1. In reply to your letter No. M.73100/1.307 - 22 October 1944 the Regional Public Safety officer has suggested the following, that Dr. Somma Angelo (Rieti Reformatory) be substituted for Dr. Di Giorgio as Dr. Somma has had seven years experience with juveniles at Rieti and could be used with good results at S. Efremo and Dr. Di Giorgio to take over directorship of S. Maria C. Vetere Judicial Prison which has need of a strong man.

2. If it is possible to comply with the request of the Regional Public Safety Officer of Southern Region, will you kindly let this office know so that he may be informed.

2. Before putting the proposed staff changes into effect, would the Ministry of Grace and Justice consider substituting Dott. SOMMA Angelo (Nisida Reformatory) for Dott. DI GIORGIO.

3. Dott. SOMMA would be a good choice for S. Eframo as he has had seven years experience with juveniles at Nisida. Also it would leave Dott. DI GIORGIO free to take over the directorship of S. Maria C. Vetere Judicial Prison, which has need of a strong man.

2nd Indorsement. 27 Sept. 1944

Subject: Proposed change in prison personnel.

1. Strenuous objection to the proposed transfer of Sottocapo DELLE Morrace and Sottocapo PUOTI Vittorio is made by the present director of Regina Coeli. He bases his objection on the valid claim that these men are employed in the Matricola (record section) of the prison and their transfer during a time like this, ie; when the greatest and most important demands are being made on the matricola staff, would result in the crippling of this section just when its services are needed most urgently.

2. In terms of good administration, the undersigned endorses this objection and requests that the sub-commission with-hold endorsement of the proposed transfer.

3. There is no objection with regard to other proposed changes in personnel.

Lord Keeper of the Seels
Minister of Grace & Justice. 22 September 1944.

N. 72411/I.20.I

129A

Answer letter ACC/14208/I/PS, dated 18 Sep.44.

Subject : Direction Rome and Naples prisons.

To : A.C.C. Public Safety Sub-Commission - Rome.

129A

I take note of contents of letter, dated 18/9/44 with which you communicate the impossibility of authorising the transfer of dott.G. Battista Mazzarisi from the Hq. of Florence prisons to that of Rome prisons.

Thus, since the Ministry feels always more the necessity to restore, in the establishment of Regina Coeli, the most orderly discipline and the public opinion claims it, it is urgently necessary to substitute commissario Strazzera with a titular director, who may be trusted owing to his experience and prudent firmness.

As I already had the opportunity to refer to Major Harbury, I propose to transfer to the Hq. of the prison and penal house of Regina Coeli in Rome, dott. Domenico Donati, at the present time director of the Poggioreale prison in Naples.

Dott. Ermete Tonomi, repeatedly praised and appreciated by the Allied Authorities, could be appointed titular director of the Poggioreale judicial prison, which is the most important in the Kingdom, keeping always and reassuming the inspective duties of the Southern Zone, as it was proposed for authorisation of your Commission with letter n.72253, dated 16.9.1944.

34A

In consideration of the urgency of normalising the service of the Regina Coeli establishment, I am sure, that this A.C.C. will grant the approval of the prospected movement.

Subject: Transfer of officials (Basic communication attached).

To: E.W. Hanbury, Maj., P.S. Sub-Commission.

1. The proposed transfer of MASIA, Sebastiano from Regina Coeli is complicated by the fact that he is ill at present, incapable of carrying out his duties, and is expected to have an operation on a neck artery soon.

2. No comments or objections on other proposed transfers of personnel.

3. The undersigned has consistently criticized the evident lack of training received by the guard personnel of Regina Coeli. Their behaviour, expecially during times of distress, reflects lack of firmness, courage, loyalty, and a pre-requisite knowledge of the principles of inmate-control. A sweeping change of personnel would, it is believed, be a good move.

Obj:Transferring

There are severe and urgent reasons of service,that impose the immediate removing from Rome of the Chief of the Penal Settlement Regina Coeli,Mr.Masia Sebastiano,who will be sent in Cosenza/

As we immediatly need to subtitute some one in the place of Masia, the Ministry,considrating the importance of the job of Comandant of that prison,must be carefull in selecting the proper person/

Having carefully weight the precedings of several comandants of prison,now on duty,we have selected Mr.Lisi Gioacchino,comanding the prison of Naples.He might be sustituted by Comandant Daini Danilo, now in Spoleto.

That's for we ask the ACC.to give,with kind quickness,the authorisation for transferring Mr.Lisi from Naples to Rome and Mr.Daini to Naples.

OGGETTO: Trasferimenti.

Gravi ed improrogabili necessità di servizio impongono l'immediato allontanamento da Roma del comandante delle carceri di Regina Coeli Masia Sebastiano che sarà trasferito a quelle di Cosenza.

Poichè è indispensabile che il posto che sarà per essere lasciato vuoto dal Masia venga subito colmato, questo Ministero, data l'importanza della funzione del comandante delle dette carceri, deve preoccuparsi della scelta della persona che dovrà disimpegnarla. Dopo un accurato esame dei precedenti di carriera dei vari comandanti attualmente in carica, si è fatta cadere la scelta su Lisi Gioacchino attualmente presso le carceri di

Si prega, pertanto, codesta Onorevole Commissione di compiacersi concedere, con cortese sollecitudine, il relativo nulla osta perchè il Lisi da Napoli sia trasferito alle carceri di Roma e il Daini a Napoli.

Subject:Appointments of ex-Prison Officials.

1. In connection with your communication of 31 July 1944 (File ACC/14208/1/PS),the following is submitted:

2. Appreciation is expressed of the sub-commission's decision to refuse authority for transfer of the above officials to other posts in AMG territory.

3. The following memorandum is on file in this office, as a result of investigations made by the undersigned immediately following the Allied entry into Rome.Its truth is vouched for by three of the other officials on the list in question:

"Subject: SGANGA,Dr. Francesco,General Inspector.
Fascist before 1922.He collaborated with the Fascist Party in the service of the Prefect Mori and the public.Prosecuted Giampietro for fighting antifascism,under the pretence of repressing delinquency in Sicily.
He endeavoured to get the fascist decoration "Sciarpa Littorio"but did not succeed.Thru his fascist powerful connections he succeeded in being appointed General Inspector, although he exceeded the age limit (65 years),escaping then the duties of his office,performing simpler duties not proper to his degree. He is now 72 years old."

4. The undersigned has,on the basis of his observations and accurate knowledge of the capabilities and general political background of Dott. Carretta,Donato,ex-director of Regina Coeli, expressed his opinion to the Regional Commissioner and to the Chief, Public Safety Division,that Carretta appeared worthy of generous consideration by Allied Government personnel.
He reiterates this sentiment to the Sub.Commission.

5. It is not felt that any of the other persons are deserving of special consideration.

1) Attached is a copy letter dated 18 July 1944 forwarded by you to the Ministry of Grace and Justice and directing that certain prison officials be removed from office.

2) On 25 July 1944, the Minister of Grace and Justice applied to this Sub-Commission for authority to transfer to other posts, 8 of the officials named by you. Copy letter attached.

3) As the transfers in the cases of CARRETTA, MARANO, BELFIORE and AMERICOLI are to other posts in A.M.G. territory, it is proposed to refuse authority.

4) LANZETTA does not appear on your list, and it is proposed to approve the transfer in his case.

5) Is there any objection, from your point of view, to the appointments proposed for SCANGA, MARRACINO, MORVILLO and MAZZARISI. In the cases of the first three, although their function is dependent on the Rome administration, their actual work will be in Italian Government Territory.

1. MAROTTA (MAROTTI) Vincenzo di Domenico, born 27 Jul 1889 at S.LUCA (prov.Taranto); ex-Comandante 10 Classe, was one of the most active Fascists in the Caranai district of BARI.

He was Capoguardia at the Civil Prison, BARI, until 1939, when he retired on a pension.

Attached is a copy of a statement handed to an NCO of this section by NOLLI Crocifisso, Capoguardia at the BARI prison which refers to MAROTTI's activities. Although our informant is obviously concerned at the prospect of being transferred to a less congenial post as a result of MAROTTI's re-appearence, he appears to be quite honest and truthful.

We have confirmed by reference to the CC.RR. that MAROTTI was a prominent local Fascist, being one of the organizers and administrators of the district group.

2. He re-appeared at the prison on 8 May 1944, declaring that he was being recalled and would be re-appointed to his old position as Capoguardia. We understand that he is now acting in that position although his re-appointment has not yet been confirmed.

3. In view of the fact that this section uses this prison to house suspects before and after interrogation it is very undesirable that a person of strong fascist sympathies be allowed to hold a key position there.

MEMORANDUM

The undersigne ROLLI Crocifisso, Commat nt of the Prison Guards, was officiell appointed Head Warder of the BARI Prison. Some time ago, he was contacted by the Commandant MAROTTI Vincenzo, who has been in pension for 5 years, and he told him that he had presented a petition for being recalled to service. Marotti begged him to write a statement to the Ministry, renouncing therein to the title of Head Warder; as the writer would not do so, Marotti succeeded in being recalled by means of his recommendations, and is now trying to do any harm possible to the writer in order to obtain the appointment by the Ministry. In fact, some time ago, I had been destined to do my service at Taranto, but I objected to such an order (issued by telegram) of the Ministry of Justice. Another telegram compelled me to leave for Taranto, and I, being aware of Marotti's underground plotting, realised that it was not the question of a temporary removal, but of a definitive one, wherefore I pretended to be ill. I remained in this prison undisturbed through the protection of the Allied Authorities, and fulfilledmy duties. With Marotti's recalling to service the fight against the writer revived, as he wishes at any rate to become the Head Warder. It should be noted that he had presented a petition to the Ministry on this matter on the 8 inst. and keeps saying to some persons that he would surely obtain the appointment being strongly recommended. He stays in the Villa of the Commendatore Firrare, sostituto Procuratore Generale.

Marotti and the Ministry probably forget the Fascist activity spread by Marotti himself. Moreover he forgets the time when he wore the fascist uniform, because he was a member of the UNPA Management of the fascio Domenico Caporza (Carrassi) to be-have as "Pagliaccio" with other Fascists. He is accompanied by his fellow countryman Panico Antonio, another Squad Leader of the late MVSN. Marotti's wife and children are being constantly at Panico's home (who is also Caporguardia in this prison), presumably with the purpose of organizing what they should do to damage the writer, knowing well that there is nobody to protect him and that he has never shown the least desire of getting connected with Fascism, in spite of the morning and evening appeals at the time of Marotti's active service.

These facts, especially those regarding Panico could be proved and confirmed by the CC.RR., Bari CARRASSI (Noran Sicilia) whereas Sig. De Candia Giacomo is able to produce information about Marotti. De Candia lives in Via Premuta (Corso Sicilia). Furthermore, I have learnt that within a few days, the agent Squadrista Ruggiero Luigi will return from his temporary service at Brindisi, where he was sent after the collapse of Fascism, so that he may escape the justified [illegible] on the part of other agents. He is Panico's friend. About Ruggiero the CC.RR. are able to give information. All these Fascists tend to gather with the aim of doing damage to those who never wanted to have anything to do with Fascism. The Ministry cannot deny this facts and it would do to go through the files to get an idea of the numbers of

496

P.T.O.

Declassified E.O. 12356 Section 3.3/NND No. 785016

Fascists retained in this prison, and it is surprising that Zarotti has been recalled to active service and that neal Fascists are held on predations at this Prison. It is common knowledge, that there was some purge (defascistizzazione) but no proceedings had been adopted as yet in the ranks of the Custody Agents, who are the very people in contact with the imprisoned Fascists.
And yet the Ministry does not take into consideration the services rendered by the writer since the fall of Fascism and there should be examined the files to ascertain that there had been 21 attempted unrests of a population of about 1900, all being settled without bloodshedding. Anyway, both not to do harm to people and to enable the non-Fascist officials to perform their duties properly, they ought not be disturbed by the presence and nuisance of Fascists. I beg consequently for the protection of the Allied Authorities to ask of the Ministry of Justice the removal of these Fascists at least from this prison, impeding by telephone the s/m Ministry to dominate Marshal Head Warder of this prison. I would be obliged for the utmost discretion of my name as I fear the unjust persecutions which I undeubtedly should suffer spelling thus my sacrifice, being father of 5 children.

Thanks and I remain yours faithfully

(sd) ROLLI Crocifisso,
Capo Guardia nelle Carceri di Pari.

Reference made to the letter above mentioned I beg to inform that Hon. Command that the named Agent has been entlisted the 16/1/1943 and taken on duty by the Agents School of Portici.

From there the 19/4/1943 he has been transfered to the S.Stefano's Jail, where he arrived from Portici, left the 1st of May, the 4th of said month.

Transfered, owing to his family particular situation, by him stated in an application presented, to the Judiciary Prison of Naples, he has been, under many standpoints helped, namely for having been sent in a big town, on duty by a very much important Establishment as that of Poggioreale, and especially, without having spent at S.Stefano the two years, which by regulations, every agent has to spent in a residence before being transfered to an other one.

Considering therefore the advantage already obtained by the Mascitelli and besides, in order that he is an agent at the begining of his career and therefore an element who has not jet given the possibility to judge his own possibilities, unfavourable opinion is expressed for the reception of his petition, considering also the service difficulties in the Judiciary Prison of Naples.

The undersigned, Bruna Maria, wife of the Custodian, Mascitelli Antonio fu Basso e di Tortorelli Elvira, born on 10 August, 1913, presently on duty at the Judiciary Prisons, Naples-Poggioreale- is appealing to the S/C for the transfer of her husband from the present place to any one of the following:

Siracusa - Noto - Catania

Allow me to present the miserable family conditions - a mother-in-law, age 72; two sisters-in-law, both single, and an infant child. Robbed, deprived of every moral & material comfort as a result of the bombings in Siracusa.

The writer, alone, with an infant child, was compelled to leave the land where she was born, Sicily, and seek shelter in Boiano (Campobasso), via Conte Ugone, No. 114. The writer wanted to appear personally to your sub/C but due to the lack of transportation, she was unable to obtain the permission from the Allied Command for the transfer of her husband in one of the a/m places.

She has at the present time her personal

The remarks of the Regional Legal Officer Region 2 were duly noted and it was pointed out to the Prisons Officer when I was last at Region 2 HQ. that the whole of the evidence against the former Prison Director was contained in my letter CL/PL/I06 dated 29.3.44.

The possiblity of dealing with this man by way of prosecution etc. was considered by the Assistant Regional Legal Officer, Region 2, (Capt.Backhouse), amongst other cases at Catanzaro on Ist November,I943, when it was decided that in the absence of actual proof that he did, MICALE, commit the offences alleged, that he should be released, provided of course, that he was not re-employed again at Catanzaro Prison but elsewhere.

The report including this decision was submitted by Captain Backhouse on 4th November, I943, to the then Legal Officer i/c Region 2, Major Mark De Wolfe Howe, who approved of the decision, and whose approval was also countersigned by Major POLLOCK, the Regional Public Safety Officer, Region 2

Having regard to the above particulars and the fact that Micale Giuseppe is now employed at another Prison, in, I believe, his former occupation, and that there is no actual proof against him, it is obviously impossible to proceed against MICALE and I respectfully suggest that the file on this particular subject be closed.

The remarks of the Regional Legal Officer Region 2 were duly noted and it was pointed out to the Prisons Officer when I was last at Region 2 HQ. that the whole of the evidence against the former Prison Director was contained in my letter CL/PL/106 dated 29.3.44.

The possiblity of dealing with this man by way of prosecution etc. was considered by the Assistant Regional Legal Officer, Region 2, (Capt.Backhouse), amongst other cases at Catanzaro on Ist November,1943, when it was decided that in the absence of actual proof that he did, MICALE, commit the offences alleged, that he should be released, provided of course, that he was not re-employed again at Catanzaro Prison but elsewhere.

The report including this decision was submitted by Captain Backhouse on 4th November, 1943, to the then Legal Officer i/c Region 2, Major Mark De Wolfe Howe, who approved of the decision, and whose approval was also countersigned by Major POLLOCK, the Regional Public Safety Officer, Region. 2

Having regard to the above particulars and the fact that Micale Giuseppe is now employed at another Prison, in, I believe, his former occupation, and that there is no actual proof against him, it is obviously impossible to proceed against MICALE and I respectfully suggest that the file on this particular subject be closed.

MINISTRY OF GRACE AND JUSTICE

NOTE FOR A.C.C.

SUBJECT : Financial help to families of the Prison Guards which are in Italian Colonies occupied by Allies.

The wife of the Commander of the Prison Guards Corps, CATINO Francesco, and the wife of the Guard FEZZINA Sebastiano have sent this Ministry a petition requesting part of the of the wages which are due to the respective husbands who are performing their duties in Tripolitania.

This Central Administration cannot satisfy their request as there is no law which applies to said cases.

The question was examined at the time for the families od State employees who were in territory occupied by enemy.

The families, by virtue of circular from the Head of the Government, No. 3762 dated 10-11-43, which extends the provisions of Art. 41, R.D.L 19-5-41, No. 583, concerning financial aid to the families of prisoners either interned soldier or militarized, are entitled to 1/2 or 1/3 of their pay depending upon the nature of the family whether acquired (wife, children) or of origin (father mother)

'A' Other provisions for probable financial hepl to families of State employees who are in Italian colonies are now being studied by the Presidency of Council.

While we await that this matter may be completely and defintely regulated owing to the pressing need of the request, it is to be hoped that Allied may find the way of letting the families of the prison guards remained in colonies, have part of the salary which their husband's are now getting.

THE GENERAL DIRECTOR.

1/ Spoke to Col Stephan (Finance) on 2/4/44

2/ Money cannot be transferred from Tripolitania to Italy.

3/ Steps have been taken on subject of P.O.W. in England. They can transfer money to families in Italy.

The undersigned, Stefano Arcadio, is under arrest at the Judicial Prison of Palmi from 10-5-1944. Sent the Minister of Pardon and Justice a request for being transferred to the Prisons of Lipari Islands, because I am ill and the climate of Palmi is not fit for me as it is revealed in a medical report.

I beg your Commission to intercede at the said Ministry so that the request might be accepted.

I am an orphan of war, have a lot my father in the Grand War.

If at Lipari there is no vacancy for regular personnel, my punishment would accept a transfer for Nicastro 1944 Ca-tanzaro. And if even this would not be possible, he would accept to be transferred to Vibo on a temporary duty.

Thanking you in advance Yours truly

The following views are expressed regarding transfer of prison staff as proposed by the Ministry of Grace and Justice.

1. MARRA Alfonso, Agent.

This transfer will be effected as soon as a replacement can be found for Marra, who, in view of the fact that both prisons concerned are in Region 3, will be informed of the position by this office.

2. RUSSO Alfredo, Agent.

There is no objection to this transfer. It is pointed out, however that it was only a month ago that this agent was posted from Benevento to Cosenza at the request of the Ministry of Grace and Justice.

3. DR. JANNELLI Nicola.

There is no objection to this transfer.

4. PROF. SAPORITO Filippo.

Apart from his other duties at Aversa, Prof. Saporito is Sanitary Inspector for this Region. However, providing that:-

1. The Ministry of Grace and Justice find a substitute, or
2. that he can continue his inspectorate duties, which do not take up a lot of his time, in this Region, there is no objection to the transfer.

TO : Ministery of Grace and Justice.

The undersigned Carbonara Vito chosen guard on duty at the Judicial prison of S.Maria Capua Vetere, wishes to be forgiven for the liberty of addressing himself to the Ministry but he is compelled to do so as he found incomprehention when he followed the proper channels.

The case that he shows is very serious and it is required a very urgent solution, for which he is sure that it will be taken into consideration.

On the 2 Feb. 44 he had a leave of 10 days to accompany his family to Bari where th y were called for the death of his father-in-law. He went there but after the 10 days he was unable to take his family back ti S. Maria as the Canadian Command did not want to grant him the permit.to travel. compelled

Being so obliged to return alone he was obliged to eat at restaurants and undergo to expense which could not meet with his income. The most painful thing is that he cannot help his family also because the post service do not function in this zone and money cannot be delivered to them.

As the Central Directorate has provided that a leave of 20 days can be granted to those who must go further than Basilicata the undersigned made a petition to that Directorate requesting for the above said reasins the leave of 20 days.

The family of the undersigned lives only on the his salary who cannot be supported if he lives in Bari , and the rest in Basilicata. The lack of [illegible], the certainity of their sufferance, the impossibility of his helping them, causes the undersigned a real pain which deprives him to be tranquil. Sure that you will understand his needs the undersigned addresses himself to your Ministry, in order that he may have the leave which will anable him to have his family back in S. Maria.

SUBJECT: Prison Guard PAPALEO Mario.

TO.....1 ACC. Public Safety Sub-Commission.

On the 2nd April 1944 a list of 10 Prison guards of the prisons of Avellino, Benevento and Naples was sent from the Central prisons of Naples.

These guards were destined by your Sub-Commission, at the disposal of this Ministry to some prison in Liberated territory where new guards were needed.

Among the 10 suggested agents there is Papaleo Mario who was destined, by provision of 12th. April 1944 of this Central Administration, to the Penal Prison of Lecce.

The directory of the above mentioned prison has informed us that till now Papaleo Mario has not yet reached his new residence, and that the Directory of Avellino Prisons - where Papaleo is performing his duty - has been suspended until further notice, by the Central Directory of Naples.

As it is necessary that new agents - which we have not at our disposel - should be assigned to the Penal Prison of Lecce. Will your Sub-Com. order the transfer of Papaleo or communicate us the name of another agent who could take his place at Lecce.

Will you favour us with a answer.

Herewith enclosed an application by you for your decision, since Wyche and Fredericksburg are in the territory under your jurisdiction. In the vicinity 4ee 39A

— Summary of the application —

Mrs. Vicente Azzunta is requesting the transfer of Parole and Justice for the benefit of her husband, Mario Alfonso, a prisoner of prisoner, from Fredericksburg on the following grounds;

In winter 1939-40 her husband was sent from the C.R. School at Potter to the Penal House at Alexandria. There the last, in four months, two children became. The climate in that district is damp and [illegible] Therefore she went back to Southern Italy while her husband remained on duty at Alexandria for 3 and half years. The German occupation of the District, the Nazism

Nell'agosto 1939 suo marito Agaro Alfonso fu Gen
naro nato il 31-1-1913 in Grazzano (Napoli), ivi
residente, si arruolò volontario nel Corpo degli Agenti
di Custodia e venne destinato alla R. Scuola di Por
tici e dopo quattro mesi dovette raggiungere la Casa
Penale di Alessandria ove restò tre anni e mezzo
lasciando la sottoscritta, madre di tre figli in com
pleto abbandono, poiché dopo appena quattro mesi
di permanenza in tale città, dovette per subito ritorno
ad Avellino e dopo aver subito la dolorosa morte
di ben due figli proprio per la mancanza di quel
cibo.
Il 20-11-1942 suo marito venne trasferito al Carcere
Giudiziario di Benevento ove tuttora presta servizio,
fino dato lo stato di guerra e l'elevato costo della vita,
non potette raggiungere suo marito nella nuova sede,
principalmente per la penuria di alimentazione in Bene
vento, piena di sfollati di Napoli; poi si rallegrò pen
sando che era in un sito quel modo, grazie vicino
agli Stati occupazione Tedesca di Benevento e provincia
e col conseguente esaurirsi dei mezzi di alimentazio
ne, le sue sofferenze fisiche morali ritornarono più

fuori di prima specie perchè suo marito non può più raggiungere la sua casa per la totale mancanza dei mezzi di trasporto e poi perchè essa non poteva fuoruscirsi nulla per vivere dato lo stato mal fermo della sua salute -
Attualmente poi la sua vita è diventata un martirio calvario poichè le sue condizioni sono quanto mai pietose - Dopo aver subito la perdita di ben quattro figli, la sottoscritta si trova in Mellino con una madre cieca e paralitica, una bambina di appena quattro anni ed in stato interessante, fino al parto, che avverrà nel maggio prossimo, e con la preoccupazione maggiore che il marito si trova lontano - Tale preoccupazione è giustificata dal fatto che in altri due parti, per la lontananza del marito rimase priva di cure ed in ciascuno di due disgrazie. Una prima volta si abortì ed una seconda partorì con l'assistenza del sanitario fra sofferenze inenarrabili -
Ed è perciò che la sottoscritta, nell'approssimarsi del nuovo parto si onora umilmente pregare codesto On.le Ufficio, di voler disporre il trasferimento del proprio marito Maria Alfonso dal campo di Benevento a quello di Mellino, a tutte sue spese e non ostando il regolamento e le disposizioni di legge poichè il marito è della provincia di Napoli e la sottoscritta non è di Mellino città -
