- Sottocommissione per la P.S. -

R O M A

I danni arrecati allo stabile adibito a caserma dell'Arma dei CC.RR. in Termoli sono da attribuirsi alle truppe alleate che lo occuparono per circa 8 mesi.

Il proprietario ha fatto presente di non essere in grado di precisare, sia pure in linea approssimativa, lo ammontare complessivo dei danni. - Risulta però che a riguardo si stanno interessando le autorità alleate che risiedono a Campobasso. 287

Si soggiunge che le truppe alleate distrussero pure i mobili che arredavano la caserma, mentre i tedeschi asportarono gli effetti lettereschi e gli utensili da cucina.

Neppure di questi danni è possibile precisare l'impor

to.

Quanto sopra comunicasi in esito a richiesta verbale
fatta da codesta Commissione.

May 1944.

Memo to Chief of P. Sub-Commission, ACC, Salerno.

Notwithstanding the interest displayed in the matter, the premises which had been used as barracks of the Arma of Termoli and of Campomarino, (Campobasso), are still occupied by Allied Commands.

The places which are actually being used by the personnel of the Arma do not meet hygienic requirements, especially during summer.

It has not been possible, therefore, for the organization of the Arma to be properly systemized.

Gli stabili adibiti a caserme dell'Arma di Termoli e di Campomarino (Campobasso), nonostante l'interessamento spiegato, sono tuttora occupati da comandi Alleati.

I locali che in atto ospitano i militari dell'Arma non rispondono ai necessari requisiti igienici, specie nella stagione estiva.

Gli uffici e l'organizzazione dell'Arma non hanno potuto, quindi, avere adeguata sistemazione.
