SUBJECT: Entry into ROME - Civilians.

TO : AMG 5 Army
(Rome Sub-Region).

1. Information has been received that Italian nationals have been effecting entry into the city in the following manner.
2. They approach the environs by motor transport, carrying bicycles. The vehicle is hidden some miles out and the rest of the journey is made by bicycle. Supplies are bought and they return to the rendezvous unchallenged, it being presumed that they are citizens about their normal business.
