Memo for Col. KIRK.

1. I visited CC.RR. Headquarters today and conferred with General Sannino regarding the numbers of CC.RR. to go to duty in Rome as planned by 15 Army Group. 1200 will come from Sardinia, 100 from Palermo, 100 from Messina, 100 from Naples, 100 from Bari, 100 from Catanzaro, and an additional company from Bari comprising 350 to 400 men. This will make a total of 850 to 900 members from Regions I, II and III and 'The King's Italy'. Officers will come from Sardinia, Bari, Naples, Catanzaro - no officers will be taken from Region I. All CC.RR. members assigned for this special job will be experienced men with some years experience. This displacement can be made without in any way interfering with the satisfactory functioning of the CC.RR. in the areas concerned.
2. General Sannino expects to go to Sardinia in a few days in connection with this matter, he will be accompanied by Col. Hume on the trip.
3. General Sannino has no information regarding recruiting in Sicily - he believes, however, that it is going along satisfactorily. He will visit Bari soon in an effort to get approval from the Military Mission to the Italian Army for the issue of rations to the CC.RR. in Sardinia and Sicily including the recruits in Region I.
4. The first issue of rations to the CC.RR. will be made 13 January for a ten day period. General Sannino will see General Basso today to make arrangements for picking up the rations for the members of the CC.RR.
5. I informed General Sannino that our request for supplies and equipment from CEMEC stocks was denied by AFHQ and I suggested that he take this matter up with General Picche and the Military Mission when he visits Bari.
6. General Sannino will arrange for a CC.RR. guard at "VILLA GUARIGLIA" on a twentyfour a day basis as requested.

TO: Brigadier General Frank J. MoSherry, Deputy Chief Civil Affairs
Officer, PAFRMO.

Within a few days I must transfer myself with the personnel of my command
to Naples.

I beg you to grant me a letter which will authorize me to get the benzine
I need for two cars and two motor cycles on my journey.

I beg you also to dispose that during my permanency in Naples, a monthly
assignment of five quintal of benzine be granted to me.

My function is essentially inspective, throughout the occupied Italy, which
I cannot do without the necessary combustible and lubricating oil.

29th November 1943

G.O.C. Carabinieri came to consult me about certain moves of Carabinieri personnel, notably the transfer of General Sanino, at present commanding the Carabinieri in Sicily, to command the Carabinieri Division of Naples. I readily agreed to this, and have informed both S.C.A.O. Fifth Army and A.M.G. Palermo that the move will be agreeable to 15 Army Group.

General Sanino received G.O.C. in C's commendations, in the form of a Special Order of the Day, for the work his Carabinieri had done in Sicily. He has been thoroughly cooperative and is an energetic and able officer. The man whom he is to replace in Naples will be retired as being over age and useless.

G.O.C. Carabinieri proposes, and I agree, that General Sanino's second in command, Brigadier General Branca, should assume command of the Carabinieri in Sicily, and also that the Lieut. Colonel commanding the Carabinieri detachment in Naples City should be replaced by Lieut-Colonel Quercia as being more suitable and more energetic. The Naples detachment needs cleaning up and I consider that General Picche's proposals are entirely commendable.

You will no doubt be pleased to see the desire of General Picche to cooperate by consulting A.M.G. before attempting to make any changes or move any senior officer in A.M.G. territory. This is a distinct improvement.
