R.A.C.I. PROVINCIAL SEATS : BARI
PALERMO
NAPLES

Subject : Temporary importation of motorcars -

This Central Seat has been visited by Mr. Sparrow, Permanent Delegate of American Automobile Association to A.I.A.C.P., who has declared that his Association is intended to deliver customs documents for the temporary importation in Italy of motorcars belonging to diplomats and other personalities coming to Italy by order of their Government.

We beg you to dispose that the whole assistance may be given to these automobilists, so that the settlement of all customs matters concerning the temporary importation can be facilitated to them.

You shall also arrange with the local Allied Commands in order to put at disposal of the motorists in question - after their disembarking - a supply of gasoline : this in analogy to what had been made before the war.

In the meantime you will try to deliver to the motorists in question membership card of the R.A.C.I.

For the expenses supported and for the cost of the membership card no sum must be collected, but you will debit to this Central Seat which will provide to obtain the reimbursement by the members of American Automobile Association.

Would the motorists not be in possession of customs documents for temporary importation, you shall deliver an Italian triptyque valid for an year, without requiring any guarantee.

Awaiting to hear from you
