Dear Major Reveley,

Here are some details of the matter about which I spoke to you yesterday.

Signorina MARINO FRANCA (Address: Principe Amedeo, 64, Bari) has been employed by my Unit since 18 Oct. 43 and has worked consistently well.

She desires to marry Dott. VALENTE ENRICO, V. Commissario Questura, a solicitor and son of a solicitor, Dot VALENTE LUIGI Of Casarano, near Lecce.

The fiance was posted from Lecce to Viterbo on 17 November 44. They wish to marry as soon as possible, and it will be necessary for the bride to continue in employment, preferably with this Unit. It is realised that this is a purely personal matter, but this woman has worked well and we should like to retain her services and to see her happily married. We understand that the prospects of work at Viterbo are not good and that the cost of living there is higher than in Bari. It would be greatly appreciated if you could use your influence to obtain if possible ~~another~~ posting for the fiancé from Viterbo to Bari or some neighbouring town.

Yours sincerely,

SUBJECT : Questura of Viterbo.

TO : A.C.C., P.S. Sub-Commission - Rome.

Answer to letter dated 10/9/44 - A.C.C. 14041/PS

Referring to above letter, it is communicated that by letter M.9018.II dated 9th August 44, the appointment as questore of Viterbo of the General P.S. Inspector Papandrea Comm. Dr. Luigi, was suggested to this Commission.

By letter dated 2nd Sept. 44. n. 14041/30/PS, this commission asked to know if there were any reasons against the appointment of the P.S. Commissario Dr. Carmelo Marzano as Vice-Questore of Viterbo. To said request, an answer was given dated 5th Sept. 44. n.333/67I, in which a favourable answer was fully expressed.

Successively, with letter ACC/14041/8/PS dated 9/9/44, this commission has given its assent on the transfer of Papandrea Luigi to Viterbo as questore and consequently, this Ministry invited, on the 12th inst. the said official to present himself at the offices of the P.S. Sub-Commission for the necessary instructions.

Taking the above for granted, we are awaiting information on the matter, pointing out that both Papandrea and Marzano are trustworthy persons to solve said charges.

1. Attached herewith please find the application for transfer to another Province of the Questore, Viterbo, Signor MAGALDI Amadeo, as discussed in the Public Safety Conference of the 9th August, 1944.
2. The Questore has acted as such in this Province since 1939, which includes the period during which the area was under German Military occupation.
3. In spite of this fact it is admitted that he has always acted in a purely Police capacity, and enjoys an excellent reputation, and the local Communist Party and Partisan Bands speak well of his integrity, and lack of collaboration with German administration.
4. Since my arrival in the area on the first day of the occupation, the co-operation and Service of the Questore has been invaluable, and his administration is a model of efficiency.
5. A copy of his Application to transfer is already in the hands of the Ministero dell Interno, who has promised him a speedy transfer.
6. I respectfully suggest that a copy of this report, the application, and such endorsement as you may think necessary be passed to the Ministry, following the direction of the Regional Commissioner, and that an important area, as befits his qualities, be allocated to him.

Nei giorni 6 e 7 giugno - prima dell'arrivo in Viterbo delle truppe alleate - la popolazione, approfittando del disordine

che si era creato in città in cui non eravi più forza pubblica, quasi attuando un piano preordinato, prese il sopravvento ed invase e devastò quasi tutti gli uffici pubblici e numerosi abitazioni private Prefettura, Questura, Caserma ecc.-

Della Questura furono esportate tutte le armi, vennero devastati gli uffici, nonché l'abitazione del sottoscritto che fu spogliata letteralmente, arrecandogli un danno incalcolabile in quanto, fra l'altro, furono asportate circa venti casse contenenti biancheria, materassi, effetti di vestiario suoi e dei familiari, servizio da tavola, nonché i corredi completi della moglie e della figliuola del sottoscritto.-

della questura furono esportate tutte le armi, vennero devastati gli uffici, nonché l'abitazione del sottoscritto che fu spogliato letteralmente, arrecandogli un danno incalcolabile in quanto, fra l'altro, furono esportate circa venti casse contenenti biancheria, materassi, effetti di vestiario suoi e dei familiari, servizi da tavola, nonché i corredi completi della moglie e della figliuola del sottoscritto.

Questi, pertanto, dalla furia devastatrice e vandolica dei peggiori elementi della popolazione di Viterbo, è stato ridotto quasi alla miseria, essendo andato diestratto quanto a costo di privazioni, di rinunce e di sacrifici era riuscito ad acquistare dopo 38 anni di onesto e duro lavoro.

Inoltre il sottoscritto alla ore 9 del 10 detto veniva fermato davanti al Palazzo del Governo da elementi irresponsabilissimi, uno dei quali era stato arrestato per suo ordine per grave infrazione annonaria per la quale aveva riportata condanna. Costoro, dopo di averlo offeso e maltrattato, lo accompagnavano sotto il tiro di fucili mitragliatori, alle Carceri Giudiziarie.

Il Comitato di Liberazione Nazionale, però, composto di rappresentanti di tutti i partiti riuniva d'urgenza e ne disponeva la scarcerazione che venne effettuata alle ore 10 dello stesso giorno.

Tale provvedimento fu attuato d'intesa e con l'assenso del Capo del Movimento, Colonnello Niccola Tabell, che aveva assunto la carica di Prefetto, e ciò per essersi accertato che nessun addebito di indole politica poteva farsi al sottoscritto.

L'affronto subito ed il dolore e la mortificazione provata anche per la violenta espulsione di ogni suo avere lo hanno duramente colpito.

Sempre legato al suo dovere, però, egli è rimasto al suo posto di responsabilità ed ha collaborato e collabora fedelmente col Comando di Polizia Alleato che ne può dare conferma e che si è dimostrato soddisfatto dell'azione che spiega.

Notivi, però, di dignità personale e di sensibilità impongono al sottoscritto di lasciare questa sede, e ciò anche per ragioni effettive, in quanto non si sente di restare ancora in un ambiente in cui ha subito un così grave affronto e danni tanti e tanti che da uno stato di relativa agiatazza è ora ridotto quasi alla miseria.

Se diverso fossero state le sue condizioni economiche, il sottoscritto avrebbe sottoposto al Ministero la preghiera di collocarlo a riposo o a disposizione. - Poiché, però, egli si trova ora, come ha detto, in istato di quasi indigenza è costretto a pregare il Ministero di mantenerlo in servizio, anche perché il suo figliuolo Renato - Capitano di Artiglieria in S.P.A. appesente al XXV Corpo d'Armiata, combattente volontario in Russia, che aiutava la famiglia, dal Dicembre 1942 non ha dato più notizie di sé e si ignora la di lui sorte.

Per quanto esposto, il sottoscritto prega il Ministero di trasferirlo in altra sede assegnandogli altro incarico, possibilmente con funzioni ispettive.

Ref. a/m letter, we inform you, that Commissario of P.S., dr. Marzano Carmelo, entered the P.S. administration in 1936, he was attached to the motor-cycle unit and to Ministry of Interior, displaying fine qualities as an official. In 1939 appointed director of the auto-center of Ministry of Interior and with untiring deeds succeeded in a short time to reorganize it, rendering it one of the most efficient and best equipped units.

As a result of being first on the list in a distinguished service competition for the selection of Commissario of P.S., he was promoted to said rank in 1942.

During the period of Nazi-Fascist domination, after having saved the funds, arms and automobile materials, he remained hidden, because he was sought by Nazi-Fascists for having participated in the incident of 25 July 1943 and because he did not cooperate with Republican Government.

The official in question is a very good functionary, who can be trusted, and the Ministry feels that he can assume the important position as Vice Questore of Viterbo, for which he has been proposed by your Sub-Commission.

In concluding the work of the Commission for epuration, I believe it is my duty to point out the stirring deeds and intelligence displayed by Dr. Carmelo Marzano, Commissario of P.S.

Within a short time and with scarce means at his disposal he has succeeded to gather with exactness much data in regard to entitles, agencies and persons, which has made it possible to start many hundreds of proceedings within a few days.

Dr. Marzano, in accomplishing the duties entrusted to him, has demonstrated a sense of responsibility, exceptional interest, thereby confirming the fame which he enjoys in the Capital.
