Di seguito al telegramma del 12 o.m. e a parziale modifica di quanto stabilito al punto 4° della Circolare 2PG40/1321 del 25 aprile u.s., si comunica che, in seguito a nuovi accordi presi con la A.C.C., gli Ispettorati Compartimentali possono rilasciare permessi di circolazione ad autoveicoli che si trovano nel territorio amministrato dal Governo Italiano ma che sono immatricolati con targhe di province ancora occupate dal nemico.

Nel rilasciare tali permessi gli Ispettorati Compartimentali dovranno apporre in modo ben visibile, sulle licenze di circolazione la seguente annotazione:

Il Direttore Compartimentale

8 Si richiama l'attenzione sulla necessità di apporre tale annotazione perchè solo in tal modo si può evitare il rilascio del permesso e della carta carburante ad autoveicoli che li abbiano già ottenuti in altre provincie dall'A.M.C. o da altro Ispettorato della Motorizzazione.

Di tutti i permessi rilasciati con tale annotazione ogni Ispetto. Compartimentale dovrà dare Comunicazione a questo Ministero.

Resta fermo il divieto per ogni Ispettorato Compartimentale di rilasciare permessi:

- 1° - per autoveicoli immatricolati in provincie sottoposte all'amministrazione dell' A.M.G.;
- 2° - per autoveicoli ^{immatricolati} in provincie non comprese nella propria giurisdizione.

Attendo assicurazione.
