SUBJECT : Lancia Aprilia Car No. Roma 44597

TO : Director Public Safety Sub-Commission A.C.
(Attention Lt.Col. Eye)

1. This office is investigating a claim for the above car which was irregularly requisitioned by Maj. P.H. Barre C.A.C. Capaccio (Salerno) on 9th Nov. 1943, and holds the AMG receipt given to owner.

2. It is understood from the claimant that the car was not returned to him by AMG but that on the departure of Maj. Barre it was left by him in the custody of his interpreter S/Ten. Greco Ignasio (Ital. Army) whose address is c/o Trasporti Velocissimi, Salerno.

From him it passed to a Ten. Bianchi and then according to Salvana Biagio of Albanella (Salerno), who was Maj. Barre's driver it was taken away and hidden.

It is alleged by the owner that both S/Ten. Greco and the driver know the exact spot where the car is to be found, namely in a gipsy encampment behind a small haberdashery shop on the road between Albanella and Roccadaspoli, and furthermore are quite willing to give all possible help and information in returning the car.

As a claim for its loss is now being made against AMG/AC can you please arrange for an investigation of the matter and if possible the seizure of the vehicle in order that it may be returned to its owner.

In the event of its apprehension can it be held for a day or two by the local police. On receipt of such information I will make immediate arrangements for it to be collected. Better still could the police deliver it to the nearest Ministry of Transport (Italian) Collecting Centre (Compartimento della Motorizzazione Civile) which is in Naples.

The particulars of the car are as follows:

Make	: Lancia Aprilia
Date of manufacture	: 1936
Engine No.	: 88 No. 7760
Chassis	: 317944
Reg. No.	: Roma 44597

1. Questo ufficio sta facendo indagini per la macchina di cui sopra che fu irregolarmente requisita dal Mag. P.M. Barre C.A.O. Capaccio (Salerno) il 9 Novembre del 1943; il reclamo reca ricevuta rilasciata al proprietario dall'AMG.

2. La macchina non venne dall'AMG restituita al proprietario, ma alla partenza del Mag. Barre, fu da lui lasciata in consegna al suo interprete S/Ten. Greco Ignazio (Esercito Italiano) il cui indirizzo e' presso Trasporti Velocissimi, Salerno.

Da lui la macchina passo' ad un certo Ten. Bianchi e poi secondo Salvana Biagio di Albanella (Salerno), che fu l'autista del Mag. Barre, venne portata via e nascosta.

Il proprietario sostiene che sia il Sottotenente Greco che l'autista sanno la localita' esatta dove puo' esser trovata, apparentemente dietro una piccola mercheria in un accampamento di zingari lungo la strada tra Albanella e Roccadespoli, ed anche che essi son pronti a fornire ogni possibile aiuto ed informazione per riprendere la macchina.

Poiche' e' ora stato sporto un reclamo contro l'AMG per tale perdita, Vi preghiamo di fare indagini sul caso in questione e se possibile di procedere al sequestro del veicolo perche' possa esser restituito al proprietario.

In attesa di tale misura puo' rimanere per un giorno o due presso la locale sede della questura. Non appena avro' una V. risposta daro' immediate disposizioni perche' la macchina venga recuperata. Meglio ancora, la questura potra' consegnarla al piu' vicino centro di raccolta del Ministero dei Trasporti Italiano (Compartimento della Motorizzazione Civile) che si trova a Napoli.

I particolari della macchina sono i seguenti:

Marca	: Lancia Aprilia
Data di fabbricazione	: 1936
Numero Motore	: 88 No. 7760
Chassis	: 317944
No. Registrazione	: Roma 44597

OGGETTO Autovettura FIAT 508/C - targa ROMA 69350 (telaio n. 237459 - motore n. 334589) di proprietà del barone LAZZARONI Edgardo.-

---

In data 8/6/1944 questo Comando Generale provvide a requisire l'autovettura in oggetto, che assegnò per le proprie esigenze di servizio, al Battaglione Speciale "R."

Dopo qualche giorno che detta autovettura prestava servizio, nei pressi della località "Acqua Bulicante" venne rubata all'autiere da tre individui armati.

In seguito l'autovettura in questione, probabimente con a bordo gli stessi rapinatori, venne fermata dalla Polizia Militare Alleata, concentrata al centro requisizione autoveicoli, presso la caserma "Macao" e, quindi, posta a disposizione del Tenente DAVENPORT della M.P.-
