Answer letter N.ACC/14041/35/PS, dated 18 inst. T6A

N. 333.

Subject : Arezzo Questura.

To : A.C.C. Public Safety Sub-Commission - Rome.

With reference to a/m letter, we communicate that the Prefect of Pisa has verbally suggested the removal from that seat of the P.S. Commissario aggiunto Bertini Gioacchino, who besides is considered an element, who could better perform his duties elsewhere.

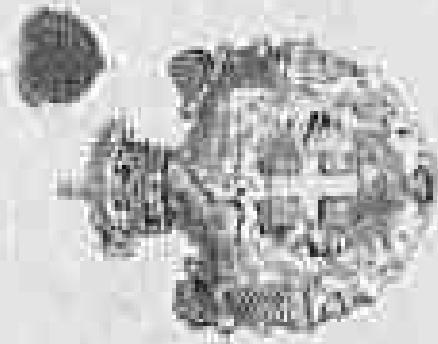

Therefore, the Ministry, both in interest of the service and of said official, who certainly cannot calmly perform his duties in a place, where he is not well accepted, has taken the decision to assign him to another seat.

Therefore, we beg that Commission to kindly examine the suggestion re the appointment of Bertini to the Arezzo Questura and to let us know, with courteous solicitude, the decisions taken on said matter.

We add, that in accordance with the second half of the letter, to which we are answering, we suggest that in the place of vice commissario aggiunto Iacovino, the vice commissario Giannitelli Antonio be assigned on mission to Arezzo from Foggia.

With reference to your letter 33/9106 dated 16 Oct.

There seems to be no advantage in removing a Commiss-
ario from Pisa (AMG territory) unless you have definite informa-
tion that his services there are redundant.

With reference to V/Comm. AGZ. IACOVINO, now at Nuoro
according to the report of your Inspector recently returned from

Owing to the urgency of the matter, will you please

THE MINISTRY OF THE INTERIOR

No 333/23

Subject: Questore for Arezzo.

To A.C.C. P.S. Sub-Commission

With reference to our previous correspondence, we notify that the High Commissariato for Epuration of the Administration, has stated that it is now proceeding against the vice-questore Dr La Rosa Michele.

This Ministry, though having in hand a very favorable report on the above-named, drawn up by the Rome Questura, considers inadvisable, at present, to charge him with the Directorship of this Questura.

So, in his stead, we beg to appoint, for the "reggenza" of the Arezzo Questura, the Chief Commissario of P.S. Agnelli Rocco, at present working for the Rome Questura.

We herewith join a brief account on the above named, and we notify that his personal schedule had been sent to the competent Allied Authorities at the Rome Questura.

We should like to know the decisions which will be taken.

The Chief of the Police.

RECIA QUESTURA OF ROME

No 019843-B.I.C.

Subject: Cav Rocco Agueci, Chief P.S. Commissario

The Chief Commissario of P.S., Dr Rocco AGUECI, since appointed to this RECIA QUESTURA, has directed the Aliens Office in a very satisfactory way.

Previously he directed, during 6 years, the political Office of the Florence Questura.

Here he never occasioned any fascist manifestations, and after 25th July 1943 he maintained an indifferent political attitude, while after 8th September 1943 he showed himself moderately hostile to the "fascifascists" submitting only for fear of reprisals to the orders of the fascist Questore Caruso.

He is a good functionary who gives all his energy to his work, and deserves the utmost consideration.

The Questore.
