SUBJECT: CI/Security Instruction (Austria) No. 3 - Travel to and from Austria

TO: All Concerned

Travel to and from Austria (zones occupied by American or British Forces) will be severely restricted and regulated in four phases.

1. First Phase - from the date of surrender or occupation of the whole or part of the territory concerned to the date when a skeleton form of CI Travel Control has been established. During this period:

- a. The Frontier Zone will be occupied by tactical units with the object of "sealing" the borders as they existed at 31 December 1937.
- b. The frontier will be closed to all travellers (including Kleiner Grenzverkehr - Frontaliers) not forming part of the Allied Forces of occupation.
- c. CIC/IC Control personnel will take up posts on the frontier.
- d. Forward CI Travel Control Office will be set up at HQ Occupying Force in the American and British Zones respectively, and machinery for occupation and disposition of applications for authorization to cross the frontier will be prepared.

e. Travel to Austria will only be permitted to the following:

- (1) US and British military personnel on duty. When travelling as individuals, military personnel must be in possession of regular travel orders.
- (2) Holders of Allied Force Permits endorsed "Valid for entry to Austria only" and issued by G-2 (CI) Section, this headquarters, or other authority designated by that office. Allied Force Permits at this stage will be issued "for entry only" unless exceptional circumstances are present and to individuals whose proposed journey is of immediate operational importance.

f. Travel from Austria will only be permitted to the following:

- (1) US and British military personnel on duty. When travelling as individuals they must be in possession of regular travel orders.
