AC/11491/PS

3 December 45.

SUBJECT : Powers of Regional Public Safety Officers.

TO : R.P.S.O.s Liguria, Piedmonte, Lombardia and Venetia.

1. Recent reports from R.P.S.O.s received at this Hq. tend to show they are somewhat uncertain of their position in relation to the Italian Government.

2. Whilst the Northern Provinces are in A.M.G. territory it is stressed that no orders from an Italian Ministry are valid in such territory unless they are submitted through and approved by this Hq. furthermore only so much of the Decrees may be implemented in accordance with the recognized policy of Allied Commission.

3. So far as R.P.S.O.s are concerned, they are the King Pins in their respective Regions for controlling the administration and operation of all Italian Police Forces within their areas and may give such directions and orders as will best ensure law and order being maintained, always remembering that, under International Law it is not within the power of an occupying Force to change the constitution of a Force or institution.

4. It is hoped that the above will assist to clear up any doubt which at present exists.

JOHN F. CHAPMAN
Colonel J.A.G.M.
Director Public Safety
Sub-Commission.
