Summary of the
on North Italy

AVANTI : 1. Message of the Socialist Party to the population of the North. The Direzione of the Party met yesterday and passed resolutions, asking formally 1. that all powers be retained by the Northern C.I.N. and their appointments be confirmed, 2. that partisan formations keep their organization, arms and banners and be allowed to continue to wage war against the Germans, 3. that a C.I.N. congress be summoned immediately in Rome to receive the message of the North and to designate the new government, 4. that no "sanitary cordon" or line of demarcation be allowed to divide the provinces of Italy - exception made only for the necessities of war.

2. The above message is followed by a report of the joint meeting of Communist and Socialist Central Committees calling Bonomi to appeal to the Allies for permission for immediate meeting of the C.I.N. committee to meet with C.I.N. of the North. In the meanwhile the two parties have taken the initiative, summoning the Central C.I.N. committee and the secretaries of the six parties.

Large towns liberated by the patriots so far are: Milano, Brescia, Varese, Biella, Asti, Alessandria, Cuneo, Genova, Savona, Imperia. The frontier between Cuneo and Cuneo is entirely in the patriots' hands.

The Camere del Lavoro of Milan has invited all workers to see that no harm is done to plants or works.

The new Socialist sindaco of Milan has ordered the immediate end of the strike and the immediate restarting of work.

The C.I.N. through Radio Milano, invited all patriots to surrender immediately and hand over their arms; whoever resists will be treated as an enemy of the patriots, carabinieri and police.

2. The above message is followed by a joint meeting of Communist and Socialist Central Committees and in Bonomi to appeal to the Allies for permission for immediate meeting of the C.I.N. committee to meet with C.I.N. of the North. In the meanwhile the two parties have taken the initiative, and naming the Central C.I.N. committee and the secretaries of the six parties.

Large towns liberated by the patriots so far are: Milano, Brescia, Varese, Biella, Asti, Alessandria, Genoa, Savona, Imperia. The frontier between Como and Lombardy is entirely in the patriots' hands.

The Camera del Lavoro of Milan has invited all workers to see that no harm is done to plants or works.

The new Socialist Sinigo of Milan has ordered the immediate end of the strike and the immediate restarting of work.

The C.I.N. through Radio Milano, invited all fascists to surrender immediately and hand over their arms; whoever resists will be treated as an enemy. All fascists, carabinieri and police agents to hand over all their arms before midnight of the 25th, to present all police agents who remained on duty until the 25th, to present themselves to the local authorized commands; all those who facilitate the flight of war and fascist criminals will be severely punished; whoever commits acts of sabotage in the liberated territory will be punished or even executed.

The patriots treat German prisoners according to international conventions, waiting to hand them over to the Allies.

Turin strikers and workers have occupied all the works, plants and industrial firms; patriots and population are fighting against the last neo-fascists.

-2-

The Province of Aquaria was a partisan no threat.

The Socialist leader of the Milan C.L.N. asks the General Govt to resign; "We want an entirely renovated Govt - he said - formed by representatives of the truly democratic forces, by men who can prove that they have always fought against Fascism and for the well being of the working classes".

Radio Milano Libera sent a message to Tassan Din asking him to return to Milan.

Emilio Mussacini and her suite were refused entrance into Swiss territory.

The Directing Board of the C.L.N. of northern Italy is formed by: Pardi, Vassini - Action party; Marotti, De Gasperi - Christian Democrats; Invernizzi, Jacini - Liberals; Moratti, Pardini - Socialists; Loris, Sironi - Communists; Commission for the town and province of Milan, Riccardo Lombardi - Action party.

Pavia, Ivrea, Vercelli, Varesio, Breccia, Como, and Alessandria, reported liberated by the patriots.
