TO: Executive Commissioners Branch,  
Allied Control Commission.

1. The Commander of the CHIETI Group CCRH says his Hq at BARI promised a short time ago to increase his strength CCRH by 100 men, but has not yet been able to do so.

2. It is appreciated that there are many calls for CCRH reinforcements but CHIETI Province in an Army Area as it is, with many demands upon the CCRH available, is particularly short of personnel and deserving of priority in the allocation of reinforcements.
