FILE NO.: RI/PS/34

1. The Corps of Public Safety Agents, Rieti Province, was disbanded on or about 14 June 1944 by Major Shepherd, P.P.S.O., and 25 members of a Partisan group were employed by him on Police duties under the immediate administration and supervision of a Colonel Zamboni. This group operated until 20 July 1944 when they were disbanded.-

2. In the interim Dr. Santelli, the ex Vice Commissario of Questura, who voluntarily returned to Rieti on 13 June 1944 when German occupation ceased, formed the nucleus of a Corps of Public Safety Agents from screened personnel under the direction of Major Shepherd. This new Corps took over from the Partisan group and is now 43 strong under the direction of Dr. Santelli, Commissioner.-

3. The appointment of a Questore is a matter of urgency, regarding which representation has been made from time to time.-

4. Prior to the occupation of Rieti by the Allies, the Questura was under the direction of Questore Pannaria, a man directly appointed by Mussolini, who caused the duties of the Questura to be exceeded in many ways - notably in activities against Partisans. These activities terminated in a raid against Partisans at Poggio Bustone, Rieti Province, when Pannaria and eight of his agents were killed.-

5. The Corps was thereafter very unpopular and was looked upon with grave suspicion and distrust by the population. Previous history necessitated disbandment on Allied occupation.

To : A.C.C. Public Safety Sub-Commission - Rome.

Ref. a/m letter we are proposing for the appointment as reggente of Rieti Questura, the Vice Questore SCOLA Ermenegildo of late Vincenzo. Said official has been discharged by Allied Authorities on 24/6/44, but later on, Major Battersbey informed through Rome Questore, that the discharge was not caused for any reason, but only for the surplus of Vice Questori in the Capital and that he could be restored to duty in another Seat.

A short biography is attached. His Scheda personale has been already presented to competent Allied Authority at Rome Questura.

We would appreciate to be informed of the measures you shall adopt on said matter.
