SUBJECT : Civil Prisons Administration.

TO : Public Safety Sub-Commission,
Rear H.Q., A.C.C.

1. With the advance of the Armies into former enemy held territory, the provision of Civil Public Safety Officials has to be considered so that civil government may operate as soon as it is compatible with the military situation to do so.
2. With your co-operation, a prison director has been found for Littoria Province. It would be appreciated if this H.Q. could be advised whether the new man, Dott. SOMMA, Angelo, from NISIDA Prison, will be responsible for the whole of Region 4, exclusive of Rome City, as, if not, directors will required to be found for Frosinone, Provincial Rome, and the other provinces of Region 4.
3. Likewise, there will require to be appointed Questori and Directors of Vigili Fuoco, the latter not being of such great urgency, but, nevertheless, important.

Could personnel be found by the Italian Government, for these posts?

For the Commanding General:

E.B. MAYNE,
Lt.Col., U.S.A.,
Chief of Staff,

Hitherto Capt. Alden has covered the Region as it existed before April 23rd. Will you please state if he is still to cover Region VII as well as Region II.

He cannot effectively do the work for both Regions.

SUBJECT: Appointments -- Officers.

TO: C-1 (For attention Major McDougall)

1. Reference telephone conversation with Public Safety Sub-Commission regarding Capt. R.M. Hill, Lieut. Comdr. Milner Gallien, and 2nd Lt. J. Guarini, these three officers were asked for by AMG, Hq. ACP.

2. It is recommended that they be assigned as follows:-

- (a) Capt. Hill to Region I as Superintendent of Prisons to replace Capt. H.J. Brown, if this latter officer is the one alerted for U.K.
It is possible that Capt. A.J. Brown is the officer intended for U.K.
- (b) Lieut. Comdr. Gallien to Region V Prisons.
- (c) 2nd Lt. Guarini to Region IV Prisons.

SUBJECT: Personnel for Prison Administration

MEMORANDUM: COL. PURCOLD

1. This sub-commission is in immediate and urgent need of services of an officer with qualifications as a prisons administrator
2. Originally, there were three officers assigned to this sub-commission as prison administrators
 - a. Capt. John C. Burke, now *alerted* for movement to U.K.
 - b. Capt. Henry Young, detailed to Displaced Persons
 - c. Capt. B.L. Alper, who was dispatched from Tici-Cuzon, and in the meantime detailed to some other duty by AMC Hq.
3. The prison situation in Region II is in some aspects, becoming increasingly acute and direct contact with the Italian Director of Prisons by a competent prisons administrator is desired.
4. It is urgently recommended that either Capt Young or Capt Alper be immediately restored to original assignment with this Sub-Commission in order that indispensable work be carried out. Priority in the other named.

1. No officer has been detailed to perform the duties of Superintendent of Prisons in this Region for two reasons; first, there was no officer with specialist qualifications for such work, and secondly, CAPO's have been, as part of their duties, checking the basis upon which persons were confined, inspecting the general state of the prisons, and making such suggestions for improvements as were feasible. In connection with filling the vacancy created by the transfer of Lt.Col. Pollock, a request has been made for a British captain to perform the duties of Supt. of Prisons. 4219
