2. In regard to the passage of civilians into Zone 'A'  
of Venezia Giulia by way of the trans-continental Orient Express,  
it is hereby confirmed that :

- (1) a civilian wishing to pass through Anglo-American occupied Venezia Giulia without detraining in that area, will require no special authority from this HQ - a normal transit visa issued by the Italian authorities for transit across Italy will be accepted as valid for Anglo-American occupied Venezia Giulia. Should, however, a civilian in this category detrain in this area of his/her own volition such person would render himself/herself liable to arrest and prosecution.
- (2) a civilian wishing to detrain in Anglo-American occupied Venezia Giulia will require an endorsement on his/her passport - this is obtained by the individual applying to the British or American Consul at place of residence or departure; the Consul will then signal the Security Officer this HQ asking whether or not there are any objections to entry of applicant to Venezia Giulia. The Security Officer will reply by signal and if there are no objections, the Consul will endorse the passport appropriately.
