SUBJECT: Torri i Guido prison-agent of 1 jail of Macerata.

In relation to above mentioned letter, we inform the Allied Commission, that the promotion to a higher rank of prison-personnel is regulated by determined prison dispositions.

Therefore although we appreciate in full, Torroni Guido's treatment towards Anglo-American prisoners, we have been unable, in spite of our best intentions, to promote him to a higher rank.

We have also examined the possibility of applying in his case the benefit contained in Art. 36, which favours promotion of the personnel for exceptional services rendered to the Administration - duty or service which put their life at stake. Thus, in what Torroni Guido has distinguished himself for, the a/m rule cannot be applied.

To reward him, we have conferred on him the benefit of Art. 58 and said reward to be mentioned in his service number.

custodia delle Carceri di Macerata.

In relazione alla nota sopradistinta, si rende noto a codesta On.le Commissione che le promozioni al grado superiore del personale di custodia delle Carceri sono regolate da tassative disposizioni regolamentari.

Pertanto questo Ministero, pur apprezzando il comportamento dimostrato dall'agente TORRONI Giulio verso detenuti di nazionalità anglo-americana, non trova modo, malgrado ogni migliore disposizione, di venire incontro alla di lui aspirazione di essere promosso al grado superiore.

E' stata esaminata anche la possibilità di applicare in favore del medesimo l'articolo 36 del vigente regolamento per il Corpo, ma nei fatti per i quali egli si è distinto, non si riscontrano gli estremi di detto articolo, il quale dispone che possono essere promossi per meriti eccezionali gli agenti che abbiano reso servizi straordinari all'Amministrazione, con evidente pericolo della vita.

DATE 12 MAR 1945

1. Reference your memo of 5/512/13 dated 12 Feb 45.
2. Inquiries have been made to ascertain accuracy of the statement made by TOMMASI Giulio and there is no doubt that certain members of the Allied Forces did escape from the prison at Macata on the 18th of April 1945.

The records show the names of the prisoners as stated in TOMMASI's letter and they were obtained by him from the prison register.

From these records it is impossible to find out exactly who the Allied prisoners were and there is no one available to confirm TOMMASI's story. I do, however, feel, there is a great likelihood of truth in it as TOMMASI worked with a FASIAN Angelo who I understand, acted as guide to them when on their escape.

TOMMASI is 35 years old, married, with 4 children whose ages range between 11 and 7 years. He entered the prison service in 1939 and has been recommended for promotion by the Capo Guardia and the Procuratore del Regio, who speak well of him.

8th Jan 1965

TO : Hq. AMG. Rome

We are forwarding the attached letter in a closed envelope, addressed to Hq. A.M.G. by Warden

TORRONI Giulio

The Public Prosecutor, Director
Sig. ????

Translation of Enclosure.

8th Jan. 1965

TO : Hq. AMG - RomeCOPY TO : The Minister of Grace and Justice - Rome

I the undersigned, Giulio Torroni, Warden on duty at the Judicial Prison of Macerata, doubting that what I did may still be ignored by the A.M.G., permit myself to communicate the following:

I first organized and then put into effect the plan of the escape carried out on the night of the 29th April 1944, when I had the honour of setting at liberty 10 prisoners of English and American nationality. ~~Four~~ Four of them had been sentenced to death and the others ²⁸⁹⁴ to very heavy punishments by the German Military Court.

Such a work is worth the most coveted reward, if one considers in what a danger I put my life and that of one of my numerous family.

But I'm sorry to say that the service I rendered has not been taken into just consideration, since, in spite of the promises I received, I have seen no sign of

2

gratefulness so far

Major Lorku who at the time he was being held in prison, was only a Captain, and Mr. Alchik Siluri, a trustworthy agent of the Allies, promised me the sum of 100,000 if their escape should be successful. To tell the truth, I must point out that only Major Marke gave me 20,000 lire as a reward for the work I did for the Allies.

I have waited up to ~~the~~ now to inform you of the above owing to the fact that Maj. Lorku (who went here under the name of Louis Joban) assured me, at the moment of the escape, that as soon as Maccata would be liberated, he would come back here and settle my position.

Furthermore, I wish to add that also Mr. Siluri promised me in the name of the Allied Authorities to find me a job with some other State Agency, in order to improve my economic and social condition.

But seeing that Maj. Lorku has not turned up any more although six months have passed from the date of the liberation of Maccata, and considering that my financial standing is very poor, owing to the many children I've got to feed, I feel that I ~~must~~ should ask you to help me. My request is also supported by the fact that I had to undergo a trial by the German Military Authorities, which resulted in my absolution.

What am I now asking for? Not money, although

it might be the main source of my family's ³ welfare, but an improvement in my career as a reward for what I did.

According to the prison Regulations in force, the promotion to the higher rank of Vice-Chief Warden cannot be granted to the Wardens aged over 34.

Although I have not reached that limit yet, I am in this condition and it is really ~~severe~~ grievous for me to see that any way of improvement is barred.

The art. 36 of the a/m Regulations might be applied to my case - This article states that promotion ^{to a higher rank} can be granted to those wardens that have rendered outstanding services to the State, with evident risk of life.

In fact my cooperation to the escape ~~has~~ exposed my person to an evident and real risk of life - If things had not proceeded as thank God they did, I would not be any longer on this earth and my family would have been subjected to frightful tortures.

I know that in instances like mine ²⁸⁹³ the A.M.C. has granted promotion to those that by their deeds and not by idle talk, have proved to be worthy defenders of a just cause - Let this be done also in my case and my children's gratefulness will last for ever.

The list of the prisoners liberated on the night of⁴
the 29th April 1944 is as follows:

Bapt. Losku Andrea	sentence	to 16 year imprisonment
Schequann Leske	"	to death
Lester Douglas	"	" "
Roberts Jon	"	" "
Odriscoll Michele	"	" "
Redhead Thomas	"	" uncertain punishment
Wissir John	"	" "
Everitt Arthur	"	" "
Evanson Arthur	"	" "
Pherkins John	"	" "

besides 5 Italians returned to various punishments.

I am not in a position to certify whether
the names of the a/m English and American
subjects are correct, as I knew them only by
these names under which they went at that
time and which were transcribed.

Awaiting your decision, I remain
yours faithfully

ROMA

Io sottoscritto TORRONI Giulio, agente di custodia presso le Carceri Giudiziarie di Macerata, nel dubbio che la mia opera fosse ancora ignorata da questo On/Governo, mi permetto illustrare quanto segue:

Organizzatore prima ed esecutore poi del piano di evasione effettuato nella locale Carcere la notte del 29 aprile del decorso anno, ho l'onore di avere fatto riacquistare la libertà a ben dieci detenuti di nazionalità anglo-americana di cui quattro condannati a morte; gli altri a pene gravissime inflitte dal Tribunale Militare Tedesco.

Opera altamente degna del premio più ambito se si consideri quale rischio ho esposto la mia vita e quella della mia numerosa famiglia.

Ma mi rincresce dirlo, tale servizio non è stato, sino ad oggi, vagliato nel suo giusto valore, poiché alcuna riconoscenza è stata a me usata nonostante le promesse fattemi.

Il Maggiore LOEKU, Capitano allorquando era qui detenuto e il Sig. SILENZI Alcide vostro agente di fiducia mi promisero la somma di L. 100.000 (centomila) qualora l'evasione fosse stata condotta a termine e, per debito di verità dichiaro che solo il Maggiore MAKE' mi consegnò ²⁸⁰⁰ somma di lire ventimila a titolo di premio per l'opera svolta a favore degli Alleati.

Ho temporeggiato sino ad oggi a fare presente quando ho esposto perché il Maggiore LOEKU, che qui figurava sotto il nome di LOWRI Joben, mi diede ampia assicurazione, all'atto dell'evasione, che non appena Macerata fosse stata liberata egli sarebbe qui ritornato per sistemare la mia posizione.

Aggiungo, inoltre, che anche il Sig. SILENZI, a nome del Comando Alleato mi promise che mi avrebbe fatto occupare presso qualche altra amministrazione statale e ciò allo scopo di migliorare le mie condizioni economiche-sociali.

Brought out for
Prison Reports

Bologna

È stato però che il LOSKU non è più tornato non tanto fossero già trascorsi sei mesi dalla data della liberazione di Majerata e considerato che il mio stato finanziario è fra i più incresciosi in conseguenza della numerosa prole a carico, sento doveroso il bisogno di pregare codesto On. Governo Alleato a venire in mio aiuto, avvalorando tale richiesta dal fatto che dovetti subire anche un processo da parte dell'Autorità Militare Tedesca, il di cui procedimento penale ebbe per epilogo l'assoluzione.

Cosa chiedo ora? Non il denaro, sebbene esso costituisca la fonte principale per il benessere della mia famiglia, ma un premio per migliorare le mie mie condizioni di carriera.

A norma delle tuttora vigenti disposizioni del regolamento penitenziario, la promozione al grado superiore di sottocapoguardia non può essere concessa agli agenti che abbiano superata l'età di anni 37.

Io mi trovo in queste condizioni, pur non avendo ancora tale limite di età, ed è veramente doloroso che ogni via di miglioramento debba essere sbarrata.

Nel miei riguardi si potrebbe applicare l'art. 35 del vigente regolamento per il Corpo dove è detto che le promozioni al grado superiore possono essere conferite agli agenti che abbiano reso servizi straordinari alla Amministrazione con evidente pericolo della vita?

In fatti, la facilitazione da me data per la buona riuscita dell'evasione, ha esposto la mia persona di fronte ad un evidente, lampante, reale pericolo di vita perché se le cose non fossero andate come per grazia di Dio sono andate io non sarei più fra la gente terrena e la mia famiglia ²⁸⁸⁵ avrebbe stata sottoposta a chissà quali torture.

Si consta che, in casi analoghi, codesto Governo Alleato ha concesso promozioni a coloro che si sono dimostrati, con le azioni non con le chiacchiere degni assertori di una Giusta Causa. Ciò sia fatto anche per me e la graditudine dei miei figli sarà imperitura.

Ecco l'elenco dei prigionieri liberati la notte del 29 Aprile 1944.

With reference to your AGC/14201/2/PS dated 27th Feb. and ours ref. R5/514/3 par 2 dated 28 March 44, it now transpires that the Capo Guardia FICOT of San Severo prison was retained at the request of the Garrison Commander in order to give assistance in maintaining the buildings. The two guards mentioned in para 1 (a) of our letter of 28 are two ex prisoners who are employed as general duty men, one of which acts as interpreter.

This arrangement also has the approval of the Garrison commander. It is understood the U.S. Military particularly request that FICOT be left where he is doing useful work.

1. Reference your letter ACC/1/201/2/PS dated 27 Feb, the present distribution of the prison guards of San Severo Prison is as follows:

- A. The Capo Guardia and two guards are still at San Severo at, it is believed, the request of the Army authorities
- B. The Sotto Capo Guardia and six guards are employed at Lucera Prison.
- C. The remaining seven guards are at the jail at Forresaggiore. It is thought that three or four of these guards might be transferred without impairing the efficiency of the jail.

2. As regards para 1, we are making further enquiries as to the necessity of the Capo Guardia remaining at an Army Prison, and will let you know the result in due course.
