FRENCH COMMITTEE OF
NATIONAL LIBERATION
REPUBLIC OF FRANCE
Consulting Delegation for Italian Affairs

26 May 1944.

From: Gen. X. de SEVIN, French Member of ACC.

TO : Col. Kirk, C.P.S.

In reference to the list of French refugees from Corsica, interned in concentration camps in Italy, and which was sent to you, I have the honor to confirm to you in behalf of the Commandant of Panafieu, that these Frenchmen belonged to resistance movements and had been deported for activities favorable to the Allied cause.

It gives me great pleasure to inform you that almost all of these Frenchmen who were interned in liberated Italy have been set free, and I beg your assistance in behalf of those Frenchmen who will be delivered (from the enemy) by the advance of the Allied Forces.

En me référant à la liste des ressortissants français originaires de Corse, actuellement internés dans des camps de concentration en Italie, qui vous a été remise, il y a quelque temps déjà par le Commandant de Panafieu, j'ai l'honneur de vous confirmer que ces français appartenaient aux mouvements de résistance et ont été déportés pour activités favorables à la cause des Alliés.

Je vous serais donc reconnaissant de vouloir bien vous assurer que ceux de ces français qui étaient internés dans des camps situés en Italie libérée ont bien tous été mis en liberté, et prêter votre assistance à ceux de nos compatriotes qui viendraient à être délivrés par l'avance des forces alliées./.
