Re 1A. While it is an obligation of the plain entering Italy to comply with Italian Law and not AMG law, I consider that you should raise the point with AFHQ suggesting that it would act as an extra safeguard to have the provisions re registration pointed out to any alien to whom a permit is granted. This could be done by inclusion on the permit or by issuing a separate slip with each permit.

APO 512

AG 371.2/191 GET-O

10 November 1944

SUBJECT: . Evacuation of Personnel from Roumania and Bulgaria.

TO : All Concerned.

1. The increase in travel of persons from Bulgaria and Roumania to Italy, makes it necessary to introduce a uniform procedure for requests to travel.
2. The travel concerned falls outside the problem of dealing with displaced persons, who may be moved in bodies under SHAEF and AFHQ arrangements.
3. In order that the movement of individual travellers may be accomplished in an orderly manner and without risk to the security of operations, the following procedure will be adopted in the future. It should be borne in mind that it is not the intention to encourage the travel of a large number of persons travelling individually and for personal reasons.
4. The entire responsibility for moving personnel by air in approved cases will be that of MAAF.
5. With the exceptions noted in paragraph 8 and Allied service personnel on duty, all persons entering Italy from Roumania and Bulgaria, must in future be in possession of an Allied Force permit (specimen attached at Appendix 'A') endorsed for entry into Italy.
6. Unless otherwise endorsed permits will be valid for a return journey.
7. Permits will be issued by the Allied Commission in the country concerned, which will be regarded as acting (for this purpose) as the agent of the Supreme Allied Commander, Mediterranean.
8. The following persons will not require Allied Force permits to enter Italy, but will be required to satisfy the Commission concerned that the proposed journey is on sufficiently urgent official business.
 - a. Diplomatic and Consular officials.
 - b. British and United States nationals employed and paid by the following governmental agencies:
 - (1) UNRRA
 - (2) Office of War Information.
 - (3) Psychological Warfare Branch.
 - (4) War Shipping Administration.

- (6) Any of the Service Ministries in the United States or United Kingdom, providing they are in possession of Service identity cards, eg, technicians in possession of AGO cards, who are assigned to this theater.

c. British and United States War Correspondents accredited to this headquarters.

9. Applications for permits in the form attached at Appendix "E" will be made to the senior British or United States member of the Commission who will co-ordinate with the senior Soviet representative in appropriate cases. He will satisfy himself that:

- a. There is no local security objection to the applicant.
- b. There is no local objection from the political point of view.
- c. The proposed journey is necessary to the war effort.

10. All applications will be referred to the Assistant Chief of Staff, G-2, this headquarters, except in the categories where permits may be issued without reference, viz:

Officials in the employment of and paid by the Governments of the United States, Great Britain, the Soviet Union, France, Belgium, Holland, Norway, Poland and Czecho-slovakia, and China.

11. Duplicate copy of the application form will be forwarded to the Assistant Chief of Staff, G-2, this headquarters, in the case of:

- a. All applications referred.
- b. All permits granted without reference.

12. Where special information of security or political interest arises in the case of an application, such information should be forwarded with the application.

13. Cases of urgency may be dealt with by cable, but application forms should be forwarded in order to complete this headquarters records.

14. The above procedure will not apply to evacuations on a large scale, which may be arranged in agreement with this headquarters (G-5 & G-2 Sections).

15. Persons who are exempted under paragraph 8 from the requirement of a permit will be cleared with this headquarters by cable before dispatch.

16. On a permit or cable authority being granted, air priority will be recommended by Allied Commission concerned, and notification in the form of travel orders for the applicant will be sent to formations as MAAF may designate.

17. Air transportation will be arranged in accordance with paragraphs 4 and 16 above.

18. No part of this procedure absolves the applicant from the necessary passports, documents of identity, visas, exit permits or laissez-passers required by the regulations of the countries concerned.

19. Supplies of forms and permits will be sent under separate cover by G-2 Section to the appropriate authorities.
