SUBJECT : VAN DER BACH William

TO : Director of Public Safety
Ministry of Interior.

1. Subject who has been arrested in Bolzano by the Questura, was found operating black market on a very large scale between Italy, Switzerland and Austria. He also impersonated a Captain of the British P.S.S.

2. It would appear from the modus operandi of subject that he is a very clever criminal. The Questura of Bolzano is most anxious to have subject's identity properly established and the attached copies of the "cartellina segnalatica" are forwarded for such action as you may deem necessary. It has been suggested that the Criminal Record Office New Scotland Yard, Whitehall, London SW1, may be able to assist in this case.
