Decip. by J. R. Lee

Arrested in Sicily, Ustica, Pantellaria, and Lampedusa. In most cases reason given for arrest does not constitute justification for continued detention. Following procedure therefore proposed.

Those arrested in Sicily and Island of Ustica. Move to Sicily to camps under control distone for early review of cases by local review board.

Those arrested in pantellaria and Lampedusa. Procedure as in para two considered impracticable. Therefore propose nominal roll and available details be sent SCAO Pantellaria for investigation and comment. Review Board to be set up in North Africa who would decide for release or continued detention on available evidence and fresh details provided by SCAO. Those released to be sent to islands. Those detained to remain North Africa.

Please state concurrence or comments proposal as in para three one and indicate whether SCAO or other AMI officer could be made available from Pantellaria to attend review board in North Africa if required.
