On 9 inst. at about 1530 hrs at Fabbro (Terni) Brigadiere SALPA Vincenzo, commanding the local CC.RR. Station, summoned the halt to an unknown man who wandered in the area and, saying to be a German P.O.W. escaped from the Concentration Camp of Pisa, pretended, in a vexatious manner, to obtain money, provisions and housing from civilians.

The a/m man, not to be captured, took hold of a bicycle left there by a civilian and attempted to escape at topmost speed.

After a vain pursuit, Brigadiere SALPA shot twice in the air with a view to intimidating the man, then, by a third shot, which struck the latter from behind, caused his death.

I went to the spot, together with the Attorney General of Orvieto for the coroner and identified the man, through a document, as one Michael HORST, interpreter, born in Dresden (Germany) on January 9, 1908, residing at -rancioforte Nordesten 18 - P.O.W. No 81 G. 296642 I.

Ref your AGR/I/447/12900 of 12 Feb 46, your AGR/I/-10503-4 of 26 Feb 46, and your AGR/I/447/13569 of 11 Feb 46, addressed by you to the Public Safety Sub-Commission of Allied Commission and eventually received by this Division, it is desired to point out that a DEFINITE RECOMMENDATION by the Italian Government is required by Allied authorities for the release or repatriation of any Italian PW, or for the release in ITALY or repatriation to ITALY of any PW of other than Italian nationality.

2. For instance, in your AGR/I/447/12900 of 12 Feb 46, it is NOT sufficient that the Questura of ROME recommends the release of BRIZIARELLI Elevezio; in your AGR/I/10503-4 of 26 Feb 46, it is NOT sufficient that the Prefettura of PISTOIA finds nothing against CAPPELLINI Gino, and in your AGR/I/447/-13569, it is NOT sufficient that you merely quote the Questuras of ROME and other cities, in the case of MACCHIA Silvano.

3. The Allied authorities require that the Italian Government, and NOT local agencies, recommend either that a PW be released or NOT released, as the case may be.

4. As a rule, cases submitted to you for investigation, report and recommendation have already been screened by Allied authorities. If, however, cases have NOT been screened by Allied authorities, then your recommendation would be subject also to subsequent approval by the Allied authorities.

5. It is desired further to point out that unless a case involves a Civilian, your communications should NOT be addressed to the Public Safety Sub-Commission, but specifically to this Division - Italian Prisoners of War Division, MMIA, Allied Commission.

6. This will avoid needless correspondence and consequent waste of time and effort, as in the case of BRIZIARELLI, your letter in this case having gone to the Public Safety Sub-Commission, Allied Commission, then forwarded by it to GHQ CMF, and now submitted by GHQ CMF to this Division, so that we have to re-submit the case to you, and from you it must come back to us for final forwarding back to GHQ CMF.

sheet 2 - IPW /13/651 - SUBJECT: Request for investigation,
report and recommendation of Italian PWs - 12 Mar 46

7. The same applies to the case of MACCHIA, which also went from you to Public Safety Sub-Commission, to GHQ CMF, and now to us for re-submission to you and then back to us.

8. In the case of CAPPELLINI, one step was saved because Public Safety Sub-Commission forwarded your letter to us instead of to GHQ CMF.

9. Since you have already examined the cases of BRIZIA-RELLI, MACCHIA and CAPPELLINI and forwarded the findings of local agencies, may this Division please have your OFFICIAL recommendation as to whether they should be released or retained in custody?

SUBJECT: German P.O.W. Escaped from the Pisa concentration-camp
killed by a CC.RR.

At Fabbro Scalo (Terni district), on the 9th inst.
-at about 3,30 p.m.,- CC.RR. Brigadiere SALFA Vennanzio, Comman-
der of the local Station, summoned an unknown man to stop.
While going about in the said district, the said man had stated
to be a former German P.O.W. escaped from the Pisa concentrat-
ion-camp, and was asking civilians for food, money and shelter.

The said man, in order to avoid his capture, having
taken a bicycle standing there, tried to escape at a high speed.

The Arma N.C.O., having tried in vain to reach him,
discharged two pistol shots for intimidation purpose. The 3rd
shot hit the man on his shoulders, killing him.

Undersigned went up to the place together with the
Orvieto Procuratore del Regno in order to make investigations, and
identified the dead man as MICHAEL Horst, interpreter, born at
Dresda (Germany), on the 9/1/1918 and living at Frankfurt am Main,
Nordesten 10, P.O.W. SIG 295642 L.

A copy of a document found in his possession is attached
for the Allied Command.

After the first investigations, the responsibility of the
Arma N.C.O. seems to be excluded.

I. I request employment in the office of the American Administrator of this city or in the office of the mayor of Frankfurt am Main.

Beside the German language I also speak, read and write the English and the French languages, in addition many phrases in Italian and Czechoslovakian. For the afore mentioned reason, I feel that I would be well qualified a job as an interpreter in one of the offices of this city.

The Naples Questura sent following statement about a/m internee:

He was a member in the Youth organization of the former Fascist Party, but did not display any further political activity, and there are no charges of any kind in his files by this Questura.

His family, living here at 71- Bari St., is formed by his father, a P.S. Guard, his mother, who is affected by a heart disease, and two brothers, none among which has ever been trialed.

Undersigned FRANCIOSI Maria married Di Camillo, daughter of Pasquale and living at 71- Via Bari, begs to point out to your Alto Commissariato, following:

In 1942 my son DI CAMILLO Gaetano di Alfonso, enlisted in the CO.RA. Arma, after a few months of service at Salerno was sent to Padua and appointed to the military convoys headed to Russia.

During said service he got affected by a congelation on his left foot and consequently had to be operated, but he never recovered completely.

I am now informed that my son is interned in the Allied concentration-camp for civilians U.S.P.W.E. Camp Nr. 338 and cannot figure out the reasons of this internment, because my son always kept a good moral conduct and never was interested in policy.

I am suffering from a heavy heart disease and very old, so is my husband: I thus beg your Alto Commissariato to kindly examine this case and provide to the release of my son.

Hoping that your sense of justice and your generosity will not fail to fulfil my request, I thank you in advance.

TO : A M G Milan.

We know that a German Lieutenant KARL DIETRICH belonging to the 76th Armoured Corps and Liaison Officer with the 37th Battalion "Mars" of Rovigo has withdrawn from this detachment on 25th April 1945 lire 479,381 without any authorisation and committing therefore a robbery. It seems that this Officer has been captured somewhere in the Venice provinces by the Allies.

As we must ascertain the responsibility of this Officer and also of Lit. GUIDI ALFONSO, once C.O. of the 37th Battalion who declares that he has been obliged to hand this sum to Dietrich, we beg to ask you to make enquiries about the German Officer and to ask him :

- a) if he really has withdrawn on 25th April 1945 the sum of Lire 479.381;
- b) the reason of this withdrawal;
- c) if he is able to refund this amount to this Commissaria to.

An early reply will be appreciated.

No 442/15492

TO ALLIED COMMISSION
PUBLIC SAFETY S.C.R. G. M. E.

SUBJECT : German Prisoners of War.

The CC.RR. Tenenza of APRIANO, with letter 46/6 dated 11 inst. points out the following:

"It happens very often that a good number of German prisoners staying at Merano or Bolzano, drive, by motor-vehicles, to Tesimo escorted by one or two Allied soldiers and when they arrive they go to public houses and cafes or to private lodgings where they organize dances, drink very much liquors making anti-Italian propaganda and causing disorders.

On the 7th inst. 50 German prisoners commanded by a lieutenant of their own and escorted by one Allied soldier, drove by truck to frazione Prissiano di Tesimo where some lingered in the public resorts and some began to dance in the house of Federica WINDEGGER daughter of Giovanni, and in other Nazi-houses.

Having the CC.RR. of that station intervened in spite of the threats of the prisoners who declared "The war is not yet over" - "Here we are in Austria", the ~~ball~~^{dance} was given up.

Late in the afternoon some of the prisoners being drunk began to cry and to make a fuss in the presence of the soldier who escorted them and who was also tipsy.

Once more the CC.RR. intervened to put a stop to the scandal.

On the same day (7 inst.) about 1300 hrs, a truck coming from Bolzano (5.A.Cap.250 G.) arrived at Nova Levante carrying some 40 German prisoners accompanied by an English soldier, who behaved just as the others.

./.

3692

- 2 -

Some of them even went far from the village at some kilometres distance.

The vehicle was obliged to leave later than it was due (2110 instead of 1900 hrs.) as some prisoners were missing: three of them never returned.

Such facts are severely commented by the nice people of the place and might cause serious incidents with the Carabinieri who have the responsibility of public order.

Besides the Italian population cannot realize why the German prisoners enjoy freedom while everybody knows how cruelly the prisoners of all nations were treated by the Germans."

lo è stato sospeso.

Nel tardo pomeriggio alcuni di tali prigionieri, in istato di ubbriachezza, si davano a gridare ed a schiamazzare sotto gli occhi del militare di scorta, anch'esso alquanto alticcio.

Ancora una volta sono dovuti intervenire i militari dell' Arma per porre fine allo scandalo.

Lo stesso giorno 7 andante, verso le ore 13, proveniente da Bolzano è giunto a Nova Levante un autocarro (5.A.Cap.260 G.) con una quarantina di prigionieri germanici, accompagnati da un soldato inglese, i quali in pie-

na libertà hanno frequentato i vari esercizi pubblici del paese, abusando di bevande alcoliche. Qualcuno si è anche allontanato dall'abitato, spingendosi a distanza di qualche chilometro.

Al momento della partenza dell' autocarro-dovuta ritardo delle ore 19 alle 20.10 a causa della mancata presentazione dei prigionieri al punto del convegno, non si sono presentati tre dei medesimi.

Tali ineresciosi fatti vengono commentati molto sfavorevolmente delle persone dabbene del luogo e potrebbe dare luogo a gravi incidenti con i militari dell' Arma, i quali hanno la responsabilità dell' ordine pubblico.

La popolazione italiana non sa, poi, rendersi ragione della libertà che viene concessa ai prigionieri tedeschi, mentre è noto a quale bestiale trattamento sono stati sottoposti i militari di tutto il mondo prigionieri dei germanici. ""

Tanto si comunica per tutti quei provvedimenti che saranno ritenuti opportuni.

The Prefecture of FERRARA communicates that the German, Novak Paolo fu Carlo and fu Susanne Wenzel born at Steindorf (Poland) the 14 September 1897, belonging to the "Todt Organization", is being detained.

He had been previously released by the Allied Authority from Coltano Camp (Pisa), and permitted to go to CENIC (Ferrara) where he was supposed to find work as technical scenographer and architect, but his purpose instead, was to join a woman with whom he had been rather intimate in the past.

Novak is not well thought of by inhabitants who have not forgotten him when he joined the German formations in same zone. The Questura of Ferrara arrested him in order to avoid unpleasant incidents.

Not seeing any particular reason for his further stay in Italy, it is advisable to repatriate him.

We enclose cross-examination underwent by Novak, begging you to inform us at your earliest-in view of fact that aforesaid in under detention- of measures taken in regard.

FERRARA

OGGETTO NOVAK PAOLO IN PAOLO - tedesco

La prefettura di Ferrara ha comunicato che è stato colà fermato il suddito tedesco NOVAK PAOLO fu Carlo e fu Susanna Wenzel, nato a Sweinsdorf (Polonia) il 14 Settembre 1892, già appartenente alla "Organizzazione Todt".

Il predetto, rilasciato dalle Autorità Alleate del Campo di Coltano (Pisa), era stato avviato a Gento (Ferrara), ove, a suo dire, avrebbe avuto intenzione di stabilirsi per esplicitare la sua attività di scenotecnico ed architetto, ma, in realtà, per riunirsi ad una donna con la quale aveva avuto intimi rapporti.

Trattandosi di elemento, notviato dalla popolazione, avendo il NOVAK militato in formazioni germaniche in quella stessa zona, è stato trattenuto dalla Questura di Ferrara al fine di evitare incidenti.

Non ravvisandosi, però, alcuna ragione per l'ulteriore sua permanenza in Italia, sarebbe opportuno procedere al rimpatrio.

Si segnala, pertanto, il caso a codesta Commissione, con preghiera

La prefettura di Ferrara ha comunicato che è stato colà fermato il suddito tedesco NOVAK Paolo fu Carlo e fu Susanna Wenzel, nato a Sveinsfor, (Polonia) il 14 Settembre 1892, già appartenente alla "Organizzazione Todt".

Il prefetto, rilasciato dalle Autorità Alleate del Campo di Coltano (Pisa), era stato avviato a Cento (Ferrara), ove, a suo dire, avrebbe avuto intenzione di stabilirsi per esplicare la sua attività di scenotecnico ed architetto, ma, in realtà, per riunirsi ad una donna con la quale aveva avuto intimi rapporti.

Trattandosi di elemento, malvisto dalla popolazione, avendo il NOVAK militato in formazioni germaniche in quella stessa zona, è stato trattenuto dalla Questura di Ferrara al fine di evitare incidenti.

Non ravvisandosi, però, alcuna ragione per l'ulteriore sua permanenza in Italia, sarebbe opportuno procederne al rimpatrio.

Si segnala, pertanto, il caso a coteva Commissione, con preghiera di far conoscere le proprie determinazioni al riguardo con cortese sollecitudine, trattandosi, come si è detto, di persona in ispezione fermo.

Si unisce, ad ogni buon fine, copia del verbale di interrogatorio.

SUBJECT: Statement of Novac Paolo.

He came to Italy in July 1929 and worked with the Scala Milano as technical scenographer; but owing to his profession did not remain in this country. In 1943 was incorporated in the "Todt Organization" and sent to Italy in charge of Italian workers.

When taken prisoner by the American in 1945, he was forwarded to Coltano Concentration Camp. When released to be repatriated, he pointed out that he preferred to work in Italy as he had lost all his people in Germany.

Thus, sent to Cento local Mayor for necessary sojourn permit.

He had already applied for the Italian citizenship in 1943. To second request forwarded while an internee, across American Command, he received no reply.

He flatly denies all charges against him by former Italian workers in his dependence.

It appears that Novac has further explanations to give.

F. COPIA

L'anno 1945 addì 1° Ottobre innanzi a noi Funzionario di E.S. è presente il sig. novac Paolo fu Carlo e fu Susanna Wenzel, nato a Steinsdorf (Polonia) 19; I4-9-1897, cittadino tedesco, il quale ha dichiarato quanto:

Sono venuto in Italia la prima volta nel luglio 1929 come scenotecnico presso la Scala di Milano, ed da allora sempre per questione di lavoro, ho continuamente girato per le varie città d'Europa senza conservare ai conseguenza una residenza fissa. Durante la guerra non sono stato mai militare e fino al 1° novembre 1943 ho continuato il mio normale lavoro. Nel novembre del 1943 fui incorporato nell'organizzazione rotte ed inviato in Italia con l'incarico di sovrintendere all'Organizzazione assistenziale del campo ai lavoratori italiani.

Con tale incarico ho presieduto vari campi del genere e precisamente in ordine di tempo quelli di Parma, Carpi, Castelfranco, Casalecchio, S. Donato S. Sisto, Castel Maggiore e in ultimo ~~da~~ al campo di Cento dove dal novembre 1943, già avevo preso dimora. Il 23 aprile 1945 sono stato fatto prigioniero dalle truppe Americane ed inviato al campo di concentramento di Coltano.

Il 24 Sett. sono stato inviato al campo raccolto profughi di Lucca per il rimpatrio. Qui ho fatto presente che sono rimasto solo, essendomi morti tutti di famiglia per cui avrei desiderato poter rimanere in Italia per risiedere permanentemente a Cento o a Ferrara allo scopo di riprendere il normale lavoro come scenotecnico o architetto civile. In seguito a ciò da Lucca sono stato inviato con foglio di via obbligatorio a Cento con l'obbligo di presentarmi al Sindaco onde cercare di ottenere tramite suo dal Prefetto l'autorizzazione a restarvi. Sono giunto a Cento il 28 u.s. e mi sono subito presentato al Sindaco.

Il certificato di identità personale mi è stato rilasciato a Cento nel Dicembre 1943 dal Commissario Prefettizio Prof. Balboni in seguito a mia richiesta poichè già allora pensavo di stabilirmi definitivamente al vermine della guerra. Allo stesso scopo dal campo di Coltano tramite il il Comando Americano ho presentato una domanda al Prefetto di Ferrara per ottenere la cittadinanza italiana ed il permesso a rimanere in Italia non ho avuto risposta. Durante la mia permanenza a Cento ho avuto alle mie dipendenze dagli 800 ai mille operai, circa le accuse che mi vengono contestate da alcuni di essi ho da precisare che il tassinar Benito e Arizzoni Archimede furono arrestati dai carabinieri per ordine del Comandante Reusen in seguito a continui furti di rame per circa 80 tonnellate che si erano verificati lungo le reti ferroviarie. Nego di avere avuto con loro contatto di qualsiasi genere in tali occasioni e di avere usato maltrattamenti nei loro riguardi. Circa l'accusa del Barbieri Guido di una presunta requisizione di una moto Guzzi, dichiaro che dall'organizzazione ~~adesso in Cento~~ erano prese solo die motociclette, una color verde, circa

del Prefetto l'autorizzazione a restarvi. Sono giunto a Cento il 28 u.s. e mi sono subito presentato al Sindaco.

Nego di avere avuto con loro contatto di qualsiasi genere in tali occasioni e di avere usato maltrattamenti nei loro riguardi. Circa l'accusa del Barbieri Guido di una presunta requisizione di una moto Guzzi, dichiaro che dall'organizzazione Iodt in Cento furono prese solo die motociclette, una color verde, 8,4 circa Guzzi, motore n. 15200, pagata regolarmente Lire 25.000; l'altra color nero, pagata FF 1307, pagata Lire 8/000, non conosco il Barbieri, ma posso solo pensare che la denuncia era stata fatta in un primo momento genericamente contro il Comando Germanico e solo ieri è stata rinnovata col mio nome. Circa l'accusa del Sig. Parenti Umberto dichiaro che ho tenuto l'appartamento di Via Provencensi n°9 in seguito a regolare contratto eseguito nel l'agosto 1944 attraverso il Commissario del Comune Prof. Balboni e l'amministratore dello stabile Parenti Umberto. Il contratto fu stipulato per la durata di cinque anni, pagato da me integralmente in anticipo e fu registrato presso il notolo di Cento Dr Ugo Basso, il contratto è a nome di Derna Guido di Giuseppe ora abitante a cento Via Donati 28 e che allora conviveva meco.

Nego nel modo più assoluto di avere esportato suppellettili dall'appartamento dato anche che non avevo alcuna intenzione di lasciarlo. Non ho altro da aggiungere.

Fatto, confermato e sottoscritto.

firmato Paolo Novac

Dr Zappone Pasquale - V. Comm. Agg. P.S.

Novac ha altre dichiarazioni da aggiungere:

Durante la mia permanenza a Cento ho rifornito di viveri, vestiario ed altri materiale alla Brigata Garibaldina di Parma. A Cento esiste un registro con le firme dei partigiani da me favoriti. Ero anche in possesso di un tesserino rilasciato ai partigiani dove figurava il nome di battaglia "Giovanni" - ve l'essero che mi fu sequestrato ad Oviglia e che ho già richiesto duplicato alla Brigata Garibaldina di Parma.

Niente altro da aggiungere.

Detto, confermato e sottoscritto.

1. H.E.H. Prince Chigi, Grand Master of the Order of Malta, has written to me under date 18th July asking to what Branch of the Allied Military Authorities he could "recommend" a German Prisoner of War Count RUDOLF VON SHONBORN, who is at P/W camp BELLARIA, near RIMINI.

He is a fairly close relation of Prince Chigi.

2. What Prince Chigi asks is that news of him could be obtained for transmission to his mother.

Could Prince Ruffo Scaletta, a close Italian relative, send him parcels?

Could the Ruffo Scaletta relatives obtain permission to go and see him...?

3. It would be very kind of you to send this request on to the Department concerned, who might give me the information which I can then transmit to Prince Chigi, as I am Liaison Officer between the Order of Malta and the Allied Military Authorities.

N. 443/2685

Subject : German Prisoners of War.

To : A.C.C. - Rome.

The local R. Questura, with letter n. 04206/13 A.12 Cab., dated 13 Sep., has communicated as follows:
 "In the first part of June 1944, with the arrival of the Allied Troops in Rome, this office proceeded with the arrest of many disbanded German soldiers. Whilst the greatest part of those prisoners was delivered to the Command of the Allied Forces, at that time located in the University City, the below mentioned, instead, being dressed in civil clothes, were not accepted by a/m Command.

In spite of the fact that, in due time, some of the local Allied Military Commands were informed, no provision regards has been received up-to-now.

In view of the period passed in prison, we inform this Ministry, begging to give information on the dispositions which are deemed necessary to be adopted for the settlement of their position.

OGGETTO Prigionieri di guerra tedeschi.

La locale R. Questura, con nota n. 04206/13 A. 12 Gab. del 13 corrente, ha comunicato quanto segue:

" Nei primi giorni del giugno u. s., all'arrivo delle Truppe Alleate in Roma, questo ufficio procedette all'arresto di parecchi militari germanici sbandati. Mentre il maggior numero di essi prigionieri venne preso in consegna del Comando delle Forze Alleate, allora con sede nella Città Universitaria, i sottonotati, invece, essendo vestiti in abito civile, non furono ritirati dal predetto Comando.

Malgrado che siano stati a suo tempo interessati alcuni dei locali Comandi Militari Alleati, non si è avuto, finora, alcun provvedimento in merito.

Dato il periodo ormai trascorso in carcere, se ne informa codesto Ministero, con preghiera di compiacersi far conoscere le disposizioni che si riterranno opportune per la definizione della loro posizione:
