all was ready I went to the Emmigration Of= fi=e to complete the case of my departure, but as

the quality of neutral, I was in the full rights to leave Eritrea for any country not in war with the United Nations.

Captain Podestà had exactly assured me that as soon as I decided to leave to pass at his Office for the necessary visas and approvals.

While pending the systemization of my affairs in Asmara I submitted to the required preventive medical treatments, and contacted the Controller of Banks for authorization to transfer my money.

When all was ready I went to the Emmigration Office to complete the case of my departure, but as Captain Podestà was transferred, I was told by the new Officer that he had no knowledge of my departure, and no files concerning existed. I then saw Captain Cusborne Smythe who advised me to call again at the Emmigration Office. From that Office I came to know that the Chief Secretary had not authorized, for the moment, my transfer to Italy.

Declassified E.O. 12356 Section 3.3/NND No. 785016

I see myself obliged to insist with Your Excellency. Serious economic interests and family worries, induce me to ask for the necessary authorization to reach the City of the Holy See, where there is the nearest Argentine Embassy, who will not miss to tutel my compromised interests with the Italian Government, for the recuperation of credits left pending so many years.

I believe that my condition of neutral will authorize to hope that such transfer may be granted.

I beg in the meantime Your Excellency to grant to see me, so as to appeal and make clear, personaly what I can not clearly express by letter.

Hoping for a favourable acceptance of the present I remain with appreciation and thanks,

Your humble servant

AMERICAN EMBASSY

Rome, March 8, 1945.

Major W.C. Ballance,
Public Safety Sub-Commission,
Allied Commission,
(Room E 2, Floor 5),
Via Veneto,
Rome.

Sir :

I would be appreciated if your Sub-Commission could assist a member of my staff, Miss Theresa V. Delu, an American citizen, to obtain a permit to have her mother rejoin her in Italy.

Miss Delu has been in the service of the American Government for about seven years. Her mother, Mrs. Maria P. Delu, an Italian citizen, was born at Trisobbio (Alessandria) Italy, 65 years ago, and is now residing in Lisbon, Portugal. Both Miss Delu and her mother formed part of the Embassy group which was evacuated from Italy on May 13, 1942 and proceeded to Lisbon, where Miss Delu remained in the service of the American Embassy in that city until October 9, 1944, when she was transferred to the Office of the United States Representative on the Advisory Council for Italy, Rome, arriving here on October 23, 1944. Her mother is alone in Lisbon and entirely dependent on her for both moral and financial support, and hen Miss Delu is anxious to have her come here, so that she can look after her.

Very truly yours,

For the Ambassador

/s/ Ernest K. Evans.

Sir :

This is to certify that Miss Theresa V. Delu, an American citizen, employed in the American Embassy, Rome, Italy, is personally known to me. Prior to her being evacuated from Italy on May 13, 1942 with the Embassy personnel she was one of my secretaries. She is now anxious to have her mother, Mrs. Maria F. Delu, residing in Lisbon, rejoin her. Mrs. Delu formed part of the Embassy group which was evacuated, and her daughter remained in Lisbon from 1942 to 1944, as clerk in the American Embassy of that city until she was transferred to Rome on October last. It will be appreciated if Miss Delu's request to have her mother rejoin her in Italy be given every consideration and all possible assistance accorded her in this connection.

Very truly yours,

Application for grant for a permission,to enter Italy.

Sir !

Herewith I apply for a permission,to enter Italy temporary for my wife

R a m a t h G a n // P a l e s t i n e

born 10.4.1914 at Heidelberg-Germany, British (Palestine) Citizenship.

Some months ago I applied to military authority for granting of compassionate leave,but now I have been informed,that this applica tion met no success.

My wife is now already many months under medical treatment for very serious nervous troubles,caused by the interruption of matrimonial life for now more than 2.1-2 years and by overstraining in her professional activities.

Would this application be granted,I hope,to help my wife ,to get on with her constitutional troubles for the rest of this war by a temporary relievement and by discussing means and ways for a sufficient unburdening of her professional activity.I may perhaps add,that for the latter-my wife carries on a bookshop combined with a newspaper-agency in the a/m.townlet of Ramat-Gan,it is not simply a question of liquidation,because my wife by it gains not only the livelyhood for

Naturally I apply for a permission for a short limited period ( not more than 14 days) and also for a limited area of southern Italy.
Your permission being granted,I hope,my O.C.will provide me with a correspondent leave inside Italy.

May I remember,that a quick positive decision would much facilitate the technical realisation,to met my wife,becauselater my unit could move so far to the north,that a leave to southern Italy would be entirely out of question.

Wours obediently

MEMORANDUM FOR THE R.H.DIRECTION FOR PUBLIC SAFETY DIVISION

The undersigned, Consul Guido NAVARRINI, Official in the Italian Ministry for Foreign Affairs, has the honour to bring to the knowledge of the Direction etc. the following facts:

In 1938 I was engaged to Miss Elisabeth ROSENBERG, an hungarian lady living in Italy, and I was about to marry her when racial laws, promulgated in that year by the fascist government, forced my fiancee - who is a Roman catholic but of jewish extraccion - to leave Italy seeking for a refuge in Santiago de Chile, Chile.

On october last, it came to my knowledge that my fiancée was about to obtain from the British Embassy in Santiago de Chile all the necessary permissions fro travelling from Chile to Italy. The British Consulate in Santiago cabled on November last to the British Embassy in Rome to enquire whether I was actually and official working for the new Italian Government: as the reply was affirmative, the permissions were granted and my fiancée booked a passage on a steamer, waiting only for the Italian visa for entering Italy.

The Italiani Ministryes for Foreign Affairs and for Interior have no difficulty in granting such visa and an application for the necessary allied permission will reach the Public Safety Division in these days.

As my finacée needs medical treatement, as she is jøust recovering from a long illness, and finds herself in economic difficulties - all her belongings has been confiscated by hungarian nazists and she could carry to Chile only a limited quantity of money - , I have the honour to ask the P.S.D. to be good enough to grant, if possible, the said permission, so that the visa could be granted to Miss Rosemberg who is now waiting only for such

racial laws, promulgated in that year by [illegible] forced my fiancee - who is a Roman catholic but of jewish extraction - to leave Italy seeking for a refuge in Santiago de Chile, Chile.

On october last, it came to my knowledge that my fiancée was about to obtain from the British Embassy in Santiago de Chile all the necessary permissions fro travelling from Chile to Italy. The Italiani Ministryes for Foreign Affairs and for Interior have no difficulty in granting such visa and an application for the necessary allied permission will reach the Public Safety Division in these days.

I would firmlly point out that my fiancée has worked for a long time for the Free Hungarian Mouvement in Chile against Nazism, and that it seems that the British Embassy in Santiago de Chile has now granted to her the necessary permissione for travelling to Italy as arecognition of her valuable work on behalf of the Allied Cause: confirmation of such facts could be easily obtained from said British Embassy.

It is useless to add that, should my finacée be able to reach Italy in the next months, she would live, until our marriage, under my full personal responsability.

1. An application by above named to enter Italy from Spain has been refused by this Headquarters.

2. It is said that subject is a Jesuit priest of Spanish nationality who resided in Rome until July, 1943, when he returned to Spain. He now desires to visit the Jesuit General House in Rome.

3. Enquiries at the Jesuit General House elicited the following information:-

a) Father Dalmases is an ordinary Father, who is a writer, and is head of the "Monumenta Historica", a Jesuit paper, published in Rome every two years or so. His presence in Rome would be welcomed by the Vicar General.

b) The Vicar General would prefer, if a priest is being sent from Spain, that Father Azcona be sent, who is Assistant for Spain to the Vicar General. He is needed here for permanent consultation with the Vicar General.

The Political Section of the Allied Commission presents its compliments to the Italian Ministry of Foreign Affairs and has to refer to its memorandum No. P/505/KI dated January 21, 1945 on the subject of Italian Visas for entry into Italy.

Allied Force Headquarters now have informed the Allied Commission that the issuance of visas by Italian Consuls is not regarded as a contravention of regulations. However, to aid the Allied Authorities in the enforcement of security measures, it would be appreciated were the Ministry to cause a report to be made of each visa issued and sent to AFHQ through the Allied Commission.

1. Reference our telephone conversation of this morning and the memorandum No. 443/30482 of 7 February from the Ministry of the Interior.

2. I have today interviewed the British Liaison Priest of the Jesuit General House, who has provided the following information:-

a) Father Dalmases is an ordinary Father, who is a writer, and is head of the "Monunmenta Historica", a Jesuit paper, published in Rome every two years or so. His presence in Rome would be welcomed by the Vicar General.

b) The Vicar General would prefer, if a priest is being sent from Spain, that Father Azcona be sent, who is Assistant for Spain to the Vicar General. He is needed here for permanent consultation with the Vicar General.

3. May it please be made quite clear to the Italians that their visas are not in any case recognised as permits for entering Italy, and that AFHQ is the sole authority for permitting such entry.

1. With reference to your inter-office memorandum No. AC/14022/1/PS dated 30 January 1945 requesting comments with regard to the proposed entry of Mr. Engiestrand and Mr. Delin, Swedish Nationals, into Italy, Political Section has to state that there has not been a general policy dictated regarding the visit of neutral commercial representatives to Italy. In the main, however, such visits have been considered as premature, and some weeks ago, in the case of the Erickson Telephone Company, it was found expedient not to authorize a visit to Italy by its representatives. Only recently AFHQ refused to permit the visit to Italy from the United States of a British pharmaceutical expert originally connected with the Roberts Chemical Company of Italy, whose presence here was requested by the Economic Section.

2. Political Section feels that unless some compelling reason of assistance to the war effort is involved, the visit of commercial persons should not be allowed for the present.

3. There is attached hereto (for return to Political Section) a memorandum in the premises which has been received from the Swedish Legation.

CARMELO CASSAR
238, King Street
Hamrun, MALTA

5th Oct. 1944

TO H.E. Bonomi

Sir,

I beg you to excuse me for having taken the liberty of applying to you, I would be much obliged if you would pay your kind attention to the following:

I have applied to my Government in order to be authorized to come to Italy and continue my university education and have been informed that an answer is being awaited from the Italian Authorities.

Consequently the main purpose of this letter of mine is that of asking you to lend me your assistance in order to hasten the answer to my Government.

Furthermore, I would like to submit shortly my case to you, so that you may have some information on me.

I joined the Rome University medical courses in 1938 and followed it up to 1940. The fascist authorities did not allow me to leave the Italian Kingdom, as they hoped to use the Maltese living in Italy as means of propaganda.

At the beginning of the hostilites we were not put in a concentration camp for enemy subjects, but were repeatedly offered to assume the Italo-Fascist Nationality. Having refused, I was held in the Regina Coeli prison for 33 days and then in the island of Ventotene for seven months as a political internee, together with very many real Italians.

It was only after much insisting that I succeeded in being transferred to a British Subject Concentration Camp.

While being moved from one place to the other I had to walk under escort and handcuffed in public.

I left fascist Italy in exchange of prisoners which took place in march 1943. I would like to add that I was all the time with my brother, who is still in occupied Italy, I think in Reggio Emilia.

Since the course of studies that I followed in Italy does not correspond to that of the Malta Medical School and considering my age and the years that I have lost, I can do nothing but come back to my old University.

My Government has assured me its assistance and, as I have explained before, an answer is being awaited from your Government.

I hope that Your Excellency will take my application into due consideration and give me a quick answer.

1242

Yours truly

Eccellenza,

Le prego di scusarmi per aver preso la libertà di indirizzarmi a Lei, sarei molto onorato se vorrebbe leggere quanto segue:

Ho fatto una domanda al mio governo perchè mi si concedesse di venire in Italia per continuare i miei studi in medicina e sono stato informato che si attende ancora una risposta in merito dalle Autorità Italiane.

Quindi, come può capire, il motivo principale di questa mia lettera è di pregarla di usare la sua indiscutibile autorità e sollecitare la richiesta risposta al mio governo.

Inoltre, perchè sia informato in qualche modo di me, le vorrei sottomettere in breve il mio caso.

Mi sono iscritto presso la R.Universita di Roma nel 1935-39 e vi ho frequentato i regolari corsi accademici in Medicina e Chirurgia fino al giugno 1940. Ingannato dalle autorità fasciste non mi fu permesso una uscita dal Regno italiano nonostante mia applicazione negli ultimi giorni di maggio del 1940, data la grande delusione da parte dei partigiani fascisti di dare di noi maltesi che studiavamo in Italia, un loro strumento di propaganda.

Con l'inizio della ostilità, non ci si trattò con il campo di concentramento per sudditi nemici, ma si si propose con insistenza la cittadinanza italo-fascista e per aver lealmente rifiutato detta proposta, mi sono trovato per trentatrè giorni al Regina Coe-

tare la richiesta risposta al mio governo.

I oltre,perchè sia informato in qualche modo di me, le vorrei sottomettere in breve il mio caso.

Mi sono iscritto presso la R.Universita di Roma nel 1938-39 e vi ho frequentato i regolari corsi accademici in Medicina e Chirurgia fino al giugno 1940.Ingannato dalle autorità fasciste non mi fu permesso una uscita dal Regno italiano nonostante mia applicazione negli ultimi giorni di maggio del 1940,data la grande delusione da parte dei partigiani fascisti di dare di noi maltesi che studiavamo in Italia, un loro strumento di propaganda.

Con l'inizio della ostilità,non ci si trattò come il campo di concentramento per sudditi nemici,ma ci si propose con insistenza la cittadinanza italo-fascista e per aver lealmente rifiutato detta proposta,mi sono trovato per trentatrè giorni al Regina Coeli,quindi per sette mesi nulla isola di Ventotene quale confinato politico di guerra insieme a tanti signori,veri italiani.

Solo dopo pressione mi fu riuscito di lasciare l'isola ed essere trasferito in campo di concentramento per britannici. Tutti i movimenti da un luogo all'altro dovette camminare in pubblico ben guardato dalle uniformi e bene ammanettato.

Lasciai l'Italia fascista in uno scambio di prigionieri avvenuto il Marzo 1943.Vorrei aggiungere che tutto questo tempo ero in

Siccome gli studi fatti in Italia non corrispondono agli studi della scuola di Medicina della R.Università di Malta,non mi resta,considerando gli anni perduti e la mia età che di ritornare alla mia originale Universeità.

Sono stato assicurato l'appoggio del mio governo e come già sopraesposto si aspetta una risposta del Suo governo.

Sono lieto di pensare che S.E. mi darà una sollecita risposta e considerazione.

Devotissimo

The Political Section of the Allied Commission presents its compliments to the Ministry of Foreign Affairs and has the honour to state that it has been informed that by a letter dated the 15th November 1944 to the Italian Embassy at Madrid the Ministry authorised the return to Italy of Monsieur Henri Kirschen of Rumanian nationality.

2. The Political Section has been requested to point out to the Ministry that entry into Italy is necessarily controlled by the Allied military authorities for security reasons and that the Ministry should not issue authorisations for persons to travel from other countries to Italy without prior consent of Allied Force Headquarters. In this particular case the Allied authorities have refused permission to Monsieur Kirschen to enter Italy for the present.

3. The Political Section would be grateful if it might be furnished with an assurance that all applications for permission to travel to Italy from other countries will, in future, be referred in the first instance to Allied Force Headquarters.

1. Reference is made to letter AC/14022/1/PS of 5 Jan. 1945 addressed to G-2(CI) Section this HQ'rs.

2. With regard to the general policy on repatriation the following principles are held to govern all classes of persons:

a) The value of the subject to the total war effort.

c) The freedom of danger to security.

3. In this connection attention is invited to this HQ letter G-5: 014.33-3 of 12 Jan. 1945 which indicates a procedure for repatriation from East Africa in particular but enunciates requirements and procedure that may be made of general application.

4. Attention is also invited to paras 4 and 5 of this HQ letter G-5: 014.33 of 11 Jan. 1945 "Repatriation of Italians", the provisions of which are of general application.

5. Your letter under reference requests the return of the attached lists which are accordingly returned. It is remarked that while the lists indicate the willingness of the subjects to return to Italy for employment the following particulars are essential for adequate consideration of the cases:

7. It must be borne in mind that all persons held in custody whether as Civilian Internees or Prisoners of War are organised into units either for administrative purposes, for administrative work in connection with camps and installations or for services contributing to the war effort. Ministry of the Interior. 12-1-1945

No.443/30112
Subject:Treska Antonia of Giuseppe,born in Jarpitz the 1.6.1899-cecoslovac citizen.

The R.Q[illegible]tura of Rome informs the following:
""Only for your information,we send to your Ministry the enclosed application with which Mr. Pierluigi La Terza,counsellor of Legation,formerly in service with the Italian Embassy in Madrid,and actually at the Ministry for Foreign Affairs,asks that the Cecoslovak citizen Treska Antonia be given the entrance visa in the Kingdom.
The Treska ,employed as a servant with Mr.La Terza's family according to what she herself has declared,finds herself actually in Madrid and should like before return to Rome with the above mentioned family.
From the files of this office we notice that the before mentioned foreigner left Rome in December 1942 together with Mr.La Terza's family who had been appointed to give service with the R.Italian Legation in Lisbon.
She has no unfavourable precedents,and has been the object of previous correspondence of which we remind the last,the Ministerial No.449/108308 of the 11.6.1943,relative to a request of entrance visa in Italy.
Said foreigner ,according to what the above mentioned La Terza affirms is in posession of a Cecoslovak passport released by the London Cecoslovak Government,and the matter is in course to obtain the authorization from the Allied Authorities for the entrance in Italy.She would follow the following itinerary:Madrid-Gibralter-Naples-Rome.
We communicate the above to your Ministry for the decisions of the case,informing for what concerns this office it has nothing contrary to giving the authorization requested""
We beg you to express your opinion on the subject.

108A

The undersigned Pierluigi La Terza, counsellor of Legation, begs, Y.E. to courteously be willing to grant the authorization to return to Italy, to the Cecoslovak subject Treska Antonia, 56 years of age, provided with a regular Cecoslovak passport released by the London Cecoslovak government. The before mentioned Treska left in December 1942 for Portugal and Spain together with the family of the undersigned, and now she should return with the a.m. family. It has to deal with a very fitted case, seeing that the Treska does not know where to go as her country is still occupied. The Treska has already asked for the Anglo-American visa in Madrid. The undersigned can assure that during the entire 2 years that the Treska has been with his family, she has shown herself to be a good

Il sottoscritto Pierluigi La Terza, consigliere di Legazione, prega V.E. di voler cortesemente concedere l'autorizzazione a rientrare in Italia a favore della suddita cecoslovacca TRESKA Antonia di anni 56, munita di regolare passeporto cecoslovacco, rilasciato dal governo cecoslovacco di Londra.

La predetta Treska partì nel dicembre 1942 per il Portogallo e Spagna, insieme alla famiglia del sottoscritto, ed ora dovrebbe rientrare con l'anzidetta famiglia.

Si tratta di un caso pietoso, dato che la Treska non sa dove andare, dato che la sua Patria è ancora occupata.

La Treska ha già chiesto il visto anglo americano a Madrid.

Il sottoscritto può assicurare che durante tutti i due anni che la Treska è nella sua famiglia, essa si è mostrata persona dabbene e devota anche politicamente, e amantissima della nostra Italia, ove si trovava da quasi vent'anni.

Con devoti ringraziamenti
