ACTION ALCOM ROME, CORPS FOR AMG

SECRET.

VENEZIA GIULIA and UDINE

1. Cable TAM 690 has been received from C.C.S. advising that civilian supplies for VENEZIA GIULIA and UDINA Provinces will remain a military responsibility and that AFHQ would continue to be responsible for supplies in theatre.

2. Requirements given in ALCOM letter 20.02/EE of 24 August were forwarded by AFHQ to C.C.S. in MAT 889 with a statement that these requirements had already been anticipated in ALCOM requisitions (COM-MOC series) for period September-December loadings. CCS advise however that they propose to supply these requirements through military channels and that advice of loading will be sent later.

3. Meanwhile ALCOM will arrange to set aside from Italian Government stocks required supplies for these areas and such supplies as are ultimately shipped by military authorities as result of action in para 2 will be used for replacement to extent that AMG has drawn on Italian Government stocks. Any balance will be applied against future VENEZIA GIULIA and UDINE requirements. Future ALCOM requisitions will be adjusted accordingly.

4. AMG VENEZIA GIULIA and UDINE will coordinate fully with ALCOM in distribution of supplies and planning of future requirements to secure maximum utilization of Italian resources.

5. It is requested that AMG VENEZIA GIULIA and UDINE submit by 12 October in coordination with and through ALCOM to this HQ monthly requirements for the 6 month period beginning January 1946. These requirements will not vary from scales laid down for NORTHERN ITALY and it is presumed that they will closely approximate to those already submitted for September-December.
