SUBJECT : MUSCO Sarah married Ghionni.

14211
With reference to letter AC/15241/PS dated March 5, 1946, it is communicated that the Prefecture of CHIETI, asked to urgently deliver the letter addressed to the person in subject, has informed that Mrs. MUSCO Sarah, married Ghionni, does not reside any more in that town. At No 46 of Vico 2° S. Maria, lives a sister of her husband, named Angela GHIONNI, who had declared she never knew her sister-in-law, nor had she ever had any news from her; so she does not know her present address.

Enquiries have been made at the Census Office of Chieti in order to find her next kin and to borrow better news, but said Office has no record of the family name "MUSCO"; furthermore from the births' registries it does not appear that the person in question was born in Chieti on September 30, 1908 or within that decade.

Accordingly we return enclosed herewith the letter addressed to Mrs Sarah Ghionni, married Musco (?).

In relazione alla nota A.C./I42II/P.S. del 5 marzo c.a., si comunica che la R. Prefettura di Chieti, interessata per la sollecita consegna della lettera indirizzata alla persona indicata in oggetto, ha riferito che la signora MUSCO Sarah in Ghionni non risiede in quella città. Al n. 46 del Vico 2° S. Maria, dimora la sorella del di lei marito a nome Angela Ghionni la quale ha asserito di non aver mai conosciuta la cognata Musco Sarah, né ha mai avuto da lei notizie, per cui ignora il suo recapito.

Sono stati praticati accertamenti presso l'Ufficio Anagrafe del Comune di Chieti anche ai fini di rintracciare prossimi parenti, e di poter attingere migliori notizie, ma non vi si riscontra censito il casato "Musco", né risulta dai registri di atti di nascita che la stessa sia nata a Chieti il 30 settembre 1908 entro quel de-

A SUA ECCELLENZA L'AMMIRAGLIO E. STONE
Capo della Commissione Alleata
R O M A

Sir/ This appeal is directed to your goodness and clemency in regards to one of my sons, soldier Cocanari Sergio who is presently at concentration camp n. 209 P.O.W., matricular num. 961322 B Naples. Born in Rome July 1st 1925, underwent like his coevals the pernicious influence of fascist schools and at 18, was somewhat compelled to undergo a parachute training with a thousand amazing promises.

Enrolled after this course of training and sent to northern Italy, with the advancing Allies he remained divided from his family.

Being at Brescia never had a chance to take military action of any importance nor any against his fellow patriots, so that when the garrison surrendered a document was subsequently issued to him by the local "Comitato di Liberazione" stating that is exempt from military and political errors and with which he was able to get back to Rome.

As soon as he arrived here his first thought was that to get to his district (which thing can be proved at any time) and ask for informations in merit of his eventual military duties, although not yet 20 years of age and was told to wait for instructions which would not take long. Viceversa on the 25 of May 1945 he was arrested at his domicile by the Italian police and assigned to a/m Camp.

Very important is the fact that after his return home it was possible to find out how, besides the cowardly behaviour of his officers towards the troops during the days of danger and before that of surrender, and what he was able to see and know of fascist systems, it totally changed his view that he subsequently hated then because they took profit of his young age and unexperience to ignobly deceive him.

I counted on cultivating those sentiments for turning him an authentic antifascist, when his arrest took me away that opportunity and giving him the bitter grief to be imprisoned at the very moment when his sentiments were being changed towards the wholesome principles of democracy and liberty.

I appeal to you, Sir, to let ^{me} re-have my son to accomplish that education which I believe the most important, the most duties of all my life: I have ~~also~~ two other sons both prisoners in East-Africa since 1941 (one is a sergeant in the Marines, the other belongs to the 2nd motor Unit); but I should like above all to dedicate my

2

work for said moral healing which in this moment is an unfailing result. I could not be otherwise but a perfect teacher.

For I never asked to be inscribed in the Fascist Party, from a social position which was in effect comfortable and becoming I, ran down to moments of misery and of famine which my family bravely faced with me. Film operator (the first in Italy and undoubtedly a world's pioneer in this art), with my work lent for many years with the concerns "Cines" "Pathé" etc. after having executed the first war film-reportage for the campaign of 1911 and collaborated to the creation and development of the Italian film industry, never had any support from the fascist government nor any sort of engagement was allowed to me, all the roads being closed up because it was necessary to produce the fascist card of inscription: that card which I never liked to take but which signified invariably ostracism and unemployment!

I herewith include a copy (keeping original at your disposal) of an official authoritative letter to uncomfatably confirm what has been already asserted. It is therefore with some hope that I renew my request for the liberation of my son who, through his actual feelings and those which I can undoubtedly give him as being the most convinced antifascist one can ever ask for in the present time.

While awaiting for your decision Sir, I remains

Your respectfully

Rome 21/9/45

We received the news, to our astonishment,
that two of our partisans :

PRANDI Rolando di Ferruccio
MANICARDI Alfonso di Ildebrando

are interneed in a that concentration Camp.

In truth they certainly do not deserve
this fate, considering they have fought for long
months for the liberty the Country has now reached
but which the two young men cannot enjoy. So much
so that they crossed the fire lines for health-
reasons by the end of April 1945.

Trusting in your intervention for the
return to their homes, we thank you on behalf of

The undersigned Parson at Gargallo, states that the young man MANICARDI Alfonso di Ildebrando, born in 1924, living at Gargallo, Via Argine, has in the past always been of good moral conduct. He was never interested in political business and, lately, just obliged to perform his military duties.

After few months he went home on furlough and remained there hiding himself.

Later he crossed the front-line joining the Partisans as you already know.

Clark per conoscere dove attualmente si trova il Sig. Amedeo Alvera ha comunicato che le indagini esperite al riguardo hanno dato esito negativo.

Il predetto non risulta iscritto nelle carceri giudiziarie di Belluno nè in quelle di Bassano del Grappa.

Nulla in merito hanno potuto riferire l'Associazione Nazionale Partigiani di Feltre e il Comando Militare partigiano di Belluno, in quanto l'Alvera non è stato arrestato da elementi partigiani alle loro dipendenze.

Probabilmente, facendo l'Alvera parte della polizia tedesca, si troverà in mani alleate come prigioniero di guerra.

Che l'Alvera facesse parte della polizia tedesca si desume, secondo il Questore di Belluno, dalla lettera diretta dalla Sig.ra Caterina Alvera al Generale Mark A.

following communication received by this Ministry:

"" Most of the newspapers are criticizing the situation
of the ALESSANDRIA concentration camp. There are still

of the camp, in charge as well of the release of the inter-

the insurrection, as Vice political Prefect. A/m GAMBARANA

La situazione del campo di internamento di Alessandria, ove sarebbero rinchiusi ancora oltre 600 persone arrestate nei giorni della insurrezione, fornirebbe motivo di critica specie per quanto attiene alla direzione e al funzionamento del campo stesso.

1. With reference to previous correspondence dealing with public statements made as result of information received from a Minister from Rome.
2. Information has been received from La Spezia Province that a letter has been received at the Questura there from the Ministry of the Interior dated 24th August (ref. div. pers. sez. prot. 333/14239) containing the following statement.

"It is notified that the new assignment of money, etc., will have effect from the 1st September date on which LA SPEZIA will be returned to the administration of the Italian Government."
3. The letter referred to was apparently passed through Public Safety Sub-Commission and the paragraph was underlined.
4. This would appear to be another case of a Ministry giving wrong information and such loose utterances are liable to cause trouble.
5. It is asked that this matter be again taken up strongly with the Ministry to prevent a repetition.

MESSINA

We transmit to the Commission the hereto enclosed orders of release, begging you kindly to return them to the British Military Government in Tripoli and to communicate to the latter what has been reported to this Ministry by the Directorate of the central judicial prison of Messina:

"The Allied Commission - Headquarters Sicily Region APO 394 - on behalf of the General Procura of Tripoli has forwarded to this Directorate two orders of release, which have been sent to the penal establishment of Favignana, where the prisoners Abdalla Ben Ali and Mehened Ben Ramadan have been brought in February 1943, by order of the Ministry.

The a/m Directorate has returned the orders of release under discussion, reporting that the Libyan prisoners have not ther arrived there.

From investigations made in the various prisons of Sicily, the penal establishment of Noto has reported that the a/m prisoners, who have been there detained, have been brought to Tripoli on the 7th August 1943, by Order of the English Police. Since the a/m Office of the Allied Commission has been removed, we forward the orders of release, so that the Ministry take the necessary steps."
