PUBLIC SAFETY SUB COMMISSION  
SECURITY DIVISION

REF : SD/152.03

14 November 1945

SUBJECT : Pietro MENNI

TO : Director Public Safety Sub Commission

1. The recent new anti-Fascist Decree issued by MENNI has caused a storm of indignation in political circles. It provides for the re-epuration of all government officials down to the 8th Grade and it is understood that in practice, MENNI is empowered to suspend from office any official, even such a person as the President of the Court of Appeal.
2. Reaction has followed swiftly and MENNI has himself been denounced under his own decree on the grounds that he instituted the Fascio of Bologna. The instigator of this accusation is VECCHI, a former fascist who was also concerned in the matter. Following this accusation, the President of the Tribunal has received many more, including such serious charges as being in the pay of the CVRA. VECCHI denounces MENNI not as a private person, but as the High Commissioner for Sanctions against Fascism.
3. MENNI's drastic actions to rid himself of his political opponents, for example, the arrest of the brothers SCALERA (Financial supporters of GIANNINI and the U.Q. Party) are likely to have serious repercussions which may also involve the whole Government.
4. That MENNI realises that he has placed himself in a very serious predicament is evidenced by the fact that he has taken the extraordinary step of sending CANDONA, chief reporter of "Avanti", to GIANNINI to ask for a personal interview. The place and time of this interview have not yet been settled.
5. In connection with MENNI, it is of interest that he appointed a certain avv. CARNASSA as Secretary General to the Alto Commissariato for Sanctions, and gave him "carte blanche" in the matter of arresting supposed supporters of the fascist regime. The reason for this step is that CARNASSA's wife is said, on very good authority, to be MENNI's mistress.
6. CARNASSA is a man of low intelligence and quite unscrupulous. It is reported that he was dismissed many years ago from an Anglo-Italian

VECCHI denounces MENNI not as a private person, but as the High Commissioner for Sanctions against Fascism.

The reason for this step is that CARMASSA's wife is said, on very good authority, to be MENNI's mistress.

6. CARMASSA is a man of low intelligence and quite unscrupulous. It is reported that he was dismissed many years ago from an Anglo-Italian Bank for dishonesty. He is anti-allied. He is extremely interested in the sequestration of the property of wealthy persons who have been arrested under the Sanctions decrees, largely for motives of personal gain.

UMBERTO DI SAVOIA

PRINCIPE DI PIEMONTE

LUOGOTENENTE GENERALE DEL REGNO

In virtù dell'autorità a Noi delegata;  
Visto il testo unico delle leggi sulla riscossione delle imposte dirette approvato con R. decreto 17 ottobre 1922, n. 1401, e successive modificazioni;

Visto il decreto legislativo Luogotenenziale 19 ottobre 1944, n. 351, concernente provvedimenti a favore degli esattori delle imposte per le maggiori spese di riscossione;

Visto il decreto legislativo Luogotenenziale 19 ottobre 1944, n. 325, concernente modificazioni alla costituzione delle Commissioni istituite presso le Intendenze ed il Ministero delle finanze per l'esame delle domande di rimborso a titolo di inesigibilità;

Visto il decreto legislativo Luogotenenziale 19 ottobre 1944, n. 326, concernente la liquidazione a stralci delle quote inesigibili delle imposte dirette;

Visto il decreto legislativo Luogotenenziale 1° febbraio 1945, n. 58;

Visto l'art. 4 del decreto-legge Luogotenenziale 25 giugno 1944, n. 151;

Vista la deliberazione del Consiglio dei Ministri;

Sulla proposta del Ministro per le finanze, di concerto con il Ministro per il tesoro;

Abbiamo sanzionato e promulgiamo quanto segue:

**TITOLO I.**

*Disposizioni a favore degli agenti della riscossione.*

**Art. 1.**

Gli esattori delle imposte dirette che con la misura dell'aggio spettante sulle riscossioni effettuate nell'anno 1945, non abbiano percepito, in detto anno, un aggio complessivo pari al 200 per cento, per le esattorie aventi nel 1945 un carico oltre i 5 milioni, ed al 340 per cento per quelle con carico fino a 5 milioni, rispetto all'aggio corrispondente ai carichi dell'anno 1943, hanno diritto di ottenere la differenza dallo Stato.

**Art. 2.**

Gli esattori, che con l'integrazione di cui all'art. 1 non riescano a compensare le spese di gestione, hanno facoltà di chiedere che la misura dell'integrazione prevista sia determinata in base a rendiconto, entro il limite rispettivamente del 300 e del 410 per cento.

Il Ministro per le finanze ha facoltà di consentire che eccezionalmente tale limite venga superato qualora concorrano giustificati motivi, quali il basso limite dei carichi individuali di ruolo, le particolari situazioni ambientali, l'onerosità del contratto esattoriale.

**Art. 3.**

Il Ministro per le finanze ha facoltà di disporre che nell'esattorie che nel 1945 abbiano avuto carichi o realizzate riscossioni inferiori al 30 per cento rispetto a quelli del 1943, la integrazione possa essere concessa esclusivamente su presentazione di rendiconto.

**Art. 4.**

La concessione dell'integrazione di aggio prevista dall'art. 1 e dal 1° comma dell'art. 2, è autorizzata con decreto dell'Intendente di finanze competente.

L'integrazione a norma del 2° comma dell'art. 2 e dell'art. 3 è concessa dal Ministro per le finanze.

Le domande dovranno essere presentate, a pena di decadenza, entro il 31 marzo 1946 alle Intendenze di finanze, allegando un prospetto dal quale risulti:

a) il carico del 1943 soggetto ad aggio e l'aggio relativo;

b) le riscossioni effettuate nel 1945 ed il relativo aggio contrattuale conseguito;

c) l'ammontare dell'addizionale riscossa nel 1945, ai sensi del successivo art. 6 o di ogni eventuale altra addizionale a qualsiasi titolo riscossa nell'anno.

Sui casi previsti dagli articoli 2 e 3, dovrà essere allegata alla domanda anche un particolareggiato ed esauriente conto economico, nel quale saranno portati in attivo tutti gli introiti realizzati nell'anno 1945 per aggio, indennità di mora, compensi per atti esecutivi o per qualunque altro titolo.

Sarà tenuto conto in passivo delle spese e perdite inerenti all'aumento ed ai rischi della gestione annuale. La spesa per i miglioramenti economici al personale dal 1° gennaio 1945 sarà ammessa in misura non eccedente gli adeguamenti concessi dallo Stato ai propri dipendenti, in rapporto alle sedi e salvo le opportune limitazioni per le gestioni delle sedi minori.

Nel caso segnalato dal 2° comma dell'art. 2 dovranno essere forniti anche gli elementi necessari per comprovare l'esistenza delle condizioni particolari, nel citato comma indicate.

**Art. 5.**

Per far fronte agli oneri di cui agli articoli precedenti, è istituita un'addizionale pari al doppio della misura dell'aggio contrattuale per le esattorie con carico annuo superiore ai 3 milioni, ed al triplo per quelle con carico sino a 3 milioni, con arrotondamento a filo intero e che non può, in ogni caso, superare il limite massimo del 10 per cento.

Gli esattori sono autorizzati a liquidare e riscuotere detta addizionale su tutte le bollette delle riscossioni su cui compete l'aggio, con effetto dal giugno 1945.

**Art. 6.**

Gli esattori delle imposte sono autorizzati a trattenere provvisoriamente, a titolo di acconto sull'integrazione di cui agli articoli 1, 2 e 3, la addizionale prevista dall'art. 5, che riscuoteranno sino al 31 dicembre 1945.

Tali acconti saranno detratti dalle somme spettanti agli esattori ai sensi dell'art. 4, e l'eventuale eccedenza dovrà essere versata alla tesoreria provinciale con contemporaneamente alla presentazione della domanda, prescritta dal 3° comma dell'art. 4, dalla quale l'eccedenza stessa risulti, e entro i 15 giorni dalla notifica del provvedimento di liquidazione del compenso di cui all'art. 4, con imputazione ad apposito capitolo di entrata. In caso di ritardo sarà applicata una indennità di mora nella misura del 6 per cento e l'amministrazione potrà procedere sulla cauzione per recupero del credito.

Nei casi che l'esattore ometta di presentare la domanda di compenso regolata dall'art. 4, è tenuto a versare in tesoreria, non oltre il 15 aprile 1946, l'intero ammontare delle addizionali riscosse, oltre l'indennità di mora e salva l'azione prevista dal comma precedente.

**Art. 7.**

Il Ministro per le finanze su parere delle Intendenze di finanze, potrà concedere ai ricevitori provinciali, caso per caso, per l'anno 1945, il compenso per i maggiori oneri di gestione, in base a rendiconto, con le norme stabilite nell'art. 4.

Le domande, dirette al Ministero delle finanze, dovranno essere presentate sotto pena di decadenza, alle Intendenze di finanze competenti, entro il 31 marzo 1946.

**Art. 8.**

A decorrere dal 1946 il Ministro per le finanze di concerto con il Ministro per il tesoro è autorizzato a variare con proprio decreto la misura delle integrazioni e della addizionale previste negli articoli precedenti oppure ad abolirle anche limitatamente a singole esattorie.

Art. 9.

Nella reimposizione da eseguire in base alla disposizione dell'art. 6 del decreto legislativo Luogotenenziale 19 ottobre 1914, n. 351, sarà tenuto conto anche delle somme occorrenti per l'applicazione del presente decreto e per provvedere ad eventuali interventi straordinari ed eccezionali a favore di aziende esattoriali. Tali casi di intervento e le modalità relative, saranno determinati con facoltà discrezionali, dal Ministro per le finanze.

Art. 10.

Le norme dei precedenti articoli e quelle contemplate dal decreto legislativo Luogotenenziale 19 ottobre 1914, n. 351, non sono applicabili nei territori liberati dopo il febbraio 1915.

TITOLO II.

Albi Nazionali degli Esattori e Collettori.

Art. 11.

Per un triennio a decorrere dalla data di pubblicazione del presente decreto, le facoltà conferite al Ministro per le finanze dal 4° comma dell'art. 6 della legge 16 giugno 1909, n. 912, sono estese alla emanazione di norme per il conseguimento della abilitazione alle funzioni di esattore e collettore della imposte dirette, che consentano di poter concorrere con titolo di studio inferiore a quello prescritto dalla legge citata e di poter conseguire l'idoneità oltre che per esame, anche per titoli o con sistema misto di titoli ed esame.

Il 2° e 3° comma dell'art. 5 della legge 21 febbraio 1911, n. 111, sono abrogati.

Art. 12.

Per un triennio a decorrere dalla data di pubblicazione del presente decreto, il Ministro per le finanze, fa deroga al disposto dell'art. 93 del testo unico delle leggi per la riscossione delle imposte dirette, approvato con R. decreto 17 ottobre 1902, n. 1191, modificato dall'art. 27 della legge 16 giugno 1909, n. 912 può consentire:

a) che l'erede o il proscritto degli eredi dell'esattore continui la gestione dell'esattoria fino alla fine del decennio, anche se non sia in possesso dei requisiti per l'iscrizione all'albo degli esattori, qualora sia iscritto all'albo dei collettori;

b) la prosecuzione della gestione sino alla fine del decennio, da parte della vedova che non abbia o non possa conseguire l'iscrizione all'albo degli esattori o collettori, quando l'esattore abbia lasciato figli minori o incapaci e qualora risulti che la gestione dell'esattoria sia esistita previamente di sussistenza per la famiglia;

c) che l'erede od il proscritto continui provvisoriamente la gestione qualora sia in possesso dei requisiti per conseguire l'abilitazione alle funzioni di esattore, ed a condizione che al primo esame consegua l'idoneità salvo il disposto dell'ultimo comma del successivo articolo 14.

Art. 13.

Qualora prima della pubblicazione del bando di esame di idoneità alle funzioni di esattore o collettore che sarà indetto dopo la pubblicazione del presente decreto, si renda necessario provvedere a cessione di esattoria, la cessione potrà essere approvata con riserva, a condizione che il cessionario sia in possesso dei requisiti per conseguire l'abilitazione alle funzioni di esattore, e con egua idoneità nel predetto esame e salvo il disposto dell'ultimo comma dell'articolo seguente.

Art. 14.

Gli eredi che senza avere il requisito per l'iscrizione all'albo siano stati autorizzati a continuare la gestione oltre l'anno di morte dell'esattore ed il successivo, ed i cessionari che siano subentrati nella gestione di esattoria senza essere in possesso del requisito prescritto dell'iscrizione all'albo degli esattori o dei collettori, qualunque sia l'autorità dalla quale i provvedimenti, siano stati disposti, dovranno presentarsi al primo esame di abilitazione che sarà bandito dopo la pubblicazione del presente decreto e conseguire l'idoneità.

In caso di mancata presentazione o di mancata abilitazione, la concessione avuta resterà senz'altro priva di effetto e la esattoria sarà considerata vacante e collocata ai sensi di legge.

TITOLO III.

Quote Inesigibili.

Art. 15.

Per il primo triennio di applicazione dell'art. 2 del decreto legislativo Luogotenenziale 19 ottobre 1914, numero 325, la commissione di appello istituita presso il Ministero delle finanze, ai sensi dell'art. 26 della legge 16 giugno 1909, n. 912, può essere presieduta da un funzionario del Ministero stesso di grado non inferiore al 7.

Art. 16.

La liquidazione a stralcio delle quote inesigibili previste dall'art. 1 del decreto legislativo Luogotenenziale 19 ottobre 1914, n. 326, è estesa, per gli esattori, ai ruoli pubblicati nel 1913 ed a quelli che saranno pubblicati fino al 31 dicembre dell'anno 1916.

La liquidazione a stralcio può essere chiesta anche per le domande già presentate relative agli esercizi precedenti la cui documentazione sia andata distrutta per eventi fortuiti o altre cause di carattere straordinario.

Per potersi avvalere delle disposizioni del precedente comma, per le quote inesigibili iscritte nei ruoli dell'anno 1913 e anteriori, gli esattori dovranno presentare domanda entro 90 giorni dalla pubblicazione del presente decreto, sotto pena di decadenza.

Per i ruoli successivi, la richiesta di liquidazione a stralcio dovrà essere avanzata entro 90 giorni dalla presentazione della domanda di rimborso a titolo di inesigibilità.

Per l'esame e la decisione delle domande si applicano i criteri e le norme di cui al citato decreto legislativo Luogotenenziale 19 ottobre 1914, n. 326, restando però esclusa la facoltà di poter chiedere dopo la decisione dell'Intendente di finanza, che la liquidazione delle domande possa essere fatta nei ruoli normali.

Art. 17.

Il Ministero delle finanze ha facoltà di concedere la sanatoria dei termini per la documentazione o la presentazione delle domande di rimborso a titolo di incestigibilità, relative alle quote di qualsiasi tributo iscritte nei ruoli degli anni dal 1942 al 1945 e per le domande di liquidazione a stralcio di cui al decreto legislativo Luogotenenziale 19 ottobre 1944, n. 326, per le sottorie che si siano trovate nella comprovata impossibilità di osservarli per effetto di eventi bellici o di altre cause di carattere straordinario.

Art. 18.

Il Ministro per il tesoro è autorizzato ad apportare con propri decreti, le necessarie variazioni di bilancio.

Art. 19.

Il presente decreto entra in vigore il giorno successivo a quello della sua pubblicazione nella Gazzetta Ufficiale del Regno.

Nei territori non ancora ritornati all'amministrazione italiana, salvo il disposto dell'art. 10, entrerà in vigore dalla data di tale ritorno o da quella in cui esso divenga esecutivo per ordinanza del Governo Militare Alleato.

Ordiniamo che il presente decreto, munito del sigillo dello Stato, sia inserito nella Raccolta ufficiale delle leggi e dei decreti del Regno d'Italia, mandando a chiunque spetti di osservarlo e di farlo osservare come legge dello Stato.

Abbiamo sanzionato e promulghiamo quanto segue:

Art. 1.

Il Ministero dell'assistenza post-bellica ha il compito di provvedere, promuovere, dirigere e coordinare l'assistenza morale e materiale:

- a) dei partigiani;
- b) dei reduci di guerra;
- c) dei prigionieri di guerra, dei militari internati e delle loro famiglie;
- d) dei profughi e delle altre vittime civili della guerra;
- e) dei rimpatriati dall'estero.

Nulla è innovato alle vigenti disposizioni sul soccorso dovuto ai congiunti bisognosi dei prigionieri di guerra ed ai congiunti dei civili deportati dai tedeschi, la cui erogazione rimane di competenza del Ministero dell'interno.

Art. 2.

Il Ministero dell'assistenza post-bellica provvede alla assistenza sia direttamente, con propri uffici centrali e periferici, sia avvalendosi di altri uffici dello Stato e di Enti pubblici, nonché di associazioni, fondazioni e comitati aventi scopi assistenziali.

I poteri spettanti a norma delle leggi, dei regolamenti e degli statuti all'Amministrazione dello Stato nei confronti di Enti, fondazioni, associazioni e comitati, per quanto si riferisce all'assistenza delle categorie di cui all'articolo precedente, sono esercitati dal Ministero dell'assistenza post-bellica, salvo il concerto con quello del tesoro ove sia prescritto dagli ordinamenti in vigore.

L'attuazione del primo comma del presente articolo sarà fatta di concerto col Ministro per il tesoro.

Art. 3.

Il Ministro per l'assistenza post-bellica fa parte del comitato istituito con l'art. 2 del decreto legislativo Luogotenenziale 8 marzo 1945, n. 72. Per l'attuazione delle deliberazioni del comitato stesso provvede il Ministro per l'assistenza post-bellica, che ha la rappresentanza legale del fondo di solidarietà nazionale.

Il decreto indicato nell'ultimo comma del citato articolo 2 sarà emanato dal Ministro per l'assistenza post-bellica, di concerto con i Ministri per l'interno, per le finanze e per il tesoro.

Il presidente del Consiglio dei Ministri esercita i poteri attribuitigli dal decreto legislativo Luogotenenziale 28 settembre 1944, n. 220, e dai decreti legislativi Luogotenenziali 15 marzo 1945, n. 79 e 14 aprile 1945, n. 147, d'intesa con i Ministri per l'assistenza post-bellica e per il tesoro.

Art. 4.

Presso il Ministero dell'assistenza post-bellica è istituito un comitato consultivo, presieduto dal Ministro o per sua delega da un vice presidente, e composto dei rappresentanti delle Amministrazioni statali interessate e dei rappresentanti dei maggiori Enti e associazioni assistenziali.

La composizione e le attribuzioni del comitato predetto saranno determinate con successivo decreto del Ministro, sentito il Consiglio dei Ministri.

Art. 5.

Gli uffici del Ministero dell'assistenza post-bellica sono costituiti nel modo seguente:

- 1) Servizio degli affari generali e del personale;
- 2) Servizio dell'assistenza ai partigiani;
- 3) Servizio dell'assistenza ai reduci di guerra;

- 5) Servizio dell'assistenza ai civili vittime della guerra;
- 6) Ufficio di assistenza per le pensioni di guerra;
- 7) Un ispettorato generale alle dipendenze del Ministro;
- 8) Un ufficio studi, statistica e stampa e un ufficio legislativo alle dipendenze del gabinetto del Ministro.

Tale ordinamento potrà essere modificato con successivo decreto Luogotenenziale su proposta del Ministro per l'assistenza post-bellica di concerto col Ministro per il tesoro.

Art. 6.

Ai servizi del Ministero dell'assistenza post-bellica si provvede con personale di altre Amministrazioni dello Stato e con personale di Enti pubblici da distaccarsi, quale comandato, presso il Ministero predetto e con personale non di ruolo da assumersi a norma del R. decreto-legge 4 febbraio 1937, n. 100.

Al personale non di ruolo, assunto per elevate funzioni di carattere direttivo od ispettivo, può essere assegnato il trattamento economico vigente per i funzionari di gruppo A della gerarchia statale dal grado quinto al grado ottavo.

Il numero del personale comandato e di quello non di ruolo sarà determinato con decreto del Ministro per l'assistenza post-bellica, di concerto con il Ministro per il tesoro. Con le stesse modalità è stabilito il numero ed il grado dei funzionari non di ruolo da assumersi a norma del secondo comma del presente articolo.

Art. 7.

Per le aperture di credito il Ministero dell'assistenza post-bellica è autorizzato a derogare alle limitazioni previste dall'art. 56 del R. decreto 18 novembre 1923, n. 2140, sia per quanto riguarda la natura delle spese, sia per il limite della somma. Tali aperture di credito sono soggette a rendiconto per essere continuate, salvo casi eccezionali decisi dal Ministro.

Al Ministero dell'assistenza post-bellica si applicano le norme per la gestione patrimoniale finanziaria dello Stato in periodo di guerra, approvate con R. decreto-legge 21 giugno 1940, n. 836, e successive modificazioni.

Il Ministero dell'assistenza post-bellica è autorizzato a stipulare apposita convenzione con un Istituto di credito di diritto pubblico per il servizio di cassa.

Art. 8.

Presso il Ministero dell'assistenza post-bellica è istituita una ragioneria centrale.

Art. 9.

L'Alto Commissariato per i prigionieri di guerra, l'Alto Commissariato per l'assistenza morale e materiale dei profughi di guerra e l'Alto Commissariato per i reduci sono soppressi. Le relative attribuzioni, ai sensi dell'art. 2 del presente decreto, passano al Ministero dell'assistenza post-bellica, al quale sono trasferite tutte le attività esistenti presso gli Alti Commissariati alla data di entrata in vigore del presente decreto.

Art. 10.

L'ufficio collegamento M. G. e l'ufficio assistenza, già dipendenti dal Ministero dell'Italia occupata, passano alle dipendenze del Ministero dell'assistenza post-bellica, nelle forme e con le modalità che saranno stabilite con decreto del Ministro per l'assistenza post-bellica e di quello per il tesoro.

Art. 11.

Per i fini di cui al presente decreto il Ministero dell'assistenza post-bellica è autorizzato a valersi delle somme rimaste disponibili presso gli uffici soppressi o trasferiti al Ministero stesso, a norma del presente decreto, sui fondi somministrati agli uffici medesimi sugli appositi capitoli dello stato di previsione delle spese dei rispettivi Ministeri per l'esercizio 1944-45. Ciò fino a quando non sarà approvato lo stato di previsione della spesa dell'esercizio 1945-46 del Ministero dell'Assistenza post-bellica.

Art. 12.

Con decreto del Ministro per il tesoro saranno introdotte in bilancio le variazioni occorrenti per l'attuazione del presente decreto.
