SUBJECT: 4th Course on Local Government by Interior Sub-Commission

TO : Col A. B. Young, Public Safety Sub-Commission

1. I refer to my letter of 22 May asking you to be good enough to deliver a lecture at this course.

2. Owing to the exigencies of the military situation it has been necessary for the course to be cancelled.

3. I need not, therefore, trouble you any further at the moment, though I hope that, if and when the course is resumed at some future time, you will be so kind as to help us again.

SUBJECT: 4th Local Government Course

TO : Col A. Young, Public Safety Sub-Commission

I now have the Executive Commissioner's approval to the preliminary arrangements for this Sub-Commission's next course. It will run from 6th to 13th June and, as on previous occasions, will be attended by officers from each Region and Army Area. May I trespass yet again on your kindness and ask you to lecture on

"Defascistization, Internees, screening"

This is a heavy demand to make on one so busy as yourself; but what makes me venture to make it is not only the importance of the subject for the work of this Sub-Commission, but my anxiety that student officers should have the benefit of a clear and authoritative exposition of it, as we have had from you on previous occasions. In the hope that you will see your way to agree, I have tentatively entered your name in my draft programme for

Thursday, 8 June at 1115 hours

I shall be most grateful for your help. May I ask you to let me have an early reply so that I can complete my arrangements?
