1. Ref. P.S./10/9 - dated 5th October 1944.

A letter has been received from the Direzione Generale Dei Servizi Anti incendi which states that the laws and regulations governing promotion require that the rank of Maresciallo be given after competition between officers with certain qualifications drawn from all Italy.

2. It is regretted therefore that promotion to the rank of Maresciallo cannot be given to Brigadiere Antonicelli Giovanni.

Reply to letter on date 13/10/44 A.C.C. 14512/1/PS.
Following our laws and regulations the promotion to the degree of
maresciallo is given after a competition decided by the Ministry
of Interior between the under-officers of all the Fire Brigades,
which have certain qualifications.

Therefore it is impossible to give the degree of Maresciallo
to the Brigadiere Antonicelli Giovanni, belonging to the Bari Fire
Brigade.

Refer to here order for promotion
