My situation is still the same. I am still at home, waiting for the Minister of Transport (H.E. Cerabona) to appoint me director of the Int. or to any other important job in the transport line.

I permit myself to trouble you in order to ask your kindness to back the attached application of my son, who would like to be hired by the Allied Command for one of its auto-parks. My son is a very able and trustworthy man.

I thank you for what you will do and beg to accept my kindest regards.

Declaration of Avv. CATALDO

Following facts are showing that the appointment of Dott. Ricci has been determined by the desire from the Partito D'Azione to get some good employments, and without any sense of justice:

- 1. "I received the order from H.E. Fenoaltea (of the Partito D'Azione) and Subsecretary at the Residence of Ministre's Council, in agreement with H.E. Cerabona, Minister of the Communications, (Member of the Democratic Party of Labour) to appoint Dott. Ricci as General Secretary" the first words that Prince Caracciolo, new Commissioner, said at Avv. Cataldo.
- 2. " I have my feet and my hands tied" other words that Prince Caracciolo said but after he denied understanding their importance.
- 3. When Prof. Patruno was appointed as Commissioner he repeated several times to Avv. Cataldo that H.E. Fenoaltea gave as condition at his nomination, the appointment of Dott. Ricci as General Secretary but Prof. Patruno refused this compromise.
- 4. Evidentally the Action Party after this, made a strong action for obtain the nomination of Dott. Ricci in substitution of Avv. Cataldo, proposing to Avv. Cataldo some sort of " independent situation at the RACI" but this proposal is against the dignity and the honor of Avv. Cataldo's reputation.

I SWEAR ON MY HONOR THAT THE ABOVE MENTIONED FACTS CORRESPONDS AT THE TRUTH.

I suppose with these facts that Prof. Patruno accepted the inferior charge as Vice-Commissioner for carry out his politic activity with a motor vehicle stolen from the driving school of the RACI, and sacrificing Avv. Cataldo for a politic compromise.

Particulars of the activity of Avv. CATALDO

2B

Avv. Antonio Cataldo born in Genosa di Puglia on 4 September 1890.

On September 1923 until May 1925 he established in Puglia and Basilicata many bus-lines for passengers and goods, work shops for repairing and driving schools.

Since June 1925 is a member of R.A.C.I. until May 1927 he has been Secretary of the RACI of Milan. In June 1927 until 1935 the General Manager of the Genoa Seat. During years 1932-1935 he was the General Secretary of the Committee for some branch of Tourism and Propaganda for Genoa Province. During 1927-1935 he has been Counsellor of the Provincial Council of Corporation of Genoa (Commercial Branch) and Representative of Provincial Tourism.

On 5 December 1935 until 1939 he was appointed General Manager of Rome Seat, on request of Ministry of Price Italian he was transferred in A.O.I. as Director of C.I.T.A.O. (Italian Company of Transports A.O.). When he finished his mission he returned at the Central Seat of the RACI as Chief of Service.

On 1940 he made the Road Code for A.O.I.

He was for 5 years in Genoa Member of the Commission for disciplining of road Traffic and Member of the Commission for Bus and Tramways Lines.

He was also Member of the Commissions for the Road Traffic in Rome and Milan. He was the General Secretary of the National Association of Automobilists on leave (A.N.A.C.)

He was a Relator at every International Meeting for Motor Transports concerning the Tourism and the Road Traffic.

He is Counsellor of the Provincial Committee for Tourism in Rome.

He re-organised and managed the school of the RACI in Milan, and also established the school of RACI in Genoa (The best in Italy recompensed with Gold Medal) at Rome and in many other localities.

For 15 years he was Delegate at the examinations for the driving permit in Milan, Genoa and Rome. He composed the treatise "The Motor Vehicle= Fundamental Regulations" and "Motor Vehicle and Motor Cycle". He was the Director of the Magazines regarding motor vehicles and Tourism. 950

He is Bachelor in Law, Lawyer and Legal Attorney.

Avv. Antonio CATALDO = Employee at the RACI since June 1925. 2A

His political situation :

1. Member of the Fascist Party since the 31st of July 1933 after that the Commissioner of the RACI obliged all the employees to be members of the Fascist Party.
2. In the year 1937 he had to be inscribed at the Milizia with the rank of Major the same he had in the Army. It results that what decided Avv. Cataldo to be a member of the Milizia are the following reasons :
 - a) The imposition made to him by the Chief of the Fascist Group which he belonged to, and the dispositions issued in 1937 that all members of the Fascist Party, especially those that were senior Officers in the Army to be member of the Milizia, he could not refuse that , because he already had had a reproach for refusing to be the lawyer of the Fascist Group, and he was considered as one that did not have enough Fascist faith.
 - b) he found himself in a particular situation in the RACI for the continuous persecutions by Ing. Ivo Magnani, General Manager, who was Commander of the Squadre di Azione, Sciarpa Littorio, wounded for the Fascist cause, Antemarcia and Marcia su Roma, Central Inspector of the Fascist Party, and that wanted Avv. Cataldo's place as General Manager, and he continue his persecution just because he was more technical and for the renewed confidence that the employees had shown to him, at any rate , Avv. Cataldo gave his services at the Milizia.
3. On September 1943, the new Commissioner of the RACI Dott. Milone (late Naples's 'Federale') invited Avv. Cataldo to go "North" for the reconstruction of the new Central Seat of the RACI. Avv. Cataldo refused definitively. The punishment for his refusal was that he was put in awaiting position, without any payment, for one year from the 1st of October 1943. This situation was changed on the 1st of February 1944, into a regular dismissal because after a new definite refusal to go North he was invited to join the 'Intendenza' of the Ministry of the Interior, his technical acknowledge decided the chief of the Intendenza to give to him this order. Due to this order he was obliged to decide himself to join the Ministry of the Interior, at the condition that he would not have to swear for the Republican Government and not to be obliged to be a member of the new Fascist Party and not to follow the Ministry "North." The hostile manners with which he was treated, caused by his slowness in carrying out his duties it is clearly demonstrated that he had been assigned to the an inferior rank. During his activity at the Intendenza he stole a large number of trucks and motor vehicles, that had to reach Northern Italy. After the 4th of June 1944, he presented to Dott. Malfatti, Chief of Cabinet of the Ministry of Interior, and to General Manager 954

./.

of the Motor Pool of the P.S. Dott. Marzano a list of motor vehicles, contributing with this in the recovering of all vehicles and spare parts.

With the precedent facts it results clearly that :

- a) Avv. Cataldo was inscribed at the Fascist Party on 1933 not for personal convenience or for economic advantages, but only because he was obliged as other employees of RACI.
- b) He received the imposition to be a member of the Milizia but he never wanted to give any services at that institution.
- c) He was obliged to get a post at the Intendenza after the dismissal from RACI to evade to go with obligatory service under Germans.
- d) He had any advantage as member of the Fascist Party, in effect his payment was lowest after his inscription, that before as General Manager of Genoa Seat.

In the RACI he was highly esteemed, in effect after the liberation of Rome the representatives of the employees invited him at the Central Seat and applauded him as future General Manager. In the secret voting, waiting the appointment of the Commissioner, Avv. Cataldo had a plebiscitary vote. As soon as Prof. Patruno was nominated Commissioner, he appointed Avv. Cataldo Regent General Manager, waiting a decree for a definitive nomination. The confidence that all employees has in Avv. Cataldo is proved by the manifestation of esteem and desire of collaboration with him.
