As it is well known to the A.M.G. this Questura is completely disorganized and such deplorable situation has become worse with the suspension of Doct. Ruggiere as it deprives this Questura of a very efficient man.

The number of officials is very scarce and inadequate to the needs of our service. I have asked the ministry of Interiors + Direzione Generale Pubblica Sicurezza , to transfer to Cremona the Public Security Commissario Aggiunto Doct. Montalto , at present assigned to Caltanissetta.

I beg the A.M.G. to inform the a/m. Ministry that there is nothing on the contrary from you that Doct. Montalto be assigned here.

Thanking you in anticipation , I remain

Come è noto a codesto Comando, la Questura è completamente disorganizzata e tale deplorabile situazione si è ora aggravata con la sospensione del Dott. RUGGIERO che priva la Questura di un elemento molto capace.
