SUBJECT : Sub-Lieutenant Pasquale PERRAZZETTI, interned in the concentration camp No T.103973 Camp 226 P.W. Oversea Altamura.

Mrs Ida PERRAZZETTI, mother of the a/m internee, applied for the liberation of her son.

In regards the Prefecture of PESCARA reports the following:

"Pasquale PERRAZZETTI, son of late Emilio and of Ida ILARIO, born at CITTA' S.ANGELO on January 6, 1922, appears to be of a good conduct in general. No penal precedents appears against him.

Although he belonged to the organizations of the suppressed P.N.F., he never performed political activity neither held he any positions.

Before September 8, 1943 he attended an "Allievi Ufficiali" course in Rome from which he disbanded owing to the armistice.

On January 10, 1944 he was kidnapped by the 35th ^{SS} at Città di Castello and sent to the Concentration Camp "Madonna del Carmine". 10 days later he succeeded in escaping together with other people.

Owing to the military call of his Class, he presented himself to the Unit of TERAMO: then he was sent to VERCELLI and assigned to the 10th Tank-Drivers Company.

We are not aware of his activity in the North, but according to what he states, after a short stay in Italy, he

./.

was sent to Germany to attend a training-course which lasted seven months.

In December 1944 he re-entered Italy and remained with his Unit up to a few days before the liberation, but he never participate to the fight nor took he part to any rounding up operations.

SUBJECT : Repatriation of TRINCHIERI Remigio.

TO : AFHQ, S-2 (S.1) Section.

1. An application for the repatriation of above named civil internee from Italian Evacuee Camp No.3, Kenya, has been received at this Headquarters from the Italian Foreign Office.

2. Trinchieri was born in Rome on August 2nd, 1922. His mother is the daughter of the late Emanuele Gianturco (died 1907) who was four times a Minister in Italian Governments. His father Carlo Trinchieri was twice decorated for bravery in the First World War.

3. In 1939, Carlo Trinchieri, accompanied by his wife and son, went to Ethiopia as the Director of an Establishment in the Cotton Industry. In 1942, his wife returned to Italy, but Trinchieri and his son were interned. Carlos Trinchieri died in May, 1944.

4. The reasons for which Remigio Trinchieri's return is desired are the following :-

(i) He is seriously ill himself.

(ii) His mother in Rome is also in ill-health since the death of her husband in a concentration camp.

(iii) The Italian company "Manifatture Cottoniere Meridionali" of Naples are anxious that Signor Trinchieri should return in order to take up again his former position of textile expert in their factory.

The aforementioned company is a firm which supplies their products to the Allied Armies in Italy.

5. In view of the circumstances mentioned in para 4, the Political Section, this Headquarters, recommends that Signor

not.

Trinchieri's repatriation should be facilitated.

6. ^{55A} East Africa Command has indicated in their letter EAC/10419/11/CA, dated 24 December, 1944, that they have no security objection to the repatriation of subject. The Italian authorities ask that he be repatriated either by air or surface transportation accordance to the convenience of the competent Allied authorities. The cost of his journey will be defrayed by his family.

7. Will you please indicate whether you are prepared to authorize the repatriation of subject.

- THACE
Giuseppe di Camillo e fu Benedetta Rubino, nato a Sessa Aurunca il 25.3.91.

2. It appears that they were arrested by PSS primarily on the ground of denunciations made by four men living at Sessa who themselves seem to have rather doubtful political antecedents.

3. Details of these men are as follows:

- a) - Michele STORACE fu Ferdinando e di Lettieri Vincenzina born in Sessa Aurunca 20 Nov. 1899. Occupation, furniture merchant.
In 1942 he applies for inclusion in the Fascist party but was refused by reason of his anarchist views and his previous convictions, one of which was two months imprisonment for perjury. He is known to be arrogant and to be loud in the proclaiming of the Communist state.
- b) - Ariosto ALMONA fu Giuseppe e fu Russo Michelina born in Sessa Aurunca 11 May 1901. Occupation, Tailor. Is a socialist, did much work for the German troops when they were stationed in Sessa.

490

- 3 -

Has a small following of so-called Socialists, but his political views are not constant and appears to lean Communist.

- e) - Arcadio RUSSIA fu Nicola e fu Manfredi Carvela born in Carinola 19 March 1883. Occupation Lawyer. Is reported to have been very friendly with Caradonna - a leading Fascist; and with the Chief of the CMA of Naples. He has previously been a strong Communist but is apparently prepared to change to Socialism when that party has sufficient power. In speeches recently he has been belittling the local authority of the Sindaco and is believed to want the post himself, but generally his actions are not conducive to political peace in the district.
- d) - Giuseppe RUSSIA fu Salvatore e fu Iraceo Antonietta born Sessa Aurunca 23 March 1901. Occupation. Butcher. Is leader of the Communist Party section of Sessa Aurunca has a conviction for theft in 1925, very ignorant and common type, but his political activities are apt to be disturbing to the local residents.

1. There are no security objections at this end to the repatriation of the above-named, but before taking action towards this end, it is necessary to know:

(a) By what means is his transportation desired, i.e. surface or air?

(b) Who will meet the cost of his transportation?

2. As you are no doubt aware, the opportunities to transfer Italians from this Command to Italy are extremely few and far between at present.

1. On the 20 Sep. 1944 a letter was received at this office from the above named who was at that time and still is detained in Salerno Prison.

2. In the letter states he was sentenced to "confino" by the Fascists on 14 Sep. 1941, but after interrogation by the Allied Command, he and others were ordered to be treated as civilian prisoners of war. He was transferred successively from Naples, to Aversa, to Padula, and finally to Salerno Prison.

3. The records at Salerno Prison show that Varetto was transferred to Salerno Prison from Padula on the 23 Aug. 1944, by order of the Allied Commission.

4. There is no charge or accusation against Varetto in the Prison records, and the Ministry of Justice knows nothing against him.

5. It would be appreciated if this office could be informed of the grounds for his internment at Padula, in order that his present position in Salerno Prison may be clarified.

SUBJECT : VARETTO Giorgio - juridical position.

TO : Allied Commission, P.3. 3/0.
and for information to the Liaison Office
Cabinet of H.E. The Minister.

Subsequent to the above-quoted letter we have again interested the Procurator of the Kingdom in Salerno as regards the precise juridical position of the prisoner VARETTO Giorgio.

The above-mentioned Magistrate, while confirming that in his office he can find no personal records against the individual in question, has transmitted the number sheet of the local prison, which shows that VARETTO was transferred from the Concentration Camp at Padula to the prison on the 23rd August last, by order of the Allied Commission.

It is held that the liberation of this man is not within the competence of the Italian Administration unless it is previously authorized by the Commission.

Will you therefore inform us in this regard.

Subject: Internees at Camp at PADULA.

To: Regional Public Safety Officer, Southern Region. AC.

1. The attached list shows five persons who were arrested by PSS in Sessa Aurunca shortly after the Allied occupation in November 1943.
2. They are all prominent citizens and two were, at one time ardent Fascists, but from information received it is understood that even these two had been heard to openly criticise the Fascist regime before the Allied occupation.
3. At the present moment there are certain local politicians in Sessa of Communistic leanings who are credited with the giving of information against these internees and whose activities are not conducive to political peace.
4. It is believed by the Marsciallo of CC RR of Sessa that without a voice of opposition the present political leaders are conducting a campaign that may foment disaffection.
5. In view of the above it is respectfully suggested that the Officer Commanding the Internee Camp at PADULA be informed of the foregoing to enable him to form an opinion when these internees are again under review, and it is to be understood that the above facts are based solely on the present local information without any knowledge of the evidence acquired by PSS when ordering internment.

To: HE Chief of Government
and the AC Rome

The undersigned, Giocande GELSOMINI, living at 23 Via dei Giobbonari, Rufini, wishes to petition you for the release of her brother, Umberto Gelsomini, son of Giustino and Assunta Salucci, born in Laterina (Arezzo) in 1903, and interned in the concentration camp of Castel Boronia because of his title as a squadrista. The writer can state the following regarding the political activities of her brother:

He registered in the fascist party prior to 1922 and obtained the title of squadrista through friends; he never took part in any punitive raids, nor in any squadristic activities; he has never manifested factionalism or corrupt practice, but has always been devoted to his family and to honest work, from which he has constantly derived the means for their support; he became the head of the family when his father died, a few days after the liberation of Laterina by the Allied troops, as the result of the many sufferings brought about by the war, and the grief of having been deprived of all his possessions by the fleeing Germans, and for having lived for almost a week in a cave to take shelter from the shelling.

Two other brothers, one, Osvaldo, is a prisoner in Algeria and the other has been living in France prior to the outbreak of the war and has not been heard of ever since.

For the above reasons the writer's family is in the most squalid misery, as it is deprived of the sole source of economic and moral support and is therefore at the mercy of some friend who with extremely small contributions keeps it from starving.

Excellency, the requested release would not only put an end to an unjust measure provoked only by a purely selfish reaction against those who, although committed no acts of violence, fought in the past regime, but would also put an end to the moral and material disaster which her brother's internment has caused in our family.

Trusting in your kind compliance with the request, the writer wishes to thank you and hopes that our Country, which has suffered such great

Trusting in your kind compliance with the request, the writer wishes to thank you and hopes that our Country, which has suffered such great martyrdom, may soon be reborn.

La sottoscritta GELSOMINI Gioconda in Rufini, già co-
miciliata in Via dei Giubbbonari 23, rivolge rispettosa
istanza all'Ecc. Vostra perchè si compiacca disporre
per la liberazione di suo fratello Umberto GELSOMINI
fu Giustino e di Assunta Salucci nato a Laterina (Arez-
zo) nel 1900 internato nel campo di concentramento di
Castel Boronia perchè squadrista.

Circa l'attività politica esplicata dal proprio fra-
tello la scrivente dichiara quanto appresso:

Iscritto al partito fascista in data anteriore al 1922,
ottenne la qualifica di squadrista per compiacenti amici-
zie; non ha mai fatto parte di spedizioni punitive o azio-
ni squadristiche; non ha mai dato prova di faziosità o di
malcostume, ma è sempre stato legato alla famiglia ed aman-
te dell'onesto lavoro dal quale ha sempre tratto i mezzi
per mantenere la famiglia di cui oggi ne è rimasto capo
in seguito al decesso di nostro padre, avvenuto, pochi gior-
ni dopo la liberazione di Laterina da parte delle Truppe
Alleate, a causa delle numerose sofferenze causate dalla
guerra del dolore di essere stato spogliato di ogni 3512
avere dai tedeschi in fuga e per aver vissuto per circa
una settimana in una grotta per tenersi al riparo dalle
artiglierie dei belligeranti.

Altri due fratelli della scrivente uno a nome Osvaldo
trovasi prigioniero in Algeria ed un altro residente in

Franciada prima della guerra non ha dato più notizie di sé.

Per le suesposte regioni la famiglia materna della scrivente è caduta nella più squallida miseria essendo rimasta priva dell'unico possibile aiuto economico e morale e quindi abbandonata alla mercé di qualche paesano che con elemosine molto irrisorie la allevia dalla fame e dai disagi.

Eccellenza la invocata liberazione oltre a porre fine ad un ingiusto provvedimento provocato soltanto per pura ed egoistica reazione contro quelli che pur rimanendo estranei ad ogni atto di violenza hanno militato nel cesso regime porrebbe fine a tutto il disastro morale e materiale che l'internamento di suo fratello ha determinato in seno alla nostra famiglia.

Fiduciosa di un benevolo accoglimento della presente sentitamente ringrazia e formula voti augurali per una sollecita ricostruzione della nostra tanto martoriata ed amata Patria.

1. Pursuant to your instructions both the Procuratore Generale and the Procuratore del Regno have been consulted with respect to the above named prisoners.

2. Until yesterday neither of these men had been denounced to the Procuratore del Regno, but they were both at the disposition of the Squadra Mobile (Police Investigating Squad).

3. As you may know the Italian law does not allow for provisional liberty until the Procuratore has received a "denuncia".

4. In the present instance the substitute Procuratore has discussed the case with the Police Agent handling the case and has been assured that the Police Agent will make a "denuncia" within the next week.

5. As to Lodrini I was assured that he would be brought to Rome from Avellino for interrogation, and, in fact, am creditably informed that the transfer has already been accomplished.

6. In any event I have the Procuratore's assurance that if the Italian law permits, provisional liberty will be granted as soon as the "denuncia" is made.

7. This I understand meets with your approval.

1. We are already beginning to receive complaints from Italians that civil internees at Terni are not permitted to have visits in the same way that this privilege has been extended to internees at the P.O.W. 371 Camp.

2. Recently, when Major Harvey was visiting the Commandant at Terni, he was informed that in the Commandant's opinion such visits served no useful purpose in as much as they caused more harm than good and that therefore they would not be permitted. I write therefore merely to point out the inconsistency of allowing visits at Padula and not permitting them at Terni.

3. There is no doubt that we in Rome will be receiving an increasing number of complaints on these lines and therefore, in order to save what possibly may be a great deal of further correspondence, I should be glad of your considered opinion as to whether visits should in future be allowed at Terni. Presumably, if you are of the opinion that they should be granted, you will take the necessary steps with the Camp Commandant.

4. If you think any useful purpose would be served by our visiting the Camp together, I could, of course, meet you there, if you would let me know when it would be convenient for you to go.

The Right Honourable
 WINSTON CHURCHILL
 Prime Minister of Great Britain
L O N D O N

Honourable Sir,

I am taking the liberty of addressing myself to you in order to submit to you my most unfortunate case as you are the only person in a position to help me in these distressful circumstances.

I am the daughter of Emanuele Gianturco a well-known jurist, who was four times Liberal Minister in the Italian government and who died in 1907 at 50.

I married twentythree years ago a young man, Carlo Trincheri, an invalid of the First World War, twice decorated for bravery, and whose brother had died in the same war. In 1939 my husband went to Ethiopia, as Director of an establishment of cotton industry, accompanied by our only son Remigio and myself. In 1942 this terrible war found us there and I was compelled to come back to Italy leaving behind in an internment camp my husband and my son. Now I have been informed by the British Red Cross that my husband Carlo Trincheri the 23 May 1944 suddenly died so that my only son Remigio Trincheri is now there alone. The saddest thing is that my husband who, owing to his physical conditions, was entitled to come back with me, remained there in order to stay near his son. The boy is now 22 years old and I am extremely anxious to have him back here so that he may help me in some way because not only I am alone but also without means of livelihood, very ill and expecting to have to undergo a serious operation.

I ask you to let my son come back to me as soon as possible and by the fastest means available so that I might embrace him before being operated.

I feel sure that you, Mr. Prime Minister, will understand my distress, both as wife and mother, and will give ³⁵⁰ a moment your attention to me with benevolent generous sympathy. I pray to Almighty God that you may not deceive me in my hope.

Please accept Mr. Prime Minister, the heartfelt thanks and undying gratitude of a mother.

Devotedly yours

Act 20-9

3029

To the Allied Control Commission.

The undersigned VARETTO GIORGIO submits application to this Commission that you may kindly examine the matter stated below:

He was awarded with "confino" by the fascist government on 14 Sept. 1941, which on the basis of a ministerial decree had been dismissed by the same government. Many persons had been released while others were held because of the approaching of the Allied troops. On arrival of the Allies we were interrogated, and it was decided to send us to Africa as civilian prisoners of war.

After 10 months we were moved to Naples by order of the Command of Algiers, i.e. on 31 May. When we arrived there the Command sent us to Aversa and from there to Padula. From Padula we were sent to Salerno Prison, where we are still waiting for our final liberation. The applicant knows that he never committed anything against anybody, he was never subscribed in any party. Nevertheless he now is in prison, without anything and without being cleared his position. As he has already suffered enough in the concentration camps, he applies to this Commission to have considered and made a provision on behalf of his case and of his companions', who are in the same conditions. The petitioner as his companions are well disposed to collaborate with the Allies. It may be any work or any means through which they could return to their families in order to face the serious financial circumstances we are going through to-day and to give to their families what they missed during the long period of our expiation.

Confident in the justice of this Commission.

Respectfully.

l'accomplimento di un esilio a Solitudo della cui, un'epoca d'indignità, con-  
 siliato da amici ufficiali di un altro, dove avrebbe desiderato tempo-  
 reggiare la sua professione di medico. Per la cosa non volle  
 farsi imporre nulla, subito allineata la guerra, e così si è occupato di  
 medicina come ufficiale anzitutto nel 1914. Beneficiario notissimo e co-  
 loro che aveva una presenza di un anno di se visto in California, anche  
 si cedere nel momento della guerra l'ordinamento per l'11.11.1914. E co-  
 me tale sosteneva nel 1914, secondo quanto detto di guerra.

Dopo qualche mese di quella permanenza il giovane entusiasticamente  
 campava con altri per l'... convinto di essere in Africa dove si  
 trova ufficiali che lo avevano conosciuti. Lo attendevano.

Ma con grande meraviglia di tutti, con la insospettabilità della  
 classe dell'entusiasmo e per l'avverso destino, erano in Africa,  
 sbarcarono in terra Iberica.

3470

Allora che forse attendere alla guerra, seguita in continuazione!

Il triste fatto non tardò a verificarsi che, il malcapita-  
 to finì nel corpo di un altro e subito nella guerra,  
 ritornava in patria, cieco di guerra con proposta di medaglia d'oro, ve-  
 desi giornale d'Italia 5. 1914, e concessa per due d'argento, due di  
 bronzo e tre pezzi, tutte al veicolo.

Finì così all'ora questo eroico giovane aveva presentato con  
 al forte il suo della sua gente, come una da ricevere, una da  
 gli altri ufficiali, al saluto della patria, attraverso la dolorosa  
 guerra di suo nell'ultimo figlio del Re Imperatore.

4

Affidato dunque, al suo ritorno, alla celebrità dell'illustre Prof. G. Locasario, che, tanto preme - cuore l'assistenza del povero giovane, riuscì dopo circa otto mesi da assurde cure ricoverative di un ex-gensiano fortemente deperito da atroci sofferenze, di ridonargli la vista in un solo occhio, attraverso una forte lente, per un sottilissimo filo visivo subito ad un vertice!

Così con una miserrima pensione (L. 630 mensile) chiudevasi il doloroso ciclo di tutto il passato del buono, generoso, entusiasta ufficiale, che tutto aveva sacrificato per la Patria (vedansi sinbas delle note con encomio del Generale Ugo di S.M. + Armata) che si allega.

Soltanto nel 1941, la Patria, in riconoscimento che, con una pensione di fame, tale da non permettere le esigue cure di cui il paziente, vieppiù sofferente allo stomaco aveva bisogno, gli offriva il posto di vice comandante della S.I.L., cose che accettava, ben sapendo di non arrovare nelle condizioni di qualsiasi e tanto meno d'innervarsi in solition propagandista, in quanto le sue attività erano, come furono, soltanto quelle tecniche assistenziali dei bambini poveri della S.I.L.

Ed ora? Solo per avere accettato l'incarico cui gli fruttasse il sollievo di uno strapuntio, dopo tanta dolori, dopo tante inaudite sofferenze, dopo un corretto, serio ed onesto passato, per il volere di pochi facinorosi senza cuore e senza coscienza, strarandosi di lui l'attro, che di rancore, rimpicche o beghe personali, viene consegnato alle spettabili autorità, come un delinquente qualsiasi: criminoso politico, deportato.

di fronte a tali ingiustizie con quale entusiasmo e spunto

solamente nel 1941, in patria, in riconoscimento che, con una pensione di 100 lire, tale da non permettere le assidue cure di cui al presente, viene il sofferente allo stato aveva bisogno, che era il posto di vice comandante della D.S.L., cosa che accettava, per essere da una persona nelle condizioni di infermità e tanto meno di un essere in politica rappresentativa, in quanto la sua attività era, come furono, soltanto quelle tecniche necessarie alla famiglia come quella della D.S.L.

Ad ora? Solo per avere accettato l'incarico che gli fruttasse il sollievo di una tregua, dopo tanti dolori, dopo tante ininterrotte sofferenze, dopo un corretto, serio ed onesto passato, per il quale da pochi facinorosi senza cuore e senza coscienza, trattandosi di lui, l'autore, che di rimorso, riproche e beghe personali, viene consegnato alle sventurate autorità, come un delinquente qualsiasi: prigioniero politico, deportato.

Al fronte e nella ingenuità con quale entravamo e siamo da esortazione potrebbe combattere il mio secondo figliuolo ed altri ufficiali nella ordine del Capo del Governo S.S. F. Edoglio qualche venivamo e conoscenza di tutto, nessuno trattamento fatto ad un eroico combattente?

Oh! Grande Iddio dei cieli, dopo una lunga vicinanza, dopo che la mia casa, assestata e distrutta dai tedeschi in un modo ridotto a vivere con famiglia e con un vecchio politico in un altro rifugio, come il mendicante che chiede la pietà del peccatore, hanno successo la forza di sopportare la nostra lontananza dal mio più disprezzato dei figliuoli "Umberto".

TO : MUSOTTO, High Commissioner.

TO : BADOGLIO, Pietro President of the Council of Ministers.

25C

.. We are a group of grieved Sicilian families and kindly request you to listen to our entreaty. It is well known to you that 130 Sicilian civilians have been deported from Sicily to Padula by Allied Command; they are our relatives. They are men of honour, upright and laborious citizens, who have committed no crime and they and we should not be condemned to such long imprisonment. It is well known that many, many persons who filled hierarchic grades and had important fascist qualifications, have not been arrested or have long since had released. Therefore we must believe that the Allied Authorities were led into errors with respect to our relatives, so much so that they inflicted such long punishment on them.

And the error is due to calumniators who denounced them aiming only to do wrong.

It cannot be believed that they are persons who are responsible for the war, when it is well known that Sicily has endured the war and it is not possible that 130 persons among the 4 million citizens of Sicily should be deemed responsible. They are 30 of the Province of Catania, of whom 10 of the county Seat, 30 of Siracusa, 26 of Messina, 25 of Ragusa, 13 of Palermo, 6 of Enna. Calabria, Sardinia, Basilicata and Puglia had no citizens arrested; some of Campania were released after a few months, must only our families suffer this maximum misfortune?

Why do you not investigate us? they are father with large families, sick men, near the grave, honest professional men, upright laborers, almost all of them with relatives under arms, many of them under the present regime, all faithful Italians, loyal to their King; many Officers wounded and decorated during the World War.

It is not justified such continued martyrdom of our relatives and of us people of Sicily, since Sicily is so far from the war and H.E. BADOGLIO's intelligent guide is going towards its normalization!

From all sides they are talking about Reconstruction, reconciliation, in order that our Italy can provide for its regeneration and liberate itself from its enemy; our families are condemned to continue to suffer, while their men have not hesitated to adhere to the King's policy.

Sicily has the best representatives in the new Ministry; we address our request to H.E. Badoglio, to Sicilian Ministers, first of all and to H.E. the King, in order that they defend our families with the Allies. We hope the error is clarified, our dear relatives be returned to their families, so that everyone of us can think of the reconstruction of their families.

That all, by re-acquiring serenity, be able to join in the effort that is incumbent upon us the liberation of our Fatherland.

Confident we look forward.

Our names are too many. We sign ourselves,

The families of Sicily.

SUBJECT : Priore Alberto, Communal secretary of Montenero di Bisaccia  
(Campobasso) arrested by English Police and interned.

TO : A.C.C. Interior Sub-Commission.

The attached is a copy of a petition sent to H.M. the King of Italy, by which the sons of Priore Alberto, ask the release of their father, arrested on the 4th Nov. 43, by the English Police in Montenero di Bisaccia (Campobasso) and interned in a concentration camp in Grumo Appula (Bari).

I submit the case to your Commission, for any consideration you may give to the petitioners who state that their father is a victim of fabricated accusations and present a pitiful family situation.

THE MINISTER.

TO H.M. THE KING OF ITALY

We, sons of the Communal Secretary of Montenero di Bisaccia (Campobasso) Cav. Rag. Alberto Priore, beg Your Majesty to release our father who was imprisoned since the 4th Nov. 43, by the English Police, and is now in the concentration camp in Grumo Appula (Bari).

We hope your fatherly heart will take our case in consideration as our father is an innocent victim of calumny made by some wicked person of the town, who acted, not for political reasons, but for his own personal interest, that is to get rid of an honest and scrupulous employee and in order to have freedom in his goings.

Our father was a simple employee, and did not cover any position in the fascist party, to which he belonged only because obliged in order to be able to be employed in the Comune Office, and nothing else can be said against him.

He has always been loyal to his work as the Prefettura of Campobasso, for which he has been working, can relate.

Not for anything in the world he would have betrayed his conscience and his duty as a Communal Secretary and this can be proved if Your Majesty will make enquiries at the CC.RR.

The accuser, who does not deserve being called Italian, is a Fascist of those who ruined our Italy, has always made fanatic fascist propaganda, writing on books, magazines and by holding public lectures.

He always took advantage of everybody and everything, has accused our father, had him arrested by decliving the Police, just to speculate on circumstances, and occupation troops.

Alas!... we have been deprived for 4 months of our father, of his salary, without a thought of us, who are alone, and have our relations far away, and our mother sick. What will happen to us? What will happen to our father who suffers from heart disease, if this state of things should continue? How shall we remain?

Majesty, have pity upon four Italian children, sons of an innocent victim of his duty and honesty, and we employ it in the name of God.

May the Almighty, recompence You by granting you all his blessings.

COMANDO GENERALE

Noi, figli del Segretario Comunale di Montenero di Bisaccia prov. di Campobasso - Cav. Rag. Alberto Priore fu Luigi - rivolgiamo viva supplica alla Maestà Vostra affine di veder liberato nostro padre trattenuto fin dal 4 novembre 1943 dalla Polizia Inglese ed ora relegato in un Campo di concentramento nei pressi di Bari - Grumo Appula (Bari).

Al cuore paterno di Vostra Maestà noi ci appelliamo fidenti perchè il nostro genitore è una innocente vittima della calunnia di qualche montenerese perfido il quale ha agito non per fini politici, ma per i propri interessi personali e precisamente per disfarsi di un impiegato onesto e scrupoloso onde essere libero di fare e disfare a proprio arbitrio.

Nostro padre è un semplice impiegato e non rivestiva nessuna carica nel cessato partito fascista, aveva solo la tessera perchè era cosa obbligatoria per un impiegato comunale, null'altro gli si può dire.

E' stato sempre un funzionario attaccato al suo dovere e di lui può riferire la Prefettura di Campobasso da cui dipende.

Nemmeno per tutto l'oro del mondo egli avrebbe tradito la sua coscienza e la sua missione di segretario comunale e, se Vostra Maestà volesse benignarsi di far menare una inchiesta a mezzo dell'Arma dei RR. CC. ne avrebbe le prove.

Il disgraziato accusatore, indegno di appellarsi italiano, è un fascista di quelli che hanno rovinato la nostra Italia, un opportunista che ha fatto sempre della fanatica propaganda fascista su libri, riviste e con discorsi al pubblico.

Ha sempre sfruttato tutti e tutto e, pur di sfruttare le circostanze e le truppe di occupazione, ha calunniato nostro padre, ingannato la Polizia inducendolo a fermarlo.

TO: HIS MAJESTY THE KING OF ITALY

I, the undersigned, Caccavale Teodora, venture to ask your Majesty that the competent authority urgently examine and settle the papers concerning the arrest of my husband, Yammetti Antonio, 62 years old, a manufacturer, in Casalbordino. He was arrested in Casalbordino on 24th November 1943 by F.S.S. for certain political reasons and taken for an unknown destination.

He is a manufacturer in partnership with his son dott. Francesco managing a mill with a bakery at Casalbordino, never was interested in politics, on the contrary was not even a member of the dissolved Fascist Party.

His arrest was due on account of envious countryman, who disapproved of the two Yametti (who after years of hard work and sacrifices, have increased their estate; also to the welfare of the people improved their business), and acted in a conspiracy way with local and Allied Authorities, forging political subterfuges, which are only columinous to Yammetti's reputation and honour.

A prompt examination and an urgent settlement of the papers will clear up this distressing matter and will restore to his wife and his work an honest man, who always has behaved for the welfare of his family and country.

I rely on the magnanimity of your Majesty and, waiting for a prompt justice, I thank you immensely.

## A. SUA MAESTA' IL RE D'ITALIA

La sottoscritta Caccavale Teodora, fu Domenico, osa rivolgersi a V.Maestà per impetrare venga sollecitamente esaminata e definita dalle autorità competenti la pratica relativa al fermo del di lei marito, Iannetti Antonio, fu Francesco, di anni 63, industriale, in Casalbordino.

Questi fu fermato in Casalbordino il 24 novembre 1943 dalla P.S.S. per motivi cosiddetti politici e parti per ignota destinazione.

Senonchè egli che è industriale, e che unitamente al figlio dott. Francesco, gestisce un mulino con pastificio, in Casalbordino, non si è mai interessato di politica, ed anzi non era neppure iscritto al disciolto P.N.F. - Il suo fermo fu invece dovuto al malvolere di qualche paesano invidioso, che, non vedendo di buon occhio come i due Iannetti, con anni di duro lavoro e di sacrifici, abbiano accresciuto il loro patrimonio, migliorando anche per il bene della popolazione, la sua industria, ha brigato presso le autorità locali e presso le autorità alleate, inventando fatti a sfondo politico, che sono semplicemente calunniosi per la reputazione e per l'onore dello Iannetti medesimo.

Il pronto esame e la sollecita definizione della pratica, porterà certamente la luce in questa incresciosa vicenda e restituirà sicuramente alla moglie ed al lavoro un onesto cittadino che ha sempre improntato ogni sua azione al bene della famiglia e della Patria.

Questi fu fermato in Casalbordino il 24 novembre 1943 dalla P.S. per motivi cosiddetti politici e parti per ignota destinazione.

Senonchè egli che è industriale, e che unitamente al figlio dott. Francesco, gestisce un mulino con pastificio, in Casalbordino, non si è mai interessato di politica, ed anzi non era neppure iscritto al disciolto P.N.F. - Il suo fermo fu invece dovuto al malvolere di qualche paesano invidioso, che, non vedendo di buon occhio come i due Iannetti, con anni di duro lavoro e di sacrifici, abbiano accresciuto il loro patrimonio, migliorando anche per il bene della popolazione, la sua industria, ha brigato presso le autorità locali e presso le autorità alleate, inventando fatti a sfondo politico, che sono semplicemente calunniosi per la reputazione e per l'onore dello Iannetti medesimo.

Il pronto esame e la sollecita definizione della pratica, porterà certamente la luce in questa incresciosa vicenda e restituirà sicuramente alla moglie ed al lavoro un onesto cittadino che ha sempre improntato ogni sua azione al bene della famiglia e della Patria.

La sottoscritta PAOLUCCI Dora, residente in Casalbordino (Chieti), osa rivolgersi a V.Maestà, per chiedere venga sollecitamente esaminata e definita la pratica relativa al fermo del di lei marito, dott.Iannetti Francesco di Antonio e di Caccavale Teodora nato a Casoli il 30-9-1901, industriale, residente a Casalbordino.

Questi fu fermato in Casalbordino il 24 novembre 1943 dalla F.S.S. per motivi cosiddetti politici e parti per ignota destinazione.

No. 010395/441

SUBJECT : Dott. Lanza Giuseppe and Lanza Eugenio.

TO : ALLIED CONTROL COMMISSION - Public Safety Sub-Commission.

The mother and wives of Doctors, Lanza Giuseppe and Eugenio, of Casalbordino (Chieti) have petitioned H.M., the King, two copies of which are attached, praying for the release of the a/m persons, arrested on 12 Nov. 1943 by English Police and confined in a place which is still unknown to the families.

We are forwarding the papers to your Sub-Commission for consideration so that necessary action can be taken for the two brothers, who, as it is stated, are war veterans of 1915-18 war, one decorated and ex-prisoner of war and the other an invalid.

THE MINISTER.

TRANSLATION

We are appealing to Your Majesty after 4 months of silence in regard to the whereabouts of our husbands; after many efforts and investigations of every sort, after knocking at every possible door.

On the 12th of November, the doctors Joseph and Eugene Ianza from Casalbordino were arrested by Allied Authorities.

The reason for the arrest was based upon their past political life and against whom not one word was said by the people of Casalbordino.

Neither of the two have ever taken any advantage of their position which would justify the unjust treatment taken against them.

The lives of our husbands have been devoted to the welfare and assistance of the people without discrimination.

The anti-fascists of the town always had a high degree of regard for them, especially in their political and professional fields.

Soon after their arrest we ~~were~~ told that our husbands would be taken to Bari for trial. We hurried to Bari but we were told that they had been sent to a neighboring concentration Camp. Our investigations and petition were useless.

Officers and lawyers tried in vain to get some information regarding their whereabouts. Even Allied Officers tried to help us but until the present we have not received any news.

We are appealing to Your Majesty so that through Your intervention, these unfortunate children can once again enjoy the presence of their fathers.

Many thanks and infinite devotions.

Dora Ianza - Lina Ianza.

I, undersigned, Sacchetta Mariannina, widowed Ianza stated as follows.

I am 76 years of age and mother of the Doctors Giuseppe and Eugenio Ianza, the former a physician and surgeon and the latter a pharmacist, practicing in a town holding 7000 people, where they were highly respected. On 12 November 1943 that is, five days after the arrival of the English in this ~~part~~ part of the country, they were arrested and ~~immediately~~ <sup>falsely</sup> charged for their past political activities.

Both of my sons have left their wives and children in my care; both of whom are innocent.

Joseph was born in 1897 and Eugene 1899, they ~~was~~ <sup>were</sup> officers in the last war; one decorated for valor and prisoner of war for 14 months by Germans while the other is an invalid. These boys never played any active part in the last regime. One held a position during the last few years as Inspector of zone but all his activities were neither in favor of the party nor detrimental to the people. the position itself was an honorary one but very fastidious.

Even though their political and professional ~~life~~ <sup>life</sup> of my sons is beyond reproach, they have dared to incriminate them and to act against them and the English Police have inconsiderately accepted the game of these turbulent individuals in the hope of fighting in the dark and grasping some satisfaction - if satisfaction may be defined as "the doing of harm". They sat as judges, like ultra-fascists sentencing people of unquestionable character, and brought about the forced exile of my two sons and rekindling old time feuds for professional rivalry.

While my two sons were in prison and before departing for an unknown destination, a high nervous tension was felt among the people, who having seen that there were being treacherously deprived of two highly esteemed professional men naturally showed signs of resentment which was at a point of materializing into a sudden demonstration but this display of sympathy was held up by my daughters-in-law, who limited their activities to having a petition signed, as a proof of the harmless conduct of their respective husbands and treacherous action of the accusers.

They rounded up 200 signatures - persons who never belonged to the Party - which they delivered to English Authorities but bore no fruit.

Nevertheless we have heard no news from my sons since last November.

A responsibility has been placed unjustly on their shoulders.

Isn't it about time for the day of judgment?

Must I forever close my eyes without seeing my sons?

Doesn't innocence, as always, triumph over the wickedness of the accusers like light over darkness?

With the heart of a mother about to end her day, overcome by an undeserved pain without limits I am appealing to your Majesty with devoted and unlimited confidence in your goodness and enlightened intelligence, to consider this unfortunate case of my two sons and reexamine the facts and past political history for the triumph of justice, for the immediate return of my two to freedom for which we are now fighting for which they fought in the last war and for which they are ready to fight; for their return to their respective families who join with me in wishing that ~~the~~ <sup>the</sup> Name of you Home perpetuates and shines in the future for the happiness of our destiny which is as bright as the sun.

CASALBORINO (Chieti), 6 March 1944.

We are inclosing for your information, a copy of a petition forwarded by Bonaiuto Assunta aiming at the release of her husband confined at the prisons of Salerno by order of the Allied Police.

We are copying a letter sent to us by the R. Prefettura of Salerno providing for informations about said case:

"Bonaiuto Assunta, the wife of the inmate Prevete Alberto, is 38 years old. She was born in Sarno where she has her domicile. She is a housewife with good moral and civil character. She is suffering from epilepsy and lives miserably on account of her poor financial condition.

She has seven children: the eldest - a girl - is 17 and the youngest is two years and a half. A 14 years old boy who wherever applies for a job is refused on the ground of his father's past political history.

The lack of the head of the family has caused a serious financial trouble and the children are abandoned because their mother cannot take care of them as she is ill.

Prevete Alberto, her husband, was arrested at Sarno because he was "Squadrista" and bore very favourable feelings to the past regime. At present he is held by order of F.S.S.

IL MINISTRO

TO H.E. the Minister of the Interior - Salerno. 11C

On 4/10/43, the P.S. Commissario of Sarno arrested my husband Prevete Alberto, a N.C.O. of the local Municipal Guards Corp who was taken to the prison of Nocera Inferiore and then to the prison of Salerno where he is presently confined.

I don't know why my husband was arrested and is being held all this long time, but as I am sure that ~~the cause of his imprisonment~~ he committed no offence I suppose that the cause of his imprisonment is to found in the deep hatreds, which on the ground of political matters, divide the people of Sarno.

As a matter of fact I have 7 children and no one to support them. I am suffering from epilepsy and cannot get on any longer. In the meanwhile, my husband languished in prison in miserable conditions, suffering, as he is, from chronic rheumatism, cystitis and a serious organic decay, a medical inspection could ascertain. I appeal for the reasons stated and for my 7 hungry children's sake that my husband should be released.

This would be an act of humanity and justice.

Sarno 15/3/44. 11D 11E

Here enclosed are a family certificate and a medical certificate.

The Family certificate states that Bonaiuto Assunta has seven children.

The medical certificate states that she is suffering from epilepsy.

La sottoscritta Buonaiuto Assunta, maritata PREVITE, domiciliata in Sarno a via Fiume 3, si permette esporre a V.E. quanto segue:

Il 4/10/1943 il Commissario di P.S. di Sarno trasse in arresto il marito della esponente PREVITE ALBERTO FU LORENZO, d'anni 45, Brigadiere delle Guardie Municipali del Comune, traducendolo nel Carcere di Nocera Inferiore, e poi in quello di Salerno DOVE FATTORA TROVASI DEPRUTTO. La esponente non conosce il motivo dell'arresto e della detenzione prolungata di suo marito; ma poichè sa che egli non ha commesso alcun reato, ha ragionevole motivo di ritenere che egli sia stato travolto e trascinato in Carcere dagli odi profondi che per ragioni politiche separano di anima dei sarnesi!

Certo è che la esponente con ben SETTE FIGLI, SENZA STIPENDIO? AFFETTA DA EPILESSIA NON PUO' PIU' ASSOLUTAMENTE TIRARE IN-  
MANZI NELLA VITA! Mentre trepida per la sorte di suo marito, che  
AFFETTO DA REUMATISMO ARTICOLARE CRONICO SUB FEBBRILE, COLICISTITA,  
GRAVE DEFECTIO ORGANO Lungue miseramente nel Carcere di Salerno,  
in preda a sofferenze senza nome! Come V.E. potrà accertarsi,  
ordinando una visita medica, dopo che il medico curante s'è  
rifiutato = per o vie ragioni = di rilasciare certificato medico!

Per tutti questi motivi, la esponente invoca per se e per i  
suoi 7 AFFAMATI FIGLIOLINI DEI QUALI 5 IN DE. GRIVISSIMA ETA' = la  
liberazione di suo marito, assolutamente innocente!

Confida nell'energico intervento di V.E. per un atto di vera  
grande umana Giustizia!

COPY OF RECOMMENDATION BY LT. ELLIS (ACC SECURITY BRANCH)

This case was reviewed and reinterviewed by Lt. GEACH and myself on 14/4/44.

He joined the Fascist Party in 1921, a Squadrista who took part in March on Rome, and who has held the most important Fascist posts at TERNI since 1927. He has been a member of the Federal Council since 1938 and Commandante of C.I.L. The holder of all the Fascist decorations.

PETTI is a dominating and vicious person who would, if opportunity presented itself resort to any kind of terrorist methods to regain his hold over the population of his district.

Although he denies it there is little doubt he regrets the fall of Fascism, both from an influential and financial point of view.

It is therefore the considered opinion of Lt. GEACH and myself that it would be unsafe at the present time to release him from internment.

Signed A.B. ELLIS Lt.

To the Allied Control-Commission,  
Interior Sub-Commission,  
Lt. Col. R. G. B. SPICER,Salerno. **SA**

Heraby I beg to examine into the position of the Dr. Enrico (Henry) RUSSI who is confined in the Camp of Padula.

Mr. Enrico Rossi, born in 1916, Second Lieutenant of the Infantry (Reserve), is originating in Marsicanuovo, Provinces of Potenza, and I know well his family and his position.

During the campaign in Africa he was taken with a fit of nerves and in consequence of this sickness he was demobilized.

He was employed in the GIL (Gioventù Italiana del Littorio) (Fascistic Youth Association) of Campobasso and there he was arrested and was sent in various Concentration-Camps.

The family has asked me frequently to make inquiries about their son of whom they have not got any notice since the month of September 1943. Now they have been informed that he stays at Padula and therefore it would be very appreciated if you would carefully examine into his position.

vorrei pregare che venga esaminata la posizione del Dott. Enrico ROSSI, che trovasi nel campo di Padula.

Il Sig. Enrico ROSSI, classe 1915, sottotenente di fanteria di complemento, è di Mursicanova, provincia di Potenza, ed io conosco bene la sua famiglia e la sua posizione.

Durante la campagna d'Africa fu colpito da choc nervoso e smobilitato. Fu impiegato nella GIL di Campobasso, e lì fu arrestato ed inviato in diversi campi di concentramento.

La famiglia mi ha pregato tante volte di fare ricerche del figlio di cui era senza notizia da Settembre. Ora ha saputo che è a Padula e pertanto sarei molto grato se la sua situazione potrà essere attentamente *studiata*.

SUBJECT : Priore Alberto, Communal secretary of Montenero di Bisaccia  
(Campobasso) arrested by English Police and interned.

TO : A.C.C. Interior Sub-Commission.

The attached is a copy of a petition sent to H.M. the King of Italy, by which the sons of Priore Alberto, ask the release of their father, arrested on the 4th Nov. 43, by the English Police in Montenero di Bisaccia (Campobasso) and interned in a concentration camp in Grumo Appula (Bari).

I submit the case to your Commission, for any consideration you may give to the petitioners who state that their father is a victim of fabricated accusations and present a pitiful family situation.

THE MINISTER.

\*\*\*\*\*

TO H.M. THE KING OF ITALY

We, sons of the Communal Secretary of Montenero di Bisaccia (Campobasso) Cav. Rag. Alberto Priore, beg Your Majesty to release our father who was imprisoned since the 4th Nov. 43, by the English Police, and is now in the concentration camp in Grumo Appula (Bari).

We hope your fatherly heart will take our case in consideration as our father is an innocent victim of calumny made by some wicked person of the town, who acted, not for political reasons, but for his own personal interest, that is to get rid of an honest and scrupulous employee and in order to have freedom in his doings.

Our father was a simple employee, and did not cover any position in the fascist party, to which he belonged only because obliged in order to be able to be employed in the Commune Office, and nothing else can be said against him.

He has always been loyal to his work as the Prefettura of Campobasso, for which he has been working, can relate.

Not for anything in the world he would have betrayed his conscience and his duty as a Communal Secretary and this can be proved if Your Majesty will make enquiries at the CC.RR.

The accuser, who does not deserve being called Italian, is a Fascist of those who ruined our Italy, has always made fanatic fascist propaganda, writing on books, magazines and by holding public lectures.

He always took advantage of everybody and everything, has accused our father, had him arrested by depriving the Police, just to speculate on circumstances,

We, sons of the Communal Secretary of Montenero di Bisaccia (Campobasso) Cav. Rag. Alberto Priore, beg Your Majesty to release our father who was imprisoned since the 4th Nov. 43, by the English Police, and is now in the concentration camp in Grumo Appula (Bari).

Alas!... we have been deprived for 4 months of our father, of his salary, without a thought of us, who are alone, and have our relations far away, and our mother sick. What will happen to us? What will happen to our father who suffers from heart disease, if this state of things should continue? How shall we remain?

Majesty, have pity upon four Italian children, sons of an innocent victim

of his duty and honesty, and we explore it in the name of God.

May the Almighty, recompense you by granting you all his blessings.

signed:

Dante, Ottavio, Paolo, Licia Priore.

SUBJECT: Petitions for Release (Region III)

TO : Vice President, Economic Administrative Section.

1. Attached is a memorandum with two petitions for release of civilian internees, forwarded to this Sub-Commission by HQ, Region III.

2. This seems to be a case for policy decision, since Region III does not seem to have set up a Regional Review Board, as specified in GO No. 10, HQ AMG. I spoke to Major Knight on the telephone and explained to him that this Sub-Commission deals only with requests for release of POWs from Regions I and II. It appears that Region III has no policy or machinery for dealing with similar cases, so I told him I would send the documents to the DCCAO for information.

3. With reference to paragraph 2 of Region III memorandum, could a clarification of interior position in the matter of these requests be made in the Daily Bulletin? We are constantly receiving requests for action concerning POWs or internees quite outside our limited sphere of activities. It should be made clear that we can handle only POW cases in Region I and II.

TO : AMG HQ Interior Sub-Commission.

1. Attached are two petitions for release of Internees.

2. In accordance with instructions of Paragraph 2 of the Bulletin of 16 January 1944 of Headquarters, AMG, Region 3, we are forwarding these requests to you for your consideration.

3. It is also thought advisable to mention that unofficially it has been brought to our attention that there are a number of other Internees from the district of Santa Maria, Capua Vetere, whose cases appear to merit review. We have been told unofficially by a source which has been very reliable in the past that Santa Maria, Capua Vetere, is a district which has in the past been very troublesome for the Italian authorities, and that the evidence for interning some of the residents from that district by Allied authorities has been based on the testimony of informers of questionable repute.

My husband never exploited his enrollment in the Party. He lived always on his work and as he has no other means his family is in a very bad financial condition. Moreover he suffers from a stomach sickness and wants medical treatments.
