Prot. n. 1427

Genoa, 10 sept. 45

T r a n s l a t i o n

SUBJECT : report about railway accident.

We inform you herewith of the results of the inquiries carried out in connection with the railway accident happened on 7th inst, in the station of Isola del Cantone.

On Sept. 7th, 1945, at 9,54, three motorised cars coming from Sampierdarena directed to Milan, constituting the train No. 7760/O.L., carrying Allied soldiers, collided with the goods train No. 7745, which had stopped on the third rail of the station of Isola del Cantone.

The collision occurred with extreme violence due to the excessive speed of the motorised cars; the first of them imposed itself on top of the locomotive of the goods train, semi-destroying itself; the second was severely damaged. The locomotive of the goods train was damaged, and 5 waggons of same derailed.

The following persons were killed:

ALBRANDI Giuseppe, labourer of the Deposito P.V. of Genoa B.
CONTINI Francesco, chief conductor of the Deposito P.V. Genoa B.
ARMANI Giordano, auxiliary labourer of Deposito P.V. Genoa-Campasso
SAULS BJT T Sapper R.I., Allied Soldier.

Besides abt. 20 Allied soldiers, who could not be identified being carried to hospital by their own command, the following were wounded:

TACCHELLA Giovanni, mechanic of train 7760/O.L. of the locomotive depot of Pavia
CECCHETTI Fortunato, engineer of the same train, also belonging to the depot of Pavia.

The Station of Ronco Scrivia asked the "consent" from the Station of Isola del Cantone prior to letting the train 7760/O.L. depart, which consent was given by the apprentice Scotti Antonio, who however omitted to see to it that the switch to the third rail was closed. The goods train 7745 coming from Arquate was stopping on that very line.

Thus the train 7760/O.L., instead of entering the second rail, passed on to the third rail the switch of which having been open, because not made to be closed by Scotti. Thus the collision came about.

The distance between the switch and the head of the goods train 7745 was 140 meters; abstracting from the resulting responsibility of Scotti if the speed of train 7760/O.L. would have been moderate or considerably lower than the actual speed when entering the station, the di-

/./

saster could have been either avoided or its consequences could have been less severe as they actually were.

Thus a part of the responsibility must be charged to the engineer Cecchetti and to the mechanic Tacchella. In fact, if they would have made the train enter the station of Isola del Cantone at a moderate speed, it would have been possible to them to brake violently, which action would have caused in the worst of cases a considerable reduction of the violence of the shock.

It seems that Cecchetti maintained a speed of 100 kilometers entering the station of Isola and that the collision took place at a speed of only about 30% less.

In any case the last word will have to be said by the technical experts of the FF.SS. who carry out inquiries along with the Allied Command.

I, Dr. Mario CANTUANI, address myself to your S/C, with a letter of introduction by Major

 of Public Safety Lombardia Region, and as already I did in Milan, deacon to

your S/C the following circumstances:
I, Manager of the Firm for textile products Mario Carvini, after the liberation of Northern Italy, was able to find again in the warehouses of firm Zanussi in Tusto Arvenio, some goods already duly bought and paid by my firm since the spring of 1943, which were remained at the above mentioned warehouses, as in consequence of the war had to be transferred to southern Italy.

[illegible]

meeting, the property was destroyed by fire.
Mr. Wright told me he was attached to A.C. Industries S/S and I addressed to him to know if it was possible to make easy the transportation of my goods from Northern Italy. On the following day this Mr. Brent invited me to prepare a regular request of authorization and signature of A.C.

The above mentioned permit was found regular so that a first, small quantity of textiles was transferred from Milan.

transferred from Milan. On the first days of this month I saw again at the Grand Hotel the so-called "Agent" and I asked him for an other permit, as the first was fallen due and received a new one, valid until the end of August. But when my corresponding agent of Milan presented to the Transportation Office this second permit (for which I paid 10,000 lire), it was found not regular, owing to these circumstances, awaiting the investigations, the Allied Officer suggested the textiles, which are now in the warehouses of Italian Police Milan. As soon as I was informed about that, I went to Maj. COZZERED, Chief of the Public Safety and, having recognized my good faith, he gave me a letter for P.S. S/C, so that when I was arrived in Rome, I could cooperate with the Police to research the taskal: in effect, all the personnel of Grand Hotel has already been invited to inform me about his eventual presence, and I did all my best to find again the man.

And again the next.
After that I wish beg your S/C as follows:

- after that, I presented myself and remained at your disposal. I presented myself and remained at your disposal. I presented myself and remained at your disposal.
- 1) to give me a letter certifying the investigations about the so-called Mr. Brent;
- 2) to write, if possible, to P.S. Lombardini N. gior, supporting my request of receiving back as soon as possible the above mentioned goods, which are now in serious danger to be strongly damaged. In order to avoid it, I am ready to give a baill in money, until the investigation will be ended and confirm to remain to your disposal for further data eventually necessary.
- With the best thanks and regards I remain
- Yours faithfully

On the 25th of last August, at Torre del Greco (Naples), shots were fired on the CO. RR. and Military Police by soldiers escorting goods train N.O.L. 8-016, erroneously exchanging them for robbers.

Shortly after, a number of soldiers of the 525th Guardia Battalione, stationed at Torre Annunziata, arrived on the spot and fired on five strangers that were seen crossing the rails.

SUBJECT: Stanislao FARINELLI - CC. RR. s/warrant officer suspected of Black Market activity.

From the investigation and the interrogatory Modestino MARTINELLI, son of Michele - a paper furnisher- it appeared the following:

1. The same was acquainted with warrant officer (CC. RR.) Stanislao FARINELLI from childhood and is still his friend. He never involved nor tried to involve him in commercial business. He was informed that the s/warrant officer had left for Milan by a common friend, one Antonio ANTONUCCI, who lives in the same building where the FARINELLIS are settled. He sojourned in Rome with FARINELLI's family from 10 (or 11) to 15 April and from 1 to 5 May ult.

2. During his stay in Rome he used the telephone installed in Mr. FARINELLI's lodging to trans-business referring to the paper trade with the following persons:

Inaco BRUTI - living in Rome - 136 Via Torino
PISI Firm - Naples - 131 Via Lancia (having its Office in Rome)

PUBLIC SAFETY -SUB COMMISSION H.Q./A.C. ROME

On the month of June 1938 the young man Ethiopian ZERRAI Derres, native of Trarrega (Eritrea E.A.) employed at the Italian Ministry for Africa, found himself in front of the Lion of Judah, symbol of the Ethiopic state, that was brought in Rome as trophy, after the fell of Ethiopia in 1936. It was at the feet of the monument of the five hundred of Dogli in the Fivehundred Square.

The youngman at such sight, manifested his affliction the Italians that where looking at him, (on what I have heard) used violence against him, that provoke his sensibility and wounded some of them with a knife. Then they chain him and they declared him insane, while his contrymen soldiers and civilians employed in Rome, were sent back to their country.

Consequently I have doubt on his declaration. Because the motive is political and because the youngman before had never given any sign of lunacy. The ZERRAI is in a Lunatic Asylum in Sicily.

I beg this Allied Command to take interest and see the case of this youngman.

- BRUTI Inaco - residente a Roma : via Torino 156
- ditta PINI - Napoli, via Tarsia 153 - con ufficio a Roma;
- BRUTI Plauto - via Palermo 59 - Roma.

3°)- Nella seconda quindicina di aprile in un giorno che non ricorda, dalla propria abitazione sita in Napoli - via Margellina 18 - (telefono n. 15165) ebbe effettivamente una conversazione telefonica a mezzo apparecchio installato nella casa Farinelli col Sig. ANTONUCCI Antonio, sopraccennato, avvertito nella circostanza dalla moglie del sottufficiale.

In tale occasione trattò affari inerenti a pratica assistenziale.

Il MARTINELLI è contrattista del Comando inglese "DADOS" di Napoli (con sede in quel Corso Umberto 1° n°7) dal quale viene, a seconda delle necessità, invitato a presentare le proprie offerte in fornitura di carta allorché sono indette gare d'appalto. Non è munito di alcuna speciale autorizzazione del predetto Comando inglese né usufruisce comunque di facilitazioni per viaggi e spostamenti.

Ciò premesso, poiché dal complesso degli accertamenti esperiti è chiaramente risultato che nessun addebito può farsi al maresciallo FARINELLI Stanislao, considerato che il rientro del sottufficiale all'Arma territoriale precauzionalmente ordinato da codesto Gabinetto ha influito moralmente sul sottufficiale stesso - il cui rendimento nel servizio di C.S. è stato sempre lodevole e notevole - si sottopone all'esame di codesto Gabinetto l'opportunità di un riesame del provvedimento per l'eventuale rientro del FARINELLI all'808 Bn. 1. The three persons who were arrested by the American MPs were all members of the German Army who had continued in service of this Army up to the first days of May 45.
2. They had then deserted, put on civilian clothes, and made their way to Rome.
3. Careful investigation was made in each case to establish the facts.
4. Since there was no doubt at all that these persons were part of the German Army, they have been processed as POW.

Loyal Officer,

Sir,

I, the undersigned, beg to bring the following to your notice;

(a) On the outbreak of war, I being a British subject living in Benghazi was expatriated to Italy in the Concentration Camp of Caveseo near Modena.

(b) Later I was transferred to the concentration camp of Fossoli di Carpe and whilst I was at this place I was informed that I would be again transferred this time to Germany and fearing that my trousseau would be confiscated by the German Authorities handed the trousseau (detailed in the attached list) to Miss Gina Saetti of Caveseo di Modena for safe keeping. The handing over took place in the presence of the "Comissario di Polizia" and the "Maresciallo di Carabinieri" the former of Caveseo and the latter of Caveseo di Modena. These two police officers made clear to Miss Saetti that the property would be returned to me and that good care had to be taken.

(c) Yesterday I received a letter from Miss Saetti stating that my trousseau and only my trousseau had been confiscated by the Fascists and that there is hope that the partisans would return part of it.

In view of these facts, I beg to apply for:

(a) Confirmation that such a raid took place at the house of Miss Saetti to enable me if this happened to put a claim for compensation or

(b) If the raid did not take place and the facts contained in yesterday's letter are false, action to be taken against Miss Saetti to restore my trousseau (value of which at purchase cost is stated on attached list) or payment claimed from her.

Considering that this application will receive your kind

your notice;

On february of this year I kept hidid and gave food for three days to two british prisoners that had escaped and that were brought to my home by a Geribaldino partisen. I am writing this, because I have need of help.

My son DORDONI livio di Giuseppe born in 1923 was incorpora-
ted as a agent in the auxiliary police in the R.F. (Fascist Republic)
and while he was in service at Piacenza was ordered and forced
with others the execution of ten partisans.

He never participated in any collection and in his deposition
stated that the only time that he participated was that he was picked
up in pure case and forced to do it.

Now the Special Court of Assise at Piacenza, is about judge
him and certainly will be condemn, although it is not crime for
having obey to superior orders, because the responsibility is theirs
although it cannot be adopted conforming with Law of the Lieutenan-
cy Decree for facts that happened before in territory not yet occupa-
pled.

I beg this Commission to not surrender my son to the Italian
authority but to keep him in the Concentration camp were he as
been since June 10th, or in consideration of his young age to
agregate him in your army till amnesty act or by else may cease
his penality.

I do hope in this Commission that will take in consideration
my application and will help me.

- II. - At Venice he was stopped by the German authorities who forbade him to proceed to Hungary.
- III. - In the hope of receiving the required permission to travel to Hungary, Don Cafferelli remained in Venice and was obliged to accept a position from the local Fascist authorities to support himself and his wife.
- IV. - On the arrival of the Allies in Venice he immediately presented himself to the British Commander and was subsequently arrested.
- V. - He was imprisoned in the Carcere S. Maria Maggiore, Venice, and was later transferred to Caserma Pepe, Lido, Venice, where he is still detained as a political prisoner.
- VI. - In view of the fact that the local Allied Police Commander, Major Harris, and the local authorities of the Comitato Nazionale di Liberazione are stated to have no evidence against Don Cafferelli, it is requested that the petition for his possible release be given the considerate attention of the competent Allied Authorities.

SUBJECT: Duplicate of the Judiciary deposit book No. 091963 issued by the S. Silvestro Post Office in favour of Meloni Guido, upon request of the S. Eustacchio P. S. Commissariat.

Following a denunciation of the S. Eustacchio P. S. Commissariat (report N. 4314/2 Cat 2 of 17 -6 - 44) the Allied Tribunal in Rome opened a trial against Meloni Guido, accused of having robbed Allied soldiers.

At the hearing of 3 July 1944, Meloni was acquitted because not guilty. When he was put under arrest, the St. Eustacchio Commissariat sequestered 1480 lire which Meloni had with him and deposited them into the judiciary deposit N. ~~212~~ 091963 issued in favour of Meloni by the S. Silvestro Post Office, and forwarded the deposit book and the arrest report to the Allied Court.

The above-mentioned book was mislaid. As the amount deposited must now be given back to Meloni, we beg your Ministry to authorize one of your post offices to issue a duplicate.

For this purpose we enclose a declaration of the S. Eustacchio Commissariat and we point out that the crime ascribed to Meloni, the trial and acquittal falling under the Allied Authorities' province, they are excluded from the jurisdiction of the Italian Judiciary authorities.

No. 550/74700

Rome, 22 August 1945

SUBJECT : PISA - R. University precious material pillaged
by Germans.

TO : A.C. Public Safety S.C.

The Germans before evacuating the City of Pisa took away from that University a very precious material consisting in the whole library and in the didactic and experimental implements of the Institute of Physiology.

Such material was packed in 73 large wooden cases.

As all possible researches made in Italy up to this day have been unsuccessful and considering that among the pillagers there was a self-styled prof. DESSAUER of Heidelberg University, it is believed that the a/m material might have been sent to Germany.

So the Allied Commission is warmly begged to ask the competent Allied Authorities to take interest in this case in order to have the a/m important patrimony restored to the University of Pisa.

A communication of any useful information will be most welcome.

A student of medicine, he was sent to the cadet school till after the occupation of Rome.

Made a 1st Lieutenant, he was sent to Novara where he was to do service in the national guard.

When Novara was liberated, he happened to be in hospital, and while all the members of his unit, Colonels, Majors, etc., were taken in charge by the Allies, Tiglie' who was in the hospital occupied by the patriots, was put in jail. (Novara, Castello Visconti)

Seeing and presuming that the seizure of my son, his a
arbitrary sequestration made by the Yugoslav.

I beg the s/a Commission that will kindly take step to

The Allied brought to us the liberty that we had lost, and
with it, the respect of the humanity, I appeal to yours sense of
Justice and generosity.

My son owing to his education, his goodness and his anti-
fascist political ideas and owing to that he was in external service
but was doing service in the office, I don't believe that he could
have made any thing to justify the sequestration made by the
Marshal TITO.

Again I beg this Commission to take interest in this case.

The writer states :

"On the 7 July 45, I received a wire from Turin informing me that my brother Giuseppe had been murdered at Olbia (Prov. Turin) on 29th June 45.

My brother who was married and the father of a girl of 4 years and a boy of 6 months, worked in the City Hall of Olbia. In this town he was much respected and had many friends among the public. In view of this I do not see any purpose for this murder other than personal rancour.

He and his wife ^{caused} and had ^{caused} a small paid to his wife, himself and myself. He was callously stabbed to death, disfigured and robbed of his boots and personal belongings.

I have been informed that my brother was very friendly with an American Captain, Commander of the Allied Military Garrison at Olbia. The following incident proves this : About the end of last May, my brother returning from Turin by train, was compelled by three strangers to continue his journey towards Lanzo. When a German officer was informed he ordered the three men to Lanzo, and my brother set free and brought him back to Olbia.

I am an old veteran of the 1913-18 World War, and in this war directed the work of clearing mines laid in Sardinia. I collaborated with the American officers during the work of Major General's Command in Cagliari.

Now it is up to you to bring the murderers of my beloved brother to justice. I therefore beg the Allied Commission, in the name of the widow and fatherless children, that this be brought about and justice done.

Respectfully yours,

TELEF. 36-87 A

Cagliari 14 agosto 1945

AL COMANDO DELLA COMMISSIONE ALLEATA

R O M A
=====

20 AGO. 1945

Informo cotesto COMANDO di quanto appresso.

Il giorno 7 luglio u.s. ricevetti un telegramma di mie parenti che stanno a Torino, in cui mi comunicavano che mio fratello Giuseppe è stato ucciso da delinquenti. In seguito, per lettera, ho saputo che il delitto è stato commesso da tre sconosciuti il giorno 29 giugno u.s. a Ciriè (prov. di Torino).

Mio fratello era impiegato da circa dieci anni presso il municipio del comune di Ciriè, dove si era sposato e viveva con la moglie e due figliuoli.

Mi addolora assai la triste fine di mio fratello barbaramente assassinato a pugnate, sfregiato e derubato delle scarpe e degli oggetti che aveva addosso, ma ancora di più mi addolora che gli esecutori del delitto non siano stati arrestati e assicurati alla giustizia.

Da notizie ricevute mi risulta che mio fratello era amico del Capitano americano, comandante il presidio militare alleato di Ciriè. Ne è prova che verso la fine del mese di maggio u.s. mio fratello viaggiava in treno da Torino a Ciriè e fu fatto proseguire da tre sconosciuti oltre Ciriè, verso Lanzo. Di tal fatto venne informato il predetto Capitano, il quale, senza alcun indugio corse in macchina e, raggiunto il treno a Lanzo, fece rilasciare in libertà mio fratello e colla stessa sua macchina lo riportò a Ciriè.

Poichè infine mi risulta che mio fratello era circondato da molta stima in Ciriè e da molte amicizie di partigiani e che il delitto non può avere altro motivo che rancori personali, io rivolgo viva preghiera a cotesto Comando perchè il delitto stesso non resti impunito.

Chiedo ciò, come fratello dell'ucciso ed anche a nome di altre tre mie sorelle;

Chiedo ciò, per conto della moglie e dei due teneri figli: una bimba di quattro anni ed un bimbo di appena sei mesi, i quali per la malvagità degli uomini restano privi del loro genitore!

Mi sia consentito pure di chiederlo in quanto anch'io, già reduce della guerra 915-18, ho in quest'ultima guerra, come Maggiore dirigente il rastrellamento di bombe inesplose in Sardegna, rischiato molte volte la vita insieme con ufficiali e militari americani, che con me si recavano a distruggere bombe e ordigni inesplosi fino al 31 luglio 1944. Questa mia collaborazione può essere confermata dal reparto americano, addetto alle bombe, che stava a Cagliari ed era comandato dal Maggiore Kotziol.

Siccome ho la certezza che cotesto COMANDO non mancherà di accogliere questa mia preghiera che non è altro che una richiesta di giustizia, invio sin d'ora i sensi della mia profonda gratitudine.

Con rispetto

With letter dated 7/5/44 n.468 I informed the Ministry that Maj. Pool accompanied with L. I intended to get it back after consultation. Together with the register he also took away juridical documents regarding the prisoners. Often, some patriots Yugoslaves are asking for certificates testifying their imprisonment for political reasons. The documents regarding also prisoners missing I sometimes cannot furnish the certificate, thus creating discontent.

sti uffici il registro di matricola, dove erano annotati
tutti i detenuti provenienti d'oltre mare, promettendomi
che l'avrebbe fatto restituire dopo una consultazione.

Assieme a detto registro portò pure via documenti
giuridici, riguardanti gli annotati. Paracchi patrioti
Jugoslavi vengono sovente a richiederne certificati compro-
vanti la loro carcerazione per condanne e detenzioni subite
per motivi politici, attestazioni che talvolta non posso ri-
lasciare perchè sformate dei precedenti, suscitando malcon-
tento.

Si è stato assicurato che il Sig. Magg. Pool trovasi
a Napoli presso la Sub. Commission P.V.E.

Sarei grato a questo On/le Comando se volesse dispor-
re per il recupero del registro e dei documenti sopracennati
indispensabili a questa Direzione per il suo normale funziona-
mento.

1. I have to report that on Saturday evening 4 August, 1945, the father general of the Franciscan Order reported to me that on that day two American soldiers presented themselves at St. Anthony's Convent, located in Via Merulana, Rome and demanded that three priests be delivered to them for transmittal to POW Camp 326. The three priests were turned over to the soldiers who took them away.

2. The three priests were Germans who had come to Rome in 1939. In 1943, while the German army was here the priests were conscripted into the German army. They deserted the army and returned to Rome and to the convent. The names of the three are :

Division A.G.R. Sec. II

File No. 1442/15797

SUBJECT:- Removal of material from Allied air-camps.

Owing to the ceased activity by Allied Authorities of Aviation camps in the Rome province, many civilians, of nearby communities, have invaded these deserted camps and are removing parts of the huts constructed by the Allies.

The large numbers of camps and the unlimited space occupied by these in rural zones, badly lend themselves to intense and efficacious police vigilance.

Withal, instructions have been given for possible preventive measures and repression of plunder.

In view of this, we beg the Allied Commission to place in charge of or hand over, naming terms, of huts etc., to respective land-owners. We leave to the sound judgment of the Honourable Commission, to more or less consider, in said assignment, the damages endured by these land-owners.

A problem thus tackled would certainly put a stop to deplorable abuses.

OGGETTO Asportazione di materiale dai campi di aviazione allea-
ti

In seguito alla cessata attività dei campi di aviazione da parte delle Autorità Alleate in provincia di Foggia, numerosi ci-
vili, dei comuni vicini ~~invasione~~ invadono i campi abbandonati e saccheggiano le cassette in muratura costruitevi dalle Autorità predette, asportandone il vario materiale, che è di entità rilevante.

Essendo i campi piuttosto numerosi, di notevole estensione ed in zone campestri, mal si prestano ad una intensa ed efficace vigilanza degli Organi di Polizia.

Sono state, comunque, impartite istruzioni per le possibili misure preventive e per la repressione del saccheggio.

Ciò tenuto presente, si prega codesta On/le Commissione di voler esaminare la possibilità di affidare in consegna o cedere a qualsiasi titolo gli immobili di cui trattasi con annessi e connessi ai rispettivi proprietari dei terreni, lasciando al criterio discrezionale di codesta Commissione di tener conto o meno in tale occasione dei danni subiti dai proprietari stessi.

Una decisione in tal senso gioverebbe certamente a stroncare il lamentato abuso.

REMARKS	

1. The following information has been obtained about the above named.

2. Subject was born at ROCCARASO (Prov. of Aquila) on 9 February 1880, of Italian parents, his father was Giorgio YASELLI and his mother Erminia FALCINI. He is at present residing at Via Lovanio 6, Rome, with his wife Pia, born at Naples on 25.1.1891; daughter Diana, born in New York on 26-6-1926; and son Giorgio Rollnik, also referred to as Roberto, born in Berlin on 4-11-1937.

3. YASELLI was taken to the United States by his parents in 1887 and his father was granted United States citizenship through naturalization at the Common Pleas Court Newark, New Jersey on 10-2-1888, being a minor at this time Subject claims the same nationality.

4. Whilst in the United States he practised law and advertises himself at the present time as an "American Lawyer, formerly Deputy U.S. Attorney for the Southern District of New York". He acts as a lawyer in Rome but his name does not appear in the Register of Lawyers, neither does it appear in the records of Procurators or those practising in the local Court of Appeal. Although claiming to be a United States citizen he is not registered as such at the Questura or at the Ufficio Anagrafe.

5. Subject has travelled extensively in Europe, he claims he lived in Italy and Germany for a few months during the years 1913, 1919 and 1922. In 1926 or 1927 he left the United States for Italy where he remained for about one year. From 1928 to 1931 he lived in Germany and then returned to U.S.A. where he remained until 1934. He then lived in Italy for a short time after which he returned to the U.S.A.

1. The following information has been obtained about the above named.

2. Subject was born at ROCCAFRANCO (Prov. of Aquila) on 9 February 1880, of Italian parents, his father was Giorgio YASSELLI and his mother Erminia FALCULINI. He is at present residing at Via Lovanio 6, Rome, with his wife Pia, born at Naples on 25.1.1891; daughter Diana, born in New York on 26-6-1926; and son Giorgio Rollnik, also referred to as Roberto, born in Berlin on 4-11-1937.

3. YASSELLI was taken to the United States by his parents in 1887 and his father was granted United States citizenship through naturalization at the Common Pleas Court Newark, New Jersey on 10-2-1888, being a minor at this time Subject claims the same nationality.

4. Whilst in the United States he practised law and advertises himself at the present time as an "American Lawyer, formerly Deputy U.S. Attorney for the Southern District of New York". He acts as a lawyer in Rome but his name does not appear in the Register of Lawyers, neither does it appear in the records of Procurators or those practising in the local Court of Appeal. Although claiming to be a United States citizen he is not registered as such at the Questura or at the Ufficio Anagrafe.

5. Subject has travelled extensively in Europe, he claims he lived in Italy and Germany for a few months during the years 1913, 1919 and 1922. In 1926 or 1927 he left the United States for Italy where he remained for about one year. From 1928 to 1931 he lived in Germany and then returned to U.S.A. where he remained until 1934. He then lived in Italy for a short time after which he returned to the U.S.A. where he stayed until June 1935. YASSELLI then went to Berlin where he remained until 1940, during this period he visited U.S.A. for a short while during the latter part of 1937. In Berlin he practised as a lawyer and administered two properties belonging to his wife which he values at \$ 150,000. These were purchased in 1922 during the inflation period. It is understood that one of the buildings was destroyed during an air raid.

6. In April 1940 he returned to Italy and on 21 May he applied for a renewal of his U.S. passport at Naples, this was to facilitate his travel to Germany. The application was at first refused on the grounds that he had allowed his citizenship to lapse by extended residence abroad. However the State department eventually authorised the issuance of a passport for return only to the United States for permanent residence and then only if he could prove he had not lost his American citizenship in the meantime. He did not return to

CONFIDENTIAL

the United States.

7. From June to August 1940 he was in Germany, he then returned to Italy until January 1941 when he again left for Germany and stayed there until June 1942. He states that he resided in Germany unmolested during the war even though he was an American citizen, a fact which is difficult to believe. As his passport had expired he required a special dispensation to return to his family in Rome and in this he was assisted by the German Commander of that City for whom his daughter Diana was working as an interpreter.

8. When the Allies arrived in Rome YASELLI had left and eventually turned up when ORVIETO was taken. He worked as an interpreter for a few days and arrived back in Rome about the end of June 1944. Subject then obtained work with the Film Division of P.W.B. and after three months again started to practice as a lawyer.

9. Subject has offices at Via De Pretis, No. 45, Scala A, where he carries on business as a lawyer. In the same building are the offices of E.N.A.C. a transport firm which does not appear to have any motor vehicles. The owners of this firm are regarded suspiciously and the offices are frequented by a number of doubtful characters. It is thought the YASELLI has some connection with this business and is collaborating with two of the so called directors, Giuseppe GARIBALDI and Dott. Luigi MACRONE, both of whom have been denounced for theft and petty crimes.

10. During 1937 YASELLI was the representative of "A & R General Agencies INC", an import and export firm. He worked in Europe in the interests of this firm until 1939 when business was suspended. This business has now been revived under the title of "American and European Agencies Inc" with head office at 51 Chambers Street, Manhattan, New York City. The Legal Announcements for the Province of Rome, published on 27 April 1945 contains particulars of the Executive Commission nominated together with an outline the powers of the President of the Commission, YASELLI. This body consists of three members, YASELLI, Giuseppe GARIBALDI, mentioned in para 9 above, and Marchese Paolo DE CRISTOFARO. Subject is permitted to sign all contracts and agreements in the name of the Corporation, to open bank accounts, deposits etc. banks are also authorised to pay and receive all bills signed by YASELLI without investigating the circumstances of the issue or of the dispositions gained by the same, even if it deals with himself individually etc.

11. Subject is assisted by a man named Jaun GATTI, who also uses the name of Don de las Flores. GATTI was born at Buenos Ayres on 4-6-1900 and is a reporter. He lives at Corso Vittorio Emanuele No. 87, in a large apartment, is friendly with a Russian Prince (?) named Sergio GALITZINE an unemployed drunkard living at Via Margutta No. 51. GATTI founded a weekly newspaper, "Il Progresso", authority for its publication was granted by the Prefect of Rome on 23rd March

9. Subject has offices at Via De Pretis, No. 45, Scala A, where he carries on business as a lawyer. In the same building are the offices of E.M.A.C. a transport firm which does not appear to have any motor vehicles. The owners of this firm are regarded suspiciously and the offices are frequented by a number of doubtful characters. It is thought the YASELLI has some connection with this business and is collaborating with two of the so called directors, Giuseppe GARIBALDI and Dott. Luigi MAGNONE, both of whom have been denounced for theft and pettycrimes.

10. During 1937 YASELLI was the representative of "A & R General Agencies INC", an import and export firm. He worked in Europe in the interests of this firm until 1939 when business was suspended. This business has now be revived under the title of "American and European Agencies Inc" with head office at 51 Chambers Street, Manhattan, New York City. 11. Subject is assisted by a man named Jaun GATTI, who also uses the name of Don de las Flores. GATTI was born at Buenos Ayres on 4-6-1900 and is a reporter. He lives at Corso Vittorio Emanuele No. 87, in a large apartment, is friendly with a Russian Prince (?) named Sergio GALITZINE an unemployed drunkard living at Via Margutta No. 51. GATTI founded a weekly newspaper, "Il Progresso", authority for its publication was granted by the Prefect of Rome on 23rd March 1945, a previous request in December 1944 was refused. He also organises lotteries etc. for the benefit of Religious Institutions. GATTI has served as a volunteer in the Argentine Army in 1934, From 1937 to 1938 he was a political prisoner at FUSCALDO (Cosenza). He has been convicted and sentenced to varying terms of imprisonment on five occasions for violence, forgery etc.

12. YASELLI has on occasions been to this office and handed in petitions on behalf of civilian internees. It seems that he has built up some reputation by advertising himself as an American Lawyer and claimed he has influence with various Allied Military organisations. It has not been possible at the moment to ascertain the names of any persons for whom he has acted as all papers handed in by Subject are

retained at "R" Internee Camp but enquiries will be made at the next weekly visit.

13. At Naples on 15 March 1936 YASELLI was arrested on charges of assault, abuse and violation of domicile, the result of this case is not known. In August 1942 he was arrested for illegally possessing firearms and was fined L. 300.

In short the Governor of the Prison in 1943 permitted two unknown officers to take away his prison records without apparent authority. At least the officers are unknown now. So much time has elapsed and so many changes have taken place that I regret no useful purpose can now be served by carrying on further enquiries from here.

4. When read, will you please return the original correspondence received from the Governor of the Prison at BARI as he naturally wants to keep it.

5 Herewith returned correspondence sent by you. "

SUBJECT : Registers taken away from Bari Prison

TO : P.S. Division AC HQ for South Region

Reference your letter PS/9/1 dated March 3 1945
the answer is as follows:

" We have made accurate research to trace the registers taken away from Bari prison by Maj. Pool & Lt. Mack Aron members of Sub-Commission Propaganda on Oct. 29 1943. When this Sub-Commission wrote to us from Sub Commission of Propaganda, all the registers for war prisoners went to Allied Commission for Repatriation, in Naples, but whatever attempts to possibly retrace these registers failed."

Reference my letter dated 23 Jan. 45, n.981, forwarded to the Superior Ministry, addressed to the Command of Allied Police of the Area, the following answer on sheet dated 3/2/45 n. BL P.S A.2.27.21 was sent to me:

" Reference your letter n.981 fasc.8 Tit 3 dated 23/1/45, we communicate that in order to trace the two officers concerned, it is necessary you give us other particularities on their identity & unit. Please let us know also from which Authority they requested the said registers & whether they left a receipt." I sent new informations on the matter with a copy of the receipt text, dated 29 Oct. 1943 by Maj. Pool. Yesterday I had the following answer, translated from English:

" Hereby enclosed copy of letter received recently, which unfortunately will not resolve your problem. Whatever information we get, will be forwarded to you immediately." I believe that in order to get back the register immatric. names n.507 & the 14 fasc. your Ministry should apply to the AC PS, as it is impossible to admit that Maj. Pool has mislaid any trace of such documents.

OGGETTO: Registro matricola di detenuti provenienti

Con riferimento alla mia lettera 23 gennaio u.s.
n. 981, comunicata al Superiore Ministero, diretta al
comando della polizia Alleata di Zona, segnalo che con
foglio 3-3-45 n. RZ.P.S. A.2.27.21 mi fu risposto come
segue:

" In merito alla vostra n. 981 fasc. 8 tit. 3 del 23-1-
45, comunichiamo che per rintracciare i due ufficiali
in questione è necessario che forniate altri particola-
ri riguardanti la loro identità e la loro unità. Voglia-
te inoltre comunicarci con quale Autorità essi richiese-
ro i registri di cui in oggetto, e se rilasciarono quel-
che ricevuta.

Corrisposi dando nuove delucidazioni e trascrivendo
la ricevuta che il 29 ottobre 1943 mi fu rilasciata dal
Sig. Magg. Pool.

Ieri mi è giunta la risposta che trascrivo:
tradotta dall'Inglese:

" Qui unito vi trasmettiamo copia di una lettera rice-
vuta recentemente la quale però sfortunatamente non risol-
verà il vostro problema.

Qualsiasi altra informazione in merito che noi potre-
mo ricevere nel futuro vi sarà trasmessa immediatamente.

Ritengo che per poter risovere il registro matricola
con n. 507 nominativi e i 14 fascicoli cotesto Ministero
dovrebbe compiacersi di farne richiesta a cotesta Commissio-
ne Alleata per la Polizia, non potendosi ammettere che il
Signor. Magg. Pool abbia potuto fare smarrire ogni traccia
di tali atti d'ufficio.

Con riferimento alla vostra P.S./9.1 del 3 marzo

rintracciare i registri che sono stati portati via dal-

Quando questa Sottocommissione si scrisse della

tentativi di far luce sul possibile rintraccio di questi

Advice from Legal Sub Commission, Allied
Commission, is to the effect that this matter is one
for the Italian authorities to decide. The prisoner
in question was evidently imprisoned prior to the
Allied occupation and is at present confined in territory
now restored to the Italian government. This being the
case, there does not appear to be any jurisdiction by
Allied authorities.

In fact, in a house where they lived many goods were robbed that were not taken away by the Germans, but, by the a/m woman.

This Command should take steps against this bad woman that gave so much trouble to many good and laborious families of this small town.

Mr J.G.Lomax, Commercial Counsellor at the British Embassy, Ankara, my brother in law is acting with me in an attempt to trace and recover personal property which disappeared from the flat occupied by my mother, resident in Corfou, Avenue de le Grande Duchesse Marie, up to July 1939; as well as certain articles, principally sporting guns and rifles, my personal property which were removed by the occupying Italian military authorities.

I am now attempting to trace the missing articles. For this purpose I am securing from my lawyer a declaration narrating the events such as he observed them during the Italian occupation of Corfou.

Meanwhile I have secured from the Ionian Bank in Corfou a copy of the "proces verbal" detailing the articles removed by the Italians from the Bank premises a copy of which I append to this letter.

I am advised by Mr J.G.Lomax to address this letter directly to you and to quote a DO letter to Colonel Dudley Hogg No GHI/GI/II B. Mr Lomax was in turn advised that I should be instructed to apply directly to you quoting a letter to Major Wellesley written by Col. Dudley Hogg (GSI/GHQ.WEF. - DMI/PERS/5/T/I of 7 December 1944)

I may add that I have had an opportunity of proceeding to Corfou and have satisfied myself that the Italian authorities removed from the trunk containing the sporting guns a considerable number of articles not mentioned in the attached list.

I shall feel extremely grateful for any assistance that you are able to afford me in tracing these articles.

Rome, August 14th 1945.

To: Field Marshal
Sir Harold R.L.G. Alexander,
Commander-in-Chief M.A.A.F.

Honourable Sir:-

The Patriarch of the Serbian Orthodox Church His Holiness Gavrilo is actually in the Montecatini baths in Italy.

His Holiness advised already Your Excellency of his arrival to Italy and authorized me to ask Your Excellency for the following:

- 1/ The permit for His Holiness to live at Fiuggi, 80 Km south of Rome on the route No.6.
- 2/ To concede 8-10 rations for the attendance of His Holiness, as it has been conceded to all Yugoslavs in Italy, who will for now not return to Yugoslavia.
- 3/ To permit the registration of the car PACKARD No.A 1024 by the Allied Military Authorities and to permit also that petrol and oil could be drawn on the Allied Petrol Points on account of the Yugoslav State or on account of His Holiness.

His Holiness came with this car from Austria and this one is actually in Rome.

Mr. FERDINANDO NOCERA of Casoria
was sentenced one year past to imprisonment
of 18 months for occultation of
Hemp needed by the American Army.

Why is this man not expiating his sentence?
Same as other unhappy Italians?

He is kept nominally in the Casoria prison,
but with money he is entirely free.
He goes to sleep in his own bed.

It is a scandal and an injustice. Ex-fascists
and friends of the Nazis like this gentleman
are treated also by the Allies with fine gloves.
What for?

We hope above will be remedied
very soon.

Thank you.

SUBJECT'S CORRECT NAME IS PICCONE, FRANCESCO, BORN 4 OCT. 1899 AT BONERVA, ITALY. MARRIED AND WIFE'S NAME IS MARIA ROSA GAZZOLA. SUBJECT DID LIVE IN TORTONA/ALESSANDRIA UP TO THE TIME HE WAS ARRESTED ON 25 APRIL, 1945. SUBJECT IS A MARSC. MAGG. GUARDIA DI FINANZA LEGION OF TORTONA. HE WAS RECEIVED IN PRISONER OF WAR ENCLOSURE NO. 337 ON 9 JUNE, 1945--FILE NO. 758659.

2. PRISONER OF WAR ENCLOSURE NO. 337 IS LOCATED BETWEEN LEGHORN AND PISA NEAR COLTANO, IS OPERATED BY HEADQUARTERS--89TH DIVISION (U.S.) UNDER AUTHORITY OF MTOUSA. THERE IS NO OFFICIAL CASE HISTORY IN THE CAMP PROVOST OFFICE OR AT H.Q.--89TH DIVISION, IN LEGHORN COVERING THIS SUBJECT. I FIND ONLY A "BOOKING SHEET" IN THE FILE AT THE CAMP PROVOST OFFICE, BUT NO COMMITMENT OR OFFICIAL ORDER AUTHORIZING INTERNMENT. C.I.C. AT LEGHORN HAVE NO RECORD OF THE SUBJECT OR HIS CASE. THE "BOOKING SHEET" DOES NOT SHOW ANY FURTHER INFORMATION THAN GIVEN IN PARA 1 ABOVE. IT IS NOT KNOWN AT THE CAMP WHO ARRESTED THIS SUBJECT OR WHY HE WAS ARRESTED. THE PRISONER HIMSELF COULD THROW NO LIGHT ON THE MATTER.

3. THIS IS ONE OF MANY CASES WHERE PRISONERS ARE BEING HELD IN ONE OF THE THREE LARGE PRISONER OF WAR ENCLOSURES LOCATED IN THIS AREA HAVE BEEN SEIZED BY BANDS OF PARTISANS, PUT IN A LOCAL JAIL OR TURNED OVER TO MILITARY POLICE UNITS IN THE FORMER COMBAT ZONES, AND BY A PROCESS OF "BUCK PASSING" THE INDIVIDUAL HAS EVENTUALLY ENDED UP IN ONE OF THESE P.O.W. ENCLOSURES--NO COMMITMENT--NO INTERNMENT ORDER--NO AUTHORITY. THE PRISONER IS "BOOKED IN" AND A MEAGER AMOUNT OF INFORMATION IS RECORDED RELATIVE TO HIS PAST HISTORY AND ASIDE FROM THAT NOTHING FURTHER IS KNOWN ABOUT HIM.

4. OBVIOUSLY, THIS PARTICULAR CASE REQUIRES ATTENTION THROUGH CHANNELS TO MTOUSA--89TH DIVISION HEADQUARTERS THERE.

1. REPLY TO YOUR LETTER AC/14057/PS RE: W.O. M.T.T. PICCONE;

SUBJECT'S CORRECT NAME IS PICCONE, FRANCESCO, BORN 4 OCT. 1899 AT BONERVA, ITALY. MARRIED AND WIFE'S NAME IS MARIA ROSA GAZZOLA. SUBJECT DID LIVE IN TORTONA/ALESSANDRIA UP TO THE TIME HE WAS ARRESTED ON 25 APRIL, 1945. SUBJECT IS A MARSC. MAGG. GUARDIA DI FINANZA LEGION OF TORTONA. HE WAS RECEIVED IN PRISONER OF WAR ENCLOSURE No. 337 ON 9 JUNE, 1945. FILE No. 758659.

2. PRISONER OF WAR ENCLOSURE No. 337 IS LOCATED BETWEEN LEGHORN AND PISA NEAR COLTANO, IS OPERATED BY HEADQUARTERS-88TH DIVISION (U.S.) UNDER AUTHORITY OF MTOUSA. THERE IS NO OFFICIAL CASE HISTORY IN THE CAMP PROVOST OFFICE OR AT H.Q.-88TH DIVISION, IN LEGHORN COVERING THIS SUBJECT. I FIND ONLY A "BOOKING SHEET" IN THE FILE AT THE CAMP PROVOST OFFICE, BUT NO COMMITMENT OR OFFICIAL ORDER AUTHORIZING INTERNMENT. C.I.C. AT LEGHORN HAVE NO RECORD OF THE SUBJECT OR HIS CASE. THE "BOOKING SHEET" DOES NOT SHOW ANY FURTHER INFORMATION THAN GIVEN IN PARA 1 ABOVE. IT IS NOT KNOWN AT THE CAMP WHO ARRESTED THIS SUBJECT OR WHY HE WAS ARRESTED. THE PRISONER HIMSELF COULD THROW NO LIGHT ON THE MATTER.

3. THIS IS ONE OF MANY CASES WHERE PRISONERS ARE BEING HELD IN ONE OF THE THREE LARGE PRISONER OF WAR ENCLOSURES LOCATED IN THIS AREA HAVE BEEN SEIZED BY BANDS OF PARTISANS, PUT IN A LOCAL JAIL OR TURNED OVER TO MILITARY POLICE UNITS IN THE FORMER COMBAT ZONES, AND BY A PROCESS OF "BUCK PASSING" THE INDIVIDUAL HAS EVENTUALLY ENDED UP IN ONE OF THESE P.O.W. ENCLOSURES--NO COMMITMENT--NO INTERNMENT ORDER--NO AUTHORITY. THE PRISONER IS "BOOKED IN" AND A MEAGER AMOUNT OF INFORMATION IS RECORDED RELATIVE TO HIS PAST HISTORY AND ASIDE FROM THAT NOTHING FURTHER IS KNOWN ABOUT HIM.

4. OBVIOUSLY, THIS PARTICULAR CASE REQUIRES ATTENTION THROUGH CHANNELS TO MTOUSA-88TH DIVISION HEADQUARTERS THERE.

No. 31775

SUBJECT : Arrest of warrant officer M.t.t. PICCONE
Francesco

TO : A.C. Public Safety S.C.

On April 24 ult, in the evening, PICCONE Francesco, a warrant officer commander the GG.FF. Brigade at TORTONA, was arrested by partisan forces of police and conveyed to a concentration camp at GARBAGNA (Alessandria).

According to news received by his wife, he must afterwards be consigned to Allied Troops that must have removed him to another concentration camp in the neighbourhood of Pisa.

The Provisory General Command of GG.FF. for Northern Italy has informed that from a statement issued by the chief of the partisan police at Tortona it appears that warrant officer PICCONI was arrested by mistake.

Consequently we beg you to examine this case setting free the a/m warrant officer if he proves to be really innocent.

In case he should be found to be guilty, we beg you to let us know the imputations ascribed to him and to consign him, if possible, to any Unit of the GG.FF. that will keep him in detention at the disposal of the Allied Military Trial.

Your reply will oblige.
