The Naples legion has taken and sent to Rome the
1.000 pairs of new shoes to distribute them to the CC.
RR. who must join the front lines.

Of these shoes only 400 at the most can be distri-
buted, because they are all too large. It would therefore
be necessary to change the following:

- 500 pairs No 31 with 400 pairs No 28 and 170 No 29.
- 30 pairs No 32 with as many No 27.

We beg that Commission to give dispositions for
this change.
