Re 1A.

On 16th Capt. Mastroianni raised this matter with Gen. Piche CCRB. Gen. Piche said that there were 25 CCRB in Ischia. This would normally be adequate without troops if there are methods of communication & sending reinforcements in an emergency. Lt. Francis RLSO will telephone on 17th saying whether police in Ischia & Capri are sufficient. A reply will then be sent to Army Sub. Comm.

17th May 1944

On 17th message received from RLSO Region 3 that there were 20 CCRB in Ischia and 10 CCRB + 5 APS & Capri in addition to G.G.F.F. Region Commander Naples CCRB. Consider this adequate. Reply sent to Army Sub. Comm (vide 2A)

1. On the islands of ISCHIA and CAPRI there are some 200 Italian Troops.
2. These troops have been ordered to be withdrawn for inclusion in the AAI program.
3. Italian General Staff feels that the troops should not be withdrawn until arrangements have been made to replace them by civil police or CC.RR.
4. It is not practical to station a unit of one of the Internal Security Divisions on these islands.
5. As it is planned to remove the Italian troops before 25 May, it is suggested that you complete arrangements for CC.RR prior to that date.
