R. QUESTURA DI NAPOLI

Letter File No 10550

Naples, 1 March 1944

SUBJECT: Transfer of the P.S. Commissario, Dr Della Peruta Gerardo
TO : AMG. EQ. Region 3, Public Safety Office

In answer to your letter dated 28 February 1944:

1. The ministerial order dated 10 January 1944 concerning the transfer of the Commissario Della Peruta Gerardo to the Ministry did not arrive to this office.

On February 22, 1944 I went to the Ministry of the Interior in Salerno. I was urged to send the said Functionary, with a copy of the letter you gave me which I return, and I immediately complied with the disposition.

I have no knowledge the the order was given with approval of the Allied Military Government. I add that with letter dated 25 February the Ministry communicated that Della Peruta is to be considered in continual mission in Salerno.

The Ministry, with letter dated 22 February 1944 No 2091 P.S. 14. gave to the same orders, concerning the Vice-Commissario Aggiunto, Palma Gennaro, who have been sent on a long mission by the Questura of Salerno. Even for these, it is not sure, if the orders were given, with or without the AMG's approval.

2. In the case of Dr. Della Peruta the Questura has nothing to say.
